

YARDLEY *Cattle Company*

Focus ON THE
FEMALE

Saturday, 21st of November 2015

1:00 PM (MST) at the ranch in beautiful Beaver, Utah

Welcome,

Dear Friends, Fellow Cattlemen, and Valued Customers:

Welcome to our 38th annual bred cow and heifer sale. Our family sends greetings to all of you from the beautiful mountains of Southern Utah. We live in a lush meadow valley on the Western side of the Rocky Mountains at an elevation of 6,000 ft. Our winter range is 45 miles west of Beaver and is 5,000 ft. It is choice country and we never have to feed hay unless it snows and covers up the feed, which it has only done 2 or 3 times in the last 30 years and then it usually goes off in 2 or 3 weeks. Our cows all calve out there unassisted and we go out every couple of days and weigh and tag our calves. If the weather gets too bad we are with them all day from daylight till dark. We keep our 2 year old heifers home and calve them out where we can watch them. We A.I. 400 head every year. We have enough individual pastures, so we put in individual bulls with all our cows. I have been Al'ing for over 50 years.

We haul our cows 125 miles from the winter range to Asay Creek. It is 75 miles from Beaver and is 7200 ft elevation. We then trail them horseback 25 miles to the Forest where they summer at 9,000 to 10,000 ft. Asay Creek is one of the main tributaries of the Sevier River and springs up on our ranch which is one of the prettiest places you will ever see and we have a lot of irrigated meadows there.

We have something for everyone in this sale and our quality is as good as you will find any place in America. Last year we had cattle go to 22 states and Canada. Our cattle have worked for thousands of other buyers and they will work for you.

Our cattle are backed by many generations of highly productive cow families **THAT HAVE STOOD THE TEST OF TIME**. Our objective is the production of cattle that have a lasting economic significance and make a profit for our customers. **THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST, WE HAVE THEM IN VOLUME.**

I am 82 years old and have spent my life breeding and selecting these cattle for **PERFORMANCE, MATERNAL TRAITS AND EYE APPEALING GOOD LOOKS**. We analyze EPD'S but the main selection tool I have always used is individual performance, birth weights, weaning weights and yearling weights, plus eye appealing good looks and structurally correct conformation.

This is a **FAMILY OPERATION** and I am very grateful for the love, hard work, help and interest of my wonderful wife and family. A good family is the greatest blessing anyone can have and we strongly believe that families can be eternal and forever with God in Heaven. We were thrilled that Angela and Steve have our newest granddaughter. This makes 28 grandchildren and 2 great grandchildren. Our little grandson Garrett, son of John & Jeannie Griswold was in the hospital for over 40 days with a very rare lymphatic condition. For over a month they were in the top Children's Hospital in the country in Boston, Massachusetts. We are so very thankful that our prayers were answered and he is now about better. We cannot thank all of you enough for your prayers and concern.

We are very grateful for the hard work and dedication of our wonderful men, Josue Garcia and Jose Guzman. They know all our ranch and how to do things right. The day never gets too long for them.

WE LOVE AMERICA and feel very blessed to live in this great land. The standard of living that we have been able to enjoy is the highest and best the world has ever seen. We pray every day that this country will survive all the liberal, socialist tyranny (that is being forced on us) so that our grandchildren can enjoy the way for life we have enjoyed. We are disappointed in the lack of conservative action taken by the new Congress. We hope it will change a year from this November.

We'd like to extend our gratitude to all our past customers and friends. We really appreciate your friendship and business. We appreciate your confidence in our cattle, program and family. We look forward to seeing you at our sale. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely,

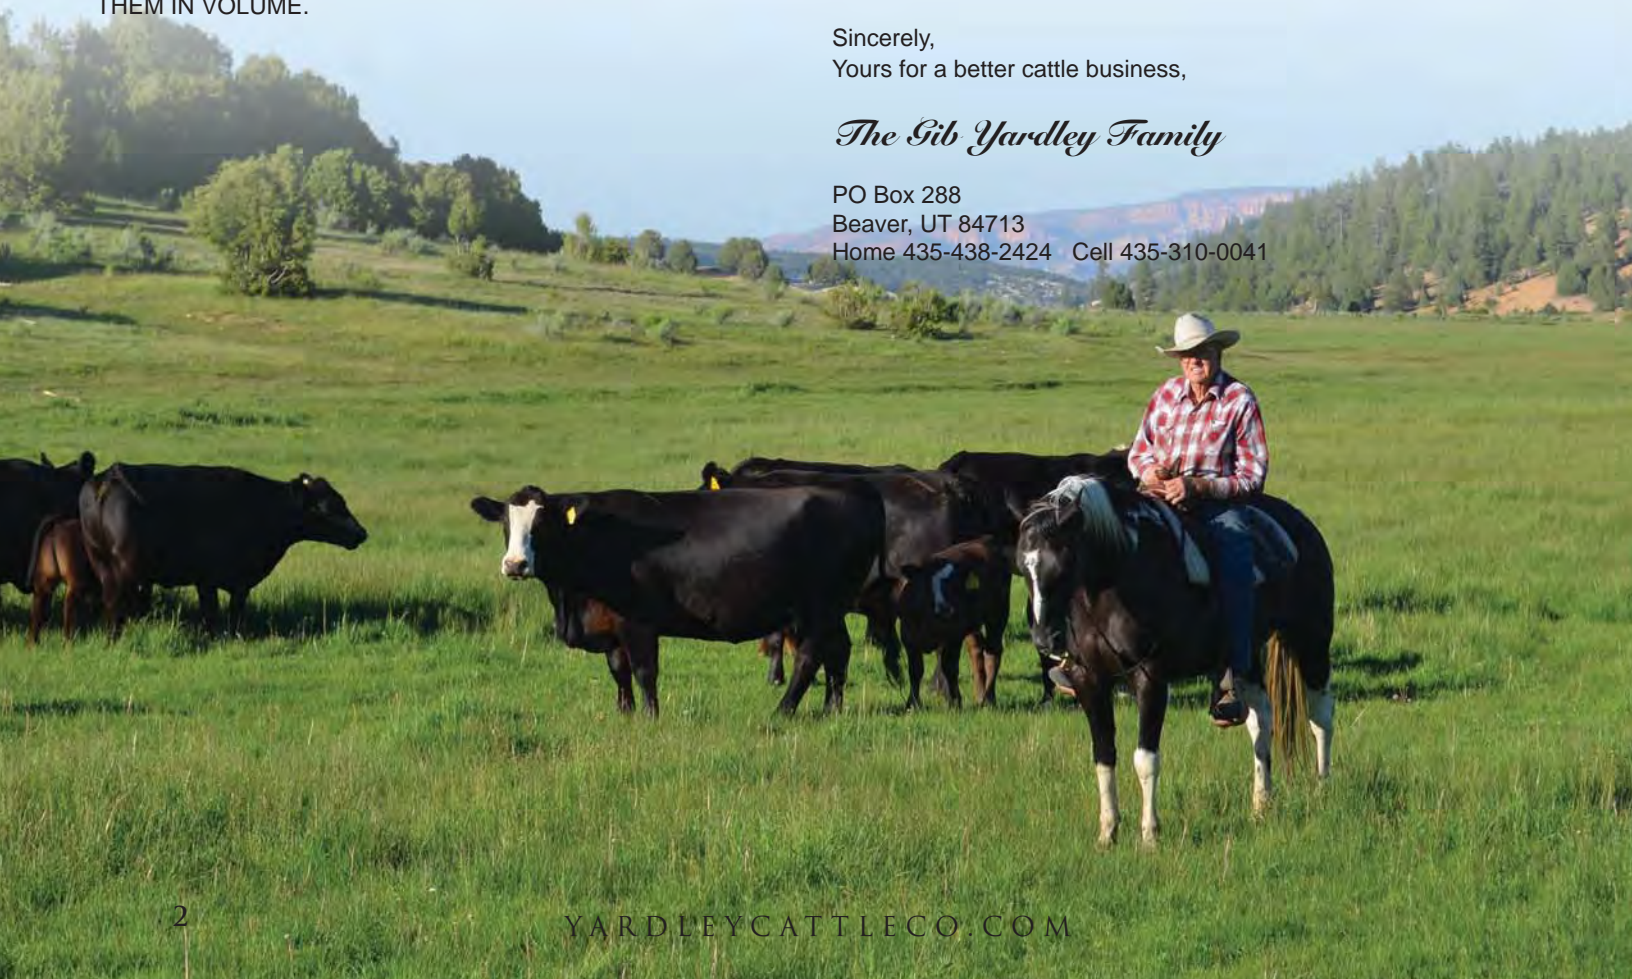

Yours for a better cattle business,

The Gib Yardley Family

Catalog Design/Video: Chris Petersen, Cedar City, UT

TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head. Last year we sent a semi load to El Paso, Illinois for \$150 a head. This guaranteed delivery price does not apply to cattle that have not been paid for within two weeks of the sale date.

ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

South Interchange \$70

RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 & 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON Leaving Hwy 21, traveling north on the gravel road, except for our house and lot, the horses, cattle and land do not belong to us until you cross the cattle guard just below our sale barn.

TERMS & CONDITIONS

TERMS: No cattle will leave sale yards until full settlement has been made immediately after the sale. Payment terms are cash or a good check. All "returned" or insufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed.

BIDDING: All animals will sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter.

BREEDING DATES: Heifers will start calving February 1st and cows February 20th. Most of the cows will calve in March with some April and a few into May. This year Dr. Sam Nelson ultrasounded all cattle to determine estimated calving date. This will improve the accuracy of the calving date, however, **we cannot guarantee they will calve on this date.**

HEALTH: Every animal in this sale, to the best of our knowledge, is healthy and eligible for interstate shipment. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way lepto and trichomoniasis. The heifer calves have been fully vaccinated and boosted. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots, three weeks apart before they calve. All Cattle have had Dectomax, and given OneShot Ultra 8. Calves have had two shots Bova Shield Gold and OneShot Ultra 8

BREEDING GUARANTEE: All females sold under the conditions "safe in calf" have been pregnancy checked by a licensed veterinarian and sell with no further guarantee. No guarantee is given that bred females will deliver a live calf.

All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if 1) a female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred or 2) if she is flushed at any time in the first year after the date of the sale. These two exemptions do not apply if the female is examined by our vet to have an underdeveloped

reproductive tract that would have been present at the time she was sold. Infections or other enlargement do not constitute "undeveloped."

100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses occurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at time of sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value.

AI CERTIFICATE: The purchase of A.I. certificates is the responsibility of the buyer, as well as, the registration of all calves born after sale day.

REGISTRATION CERTIFICATES: Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. Leave the name and address to which you would like purchases transferred on your sales slip.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by these Terms and Conditions.

TRUCKING: All trucking, pricing and trucking fees are the responsibility of the buyer, but we will help you all we can with coordinating loads.

LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. We try to keep the most accurate records possible and have bull tight fences, but once on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it. The owners and employees of Yardley Cattle Co. assume no liability, legal or otherwise in the event of an accident, bodily injury, theft, error or omissions in catalogs or parentage verification.

Cattle are kept in their own individual breeding groups until the first to mid July. Due to size and layout of the Forest permit it is necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

Bid online...you're ringside right at your own desk!

DVAuction

Visit our website...

www.DVAuction.com

For more information contact DV Auction at 402-316-5460.

Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale.

1-Work with one of us to fill your order...

Due to the size of the offering it is impossible to picture every cow. There are many quality females that may not be highlighted that will fit your program. Feel free to call anytime PRIOR to the sale. Sale days are crazy!! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Jeannie: 435-421-1200
Rodney: 801-824-8851

2-Bidding via DVAuctions....

Bid via www.DVAuction.com. For more information contact DV Auction at 402-316-5460.

3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Jeannie.....(435) 421-1200
Emily.....(435) 310-0038
Angela.....(435) 310-1147
John Griswold.....(405) 780-3300
Rodney Teichert.....(801)-824-8851

PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, November, 24th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation

PICTURED COWS!

There are a lot of cows that are not pictured that are just as beautiful and productive as those pictured. We simply ran out of time!

We take great pride in our "clean up" bulls, we call them our herd bulls. Many of them come from top herds across the Nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we only use the best. OUR BULLS IN THE PASTURE ARE OF EQUAL OR HIGHER QUALITY AS THOSE IN THE TANK and we take pride in their genetic merit. Don't hesitate to buy a female that is pasture bred!

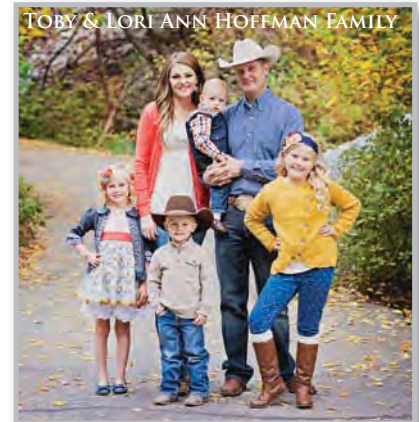

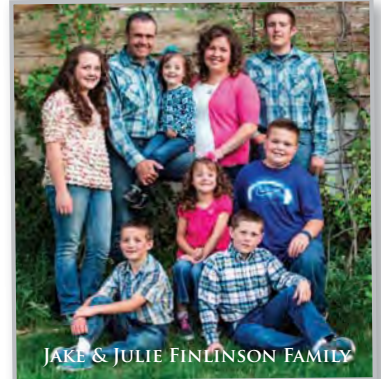

STAY UNTIL THE END OF THE SALE!

ALL BUYERS WILL BE ENTERED INTO A DRAWING FOR TEN STRAWS OF STEPPING STONE SEMEN. MUST BE PRESENT TO WIN!

LOT 1

CHARISMA C213

POLLED 1/2 SM 1/2 AN

BD: 3/31/2015

Charisma is one bold ribbed, big topped beauty that stands out in a crowd with her big boned, painted up legs and blaze face. Her maternal line is one of the best on the ranch tracing back to powerful donor female A144. We kept three herd sires out of this grand matron. C213's grand dam, an own Goldmine daughter, carried on in similar form averaging over 700# on her calves. Her last bull calf sold for \$8,500 to good friends the Walkers of Menan Idaho. Charisma is sure to carry on the family tradition and help you make family traditions of your own.

Cookies and Cream is one sweet heifer loaded with style and just enough chrome to make her stand out in the show ring and catch your eye in the pasture. She has a baby doll disposition, long, straight hair, perfectly flat joints and moves out with confidence and ease. Her sire Nickels n Dimes has done an excellent job producing powerfully designed, feminine, showy females including four of last year's fifteen features. \$10,000 Yardley Bling was one of these fine females. After an awesome show career Cookies n Cream will make some phenomenal purebreds or amazing clubies and be a treat to have around.

Here's a heifer that is perhaps the broodiest, biggest ribbed female in the offering. You'll be amazed at her length, depth and capacity. Her maternal grand dam was successfully flushed by us several times. She was one of the prettiest cows on our ranch; extremely deep in the rib, big topped, and wide butted with a perfect tail set and zipper front. She raised a \$7,000 bull calf that sold to Robert John of Portage, Utah. Unbelievable is the \$26,000 selection of Bush's '14 sale by the great cattleman, the late Nick Reiman. Unbelievable owns unique neck extension, unquestioned structural soundness, extra special belly depth, and super muscle shape.

Corabell is a beautiful, deep bodied, wide based female with a great hind quarter and a nice smooth tail set. Her stylish and productive dam has averaged 712# on three calves. Her sire ZEIS Real Steel has won every major show he has been shown at including the Nebraska State Fair, the Iowa State Fair, The American Royal, Kansas City, The NAILE, and the National Western. Daughters like Corabell are sure to carry his tradition forward.

Combustible was as stylish of a blaze faced Simmental bull as we had encountered when we saw him shown in Denver. He is a striking combination of eye-catching elegance and real world functionality. His extraordinary structural soundness and ease of movement is made more impressive by his ideal bone mass, foot shape and muscle pattern. Since that time he has sired several elite females that have sold for over \$14,000. Catching Fire is an own daughter. Check her out!

Lot 19 MISS YARDLEY B78

ANGUS BD: 2/27/2014

What a way to start off our Angus bred heifers; if you are looking for a young Angus donor cow to base your herd around, then look no further. You will love her length of body, extension of neck and depth and thickness throughout. She moves out with the prowess of a cat on a great leg and sound hoof. Her young dam U92 has done a tremendous job; her last bull calf was \$9,000 crowd favorite, selling to Mac Tooke of Montana. B78's maternal sister was a stunning \$5,900 feature lot in our '12 sale going to our good friends Rusty and Daniel Aikin of Cedar, Utah. B78's maternal grand dam, C72, one of our most pivotal, Angus herd matrons to date at Yardley Cattle. B78 is a legacy in the making.

B086 is a super deep, complete made Maine heifer in a moderate, good natured package. Her sire, Maine Man, was the exciting \$80,500 seller at the 2011 Frozen Gold Sale in Ohio. He is a maternal brother to I-80 that offers more stoutness with the same great look. Here is another great female for making stylish show calves.

We have loved our Zion daughters. They are so deep bodied, smooth made, and easy keeping with nice udders and small teats. When crossed on a purebred Maine, B152 is the stunning result. She has a great front end, hind quarter, and is loaded with depth from her heart girth to her flank. Her productive dam weaned three calves at over 650#, B152 has an impressive 678# WW herself. She's bred to Bush's Bushwhacker, our \$14,000 pick of Bush's 2014 offering.

One of our families memory building experiences and enjoyment is moving our cattle from Asay Creek, 25 miles to high country where they summer at 9 to 10,000 feet elevation. There is no more beautiful country on earth. The grass is strong and it is a summer haven for our cattle and us. Our cattle graze year round on grass and browse ranges. We live in an area where we still embrace the heritage of the Old

West. Our livestock culture still survives where the valley and sagebrush lie in the shadows of majestic mountains under endless sky....where the solitude is not loneliness but a refreshing peace from the modern world. Our natural beauty is preserved and enhanced by the practical stewardship of reputation cowboys and cowmen....whose lives are shaped by the dominant environment.

Y155 traces back to C72, a cornerstone Angus matron in our herd. Her dam averaged 660# on ten calves. She's bred to the late Billy the Kid

In order to accomplish great things you've got to have goals. I've found out that winners speak differently. Winners have a better attitude and when you speak negatively about yourself you bring about negative results. People take shots at you all the time. I have a saying over my desk and it says this, "It is not the critic that counts or how the strong man stumbled and fell, credit belongs to the man or woman who's actually in the arena whose face is marred by dirt and sweat and blood who tries valiantly but comes up short again and again. But if they fail at least they fail while daring greatly they'll never be associated with those cold and timid souls who know neither victory nor defeat."

-Walt Woodard

LOT 72

MISS YARDLEY A185

POLLED 1/4 SM 1/2 AN 1/4 MA BD: 3/30/2013

The Hard as Steel daughters are hard to beat. Phenotypically they are moderate, stylish and deep, well-built cattle that have nice udders, wean big calves, and hold their flesh. The proof is in the pudding with A185. She blends together the best parts of each of the breeds incorporated in her genetics. She has the bone and butt end of a high quality Simmental, the depth and broodiness of a great Angus, and the chisel front end of a Maine. Bred to Yardley High Regard she will have an awesome higher percentage Simmental in the spring.

The eye of the master...

The hand of the breeder

The offering we have in our sale represents a family involved effort. We aren't an operation financially backed by corporate money or wealth. We, like you, make our living off of our land and our cattle. We know what it is like to experience drought. We've all taken turns at two in the morning checking calving heifers. We personally know the joys and discomforts that come from this way of life. With the knowledge comes a love for our land, our cattle and you our customers. Our greatest joy comes from your success not only in the cattle industry but in your personal and public lives. For this year and every year to come Dad, we love you. All the work, all the miles, all the cattle, it has been and will always be for you. We are proud of our cattle, they represent a lifelong accomplishment to the greatest cattleman we know!

Our Dad has left a great legacy for all of his children to follow. He has made friends and is known in the cattle industry Nationwide for his honesty, integrity, and good cattle. He has always tried to treat our customers fair, breed top quality animals, and do the best he can at all of his work. We also have our pioneer heritage of faith and determination as fourth-generation ranchers. We want to do everything we can to help carry forward our Dad's great legacy and our exemplary pioneer heritage in the cattle we raise and in the lives we live. -Steven Yardley

LOT 103 MISS YARDLEY R14
POLLED 1/2 SM 1/2 AN BD: 2/17/2005

Donor quality! Rarely does the opportunity to purchase a female of this magnitude arise. R14 has been a ranch favorite and one we are always excited to see in the Fall with a big pretty calf on her side. She is a phenotypically flawless female that has the mass, depth, volume, and balance to produce amazing calves whether you cross her clubby or Simmental. She perfectly blends together the best of both breeds; Angus and Simmental. Her performance also stands nearly unparalleled with eight calves averaging 683# with her last bull calf selling for \$8,500 to Lavon Giles of Altamont Utah. If she wasn't calving a little later we wouldn't be selling her. Our loss is your gain; don't miss out!

111W comes from the heart of the GCC program combining the stellar look and style of Steel Force with the full body dimension and fleshing ability of her OCC bred dam. We fell in love with this beautiful cow as a second calf heifer at Griswold's Classic Sale in Stillwater, Oklahoma. She has done an equally impressive job on performance, raising three calves that have averaged nearly 660#! Her sire, Steel Force has had as much influence on the Simmental breed as any bull in recent years with several sons winning shows and leading semen sales across the country including HOC Broker, Combustible, and Chopper just to name a few. His influence has also played a pivotal role in our bull battery, which includes three of his sons; Nickels & Dimes, Hard as Steel, and Real Steel. Several of Steel Force's offspring have sold for over \$40,000. His semen sells for \$160/straw.

We are extremely grateful for such good help. Josue Garcia and Jose Guzman with Dad. You will never find better men than these two!

Here's a real feminine fronted, black baldy Pinion daughter. Her five calves have averaged over 650#.

YARDLEY *High Regard*

PB SIMMENTAL ASA # 2522822

Sire: Y1 Impressive by Dinero x Power Surge

Dam: Miss Yardley T68 by Pinion

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning Families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$100,000. Another daughter was just crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring and we know will work in the pasture. As a complete outcross to Dream On he is the go to sire for functional, consistent quality. High Regard sired a \$16,000 bull in our last sale. He has sired heifers that have sold up to \$100,000. Sexed semen available.

Dam: WS Ms Upgrade Z15

This is one of the best purebred Simmental bulls I have ever seen. I am 82 years old and have seen as many bulls as anyone in the country. I am one of the fussiest bull buyers in America and a bull has to be about perfect for me to buy him. This fancy bull is so deep ribbed, square hipped, full of muscle and red meat. He is big topped, wide based, clean fronted, and clean sheathed. He is very sound on his feet and legs and carries himself well. He has a topnotch set of EPD's and is a HERD BULL SUPREME. Out of a 1st calf heifer, pictured above as a two year old, and the great WS Step Up X27. We paid \$52,000, he's one bull that was worth it! Owned with Walsh Simmental.

Mike McDonald, Canadian Semen rights

SAV BLACKCAP MAY 0024

SEMEN: \$40

Synergy is in a league all his own, with as much power, presence, and wow factor as you can put in an Angus bull. He is stylish, superfronted with muscle shape, stoutness and a powerful rump beyond compare. He could be the next major factor for siring cattle that can compete at any level. His pedigree is backed by the best cows in the business and his numbers tell the rest. His maternal brother was a top selling feature in the 2013 SAV Sale. His granddam is a full sister to the SAV Blackcap May. This was a favorite of all the visitors from Schaffs this summer. Synergy's Dam SAV Blackcap May 0024 has a ratio of 113 on her first four calves and will qualify as a Pathfinder in the SAV herd.

W/C FULLY LOADED 654B

$\frac{3}{4}$ SM $\frac{1}{4}$ AN ASA REG# 2900326

SAV EMBLYNETTE 7566

SEMEN: \$35

This great \$20,000 bull is bred to make a lasting contribution in all traits of magnitude and backed by one of the strongest and most proven maternal generations of elite pathfinders and has a track record second to none. She has 13 daughters featured in the SAV herd and 39 progeny featured in past SAV sales. She is the favorite cow of Bob Watkins, Kelly Schaff's right hand man. Her progeny include some of the heaviest 205 day weights in several of their sales. PATRON HAS HELD HIS FLESH AND STAYED FATTER THAN ABOUT ANY YEARLING BULL WE HAVE USED. There isn't one thing you won't like about this bull. His prolific Pathfinder granddam is still going strong and raising calves at 18 years of age. I picked this bull as one of the top bulls that I liked in the famous Schaff Angus Valley Sale.

GCF BILLY THE KID DECEASED

1/2 SIMM 1/2 ANGUS REG # 2548887

Sire: MCC Cupid by OCC Legend

Dam: GCF Miss Reflection by CNS Dream On

Billy the Kid did not disappoint. He has sired a group of calves second to none. They are big bodied, stout made, and there just isn't any throw aways in them. They exhibit a soft made, easy doing look that is popular in everyone's cow base. Billy the Kid was a member of Grindstone Creek Farms Pen of Three in Denver 2011. He has quickly earned a place in our Herd sire pen. You're going to fall in love with his daughters at our Focus on the Female sale. Billy the Kid sired lot 6, Bull Sale '14 for \$10,000 & heifer for 10,000

SEMEN: \$50

Y1 WHIRL OF A DREAM W361

PB SIMMENTAL REG # 2533644

Sire: CNS Dream ON by Nichols Legacy

Dam: Miss Yardley B75 by Whirlaway

Whirl of a Dream was the pick of our Simmental bull calves several years ago. He's big topped, large scrotaled, with bone and great muscle shape. His dam, B75, has been a top producer for us. She raised this calf at 17 years old, he weaned off at 712# with no creep and she was fat when she came home. A wise cattleman once told me if you love the cow, breed one of her sons and you'll replicate her. There is performance with power in this pedigree. We couldn't be more excited about his calf crop. They are functional, big ribbed, thick made cattle with performance. His bull calves last year averaged higher than any other sire group, averaging over \$7,000. Whirl of a Dream sired a \$10,000 bull in our 2014 sale.

SEMEN: \$25

YARDLEY UTAH

3/4 SIMMENTAL 1/4 ANGUS REG # 2641894

Sire: GCC Hard as Steel

Dam: Miss Yardley T170 by Dream On x Corrector

We consider this bull one of the very best, if not the best bull we have ever raised. I am as critical a bull buyer as there is in the country and there isn't one single thing I don't like about this bull. He has perfect phenotype every place you look at him. I don't like high tailed cattle. I want them square over that tail head and he is. Jeannie loves his perfect built, moderate sized mother as good as any cow we own. L21 was seven years old when we sold her, she brought \$7,700 selling to Greg Kroupa of White Lake, SD. She was as pretty a cow as we've ever owned. T170 was her last calf that she had and is as pretty as her dam. Utah sired a \$10,500 bull in our 2014 bull sale.

SEMEN: \$35

Miss Yardley T170

GCC HARD AS STEEL 144W

1/2 SIMMENTAL 1/2 ANGUS ASA REG # 2511031

Sire: SVF Steel Force S701

Dam: OCC Jaunada 898L by OCC Homer

I had the opportunity to go to the Grass to Grid Sale, before I married John. I fell in love with Hard As Steel before I was real sure I was in love with John! I circled his lot number, put a star next to his name, and wrote "love this bull" in my footnotes. With a 70# BW, 15.67 REA, and a 40.5 yearling scrotal he was one you could like off of paper but he got better after a visual analysis. He is a female maker that is huge bodied with fleshing ability and style. His first calf crop did not disappoint. Owned with Curt Schoner, and Griswold Cattle Company. His mother has been in ET at Griswolds, she is one of the best cows that they purchased from Tim Ohlde. Hard as Steel cost us \$12,000. He sired many high dollar cattle for us this past year.

SEMEN: \$30

GCC NICKELS N DIMES

PB SIMMENTAL ASA REG # 2659379

Sire: SVF Steel Force by CNS Dream On

Dam: AJE/JF Aunt Joys Elegance by 3C Macho

Joy's Elegance was Grand Champion in Denver in the Junior show and matured into as picture perfect cow as she was show heifer. A true test of a great show heifer doesn't come in the showing, it comes in her ability to produce and transmit the same look and quality in her offspring. Joy's produced \$106,000 in progeny sales this past year on four head with one of the most consistent flushes ever produced at Griswold Cattle. The two yearling heifers produced are proving to be as competitive in the show ring as their great dam. Nickels n' Dimes is big topped and complete with plenty of rib, dimension, style and power with a killer look. This is the kind of bull to change a program with! Owned with Griswold Cattle. GCC Nickles N Dimes is the sire to a \$14,000 & and an \$11,000 and a \$10,000 heifer in our Focus sale.

SEMEN: \$30

YARDLEY ENSIGN Z394

3/4 SIMMENTAL 1/4 ANGUS ASA REG # 2690517

Sire: STF Shocking Dream by Dream On

Dam: Miss Yardley W151 by 3D x Treasure x N130

Great cattle it seems are built by great cow families and the E119 cow family has been one of the most profitable we have ever owned. It doesn't matter the generation E119 falls back through on the pedigree chart, they are destined to be good. N130 is a daughter of K114, E119's best daughter and both donors. All three of these great females have produced sale toppers, the quality doesn't get any better. Ensign is a bull that stuck out as soon as you walked in the pen. With plenty of rib, bone and power along with the look it takes to make class winners and sale toppers. He's the real deal and we couldn't be more excited about him! Ensign sired a \$13,000, \$12,000, and a \$12,250 bull in our 2014 Bull Sale. Chrome lot 17 b'14 10,500

SEMEN: \$30

YARDLEY CHROME Y256

POLLED PB SIMMENTAL ASA REG #2629556

Sire: Flying V Cut Above

Dam: Miss Yardley W122 by 3C Macho x Bonanza x Whirlaway

Longevity is an essential part of a profitable cow. This bull is out of a first calf heifer, who is out of one of the two oldest cows on our ranch. She went strong till 17 years old! She has averaged 81# BW's on 14 head of calves! Out of one of the premier purebred calving ease Simmental sires, Cut Above. With a smooth shoulder and softness throughout. Chrome has proven himself as a purebred calving ease herd sire that is an outcross to Dream On.

SEMEN: \$25

Joys Elegance

Miss Yardley W151

STCC LONG HAUL

PB SIMMENTAL REG # 2540264

Sire: Shocking Dream by Dream On

Dam: Miss Fancy Yardley T85 by 3C Macho

Long Haul's dam was the pick of our heifer calf crop in 2007 by Trennophl and Rist of Indiana. Long Haul bred 45 head of cows this spring and held his flesh as well as any bull we have ever used. He was Intermediate Grand Champion bull in Denver 2012. He's moderate framed, cool made, and his cow family stands second to none. His Granddam produced the \$21,000 high seller from last years sale that sold to Jones Show Cattle and Tulle Cattle Co. A maternal sister to his dam produced Sugar Plum, a crowd favorite in our 2009 sale that sold to Wayne and Barb Ohlrichs. Sugar Plum produced a bull calf this year that Wayne and Barb said will be big time. Case and point is this cow family will PRODUCE!

YARDLEY WAH WAH Z303

3/4 SIMMENTAL 1/4 ANGUS REG # 2690482

Sire: Billy the Kid

Dam: Miss Yardley U154 by Ranchhand x E119

Wah Wah was the pick of our herd for our next herd sire in our bull battery. With his flawless phenotype that combines a massive hind quarter with a big top, deep chest, smooth shoulder, big hoof and ideal leg set in a unique blend of power and softness. He has an equally impressive set of weights with a huge spread from 78# at birth to 764# at weaning. His quiet disposition and awesome pedigree trace back to our herd matriarch and donor E119, is filled with equally impressive herd matrons and make Wah Wah the complete package and impeccable addition to our bull battery. Wah Wah is the sire to a \$14,000 bull in our 2014 Bull Sale

SEMEN: \$30

ZEIS REAL STEEL A23

1/2 SIMMENTAL 1/2 ANGUS REG # 2770310

Sire: SVF Steel Force

Dam: BF GCC 5918 by OCC Legend

This fancy 1/2 blood was Grand Champion Simmental bull wherever shown at the Nebraska State Fair, Iowa State Fair, The American Royal, Kansas City, North American in Louisville, and the greatest of all stock shows the National Western in Denver. He's about perfect in his phenotype. My good friend Stan Sears from California and I were watching them judge the show and when he won we decided to buy him. He is by Steel Force out of an OCC Legend daughter. He had a 64# birth weight so we bred him to quite a few heifers. He cost us \$15,000. He really held his flesh well after we turned him out to breed. Owned with Stan Sears.

SEMEN: \$35

KCC1 PINNACLE 118Z

ANGUS REG # 16996619

Sire: WAGR Driver

Dam: CNS Tiara P405 by RCC Headliner M6051

Pinnacle was the lead off bull in the Grand Champion pen of three high % Simmental bulls in Denver. He cost us \$16,000. We really have some fancy calves by him. He is sired by WAGR Driver and out of a Power Drive cow. He had an 87# BW and 775# WW. You'll like his calves. He has done us a great job! Pinnacle sired our top selling bull in our last Bull Sale for \$25,500 for 1/2 interest, lot 114 for 10,500, He also sired our Lot 2 heifer in our Focus Sale for \$16,000.

SEMEN: \$35

YARDLEY ZION X288

ANGUS REG # 17036377

Sire: SCC Apache Brave

Dam: Miss Yardley S504 by SAF Bando 5175

S504 has been one of our very top producers, she does not miss. Zion was a bull that stood out as a top individual from the time we weaned. He had as much rib, rear quarter, power and overall mass as any bull in the pen. We just weaned his first calf crop, they have performance and eye appeal. He was severely hurt as a yearling, we babied him along for a solid year and he recovered. He is as pretty a mature bull as you could picture with the pedigree and performance to stand out from the crowd.

SEMEN: \$30

SCC APACHE BRAVE^{-DECEASED}

ANGUS REG # 15759398

Sire: OCC Legend 616L

Dam: Y Annie Coed 928 (Krugerrand granddaughter)

Apache Brave is going to go down as one of the greatest sires of Yardley Cattle Co. His progeny are top of the pen with 11 head of bulls averaging \$4,568. He is an easy calving sire that produces cattle that have look and style. Grass fat cattle are what we need to breed. He always maintained his flesh while breeding cows and he wasn't a bull that needed to primed and pampered. Apache was a moderator that kept performance and bred depth and rib into his progeny. Owned with Matt Sherwood.

OHL NEXT TO HEAVEN 17Z

ANGUS REG # 17374374

Sire: Plaineview Lutton E102

Dam: TC Freedom

OHL Next to Heaven was the leadoff Lot 1 bull in our good friends Wayne and Barb Ohlrichs sale this past spring. They felt he was one of the best bulls that they have ever raised of any breed. He has performance, muscle, body, smoothness, structure, style and balance - he has it all. You could label this bull any breed you wanted and be excited about him, there just isn't many Angus bulls that are made this good! When you study him from the ground up it's hard to find a hole in him. It's pretty easy to see why he created such a stir in Denver, he's the real deal!

YARDLEY ROYAL JET

ANGUS ASA REG #16704437

Sire: OCC Jet Stream

Dam: Miss Yardley R192 by SC Stockma

Royal Jet is the type of bull that defines where we are taking our program; Soft made cattle that carry performance, thickness, fleshing ability, and style. OCC Jet Stream is now deceased, he stands as one of Ohlde's greatest herd sires. Look at the performance this bull carries coupled with a perfect phenotype. This is as good as Angus bull as you will find anyplace. We used him to clean up all of our Angus heifers this past year. He's the type of bull that will add belly, rib, and doability, without taking pounds away from your bottom line. Royal Jet is the sire to a \$10,000 & \$18,000 bull in our last years Bull Sale.
