EXAMPLE FOCUS ON THE FEMALE

November 22nd 1:00 MST www.yardleycattleco.com

A lifetime of commitment to quality...... YARDLEY CATTLE COMPANY *decomes you to beautiful Beaver, Utah* The eyes of the Breeder, the hands of the Master....

ear Friends, fellow Cattlemen and Valued Customers,

Welcome to our 37th annual Bred Cow and Heifer Sale. Our family sends greetings from the beautiful mountains of Southern Utah. It is the most exciting and rewarding time in history to be in the cattle business. We thought calves were high last year, but this year it is amazing that these light calves are bringing \$3.50 lb. One word of advice from an old cowboy ... with the extra money you are getting this year "pay off your debts".

We look forward to seeing you and hearing from you. The renewed prosperity in agriculture is the most promising part of our economy and is opening opportunity for all our younger generations to be involved in the industry we love and are so passionate about.

We have something for everyone in this sale and our quality is as good as you will find anyplace in America. Our cattle have worked for thousands of others and they will work for you. Last year we had buyers from 19 states and Canada. From Pennsylvania and Michigan to California and Texas to Canada.

These cattle are backed by many generations of highly productive cow families THAT HAVE STOOD THE TEST OF TIME. Our objective is the production of cattle that have a lasting economic significance and make a profit for our customers. THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST WE HAVE THEM IN VOLUME .

I am 81 years old and have spent my life breeding and selecting these cattle for PERFORMANCE, MATERNAL TRAITS AND EYE APPEALING LOOKS that you always enjoy seeing and they will top the market. Forty seven years of Aling and using the best bulls we can find, has produced one of Americas greatest cow herds. It is the mother cow that is the most important part of any operation. NO MACHINE CAN BEGIN TO COMPETE IN EFFICIENCY OR THE COST OF OPERATION WITH A GRAZING COW. Our cows are run on a grass and forage based operation the year around. Easy fleshing is a function of body type and not an EPD or any other number. Our cows are deep bodied, thick, square butted, easy fleshing, heavy muscled, gentle, maintain maternal strength, fertility and structural soundness. The true value of a beef cow is her ability to convert grass and forage into protein.

These traits can best be analyzed by visual appraisal from the eyes of a stockman and assessed along with performance data. We analyze EPD's but the main selection tool I have always used is individual performance: birth weights, weaning weights, and yearling weights plus eye appealing confirmation and good looks.

This is a FAMILY OPERATION and I am very grateful for the love, hard work, help and interest of my wonderful wife and family. A good family is the greatest blessing anyone can have in life and we believe strongly that families can be eternal and forever with God in Heaven. This has been a very eventful

year for our family. We had two daughters get married and had a double wedding reception at the Barn Meadows Ranch. Emily married Weston Maxfield from Lyman, Wyoming and they are living there now. They are a cattle ranching family. Angela married Steve Barton from Cedar City, Utah and they are living there now. Steve graduated from Southern Utah University and plans to go into banking. Angela has been driving home this fall and helping us get ready for this sale, and Emily has come home several times to take cattle pictures for our sale.

We are very grateful for the hard work and dedication of our wonderful men, Josue Garcia and Jose Guzman. They know how to do things right and the day never gets too long for them.

WE LOVE AMERICA and feel very blessed to live in this great land. The standard of living we have been able to enjoy is the best the world has ever seen. We pray every day that we'll get a conservative Congress elected this fall that can turn this country around and save it before it is too late. We'd like to extend our gratitude to all of our past customers and friends. We really appreciate your business and friendship. We appreciate your confidence in our cattle, our program and our family.

We look forward to seeing you sale day and talking with you on the phone. GOD BLESS YOU and GOD BLESS AMERICA. Sincerely yours for a better cattle business.

TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

Renting the Land

As shadow creep across the land And night is drawing near. I kneel upon the desert sands And toast the Lord sincere.

For he provides me all I have A place to call my home. A place serene in beauty Where animals may roam.

We share this place, the Lord and I Our Truce and unsigned pact. He lets me use it for a while But I'm to give it back.

We carve a living from the land But promise to return, A better place than what we had We call that interest earned.

So bear with me my noble friend Let conscience be your guide. And somewhere down that lonely path We'll make that long trail ride.

TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head. Last year we sent a semi load to El Paso, Illinois for \$150 a head.

ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

South Interchange \$60	
Comfort Inn	435-438-6283
South Interchange \$72	

RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 & 1/2 miles to the Yardley Black Cow/ Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON Leaving Hwy 21, traveling north on the gravel road, except for our house and lot, the horses, cattle and land do not belong to us until you cross the cattle guard just below our sale barn.

TERMS & CONDITIONS

TERMS: No cattle will leave sale yards until full settlement has been made immediately after the sale. Payment terms are cash or a good check. All "returned" or insufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed.

BIDDING: All animals will sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter.

BREEDING DATES: Heifers will start calving February 1st and cows February 20th. Most of the cows will calve in March with some April and a few into May. WE HAVE HIGHLIGHTED THE SIRE TO WHICH THE VETERINARIAN, TO THE BEST OF HIS ABILITY, HAS DETER-MINED THE ANIMAL BRED TO. However, we cannot guarantee they will calve from this mating.

HEALTH: Every animal in this sale, to the best of our knowledge, is healthy and eligible for interstate shipment. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way lepto and trichomoniasis. The heifer calves have been fully vaccinated and boostered. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots, three weeks apart before they calve. All Cattle have had Dectomax, and given OneShot Ultra 8. Calves have had two shots Bova Shield Gold and OneShot Ultra 8

BREEDING GUARANTEE: All females sold under the conditions "safe in calf" have been pregnancy checked by a licensed veterinarian and sell with no further guarantee. No guarantee is given that bred females will deliver a live calf.

All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if 1) a female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred and 2) if she is flushed at any time in the first year after the date of the sale. These two exemptions do not apply if the female is examined by our vet to have an underdeveloped reproductive tract that would have been present at the time she was sold. Infections or other enlargement do not constitute "undeveloped."

100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses occurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at time of sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value. **AI CERTIFICATE:** The purchase of A.I. certificates is the responsibility of the buyer, as well as, the registration of all calves born after sale day.

REGISTRATION CERTIFICATES: Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. Leave the name and address to which you would like purchases transferred on your sales slip.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by these Terms and Conditions.

TRUCKING: All trucking, pricing and trucking fees are the responsibility of the buyer, but we will help you all we can with coordinating loads. LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. We try to keep the most accurate records possible and have bull tight fences, but once on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it. The owners and employees of Yardley Cattle Co. assume no liability, legal or otherwise in the event of an accident, bodily injury, theft, error or omissions in catalogs or parentage verification.

Cattle are kept in their own individual breeding groups until the first to mid July. Due to size and layout of the Forest permit it is necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale.

1-Work with one of us to fill your order...

Due to the size of the offering it is impossible to picture every cow. There are many quality females that may not be highlighted

that will fit your program. Feel free to call anytime PRIOR to the sale. Sale days are crazy!! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Jeannie: 435-421-1200.

<u>2-Bidding via DVAuctions....</u>

Bid via www.DVAuction.com. For more information contact Kate @ 402-649-8048 or Roxanne @ 402-649-7946

<u>3-Sale Day Phones.</u> These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Jeannie	(435) 421-1200
Emily	
Angela	
John Griswold	(405) 780-3300

PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wiretransfer on Monday, November, 24th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

• PG 4 • 435-310-0041

Weaning 2014some of our most cherished memories have happened in the corrals at Asay Creek. We've all grown accustomed to dad behind the scales, poking his head around to look at a "great one." It is a favorite time of year and one we all try to make sure we are home for.

Just as beautiful and productive as those pictured. We simply ran out of time!

hecking the data

We take great pride in our "clean up" bulls, we call them our herd bulls. Many of them come from top herds across the Nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we only use the best. OUR BULLS IN THE PASTURE ARE OF EQUAL OR HIGHER QUALITY AS THOSE IN THE TANK and we take pride in their genetic merit. Don't hesitate to buy a female that is pasture bred!

Bringing you the best of Yardley genetics

LOT 1 POLLED 3/8 MA YARDLEY BRANDY B47 Cerveza Miss Chill 1829 Max Yardley Cherokee Miss Yardley P148 Miss Yardley K145

BD: 2/18/14 WW: 560 EPDS: BW: 2.0 WW: 37.4 YW: 66.3 MK: 15.9

Yardley Brandy brings "power in the blood" with her Irish Whiskey roots; with all the attributes that have made her grandsire and sire, Cerveza so popular. It's not just her top side that brings this picture perfect heifer packed with power, eye appeal, style and structural soundness. She moves with the confidence of a winner, she's good and she knows it. Her dam has been a no-miss momma that produced Fairy Dust Z113 in our '12 Female sale. She went for \$4,000 to showmen Randy and Troy Jones of Harrod, OH. Brandy is sure to be equally impressive. Her grand sire, Cherokee, was as perfect a maine bull as I've ever seen and so are his calves

LOT 2 POLLED 1/2 SM 1/4 AN BEAUTY QUEEN B96 WAGR Driver KCC1 Pinnacle CNS Tiara Yardleys Royal Jet Miss Yardley Y214 Miss Yardley T185

BD: 3/3/14 BW: 79 WW: 709 EPDS: BW: 2.4 WW: 74.8 YW: 103.0 MK: 22.1

Beauty Queen is everything her name implies and more. She's one of the most complete and stylish features in the offering. With a huge hip, big top, excellent side profile, width, and depth throughout in an extremely long body it's easy to see why she had the highest weaning weight in our offering at 709#! Her sire, Pinnacle, was the lead off bull in the champion pen of three high % Simmental show in Denver. We gave \$16,000 for him. His calves are even better than he is; Beauty Queen is a prime example. She's ready to go and win some purple.

LOT 3 Y POLLED 3/4 SM 1/4 AN BLITZ B83 STF Shocking Dream STCC Long Haul Miss Fancy Yardley SVF Steel Force GCC Steel Force 199X OCC Miss Impact 4334R

BD: 2/28/14 BW: 80 WW: 668 EPDS: BW: 0.4 WW: 56.6 YW: 83.6 MK: 20.6

This is one to get excited over! She's got the look of excellence extending from her smooth shouldered chisel front to her massive hind quarter. She's got depth and thickness throughout. Her dam is a beautiful Steel Force daughter who produced a \$6,500 bull calf as a first calf heifer. He was our top gaining bull in '13. Long Haul's offspring are equally impressive with our '14 high selling \$20,000 bull, Overhaul. Free in her movement, correct in her design, Blitz is more than just a pretty picture; she'll make a top end donor at the end of a successful show career.

The greatest lesson we can learn from the past... is that *freedom* is at the core of every successful nation in the world. –Anonymous

LOT 4 WAINETAINER Cowans Ali GOET I-80 BPF Miley Meyer Ranch 734 TJSC Honey Bear 2T J&S Blackbird

BD:2/17/14 WW: 576 EPDS: BW: 4.3 WW: 61.5 YW: 85.2 MK: 22.6

From the day we laid eyes on Breezy's dam in Jones's sale we knew we had to have her. She is as pretty a Meyer 734 daughter as we have encountered. She is a sound, moderate made powerhouse who has sold several calves for \$4,000 to \$8,000. Troy knew what he was doing when he crossed this fine female on the top end with Maine sire I-80. The result, Breezy, is nothing short of amazing. She draws on the best of both worlds. She's got a super cool front end with awesome hair and design of a top end Maine coupled with power, bone, body and substance of an ideal Simmental. Breezy's got it all and she's ready to make it work for you.

LOT 5 ANGUS BLK BRILLIANCE B44 OCC Legend SCC Apache Brave Y Annie Coed Leachman Saugahatchee Miss Yardley S130 Miss Yardley M9 BD: 2/18/14 WW: 560 EPDS: BW: 2.4 WW: 41 YW: 61 MK: 21

Black Brilliance is very possibly the best Angus female we have ever raised. I say this fully realizing the magnitude of these words; BUT, WOW, she is that good! She has the hip, hind quarter, width and side profile of an elite individual. Her cow family is no stranger to the spotlight. Yardley Geronimo, Brilliance's full brother sold for an impressive \$9,000 to good friends Brian and Robert Walker after they bought a maternal brother in an earlier sale for \$7,500. Their dam has averaged 763# on six calves! Apache's offspring have left a mark of excellence. Black Brilliance is sure to excel in the show ring and more importantly in the donor pen.

LOT 6 Y POLLED PB SM BRING IT B121 SVF Steel Force GCC Chopper Ms Meyer 31S1 WSS McCallister K102 Miss Yardley U212 Miss Yardley U212

BD: 3/7/14 BW: 92 WW: 683 EPDS: BW: 2.8 WW: 53.0 YW: 69.5 MK: 17.9

If you're looking for a lady who will stand her ground in the show ring, and isn't afraid to compete, Bring It will do the job just fine. She comes from a no-miss cow that has produced year in and year out. Her High Regard maternal brother was our '14 \$10,000 lead off bull. Bring it has the build of a champion and the athletic ability to back it; from her massive hip to her smooth shoulder she has width, depth and muscling throughout. Bring It is ready to go and ready to win.

Black Cotton has an awesome disposition. Her looks are equally appealing with a huge hind quarter, big middle, and a wide top and really moves out nice. Her dam came all the way from Jones Show Cattle; Black Cotton is her first calf. We are really excited to see what she will do in years to come. GOET I-80 is currently the "goto bull" for the Maine Anjou breed, it's easy to see why.

LOT 8 POLLED 3/4 SM 1/4 AN MCC Cupid GCF Billy the Kid GCF Miss Reflection CNS Dream On Miss Yardley U37 S119 by Positive Power x BD: 2/24/14 BW: 73 WW: 650 EPDS: BW: 0.3 WW: 55.7 YW: 81.2 MK: 15.1

Without fail a couple of E119's descendants find their way into the feature lots in the Fall and into the leadoff bulls in the Spring. The consistency of this cow family is second to none on the ranch. They have generated more dollar value than any other cow family we own with countless donors and top producers. Case in point Bonnie Girl's maternal sister, feature Glitzy Girl, sold to Ronnie Smith of Texas for \$7,500. Bonnie Girl carries the family name well; big boned, powerfully hipped, stylish and deep, she's ready to win!

Just looking at Bliss gives you a surreal feeling. She is the kind of heifer you wish you had more of and could never get enough. She has one of the best choke-necked fronts and hair of any Simmy we have ever seen; great hip, lower quarter and depth throughout and you've got the perfect formula for success. With a heifer like Bliss you'll be seeing purple.

LOT 10 POLLED 1/2 SM 1/2 AN SVF Steel Force GCC Nickels N Dimes AJE/JF Ant Joys Elegance Meyer Ranch 734 Miss Yardley P427 178J

BD: 2/18/14 BW: 74 WW: 647 EPDS: BW: 1.3 WW: 66.1 YW: 93.3 MK: 23.6

Yardley Bling is an extremely long-spined heifer with tons of rib and power. Her dam is a real nice Meyer 734 half-blood. A maternal brother to Bling commanded \$7,000 going to Quintin Harper of Walden, CO. Nickels n Dimes obviously knows how to throw them with four of the fifteen features sired accordingly. Bling will make some awesome purebreds or club calves. No matter how you cross her they'll be good.

LOT 11 POLLED PB SM Flying B Cut Above Yardley Chrome Miss Yardley W122 Sand Ranch Hand Miss Yardley U154 Miss Yardley R81 BD: 3/1/14, BW: 71, WW: 652

BD: 3/1/14 BW: 71 WW: 652 EPDS: BW: -0.6 WW: 49.3 YW: 66.4 MK: 24.5

Blazing Beauty comes from the heart of the Yardley Herd. Her maternal line traces directly back to E119, one of the most prolific and profitable donor and dam of donors we have raised. Blazing Beauty's maternal brother, Wah Wah, was our '13 pick of the herd. Another maternal brother sold in '12 for \$9,500 and her full brother sold in this year's sale for \$6,500 to Chiver's Ranch of Vernal, UT. Her dam has averaged 712# on five calves. Blazing Beauty's potential as a Donor Female is as great as any female in the offering and would be an excellent prospect to build your herd around.

The ability of a cow family to pass on desirable traits to their offspring is the true measure of a cow. Her capability of doing this year after year increases her value both economically and genetically. Birdy's Blush hails from a cow family packed with maternal traits of structural soundness, udder quality, fleshing ability and longevity. Her maternal grand dam, F44, weaned sixteen calves that averaged 630#. One of her daughters is the mother to our herd sire Chrome. F44's dam raised fourteen calves that averaged over 650#. Birdy's Blush is sure to make an exceptional show heifer and valuable breeding piece.

Based around many of the cornerstone individuals in both our Simmental and Angus lineup. A11's grand dam is the mother of Zion and is as pretty and prolific of a cow as we own. Her bull calves have averaged nearly \$5,000. Furthermore her sire Longhaul produced our \$20,000, '14 high-selling bull, Overhaul, to renowned Wheatland Cattle Co. of Canada. His females are maturing into beautiful heifers, with the promise of being extremely versatile in the show ring and pasture. They possess maternal traits that are crucial to an efficient cow-calf program. Al'd to GCC Whizard, A11 has Donor potential and will produce many other donor-type females for years to come. Check out her dam in the sale, Y55.

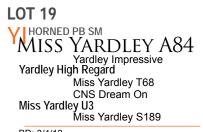

Miss Yardley T170 OCC Jet Fleck Miss Yardley U187 Miss Yardley M41

BD:3/8/13 EPDS: BW: -0.1 WW: 65.6 YW: 94.6 MK: 13.2 AI: 4/28 GCC Whizard PE: 5/17 Y1 Aspen

Big and beautiful, A103 enters the ring with style and stoutness. With her powerful hip and huge hind quarter she has an impressive span of 75# BW to 697# adj. WW. Several of her paternal brother's have sold for over \$9,000 in both Wernings' sale and our own. Yardley Utah is leaving his stamp of excellence on his offspring and A103 is one daughter you don't want to pass up. The GCC Whizard cross should really compliment her.

If you're looking for a fancy, blazed-faced female then check out A92. She is a massive ribbed individual with the length of body and stoutness to perform. Her dam, X109, records over a 650#WW avg. on her calves. A maternal brother to her dam sold for \$5,750. Yardley Chrome produces huge hipped, big topped cattle. Pasture exposed to our \$13,500 pick of Bush's '14 offering, Bushwhacker A92 should have an awesome calf come spring.

BD: 3/4/13

EPDS: BW: 0.0 WW: 55.8 YW: 76.8 MK: 17.3 Al: 5/10 Grindstone **PE: 5/17 Y1 Aspen**

Yardley High Regard's genetic demand has been increasing daily as cattlemen in and out of the show ring are recognizing his ability to transmit the look of a champion with the functionality of a true breeder; selling a \$75,000 heifer from Jones's to Werning's \$80,000 bull. With a big hind quarter, depth of rib, length of body and extension through the neck A84 accentuates the traits of her sire's offspring. Her dam, U3, is a powerfully made, functional female who produced a \$6,500 bull that went to our good friend Lynn Swenson of Spanish Fork, UT. Late Calver.

BD: 3/30/11 WW: 596 EPDS: BW: 3.7 WW: 50.9 YW: 64.5 MK: 11.7 PE: 5/19 Billy the Kid

Here's your chance at a great one. Y190's dam sold as a feature in '12 to astute cattleman Darrell Scott of Mapleton, IA for \$11,500. Y190 just weaned a 748# WW bull calf. Powerful performance and looks to go with. The Key to the Puzzle = Balance It's the hardest thing to keep in the front of our minds. We always want to think that bigger is better, or we buy bulls based on spread EPD's or we choose a bull because he has one trait that really stands our. We've all been guilty of it, but the real key is "balance," the ones that do all things well. I really believe that this is one of the hardest, if not the hardest, hurdle in breeding cattle. If we can stay focused on this, it will make us more profitable and better cattle breeders.

BD: 4/1/09 EPDS: BW: -.9 WW: 39 YW: 62 MK: 27 Al: 5/30 Showdown **PE: 6/4 Y1 Utah**

W435 originates from the herd of one of our dearest friends Kal Herring in Encampment WY. A trip to the Denver Stock Show isn't complete without seeing my dad's old stall neighbor, Kal. We loved this female at the Classic Female Sale. Her incredible dimension of rib and depth, coupled with her functional fleshing ability and style make her a cow worth owning. Her sire GCC Total Recall has produced several offspring that have sold for over \$20,000 including a \$65,000 bull calf.

Excerpts from the last letter of my uncle Gib-Died in WW1 in France

"...There are some things on earth worse than death and one of them is backing down when the other boys are giving their time and perhaps their lives for their country. Life to me is dear. I have a lot to live for but I always want to be able to say that I did my part, and I know that though it is costing us a lot you are thankful that I am here. Generations to come may not know of the humble soldiers who are fighting for liberty and peace but time will never erase the big thing (freedom) that these soldiers will bring to the world." –Pvt. James G. Yardley, March 29, 1918. Taken from the last letter written by my Uncle Gib before he died and written to his loving parents. I was named after him; my dad idolized my Uncle Gib. James Gilbert "Gib" was able to meet his brother Jack who was serving an LDS mission in New York, just before he was shipped overseas to fight in WW1. He never made it back, he died Oct. 20, 1918 WWI, somewhere in France.

Hay season, means hot days, with crisp nights, the hustle to get done before the 4th of July or the next rainstorm. AROUND, and AROUND, and Around! Vivid sunsets, and the grace of God in our beautiful little Beaver Valley. Josue Garcia loves the hay field, cuts all the hay and does a great job! The Rancher's Creed

I believe a man's greatest possession is his dignity and that no calling bestows this more abundantly than cattle ranching. I believe that ranching is the most honest and honorable way a man can spend his days on this earth.

I believe ranching nurtures the close family ties that make life rich in ways money can't buy. I believe ranching provides education for life and that no other occupation teaches so much in such a variety of ways.

I believe that by my toil I am giving more to the world than I am taking from it, an honor that does not come to all men.

I believe when a man grows old and sums up his days, he should be able to stand tall and feel pride in the life he's lived.

I believe in cattle ranching because it makes all this possible.

BD: 3/20/13 EPDS: BW: 0.5 WW: 53.5 YW: 72.3 MK: 15.2 AI: 5/12 Comfort Zone **PE: 5/18 Y1 Aspen** Billy the Kid really crossed well on this fancy female's dam. She blends together the best of three breeds. She's got the look, hair, and chisel front of a top end Maine with the powerful hindquarter, bone and thickness of a great Simmental and the side profile, depth and broodiness of an Angus. With her chrome and color, she should make for an awesome club calf momma! YI Aspen was our pick in our 2014 Bull offering.

The happiest people don't have the best of everything, but they make the best of everything they have.

It is almost surreal that our little Birdy is all grown up. She graduated from BYU-Idaho with honors in the top four of her class with her Registered Nursing degree. We love you! You have brought so much sunshine and light to our family. We love you so much and we are so proud of you and all you have accomplished!

We welcomed a new grand baby to Lori Ann & Toby Hoffman. Rhett Gilbert Hoffman was born August 2, 2014. He weighed 8 lbs oz.

Emily married Weston Maxfield on the 23rd of August, 2014 in the Manti Temple.

Our little Birdy followed suit and married Steve Barton on the 25th of August, 2014.

Jessica, (Michelle's oldest) reported for the Honolulu, Hawaii Mission for the Church of Jesus Christ of Latter Day Saints October 1, 2014.

We had a few crazy months!

YARDLEY FAMILY PDATE

Jake & Julie Finlinson Family

"When God wants a great work done in the world or a great wrong righted, he goes about it in a very unusual way. He doesn't stir up his earthquakes or send forth his thunderbolts. Instead, he has a helpless baby born, perhaps in a simple home. And then God puts the idea into the mother's heart, and she puts it into the baby's mind. And then God waits. The greatest forces in the world are not the earthquakes and the thunderbolts. The greatest forces in the world are babies."

Mark Sneed

From the Purple to the Pasture

PB SIMMENTAL ASA # 2522822 Sire: Y1 Impressive by Dinero x Power Surge Dam: Miss Yardley T68 by Pinion

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning Families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$75,000. Another daughter was just crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring and we know will work in the pasture. As a complete outcross to Dream On he is the go to sire for functional, consistent quality. Sexed semen available.

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

GCF BILLY THE KID

1/2 SIMM 1/2 ANGUS REG # 2548887 Sire: MCC Cupid by OCC Legend Dam: GCF Miss Reflection by CNS Dream On

Billy the Kid did not disappoint. He has sired a group of calves second to none. They are big bodied, stout made, and there just isn't any throw aways in them. They exhibit a soft made, easy doing look that is popular in everyone's cow base. Billy the Kid was a member of Grindstone Creek Farms Pen of Three in Denver 2011. He has quickly earned a place in our Herd sire pen. You're going to fall in love with his daughters at our Focus on the Female sale.

Y1 WHIRL OF A DREAM W361

PB SIMMENTAL REG # 2533644 Sire: CNS Dream ON by Nichols Legacy Dam: Miss Yardley B75 by Whirlaway

Whirl of a Dream was the pick of our Simmental bull calves several years ago. He's big topped, large scrotaled, with bone and great muscle shape. His dam, B75, has been a top producer for us. She raised this calf at 17 years old, he weaned off at 712# with no creep and she was fat when she came home. A wise cattleman once told me if you love the cow, breed one of her sons and you'll replicate her. There is performance with power in this pedigree. We couldn't be more excited about his calf crop. They are functional, big ribbed, thick made cattle with performance. His bull calves last year averaged higher than any other sire group, averaging over \$7,000.

YARDLEY UTAH

3/4 SIMMENTAL 1/4 ANGUS REG # 2641894 Sire: GCC Hard as Steel Dam: Miss Yardley T170 by Dream On x Corrector

We consider this bull one of the very best, if not the best bull we have ever raised. I am as critical a bull buyer as there is in the country and there isn't one single thing I don't like about this bull. He has perfect phenotype every place you look at him. I don't like high tailed cattle. I want them square over that tail head and he is. Jeannie loves his perfect built, moderate sized mother as good as any cow we own. L21 was seven years old when we sold her, she brought \$7,700 selling to Greg Kroupa of White Lake, SD. She was as pretty a cow as we've ever owned. T170 was her last calf that she had and is as pretty as her dam.

Miss Yardley T170

N'THE FEMALE '14 • PG 51 • www.yardleycatttleco.com

GCC HARD AS STEEL 144W

1/2 SIMMENTAL 1/2 ANGUS ASA REG # 2511031 Sire: SVF Steel Force S701 Dam: OCC Jaunada 898L by OCC Homer

I had the opportunity to go to the Grass to Grid Sale, before I married John. I fell in love with Hard As Steel before I was real sure I was in love with John! I circled his lot number, put a star next to his name, and wrote love this bull in my footnotes. With a 70# BW, 15.67 REA, and a 40.5 yearling scrotal he was one you could like off of paper but he got better after a visual analysis. He is a female maker that is huge bodied with fleshing ability and style. His first calf crop did not disappoint. Owned with Curt Schoner, and Griswold Cattle Company. His mother has been in ET at Griswolds, she is one of the best cows that they purchased from Tim Ohlde. Hard as Steel cost us \$12,000. He sired many high dollar cattle for us this past year.

GCC NICKELS N DIMES

PB SIMMENTAL ASA REG # 2659379 Sire: SVF Steel Force by CNS Dream On Dam: AJE/JF Aunt Joys Elegance by 3C Macho

Joy's Elegance was Grand Champion in Denver in the Junior show and matured into as picture perfect cow as she was show heifer. A true test of a great show heifer doesn't come in the showing, it comes in her ability to produce and transmit the same look and quality in her offspring. Joy's produced \$106,000 in progeny sales this past year on four head with one of the most consistent flushes ever produced at Griswold Cattle. The two yearling heifers produced are proving to be as competitive in the show ring as their great dam. Nickels n' Dimes is big topped and complete with plenty of rib, dimension, style and power with a killer look. This is the kind of bull to change a program with! Owned with Griswold Cattle.

Yardley Ensign Z394

3/4 SIMMENTAL 1/4 ANGUS ASA REG # 2690517 Sire: STF Shocking Dream by Dream On Dam: Miss Yardley W151 by 3D x Treasure x N130

Great cattle it seems are built by great cow families and the E119 cow family has been one of the most profitable we have ever owned. It doesn't matter the generation E119 falls back through on the pedigree chart, they are destined to be good. N130 is a daughter of K114, E119's best daughter and both donors. All three of these great females have produced sale toppers, the quality doesn't get any better. Ensign is a bull that stuck out as soon as you walked in the pen. With plenty of rib, bone and power along with the look it takes to make class winners and sale toppers. He's the real deal and we couldn't be more excited about him!

YARDLEY CHROME Y256

POLLED PB SIMMENTAL ASA REG #2629556 Sire: Flying V Cut Above Dam: Miss Yardley W122 by 3C Macho x Bonanza x Whirlaway

Longevity is an essential part of a profitable cow. This bull is out of a first calf heifer, who is out of one of the two oldest cows on our ranch. She went strong till 17 years old! She has averaged 81# BW's on 14 head of calves! Out of one of the premier purebred calving ease Simmental sires, Cut Above. With a smooth shoulder and softness throughout. Chrome has proven himself as a purebred calving ease herd sire that is an outcross to Dream On.

STCC LONG HAUL

PB SIMMENTAL REG # 2540264 Sire: Shocking Dream by Dream On Dam: Miss Fancy Yardley T85 by 3C Macho

Long Haul's dam was the pick of our heifer calf crop in 2007 by Trennophl and Rist of Indiana. Long Haul bred 45 head of cows this spring and held his flesh as well as any bull we have ever used. He was Intermediate Grand Champion bull in Denver 2012. He's moderate framed, cool made, and his cow family stands second to none. His Granddam produced the \$21,000 high seller from last years sale that sold to Jones Show Cattle and Tulle Cattle Co. A maternal sister to his dam produced Sugar Plum, a crowd favorite in our 2009 sale that sold to Wayne and Barb Ohlrichs. Sugar Plum produced a bull calf this year that Wayne and Barb said will be big time. Case and point is this cow family will PRODUCE!

YARDLEY WAH WAH Z303

3/4 SIMMENTAL 1/4 ANGUS REG # 2690482 Sire: Billy the Kid Dam: Miss Yardley U154 by Ranchhand x E119

Wah Wah was the pick of our herd for our next herd sire in our bull battery. With his flawless phenotype that combines a massive hind quarter with a big top, deep chest, smooth shoulder, big hoof and ideal leg set in a unique blend of power and softness. He has an equally impressive set of weights with a huge spread from 78# at birth to 764# at weaning. His quiet disposition and awesome pedigree trace back to our herd matriarch and donor E119, is filled with equally impressive herd matrons and make Wah Wah the complete package and impeccable addition to our bull battery.

ZEIS REAL STEEL A23

1/2 SIMMENTAL 1/2 ANGUS REG # 2770310 Sire: SVF Steel Force Dam: BF GCC 5918 by OCC Legend

This fancy ½ blood was Grand Champion Simmental bull wherever shown at the Nebraska State Fair, Iowa State Fair, The American Royal, Kansas City, North American in Louisville, and the greatest of all stock shows the National Western in Denver. He's about perfect in his phenotype. My good friend Stan Sears from California and I were watching them judge the show and when he won we decided to buy him. He is by Steel Force out of an OCC Legend daughter. He had a 64# birth weight so we bred him to quite a few heifers. He cost us \$15,000. He really held his flesh well after we turned him out to breed. Owned with Stan Sears.

KCC1 PINNACLE 118Z

ANGUS REG # 16996619 Sire: WAGR Driver Dam: CNS Tiara P405 by RCC Headliner M6051

Pinnacle was the lead off bull in the Grand Champion pen of three high % Simmental bulls in Denver. He cost us \$16,000. We really have some fancy calves by him. He is sired by WAGR Driver and out of a Power Drive cow. He had an 87# BW and 775# WW. You'll like his calves. He has done us a great job!

<u>Yardley Zion X288</u>

ANGUS REG # 17036377 Sire: SCC Apache Brave Dam: Miss Yardley S504 by SAF Bando 5175

S504 has been one of our very top producers, she does not miss. Zion was a bull that stood out as a top individual from the time we weaned. He had as much rib, rear quarter, power and overall mass as any bull in the pen. We just weaned his first calf crop, they have performance and eye appeal. He was severely hurt as a yearling, we babied him along for a solid year and he recovered. He is as pretty a mature bull as you could picture with the pedigree and performance to stand out from the crowd.

SCC APACHE BRAVE ANGUS REG # 15759398

Sire: OCC Legend 616L Dam: Y Annie Coed 928 (Krugerrand granddaughter)

Apache Brave is going to go down as one of the greatest sires of Yardley Cattle Co. His progeny are top of the pen with 11 head of bulls averaging \$4,568. He is an easy calving sire that produces cattle that have look and style. Grass fat cattle are what we need to breed. He always maintained his flesh while breeding cows and he wasn't a bull that needed to primped and pampered. Apache was a moderator that kept performance and bred depth and rib into his progeny. Owned with Matt Sherwood.

OHL NEXT TO HEAVEN 17Z

ANGUS REG # 17374374 Sire: Plaineview Lutton E102 Dam: TC Freedom

OHL Next to Heaven was the leadoff Lot 1 bull in our good friends Wayne and Barb Ohlrichs sale this past spring. They felt he was one of the best bulls that they have ever raised of any breed. He has performance, muscle, body, smoothness, structure, style and balance - he has it all. You could label this bull any breed you wanted and be exited about him, there just isn't many Angus bulls that are made this good! When you study him from the ground up it's hard to find a hole in him. It's pretty easy to see why he created such a stir in Denver, he's the real deal!

YARDLEY ROYAL JET

ANGUS ASA REG #16704437 Sire: OCC Jet Stream Dam: Miss Yardley R192 by SC Stockman

Royal Jet is the type of bull that defines where we are taking our program; Soft made cattle that carry performance, thickness, fleshing ability, and style. OCC Jet Stream is now deceased, he stands as one of Ohlde's greatest herd sires. Look at the performance this bull carries coupled with a perfect phenotype. This is as good as Angus bull as you will find anyplace. We used him to clean up all of our Angus heifers this past year. He's the type of bull that will add belly, rib, and doability, without taking pounds away from your bottom line.

I'm not so much myself, Lord, but here where I belong, My feelings fit the country, and my cowboy heart beats strong With thankfulness that your big sky can look down from above Most any day and find me glad I'm doing what I love: Just looking after cattle, independent as a king. Admiring snow in winter, smelling sagebrush in the spring.

Among my many blessings I enjoy an honest pride In my own horse for partner everywhere I need to ride. I'm thankful that You let me live in this wide open land, To see the rainbows colors painted by Your loving hand.

My life's tied up with cattle, Lord—a hardy life but free, Where snow means grass next summer, and a man can plainly see

Your handiwork on every side, My thanks Lord, are sincere, For friends, good grass, fat cattle, and a good ranch country.
