

YARDLEY *Cattle Company*

Focus ON THE
FEMALE

Saturday, 19th of November 2016

1:00 PM (MST) at the ranch in beautiful Beaver, Utah

Welcome,

Dear Friends, Fellow Cattlemen, and Valued Customers:

Welcome to our 39th annual bred cow and heifer Sale. From the beautiful mountains of Southern Utah our family sends greetings to all of you. These years go by so fast that it is hard to believe that it is once again sale time. We have had a very dry summer here at home and on our winter range but have had some good rains on our summer country. However on our high mountain range we have so many elk that they ate off some of our pastures before we got there with the cattle, so it made us short of feed.

We have something for everyone in this sale and the quality is as good as you will find any place in America. Our cattle have worked for thousands of other buyers and **THEY WILL WORK FOR YOU!** Last year we had cattle go to 21 states from Pennsylvania to California, Texas to North Dakota. Our cattle are backed by many generations of highly productive cow families **THAT HAVE STOOD THE TEST OF TIME.** Our objective is the production of cattle that have a lasting economic significance and make a profit for our customers. **THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST WE HAVE THEM IN VOLUME.**

I am 83 years old and have spent my life raising a wonderful and loving family and breeding and selecting cattle for **PERFORMANCE, MATERNAL TRAITS AND EYE APPEALING GOOD LOOKS** that you always enjoy seeing and they will top the market. Forty nine years of Al'ing and using the best bulls we can find or raise has produced one of America's greatest cow herds.

It is the mother cow that is the most important part of any operation. **NO MACHINE CAN BEGIN TO COMPETE IN EFFICIENCY OR THE COST OF OPERATION WITH A GRAZING COW.** Our cows are run on a grass and forage based range the year around. They calve unassisted on desert winter range and summer in the high mountains. Easy fleshing is a function of body type and not an EPD or any other number. Our cows are deep bodied, thick, square butted, big topped, heavy muscled, gentle, fertile and structurally correct.

These traits can best be analyzed by visual appraisal from

the eyes of a stockman and assessed along with performance data. We analyze EPD's but the main selection tool I have always used is individual performance, birth weights, weaning weights, yearling weights plus eye appealing good looks and structurally correct conformation.

We are sick about the political situation and state of affairs of this great country. I just hope and pray we don't get that corrupt, lying Hillary. I hope all of you will work hard to get conservatives elected to our Nation's Congress and the problems created by this present administration. We must get back to following our divine Constitution, freedom, the free market system, and repeal a lot of these regulations.

THIS IS A FAMILY OPERATION. I am very grateful for the love, hard work, help and interest of my wonderful wife and family. We've had 3 new grandchildren this year. Weston and Emily had a new baby girl they named Asay Denise, Steven and Leslie had a new son born on the same day they named Tyler Wallace and John and Jeannie welcomed a new baby boy, Jack Wallace. That makes 31 grandkids for us, and 2 great grandkids.

We are also very grateful for the hard work and dedication of our wonderful workers, Josue Garcia and Jose Guzman. They have been with us for many years and know how to do things right, and put in many long hours.

We'd like to extend our gratitude to all our customers and friends. We really appreciate your friendship and business. We are grateful for your confidence in our cattle, our program and family.

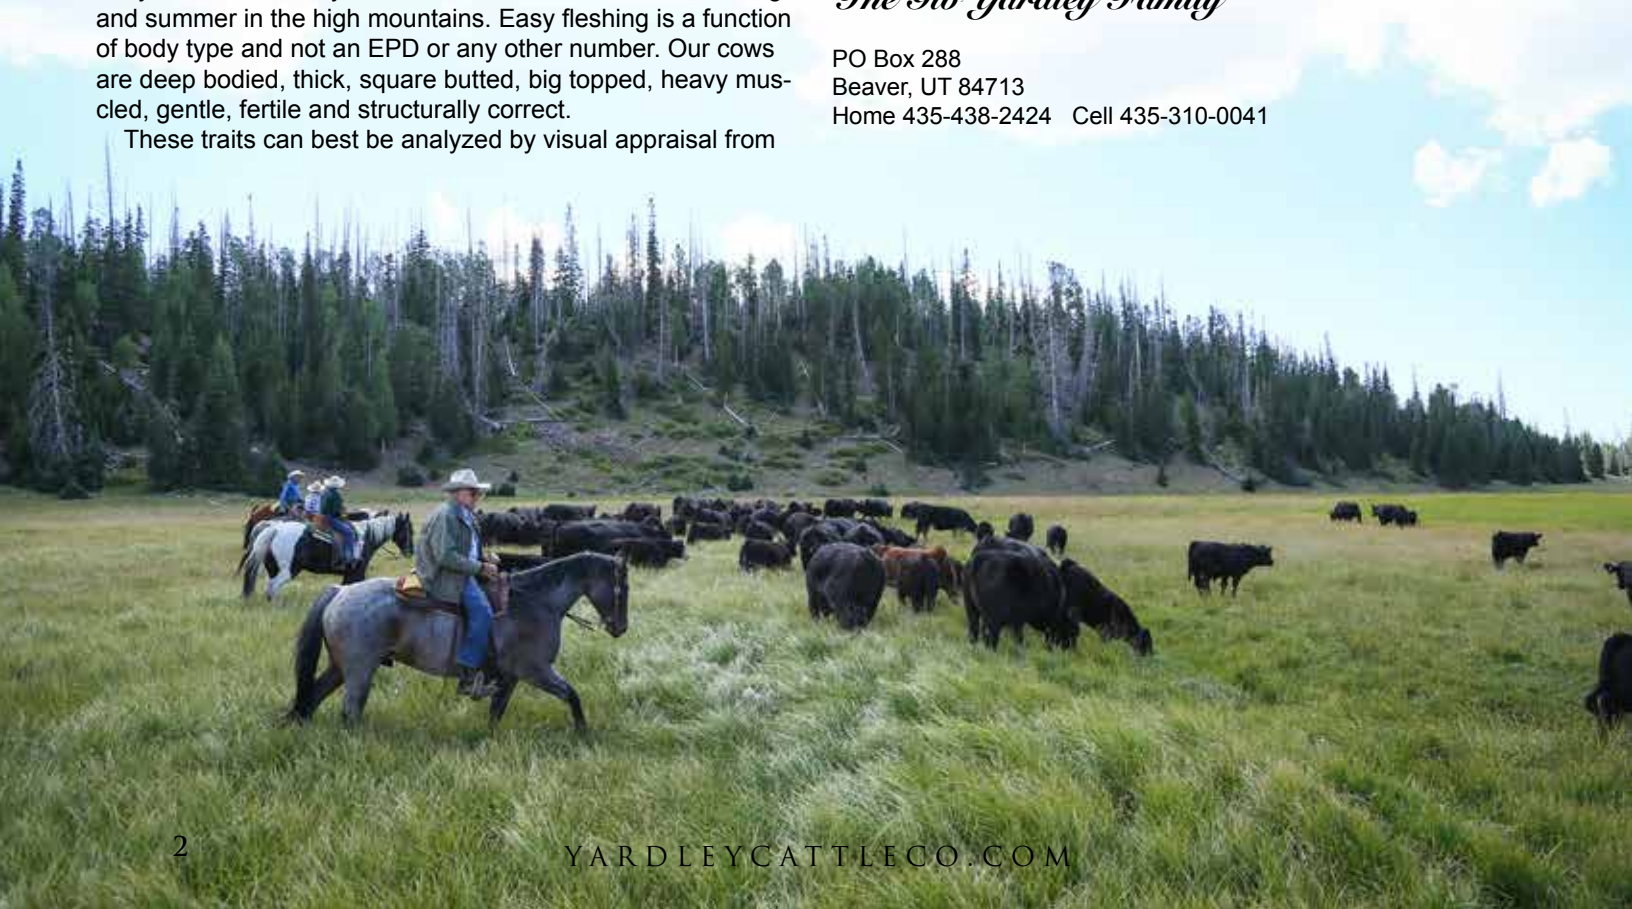

We look forward to seeing you at the sale and talking with you on the phone. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely,

Yours for a better cattle business,

The Gib Yardley Family

SALE AND RANCH STAFF

Herd Records: Michelle Smith, Minersville, UT

Sales Clerk: Tawnya Yardley Teichert

Ranch Staff: Josue Garcia, Jose Guzman,
Emily Yardley Maxfield, Jeannie Y. Griswold,
Steven Yardley, Rodney and Tawnya Teichert,
Angela Yardley Barton

Veterinarian: Dr. Evan Yardley, Beaver, UT

Brand Inspector: Thane Marshall

Pay Clerk: Michelle Smith, Lori Hoffman, Emily Maxfield

AI Technician: Zane Yardley

Ultrasound: Dr. Sam Nelson, Evanston, WY

Catalog Design: Chris Petersen, Cedar City, UT

Video: Mark Sneed, Benton, IL

Lunch: Darren Oberg Family, Genola, UT

TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head. Last year we sent a semi load to El Paso, Illinois for \$150 a head. **This guaranteed delivery price does not apply to cattle that have not been paid for within two weeks of the sale date.**

ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

Days Inn435-438-7800

Quality Inn.....435-438-5426

South Interchange \$55

Comfort Inn.....435-438-6283

South Interchange \$71

RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 & 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON Leaving Hwy 21, traveling north on the gravel road, except for our house and lot, the horses, cattle and land do not belong to us until you cross the cattle guard just below our sale barn.

TERMS & CONDITIONS

TERMS: No cattle will leave sale yards until full settlement has been made immediately after the sale. Payment terms are cash or a good check. All "returned" or insufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed.

BIDDING: All animals will sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter.

BREEDING DATES: Heifers will start calving February 1st and cows February 20th. Most of the cows will calve in March with some April and a few into May. This year Dr. Sam Nelson ultrasounded all cattle to determine estimated calving date. This will improve the accuracy of the calving date, however, **we cannot guarantee they will calve on this date.**

HEALTH: Every animal in this sale, to the best of our knowledge, is healthy and eligible for interstate shipment. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way lepto and trichomoniasis. The heifer calves have been fully vaccinated and boosted. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots, three weeks apart before they calve. All Cattle have had Dectomax, and given OneShot Ultra 8. Calves have had two shots Bova Shield Gold and OneShot Ultra 8

BREEDING GUARANTEE: All females sold under the conditions "safe in calf" have been pregnancy checked, via ultrasound, by a licensed veterinarian and sell with no further guarantee. No guarantee is given that bred females will deliver a live calf.

All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if 1) a female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred and 2) if she is flushed at any time in the first year after the date of the sale 3) or if she is in poor body condition. These three exemptions do not apply if the female is examined

by our vet to have an underdeveloped

reproductive tract that would have been present at the time she was sold. Infections or other enlargement do not constitute "undeveloped."

100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses occurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at time of sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value.

AI CERTIFICATE: The purchase of A.I. certificates is the responsibility of the buyer, as well as, the registration of all calves born after sale day.

REGISTRATION CERTIFICATES: Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. Leave the name and address to which you would like purchases transferred on your sales slip.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by these Terms and Conditions.

TRUCKING: All trucking, pricing and trucking fees are the responsibility of the buyer, but we will help you all we can with coordinating loads.

LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. We try to keep the most accurate records possible and have bull tight fences, but once on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it. The owners and employees of Yardley Cattle Co. assume no liability, legal or otherwise in the event of an accident, bodily injury, theft, error or omissions in catalogs or parentage verification.

Cattle are kept in their own individual breeding groups until the first to mid July. Due to size and layout of the Forest permit it is necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

Bid online...you're ringside right at your own desk!

DVAuction

Visit our website...

www.DVAuction.com

For more information contact DV Auction at **402-316-5460**.

Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale.

1-Work with one of us to fill your order...

Due to the size of the offering it is impossible to picture every cow. There are many quality females that may not be highlighted that will fit your program. Feel free to call anytime PRIOR to the sale. Sale days are crazy!! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney: 801-824-8851, Jeannie: 435-421-1200.

2-Bidding via DVAuctions....

Bid via www.DVAuction.com. For more information contact DV Auction at 402-316-5460.

3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....(435) 310-1725
Rodney Teichert.....(801)-824-8851
Jeannie.....(435) 421-1200
Emily.....(435) 310-0038
Angela.....(435) 310-1147
John Griswold.....(405) 780-3300

PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, November, 21st prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation

PICTURED COWS!

There are a lot of cows that are not pictured that are just as beautiful and productive as those pictured. We simply ran out of time!

We take great pride in our "clean up" bulls, we call them our herd bulls. Many of them come from top herds across the Nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we only use the best. OUR BULLS IN THE PASTURE ARE OF EQUAL OR HIGHER QUALITY AS THOSE IN THE TANK and we take pride in their genetic merit. Don't hesitate to buy a female that is pasture bred!

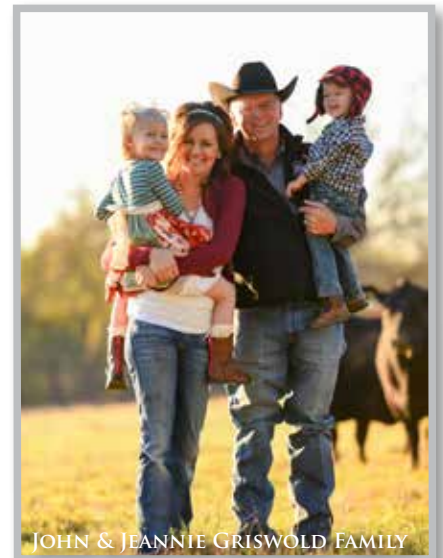

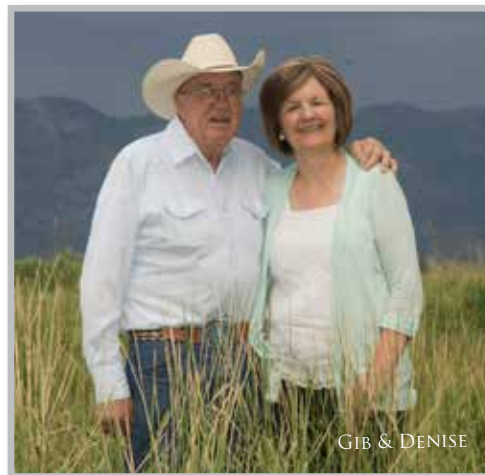

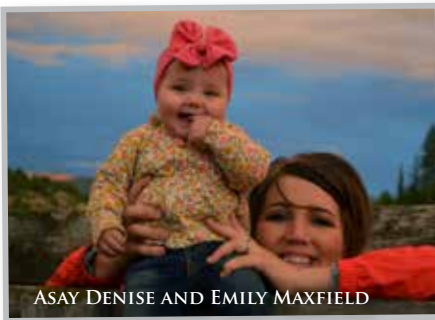

STAY UNTIL THE END OF THE SALE!

ALL BUYERS WILL BE ENTERED INTO A DRAWING FOR TEN STRAWS OF LOVERBOY SEMEN. MUST BE PRESENT TO WIN!

Circle and put a star next to Duchess! A real dignitary out of a royal family. Her capacious middle, extreme length of body, whistle front, powerful hip, smooth design, added bone and foot with perfect hair to work with, make her a treat to own. Her maternal sister, C218 leads off the bred heifers, check her out. Their dam is the result of the magic mating of OCC Jet Fleck with Maine Anjou genetics. Her sire, High Regard, needs no introduction as the "go to" bull for making feminine showy heifers that work in all faucets of the industry and dominate the show ring. One daughter was crowned Supreme Champion Purebred Heifer at Junior Nationals, and another daughter owned by Griswolds was recently crowned Supreme Champion at Tulsa. Duchess has all the credentials to take you to the next level!

Maternal sister and lead-off Simmental bred heifer that sells as lot 11.

Flawless dam of lot 1 and lot 11.

"NO MATTER HOW SERIOUS THE TRIAL, HOW DEEP THE DISTRESS, HOW GREAT THE AFFLICTION, [GOD] WILL NEVER DESERT US. HE NEVER HAS, AND HE NEVER WILL. HE CANNOT DO IT. IT IS NOT HIS CHARACTER TO DO SO."

Dandy is everything her name implores and more, she's awesome! Look at the depth, study the width, and be amazed by her conformation. Her donor dam was as pretty of Angus as you could make. "There's Power in the blood!" as Bonham likes to chant of her sire, Irish Whiskey. The ability to sire eye-catching correctness and balance is an attribute that makes cattle great and bulls famous. Irish Whiskey has created a sensation throughout the industry that is untouched, transmitting "the look" to his offspring, and down through generations. Whiskey daughters and granddaughters have won almost every major show across the Nation. Countless high sellers and champions grace not only the winner's circles, but also the pastures as top donors and producers.

Doll Face will stand out in a crowd and dominate the show ring. She's the high percentage Simmental you've been searching the country for. She has an amazing amount of capacity, added length, huge hip, powerful lower quarter and exceptional bone and foot structure wrapped in a surprisingly feminine package. She tracks wide and sets up squarely every time she stops. Her hair is ideal, long thick and straight. Her impeccable pedigree ties together the winningest bulls in the history of the breed, Broker and High Regard. Her perfect uddered, stylish designed dam is out of one of our best and most profitable donor Angus females. She produced a \$20,000 bred heifer and a \$16,500 bred heifer.

Dixie Gal is one of the prettiest, deepest, functional purebred Maines you'll ever find, standing out in a crowd like a true Southern Belle. She naturally steps into the picture pose, and moves out with confidence, balance and design blended together in a powerful package. She comes with all the tools to go to work both in the show ring and in the pasture. You'll love her depth, zipper front neck, and her powerful hip. Her maternal brother, Big Step, was our \$12,000 lead off Maine Anjou bull and top gainer in his pen selected by Doug and Katie Rexbough of Alberta Canada.

Destiny may have the prettiest side profile in our pen. You'll fall in love with Destiny's depth of body and dimension of rib, her extra extended neck, impeccable topline, and quiet disposition. We gave \$11,800 for Destiny's stand out dam, from master breeder Kirk Duff. Destiny's maternal grandmother OCC Juanada 927K has been the most prolific cow Duffs have owned and sold more high priced progeny than nearly any other. John Griswold bought 200 head of Duff's cows a few years back. Kirk Duff gave them a small fortune to purchase 927K back when she was thirteen years old. If you want a heifer with a history from one of the greatest cow families in America, Destiny is your girl!

We promised you the best and here she is! You simply can't design a female any better than her. Whether you're wanting to raise club calves or show heifers she has all of the parts, pieces, and credentials to get the job done. From her huge hip, to her strong top, and her cool front to her amazing depth of body, she simply can't be beat. Her stellar dam and grand dam have been tried and true on multiple matings. As a first calf heifer C45's dam raised a \$7,000 bull calf. Her no-miss maternal grand dam has averaged an impressive 683# on twelve calves with six bull calves averaging over \$6,000 including an \$8,500 sale highlight selected by longtime customer Jim Frost of Washington. To add to her resume she sells safe in calf to the \$25,000, 2016 Denver supreme champion Simmental bull, Lover Boy.

EXPECTED CALVING DATE 4/4/2017

Here's another awesome baldy out of an exceptional cow family that has produced many dollars of profit. Her deep bodied donor dam's last bull calf sold for \$9,750 to Dan Lunsford of Evanston WY; the one before that for \$9,500 to Culver Cattle Co. E119, her dam raised our first bull to break the \$10,000 mark. We just sold her dam at sixteen this year after she weaned her calf; she hardly showed her age. We had E119 until she was fourteen. Longevity of a cow equates to profit; C113 should be profitable for years to come.

They were broody made, easy keeping cattle with lots of eye appeal, abundant thickness, depth, and performance. The M100xSteel Force mating has produced many sale favorites including an \$8,000 bull and a \$5,600 highlight heifer in '12. This combination is only the beginning of this moderate made, beautiful uddered daughter of \$50,000 Total Recall whose limited semen sells for around \$350/straw with many of his offspring selling for well over \$20,000 including a \$65,000 bull.

BALANCE

WE BELIEVE THAT EXTREME OR OVER EMPHASIS OF ANY ONE TRAIT OR CHARACTERISTIC IN THE BEEF BUSINESS IS AN UN-NATURAL AND AN UNSOUND BREEDING PRACTICE TO PURSUE. THAT IS WHY WE HAVE ALWAYS CONCENTRATED ON PRODUCING A **BALANCED**, FUNCTIONAL, ALL-PURPOSE BEEF ANIMAL THAT REGARDLESS OF TRENDS AND FADS, WILL REMAIN IN THE PROFIT PICTURE WE ARE DEDICATED IN OUR BREEDING PROGRAM TO A **PHILOSOPHY OF BALANCE**:

A BALANCE BETWEEN PERFORMANCE, GOOD LOOKING EYE APPEAL, MATERNAL TRAITS AND CORRECT PHENOTYPE. ABOVE ALL WE HAVE ELIMINATED THE PROBLEM CATTLE, AND MULTIPLIED THE BEST CATTLE. TO ACHIEVE **BALANCE**, RANCHERS NEED CATTLE THAT ARE NOT NECESSARILY THE TOPS IN ALL TRAITS, BUT THEY CAN'T BE WEAK IN ONE SINGLE TRAIT.

B52 enters the ring with a powerful hip, stylish design, scale-mashing performance and a cow family second to none. With a 679# WW and out of a stout made, broody female that has averaged over 650# on her calves, this is just the beginning. Her maternal grand dam is the prettiest, deepest bodied, biggest topped red head on our ranch and has averaged 712# on four calves, three of which have been heifers! Her heifer calf this year weighed in at 830#. B52's sire Wah Wah produced Yardley Red Hawk a \$14,000 crowd favorite purchased by Ronnie Smith of Denton Texas. She'll have an awesome calf out of \$25,500 Man 'O War.

We fell in love with this beautiful cow as a second calf heifer at Griswold's Classic Sale in Stillwater, Oklahoma. She has done an impressive job on performance, raising three calves that have averaged nearly 660#! Her first powerful bull calf sold for \$5,750 and her second for \$7,000. Her daughter is one of our favorite bred heifers on the ranch. 111W's sire, Steel Force has had as much influence on the Simmental breed as any bull in recent years. Several of Steel Force's offspring have sold for over \$40,000. His semen sells for \$160/straw.

Fully Loaded was our \$20,000 pick of Werning Cattle Company's offering in 2015. Many of his calves this year have weaned off at over 700# and we look forward to utilizing him in our herd for years to come.

One of our families memory building experiences and enjoyment is moving our cattle from Asay Creek, 25 miles to high country where they summer at 9 to 10,000 feet elevation. There is no more beautiful country on earth. The grass is strong and it is a summer haven for our cattle and us. Our cattle graze year round on grass and browse ranges. We live in an area where we still embrace the heritage of the Old West. Our livestock culture still survives where the valley and sagebrush lie in the shadows of majestic mountains under endless sky....where the solitude is not loneliness but a refreshing peace from the modern world. Our natural beauty is preserved and enhanced by the practical stewardship of reputation cowboys and cowmen....whose lives are shaped by the dominant environment.

You will love the depth, capacity and femininity of this fine female. She has the mark of excellence with tons of rib, volume, body and fleshing ability that her sire, Apache, successfully passed to his offspring, especially his daughters. Apache's daughters are consistently moderate, easy-keeping females with excellent udders and picture-perfect phenotype. C8 comes safe in calf to SAV Sensation one of the high-selling lots of the 2016 Schaff Angus Valley Sale, valued at \$950,000. He is a full brother to \$235,000 SAV Seedstock. His mother, SAV Blackcap May 4136, is the No.1 income producing cow in SAV history. She has generated over \$4,000,000 in progeny sales to date.

Circle and put a star next to this fancy female. She's a deep bodied, soft made female that carries an amazing amount of middle and capacity to thrive even under harsh conditions. Her dam is a beautifully designed Ohlde cow that produced a \$6,250 bull in '14 and has stayed fat every day of her life. Mountain Pass has been one of our favorite sires, producing moderate made broody females. Several of his sons have sold for over \$7,000 in previous sales. Patron was our \$20,000 pick of the Pioneer son's in the '15 SAV sale.

You'll fall in love with this deep bodied broody SAV Resource, the most popular, powerful proven performance sire in the Angus Breed. His daughters are moderate, natural fleshing cattle with thickness, muscle, superb udders and abundant milk. His dam is the most prolific and influential cow in SAV history and has generated well over \$4 million in past SAV sales. C46's efficient and bold ribbed dam has averaged 651# on eight calves. Her \$9,000 maternal brother was a favorite Angus in '12 purchased by great customers Culver Cattle Company.

The OCC Jet Fleck, Maine Anjou cross flat out works and is a no miss combination of the best of both worlds; you get amazing depth, growth, performance and fleshing ability of the Sim Angus cross with the style and cleaned up front the Maines offer. A maternal brother to this female sold for \$8,500 to Larry Obrecht of Iowa. A maternal brother to her dam, Yardley Big Step led off our Maine division at \$12,000 selling to Dun Rite Stock and Stables of Alberta Canada.

The eye of the master...

The hand of the breeder

The offering we have in our sale represents a family involved effort. We aren't an operation financially backed by corporate money or wealth. We, like you, make our living off of our land and our cattle. We know what it is like to experience drought. We've all taken turns at two in the morning checking calving heifers. We personally know the joys and discomforts that come from this way of life. With the knowledge comes a love for our land, our cattle and you our customers. Our greatest joy comes from your success not only in the cattle industry but in your personal and public lives. For this year and every year to come Dad, we love you. All the work, all the miles, all the cattle, it has been and will always be for you. We are proud of our cattle, they represent a lifelong accomplishment to the greatest cattleman we know! -Jeannie Yardley Griswold

Our Dad has left a great legacy for all of his children to follow. He has made friends and is known in the cattle industry Nationwide for his honesty, integrity, and good cattle. He has always tried to treat our customers fair, breed top quality animals, and do the best he can at all of his work. We also have our pioneer heritage of faith and determination as fourth-generation ranchers. We want to do everything we can to help carry forward our Dad's great legacy and our exemplary pioneer heritage in the cattle we raise and in the lives we live. -Steven Yardley

Dam: Built Right X 3C Macho by Meyer 734

We went to the National Western Stock Show in Denver and wanted to buy the high % Simmental we liked the best. We looked at all of them there. There are so many bulls of all breeds that have bad feet and a lot of people aren't paying attention to it. Their hooves are either too small or many of them have outside back toes that curl under or else they toe out on front. We have tried to watch this very closely because our cows have to walk and trail the year around as many of yours do. We finally found one at the last minute. He looked good every place you looked at him with no holes in him and the best feet we had seen on any bull in the show. We had to catch a plane to go home and I gave them a check for \$25,000 for him about 3 or 4 minutes before he was to show and left for the airport. HE WAS PICKED GRAND CHAMPION SIMMENTAL OF THE SHOW. Jeannie and John were there to see him and get in the picture. Jeannie called us and I was the most excited I had been for 10 years. You can't help but love him because he has perfect confirmation and is just the right size.

3/4 SIMMENTAL ASA # 2937803

Sire: WC Lock Down 206Z

Dam: WS Ms Upgrade Z15

This is one of the best purebred Simmental bulls I have ever seen. I am 82 years old and have seen as many bulls as anyone in the country. I am one of the fussiest bull buyers in America and a bull has to be about perfect for me to buy him. This fancy bull is so deep ribbed, square hiped, full of muscle and red meat. He is big topped, wide based, clean fronted, and clean sheathed. He is very sound on his feet and legs and carries himself well. He has a topnotch set of EPD's and is a HERD BULL SUPREME. Out of a 1st calf heifer, pictured above as a two year old, and the great WS Step Up X27. We paid \$52,000, he's one bull that was worth it! Owned with Walsh Simmental.

YARDLEY Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

SAV SYNERGY 4155 (DECEASED)

ANGUS REG # 17921522

Sire: SAV Harvester

Dam: SAV Blackcap May 0024
by SAV Bismarck

BW: 84 WW: 966 YW: 1458 Scrotal 42
WDA: 4.0 Ribeye 16.2
Epds: bw: 4.7 ww: 64 yw: 113 mk: 29

Synergy is in a league all his own, with as much power, presence, and wow factor as you can put in an Angus bull. He is stylish, superfronted with muscle shape, stoutness and a powerful rump beyond compare. He could be the next major factor for siring cattle that can compete at any level. His pedigree is backed by the best cows in the business and his numbers tell the rest. His maternal brother was a top selling feature in the 2013 SAV Sale. His granddam is a full sister to the SAV Blackcap May. This was a favorite of all the visitors from Schaffs this summer. Synergy's Dam SAV Blackcap May 0024 has a ratio of 113 on her first four calves and will qualify as a Pathfinder in the SAV herd.

¾ SM ¼ AN ASA REG# 2900326

Sire: REMINGTON LOCK N LOAD

Dam: MISS WERNING 6545

BW: 87 WW: 850 YW: 1426 Scrotal: 38
Epds: bw: 0.7 ww: 67.5 yw: 121.4 mk: 16.9

When I had the opportunity to walk through the '15 Werning offering Fully Loaded 654B was the stand out higher percentage bull to sell. He is bold in his design, loaded with meat and muscle, and sound as a cat on his feet and legs. He is a highly productive son of the curb bending \$47,000 Lock N Load. He had an 87# BW, 850# WW, 1,426# YW, 38 Scrotal. His carcass data was equally impressive. The combination of phenotype, performance and carcass combine to make Fully Loaded a must have package.

SAV PATRON 4888

ANGUS REG # 17921492

Sire: SAV Pioneer 7301

Dam: SAV Emblynette 7566
by SAV Net Worth

BW: 80 WW: 946 YW: 1473
Epds: bw: 2.6 ww: 56 yw: 104 mk: 30

This great \$20,000 bull is bred to make a lasting contribution in all traits of magnitude and backed by one of the strongest and most proven maternal generations of elite pathfinders and has a track record second to none. She has 13 daughters featured in the SAV herd and 39 progeny featured in past SAV sales. She is the favorite cow of Bob Watkins, Kelly Schaff's right hand man. Her progeny include some of the heaviest 205 day weights in several of their sales. PATRON HAS HELD HIS FLESH AND STAYED FATTER THAN ABOUT ANY YEARLING BULL WE HAVE USED. There isn't one thing you won't like about this bull. His prolific Pathfinder granddam is still going strong and raising calves at 18 years of age. I picked this bull as one of the top bulls that I liked in the famous Schaff Angus Valley Sale.

SAV EMBLYNETTE 7566

YARDLEY TOP NOTCH C371

PB SIMMENTAL ASA# 3080653

Sire: Sandeen Upper Class

Dam: HSF Victoria P30 by Nichols Blk Destiny

Top Notch is the exciting result of \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$350,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Sandeen Upper Class was valued at \$55,000 for half interest, and comes from a cow family that is second to none. His dam, breed legacy, Donna 7386 commanded an impressive \$140,000 selling to astute cattleman Nick Sloup of Nebraska. His powerhouse maternal grand dam brought an astounding \$100,000. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer.

GCC NICKELS N DIMES

PB SIMMENTAL ASA REG # 2659379

Sire: SVF Steel Force by CNS Dream On

Dam: AJE/JF Aunt Joys Elegance by 3C Macho

Joy's Elegance was Grand Champion in Denver in the Junior show and matured into as picture perfect of a cow as she was show heifer. A true test of a great show heifer doesn't come in the showing, it comes in her ability to produce and transmit the same look and quality in her offspring. Joy's produced \$106,000 in progeny sales this past year on four head with one of the most consistent flushes ever produced at Griswold Cattle. The two yearling heifers produced are proving to be as competitive in the show ring as their great dam. Nickels n' Dimes sired our Lot 4 \$18,000 bull in our 15' bull sale. He is big topped and complete with plenty of rib, dimension, style and power with a great look. This is the kind of bull to change a program with!

Joy's Elegance

YARDLEY ENSIGN Z394

3/4 SIMMENTAL 1/4 ANGUS ASA REG # 2690517

Sire: STF Shocking Dream by Dream On

Dam: Miss Yardley W151 by 3D x Treasure x N130

Great cattle it seems are built by great cow families and the E119 cow family has been one of the most profitable we have ever owned. It doesn't matter the generation E119 falls back through on the pedigree chart, they are destined to be good. N130 is a daughter of K114, E119's best daughter and they are both donors. All three of these great females have produced sale toppers, the quality doesn't get any better. Ensign is a bull that stuck out as soon as you walked in the pen. With plenty of rib, bone and power along with the look it takes to make class winners and sale toppers. He's the real deal and we couldn't be more pleased with his offspring!

SEMEN: \$30

YARDLEY WAH WAH Z303

3/4 SIMMENTAL 1/4 ANGUS REG # 2690482

Sire: Billy the Kid

Dam: Miss Yardley U154 by Ranchhand x E119

Wah Wah was the pick of our herd for our next herd sire in our bull battery. With his flawless phenotype that combines a massive hind quarter with a big top, deep chest, smooth shoulder, big hoof and ideal leg set in a unique blend of power and softness. He has an equally impressive set of weights with a huge spread from 78# at birth to 764# at weaning. He sired the \$14,000 Yardley Red Hawk selling to Ronnie Smith of Texas. Wah Wah's quiet disposition and awesome pedigree trace back to our herd matriarch and donor E119, is filled with equally impressive herd matrons and make Wah Wah the complete package and impeccable addition to our bull battery.

SEMEN: \$30

YARDLEY HIGH ROLLER C360

½ SIMMENTAL ½ ANGUS ASA REG #3074969

Sire: Yardley High Regard

Dam: Miss Yardley T164 by S/C Stockman 365

T164 is a beautiful designed, perfect uddered, big bodied, no-miss Angus herd matron that has produced several top notch calves including the pick of our '14 calf crop, Yardley Aspen. She flat out works with whatever we cross her to. High Roller is the result of mating her to Hi Regard who has produced sale toppers and purple ribbon winners across the Nation including Griswold's high selling heifer at \$54,000! You'll love the amount of depth, dimension and real world performance of High Roller. He's sure to produce high dollar offspring come spring.

SEMEN: \$30

YARDLEY MAN O' WAR B475

HOMOZYGOUS POLLED ¾ SIMMENTAL REG 2941516

Sire: KCC1 Pinnacle 118Z by WAGR Driver

Dam: Miss Yardley Y134 by OCC Missing Link by Casper

From the mountains of Utah, and the legendary Gib Yardley comes Man 'O War, he's the kind to build a legend around. He has perfect confirmation and phenotype. His sire was the leadoff bull in the Champion pen of three at Denver, his mother is the definition of the kind of female you want as a cookie cutter mold. His great-great-grand dam is the dam of Yardley Whirl of a Dream. This is cow family GENERATIONS DEEP WITH QUALITY! Top selling bull for \$25,500 ½ interest to our good friends Barker Cattle Co. of Elba, Idaho.

SEMEN: \$40

ZEIS REAL STEEL A23

1/2 SIMMENTAL 1/2 ANGUS REG # 2770310

Sire: SVF Steel Force

Dam: BF GCC 5918 by OCC Legend

Apache Brave is going to go down as one of the greatest sires of Yardley Cattle Co. His progeny are top of the pen with 11 head of bulls averaging \$4,568. He is an easy calving sire that produces cattle that have look and style. Grass fat cattle are what we need to breed. He always maintained his flesh while breeding cows and he wasn't a bull that needed to primped and pampered. Apache was a moderator that kept performance and bred depth and rib into his progeny. His heifers are loaded with style and are always some of the favorites in our fall sale every year. Owned with Matt Sherwood.

SEMEN: \$35

STCC LONG HAUL

PB SIMMENTAL REG # 2540264

Sire: Shocking Dream by Dream On

Dam: Miss Fancy Yardley T85 by 3C Macho

Long Haul's dam was the pick of our heifer calf crop in 2007 by Trennophl and Rist of Indiana. Long Haul held his flesh as well as any bull we have ever used. He was Intermediate Grand Champion bull in Denver 2012. He's moderate framed, cool made, and his cow family stands second to none. He has produced numerous sale favorites and toppers including our '14 \$20,000 sale topper, Overhaul, that went to renowned Wheatland Cattle Co. and \$16,500 '14 sale highlight Yardley Blitz purchased by Brent White of Iowa. His Granddam produced the \$21,000 high seller from last year's sale that sold to Jones Show Cattle and Tulle Cattle Co. A maternal sister to his dam produced Sugar Plum, a crowd favorite in our 2009 sale that sold to Wayne and Barb Ohlrichs. Case in point is this cow family will PRODUCE!v

GCF BILLY THE KID DECEASED

1/2 SIMM 1/2 ANGUS REG # 2548887

Sire: MCC Cupid by OCC Legend

Dam: GCF Miss Reflection by CNS Dream On

Billy the Kid did not disappoint. He has sired a group of calves second to none. They are big bodied, stout made, and there just isn't any throw aways in them. They exhibit a soft made, easy doing look that is popular in everyone's cow base. Billy the Kid was a member of Grindstone Creek Farms Pen of Three in Denver 2011. He has quickly earned a place in our Herd sire pen. You're going to fall in love with his daughters at our Focus on the Female sale. Billy the Kid sired lot 6, Bull Sale '14 for \$10,000 & heifer for 10,000

SEMEN: \$50

Y1 WHIRL OF A DREAM W361

PB SIMMENTAL REG # 2533644

Sire: CNS Dream ON by Nichols Legacy

Dam: Miss Yardley B75 by Whirlaway

Whirl of a dream was the pick of our Simmental bull calves five years ago. He's big topped, large scrotaled, with bone and great muscle shape. His dam B75, has been a top producer for us. She raised this calf at 17 years old. He weaned off at 712# with no creep and she was fat when she came home. A wise cattleman once told me if you love the cow, breed one of her sons and you'll replicate her. There is performance with power in this pedigree. We couldn't be more pleased with the daughters he's left us. They are functional, big ribbed, thick made cattle with performance. A couple years ago his calves averaged higher than any other sire group, averaging over \$7,000.

SEMEN: \$25

YARDLEY UTAH

3/4 SIMMENTAL 1/4 ANGUS REG # 2641894

Sire: GCC Hard as Steel

Dam: Miss Yardley T170 by Dream On x Corrector

We consider this bull one of the best, if not the very best we have ever raised. I am as critical a bull buyer as there is in the country and there isn't a single thing I don't like about Utah. He has exceptional phenotype from top to bottom. I don't like high tailed cattle. I want them square over the tail head and he is. We consider his dam to be the ideal built, moderate sized cow and as one of the prettiest cows we own. His beautifully designed maternal grand dam was a stellar \$7,700 feature in our sale that sold to Greg Kroupa of White Lake, SD. Utah has experienced great success in our program and at Wernings in Emery SD with several calves selling for over \$15,000. A daughter of his was crowned Champion at the West Virginia State Fair. Utah recently sired Werning's high-selling bull bringing an impressive \$87,500. Owned with Griswold Cattle Company and Trennepohls.

SEMEN: \$35

Miss Yardley T170

YARDLEY ZION X288

ANGUS REG # 17036377

Sire: SCC Apache Brave

Dam: Miss Yardley S504 by SAF Bando 5175

S504 has been one of our very top producers, she does not miss. Zion was a bull that stood out as a top individual from the time we weaned. He had as much rib, rear quarter, power and overall mass as any bull in the pen. We just weaned his first calf crop, they have performance and eye appeal. He was severely hurt as a yearling, we babied him along for a solid year and he recovered. He is as pretty a mature bull as you could picture with the pedigree and performance to stand out from the crowd.

SEMEN: \$30

SCC APACHE BRAVE (DECEASED)

ANGUS REG # 15759398

Sire: OCC Legend 616L

Dam: Y Annie Coed 928 (Krugerrand granddaughter)

Apache Brave is going to go down as one of the greatest sires of Yardley Cattle Co. His progeny are top of the pen with 11 head of bulls averaging \$4,568. He is an easy calving sire that produces cattle that have look and style. Grass fat cattle are what we need to breed. He always maintained his flesh while breeding cows and he wasn't a bull that needed to be primped and pampered. Apache was a moderator that kept performance and bred depth and rib into his progeny. YARDLEY SUMMIT C351

ANGUS REG # 18372546

Sire: Sinclair Mountain Pass

Dam: Miss Yardley Y179 by TC Freedom 104

Yardley Summit is the result of a life time of breeding the best to the best. The University of Wyoming judging team just visited our ranch at Christmas time. They were amazed by the amount of width, depth, bone and style of this purebred wonder. Caleb Boardman, their coach, commented he was one of the best Angus bulls he had encountered. His dam is one of the prettiest made, stylish females—the kind you could build a whole herd around. She produced \$5,750 feature Cashmere that sold to Rick Dunson of Ohio, and is a maternal sister to Yardley Cover Girl, selected by our good friend Kasey Rowser of Wellsville Utah for \$4,500. Let Yardley Summit help take your herd quality to new heights.

SEMEN: \$30

YARDLEY ROYAL JET

ANGUS ASA REG #16704437

Sire: OCC Jet Stream

Dam: Miss Yardley R192 by SC Stockma

Royal Jet is the type of bull that defines where we are taking our program. Soft made cattle that carry performance, thickness, fleshing ability, and style. OCC Jet Stream is now deceased, he stands as one of Ohlde's greatest herd sires. Look at the performance this bull carries coupled with a perfect phenotype. This is as good as Angus bull as you will find anywhere. We have used him to clean up our Angus heifers, cows, and crossed him up on Simmentals and Maines. The results are the same: sound made functional cattle with eye appeal and performance. He sired the \$18,000 Yardley Cornerstone from last year's sale and a full brother selling this year. Royal Jet is the type of bull that will add belly, rib, and doability, without taking pounds away from your bottom line.

SEMEN: \$35

NOTES

BE STRONG!

WE ARE NOT HERE TO PLAY, TO DREAM, TO DRIFT;
WE HAVE HARD WORK TO DO, AND LOADS TO LIFT;
SHUN NOT THE STRUGGLE - FACE IT; 'TIS GOD'S GIFT.

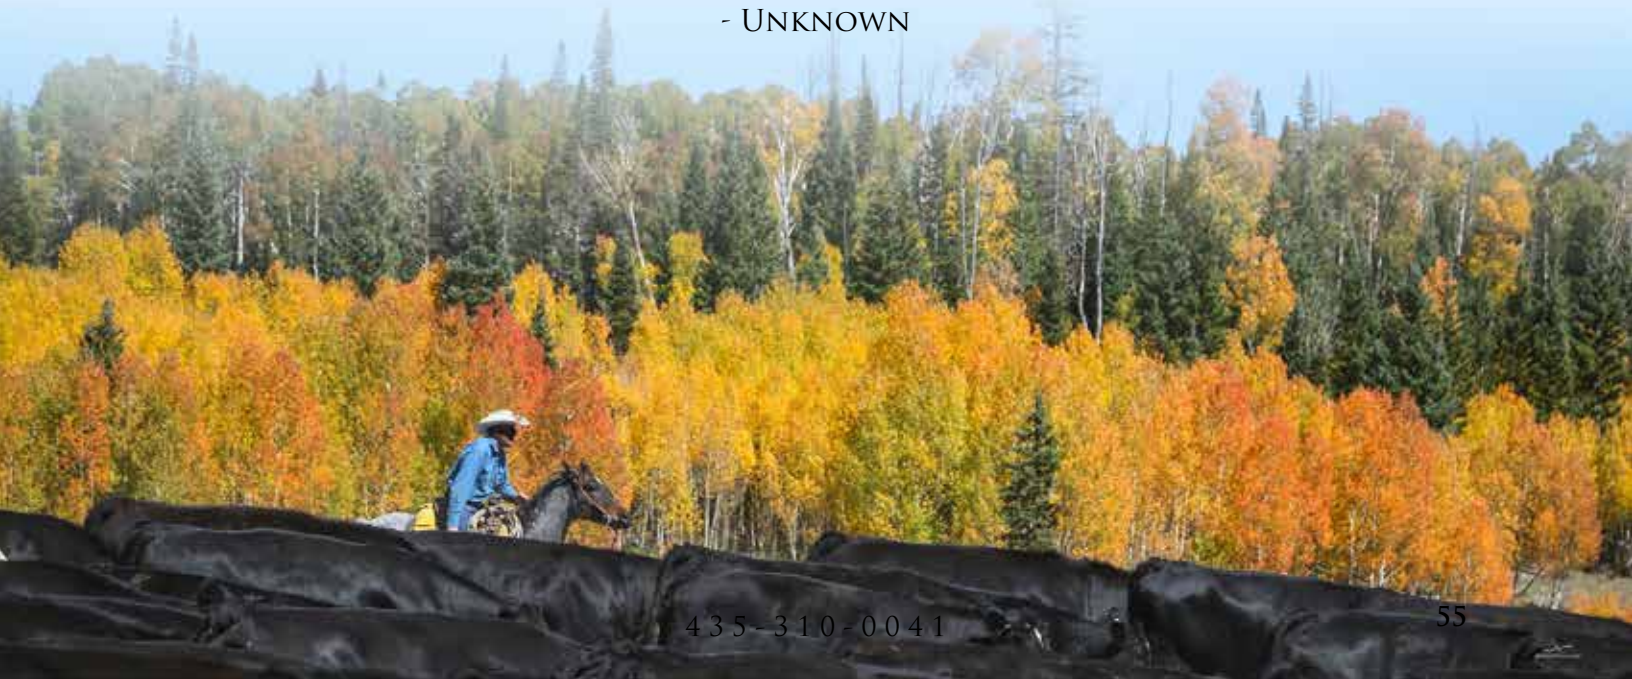

BE STRONG!

SAY NOT, "THE DAYS ARE EVIL. WHO'S TO BLAME?"
AND FOLD THE HANDS AND ACQUIESCE - OH SHAME!
STAND UP, SPEAK OUT, AND BRAVELY, IN GOD'S NAME.

BE STRONG!

IT MATTERS NOT HOW DEEP ENTRENCHED THE WRONG,
HOW HARD THE BATTLE GOES, THE DAY HOW LONG;
FAINT NOT - FIGHT ON! TOMORROW COMES THE SONG.
