

YARDLEY *Cattle Company*

The Brand of Quality

44th Annual **BULL SALE** Saturday, March 11, 2017. 1:00 MST

Welcome

Dear Friends, Fellow Cattlemen, and Valued Customers:

WELCOME and GREETINGS from our BEAUTIFUL MOUNTAINS, VALLEYS & DESERT to our 44th ANNUAL BULL SALE.

We have something for everyone in this sale and the quality is as good as you can find anyplace in America. These cattle have worked for us, they have worked for thousands of others, and they will work for you. They are backed by many generations of highly productive cow families **THAT HAVE STOOD THE TEST OF TIME**. We went to the Denver Stock Show and looked at all the bulls there and we liked a lot of our bulls better than what we saw. They are wintered on ½ grass and ½ alfalfa with very little grain, in big lots where they get lots of exercise.

These cattle are bred to survive and excel in a commercial cattleman's environment. We have bred a high-maternal cow herd that excels in longevity. Longevity to us means efficient, natural fleshing, maintenance-free, structurally correct females with sound feet and legs, tight udders with small teats and adequate milk, excellent fertility (last fall we only had 3% open cows) and productivity weaning off consistently heavy calves year after year. **WE HAVE STACKED THESE COW FAMILIES WITH THIS KIND OF LONG TERM PRODUCTION TO PRODUCE AN ELITE COW HERD.**

You can count on **YARDLEY BULLS** to deliver valuable pounds of growth & feed performance; low risk, highly proven genetics to add thickness, muscle & fleshing ability, with spectacular visual quality, structural soundness and eye appeal, consistently uniform calf crops with unmatched value and marketability. These bulls will produce high quality females that are productive, efficient, and profitable. These traits can best be analyzed by visual appraisal from the eyes of a stockman and assessed along with performance data. The right kind of profitable cattle never go out of style. **THE BIG FEEDERS RECOGNIZE OUR CATTLE HAVE SUPERIOR GENETICS THAT MAKE THEM GAIN AND LOOK BETTER, AND THEY PAY A PREMIUM FOR CALVES Sired OUT OF OUR BULLS.**

All my life I have bred performance and perfect conformation in these cattle. **WE HAVE BEEN A'ing FOR 49 YEARS**. Many people have told us that all three of our breeds look alike. We analyze EPD's but the main selection tool that we have always used in individual performance is birth weights, weaning weights, and yearling weights, plus eye appealing good looks. It really upsets us that most of these breed associations and many breeders don't want to furnish this individual performance. They just want to go entirely on EPD's and carcass data as their only selection tool. This leaves a plain made, hard doing cow base that is hard to look at. It also opens the door for structural flaws and the dead end street of single trait selection.

We've had a mild winter so far. I always pray for rain on the desert and in the valleys and snow on the mountains and we have had that! I know that a lot of you have had deep snow and really cold weather.

This is a **FAMILY CATTLE RANCHING OPERATION**. Family traditions are part of the way of ranch life in the West and farm life in the East. Fostering the passage of a knowledge, honesty, integrity and hard work between those who take part in this unique and wonderful way of life. We are very grateful for the hard work of our family, and our dedicated helpers Josue Garcia and Jose Guzman, who are so willing to take the time to get every job done right. I want to thank Steven and Rodney for the footnotes and excellent pictures, and Jeannie for the advertising and Michelle for the records and data. They have all worked unceasingly around the clock to get this catalog out.

It was a miracle that Donald Trump won the Presidential election. It was an answer to prayers. He is working many long hours to try to **MAKE AMERICA GREAT AGAIN**. The corrupt new media and the liberals still cannot admit defeat and are trying to do everything to make him fail. He tells them all how it is and what needs done. I wish he would use a little more tactful language because sometimes it ruffles a lot of feathers, but most of it is what they need to hear.

Fifty million Americans took back our country, they are us and we are them. We came to the aid of our nation in peril. We did what real Americans have always done; the impossible and we won. We exist because our forefathers did not take no for an answer.

One of the greatest things that President Trump has done is to appoint a new Supreme Court Justice. This will have a lasting influence on us for 50 years, and help preserve freedom, the free enterprise and market system, and private property rights.

WE LOOK FORWARD TO HEARING FROM YOU AND SEEING YOU AT THE SALE. We appreciate your friendship and interest in our cattle. Please call if we can be of any assistance. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely yours for a better cattle business.

TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

INFORMATION

TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head.

ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

South Interchange \$70

RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON LEAVING HWY 21, TRAVELING NORTH ON THE GRAVEL ROAD, EXCEPT FOR OUR HOUSE AND LOT, THE HORSES, CATTLE AND LAND DO NOT BELONG TO US UNTIL YOU CROSS THE CATTLE GUARD JUST BELOW OUR SALE BARN.

BARBECUE AND ENTERTAINMENT

We will have a barbecue dinner and live music in the sale barn starting at 11:00. Barbecue will be prepared by the Daren Oberg Family and Music will be provided by Country Singer/Songwriter Chris Petersen.

STAY TILL THE END OF THE SALE

Department stores don't put all the good stuff at the front door, do they? Great bulls will come into the ring all day long, AND IF YOU DON'T STAY UNTIL THE END YOU MIGHT MISS THE BEST DEALS OF ALL! WE WILL HAVE A DRAWING AT THE END OF THE SALE. All numbers will be put in a hat. Your must be present to win. THE WINNING NUMBERS WILL RECEIVE A CHECK FOR \$300, THE 2ND PLACE WILL RECEIVE \$200 AND 3RD PLACE WILL RECEIVE \$100.

TERMS & CONDITIONS

TERMS: Terms of this sale are cash, or a good check, unless arrangements are made prior to the sale. Settlement to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared.

BIDDING: All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

HEALTH: Every bull in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. All bulls were Dextomax treated. They have been vaccinated twice for IBR, P13, BVD, BRSV, 8-way Blackleg, One Shot Pasturella, and Enforce.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter, and any other announcements.

TRUCKING: All trucking is the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We can only get these bulls delivered to central points.

GUARANTEE: Every bull has been tested for Tric and semen evaluated by a licensed veterinarian. We will guarantee the bulls selling in this sale to be fertile at the time of sale. Several of the bulls in this sale are of "Herd Sire" quality. If the buyer chooses to have semen collected on a bull, Yardley Cattle Company can not guarantee that the semen will freeze. **KEEPING BULLS TILL MAY 15TH:** We can do this but encourage you to insure them as the risk is the responsibility of the buyer. \$3.00 per head per day will be charged until the bulls are picked up.

LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. The owners and employees of Yardley Cattle Company assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

REGISTRATIONS: REGISTRATION PAPERS WILL ONLY BE FURNISHED IF REQUESTED AT THE TIME OF SETTLEMENT AT THE CONCLUSION OF THE SALE OR WITHIN 3 WEEKS. If requested later, buyer must pay additional registration fees. Leave the name and address to which you would like your bulls transferred on your sale slip when you settle up. Please print so that it is legible.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale. Bids will be handled with the strictest of confidentiality.

1-Work with one of us to fill your order.

Due to the size of the offering it is impossible to picture every bull. There are many quality bulls that may not be highlighted that will fit your program. Feel free to call anytime prior to the sale. Sale days are crazy! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney 801-824-8851

2-Bidding via DVAuctions.

Bid via www.DVAuction.com. For more information contact DV Auction at 402-316-5460.

3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....(435) 310-1725
Rodney Teichert.....(801) 824-8851
Jeannie Y. Griswold.....(435) 421-1200
John Griswold.....(405) 780-3300
Angela Y. Barton.....(435) 310-1147
Emily Y. Maxfield.....(435)310-0038
PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, March 13th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

For more information contact DV Auction at 402-316-5460.
Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

THESE BULLS WILL SELL IN EVERYONES PRICE RANGE.

We cull bulls from branding up until the sale for structural soundness, quality, breeding soundness, and temperament. Not every bull is destined to sire calves. **AS SEEDSTOCK PRODUCERS WE TAKE THE RESPONSIBILITY TO MARKET QUALITY BULLS SERIOUS.** We realize that your success depends upon our breeding program and we strive to have quality from the first lot sold to the last bull to walk through the sale ring.

FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3000 or more will be covered 50% by Yardley Cattle Co. if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. 50% of the value of the injured bull, minus one-half salvage value, will be given as credit in a future sale or toward a replacement bull if one is available. Salvage value, if any, will be split equally between Yardley Cattle Co. and the buyer. All injured bulls must be diagnosed by a veterinarian. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage. All claims must be made by October 1st. We will not replace a dead animal for any reason.

RETAINING 1/3 SEMEN INTEREST ON ALL BULLS!

SEMEN INTEREST: We are retaining at least 1/3 semen interest in all bulls selling. The new owners of the bulls will have full possession and all salvage value. If semen is sold we would retain one-third of all revenue. There will never be more than 2 or 3 bulls a year that we will want to collect.

To whom it may concern:

Traveling the country over the past 15 years Ultra sounding Cattle I have seen many types and breeds of cattle that vary greatly in carcass traits and phenotypic quality. Gib Yardley contacted in the Fall about coming to Beaver, Utah and ultrasounding their yearling bulls. I was truly amazed with the amount of muscle and marbling the Yardley bulls possess in a very sound functional package. It has always been a pleasure to evaluate cattle of different breeds and what each of them offer to the Beef industry. On March 11, Bull buyers from across the United States will have the opportunity to purchase genetics from Yardley Cattle Co, a breeding program that has stood the test of time and continues to excel in carcass quality and maternal traits. Whether you are a Purebred Seedstock Producer or a Commercial Rancher retaining ownership of your calves through finishing Yardley Genetics will work for you. It has been proven that 1 square inch of Ribeye Area per hundred pounds of body weight on a Yearling Bull is average, as you evaluate the offering you will see that the Yardley Bulls will certainly exceed that while having high adjusted %IMF Values. A 4% IMF score is equated to a low Choice Quality Grade on fed cattle, Bulls will generally sire fed calves that are 1% higher than their own %IMF adjusted value. Translation as you see many Bulls in the sale with %IMF values of 4% or greater they will transmit these high IMF values to their offspring while increasing Ribeye size lowering numerical Yield Grades. It is always my pleasure to travel to Utah and ultra sound bulls of superior structural soundness, quiet disposition, and work with a Great Family. As you evaluate the bulls and make your purchases, buy with confidence, you are not only buying great bulls you are buying into a program and the Yardley's will stand behind what they sell.

Thanks,
Chad Gordon

Our bulls are not pampered and are not overly fat. They are developed on high roughage rations for comparison only and not for maximum gain. You will not be paying for over fleshing that will melt away as the breeding season progresses. By not force feeding these bulls, you can be assured they will be sound, athletic, and ready to service cows. They are grown in big lots where they get lots of exercise, so they can take the toughest ranges. These bulls are grown mostly on hay with a 50/50 alfalfa grass mix with less than 1% of their body weight in grain.

PLEASE BRAND YOUR CATTLE WHEN YOU GET HOME!

We have always concentrated on producing a functional, balanced, all purpose beef animal. One that is thick and moderate framed, not too big or too small, and that has a natural fleshing ability. If a cow has feed, I expect her to stay fat while raising a 700 lb. calf. We believe in a balance between performance, eye appeal, and maternal traits. Above all, we have eliminated the problem cattle. To achieve balance, ranchers need cattle that are not necessarily the tops in all traits, but they can't be weak in one single trait.

PAP TEST

Brisket Disease of cattle is the result of right congestive heart failure, but is brought on specifically by effects of the lower oxygen pressures present when cattle are kept at high altitudes above 7,000 feet in elevation. The test is a measure of the pulmonary artery pressure (PAP). It is conducted by inserting a large gauge needle into the jugular vein, passing a fluid filled catheter through the needle and allowing it to flow down

IF YOU RUN BELOW 7,000 FEET ELEVATION, PAP SCORES SHOULD NOT BE CONSIDERED WHEN SELECTING BULLS.

into the pulmonary artery that goes to the lungs. Dr. Tim Holt of Colorado State University is the countries greatest authority on this disease and has tested many thousands of cattle. Dr. Holt recommends that bulls selected for cow herds running above 7,000 feet have PAP Scores of less than 41 if tested as yearlings and 41 - 45 is an acceptable score for animals tested over 16 months of age.

For many years I read the Yardley Cattle Company advertisements in various cattle publications always thinking to myself, "That's a long way to drive to buy bulls." Finally in 2009 I made the trip from Lafayette, CO to Beaver, UT and was not disappointed in the bulls being offered for sale. At that sale in 2009 I intended to purchase four to six Angus bulls. I came home with six Sim/Angus bulls and two Angus bulls. Over the next three years I purchased 60 Angus, Sim/Angus and Simmental bulls from the Yardley's to be used in the Culver Cattle breeding program. The Yardley bulls worked extremely well in the Culver herd that resided year round above 8,000 feet elevation. The Simmental and Sim/Angus bulls increased our wean weights by 30 pounds and left us with an outstanding set of replacement females. The Angus bulls made great contributions to our breeding program as well adding conformation correctness, fed efficiency, and natural fleshing ability. If you live at sea level or in the mountains, need to buy one bull or a truck load I'm confident you can fill your needs at the 2017 Yardley Cattle Co. Bull Sale. I would enjoy discussing my experiences with Yardley Cattle Co. bulls.

Jon Sabel
(303)594-5520

WHY USE YARDLEY BULLS

1. THE BIG FEEDERS PAY A PREMIUM FOR CALVES SIRED BY OUR BULLS BECAUSE THEY ARE THE BEST GAINERS AND THEY HAVE THE LOOK, EYE APPEAL AND UNIFORM PHENOTYPE.
2. Their daughters will be the most productive cows you've owned.
3. Their calves will weigh 25 to 100 lbs more at weaning.
4. These bulls are wintered in big lots on half grass/alfalfa and only 1% grain.
5. They are born unassisted on the range and walk 25 miles to and from the summer range that goes to 10,200 ft. elevation, so they have to be structurally correct.
6. You don't have to baby and pamper them.
7. Our cows winter on desert winter range without hay. They have natural fleshing ability to stay fat on grass and take care of themselves.
8. All bulls are performance tested and backed by our first year breeding guarantee.
9. They have proven themselves to adapt to all environments and have sold into 30 states, Canada and Mexico.
10. Simmental and Simmental crosses are some of the most sought after cattle by order buyers, feedlots and for replacement females.
11. YARDLEY BULLS ARE BRED WITH THE COMMERCIAL CATTLEMEN IN MIND.
12. You are buying from a family that is honest, we will treat you fairly.
13. GIB YARDLEY IS A MASTER CATTLE BREEDER. He will be 84 years old on March 15th. He has AI'd for 49 years and has produced one of America's greatest cow herds. He has spent his life breeding this herd of cattle and raising a wonderful family.
14. THESE ARE NOT ORDINARY CATTLE. THEY HAVE MORE THICKNESS, DEPTH, MUSCLEING, FLESHING ABILITY, PERFORMANCE, & STRUCTURAL CORRECTNESS IN A MODERATE SIZED PACKAGE.
15. Cross breeding pays. You can't afford not to.

YARDLEY

Yardley Highway has all of the parts, pieces and qualifications to be a front pasture bull that will produce front pasture calves, the kind that have the eye appeal to excel in the show ring and the production and gainability to compete and perform in the feedlot. He's a huge hipped, big-bodied brute in a moderate package, and stands at the top of the list both in terms of phenotype and production with the highest yearling weight in the offering, an impressive 1,457#!

• His elite, perfect profiled, highly productive donor dam has an impressive ratio of 111 on five calves; producing our personal pick of the '15 crop, Yardley North Force. Highway's maternal sister Yardley Blitz was the \$16,500 '14 female sale highlight selected by astute cattleman, Brent White, of Iowa.

Miss Yardley 199X - Phenotypically flawless donor dam of Lot 2 and dam of Yardley North Force. Her offspring will highlight many sales to come!

Yardley North Force, maternal brother.

Yardley Blitz \$16,500 maternal sister to Lot 2.

You'll see at a glance why we love Go Man Go so much, and the more you study him the more you find to like about him. In terms of eye appeal he may arguably be the best bull in the offering. He's a multi dimensional breeding piece with length, depth, and width blended together in ideal proportions and power from his extended spine and strong top, which extends from his long front to his level tail head, with a smooth shoulder and depth extending from his fore rib to his flank and an impressive hip and lower quarter.

• Go Man Go's prestigious, beautifully uddered donor dam will continue to see increased use in the herd. She has been a no miss matron that has an impressive 108 WW ratio on three calves.

Stylish and feminine donor dam of Lot 3.

Here's a handsome recruit for your favorite females in a purebred package. He's been a stand out from day one, and continued to be one of the favorites through the summer. He was one of the heaviest bulls on the ranch with a ration of 118 and an adj. WW of 804#.

• Step Ahead's big bodied, stellar dam has been one of our best producers on the ranch averaging 741# on nine calves for a 112 WW ratio, a true testament of longevity and performance.

• A maternal brother, Yardley Blazing Gun, was a crowd favorite in last year's sale at \$10,500 to long time customers the Avilas of California.

Maternal brother to Lot 4, Yardley Blazing Gun.

Powerhouse dam of Lot 4.

Deep-bodied and feminine maternal sister featured in our 2016 Female Sale and selected by Griswold Cattle of Oklahoma.

We were heart broke when our '15 lot one bull, Game Plan, critically injured himself. Fortunately we had collected him prior to his accident and AI'd him to some of our best cows. Game On, is a result of this mating, and as you can see Game Plan didn't disappoint. He's got a moderate birth weight up front with great growth in a moderate made package.

• His nice uddered, productive dam produced '14 feature Bronze Beauty that was selected by great cattleman, Michael McKay, of Washington for \$7,250. Another maternal brother sold for \$7,000 to long-time friends and customers, the Snow brothers of Jensen, Utah.

Maternal sister to Lot 5.

Maternal brother to Lot 5.

If you want to talk about the best cow families at Yardley Cattle Company Red Stone's is surely near the top. Both his powerfully made, beautiful dam and grand dam were cornerstone donors in our program for several years. This is his dam, K114's last calf. She came up open this fall for the first time at sixteen years old. Weaning a 732# calf at that old is a true testament to longevity, productivity and functionality. These are real world cows that have stood the test of time raising stylish productive calves along the way.

• A maternal brother sold for \$9,750 to Dan Lunsford of WY, another for \$9,500 to Culver Cattle Company of CO. His dam's maternal brother was the first bull we ever had sell for \$10,000. Hetero polled.

Yardley Gib, a maternal brother to Lot 17.

Maternal Sister, Beauty Queen.

LOT 17

Check out the bone and build of this moderate made powerhouse. You'll love the amount of power he carries down through his lower quarter, his correctness and the way he ties it all together with substance and style. His impressive performance record is earned with a substantial female who continues to make lasting contributions to Yardley Genetics. With a WW ratio average of 106 on five head at 709# and a maternal sister who holds the current high record in the herd at 116 on four you'll be glad to know its not just pounds, but the entire package that makes these cattle so great.

• A maternal brother to Bases Loaded, Yardley Gib sold half interest for \$20,000 to Otis Rincker of IL. Another sold for \$7,500 to Johnny Lane of Bloomfield NM. \$16,000 feature Yardley Beauty Queen was out of his dam's maternal sister. She was selected by the Cox family of Traymahn Ranches in Oregon and went on to be crowned supreme champion female at the Oregon State Fair. Homo polled.

D452 has the same stout hip, big top and depth of body that has been stamped on his cookie cutter siblings. D452's stellar dam is one of the highlight herd matrons in production at Yardley Cattle Company. She's a beautifully uddered, sound structured female who always outbreeds herself—the true measure of greatness in a breeding piece.

• His outstanding dam produced a full brother to D452 that was the \$10,000 lot one bull in '14 that sold to our good friend from the oil fields of Texas, Jimmy Woodman. That same year his maternal sister, Yardley Bring It, was our \$16,000 high selling feature to renowned showman Brent White of Iowa. Quite the record for quite the cow; quality and consistency.

If you're looking for a strong topped, stylish red baldy check out this Chopper son. Chopper does an excellent job putting the look into his calves. He throws power and a top with the design demanded in all segments of the industry. We are continuing to appreciate his daughters, as they come into production. He has had several daughters sell for over \$20,000.

D270 is a long bodied, cool fronted bull out of a tremendous first calf heifer that did an excellent job giving him the groceries; he weaned off at 747#. His \$100,000 sire, SAV West River, threw our most consistent set of stylish, stout calves with light birth weights that hit the ground running and weaned off heavy.

SAV Pioneer is one of the heaviest used calving ease bulls in the breed. He combines phenotype, performance, carcass quality, scrotal size and great temperament, with breed-leading EPDs, and the sire of the record setting \$725,000 SAV Pedigree. Pioneer's legacy continues thanks to his outstanding daughters.

D371 is a soggy, square made tank, the kind to moderate a cow herd and add thickness and fleshing ability. His dam is a fancy fronted Hi Regard daughter that produced a \$20,000 crowd favorite as a first calf heifer selected by Greg Shawcroft of Lahara CO.

• G41 was a perfect built female that did not miss. Her udder quality was second to none and she was loaded with fleshing ability and femininity with a clean extended front. We had her until she was fifteen.

We are super excited to start the Angus offering with phenotypically flawless Yardley Intensity. He is without a doubt one of the best Angus bulls ever produced at Yardley Cattle Co. You will search long and hard to find this caliber of bull with the abundant muscle, huge hip, and exceptional style and squareness to the table with the added rib shape, extra extension, a square powerful hip, and added dimension in a moderate made superior footed package to bring your cow herd to the next level. We seriously considered keeping Intensity for our own use. We absolutely love, love, love this bull. We selected his donor quality dam directly from the heart of the Duff herd in Oklahoma. She is a stellar made, deep bodied, exceptionally uddered momma cow. SAV International was the \$400,000 record selling lot one bull in Schaff's 2013 sale! His fifth generation pathfinder dam sold for an astounding \$250,000 in '16 with \$1.7 million dollars in direct progeny sales. His sire group was the highest gainers of Schaff's '15 calf crop.

Proven Dam of Lot 66.

WEANING WEIGHTS ARE ADJUSTED TO 205 DAYS OF AGE. YEARLING WEIGHTS ARE ADJUSTED TO 365 DAYS OF AGE.

High performing maternal brother to Lot 67 selected by Mike Stafford of Oregon.

World Wide is a scale mashing performance bull fully loaded with the depth, dimension and performance to excel in all traits of economic importance. He had the best performance record of any Angus bull on the ranch with a 765# WW and a 1479# YW, real world numbers that astound with a 110 WW ratio and a 117 YW ratio. He is also one of the longest bodied bulls on the ranch with one of the best sets of carcass data.

- His superior dam is one of the prettiest, easy keeping, best uddered females in production at the ranch. She produced herd sire Yardley Beaver Canyon and a \$9,000 sale favorite purchased by long time customer Mike Stafford from the great state of Oregon.
- SAV International was the \$400,000 record selling lot one bull in Schaff's 2013 sale. He produced some of our favorite, most consistent, and heaviest gaining Angus calves this year.

Royal Product is an exceptional stand out style bull with top of the line performance in a profound package. He brings all of the cards to the table with real world numbers to excel in all facets of the industry with an impressive 773# WW, a WW ratio of 113, a YW of 1373 and a YW ratio of 109 you'll be impressed with his exceptional depth, muscle shape, big top, and stout rump built on a problem free structure.

• His beautiful dam was one of our favorite Final Product daughters. She records an incredible 723# WW average on four calves. His maternal grand dam is one the best daughters of, \$325,000 Duff New Edition, on the ranch and raised a \$12,000 bull calf. She is a direct daughter of cornerstone herd matron, C72 who has played as pivotal of a role in our Angus herd as any individual to date.

Sale highlight out of a maternal sister..

Beautiful Duff New Edition Grand dam.

Husky is a real tank; he's a brick house with as much mass, middle and muscle as you could pack into a moderate package. He's got a topline you could about fit a circus tent on. His dam was a first calf heifer and died before he was weaned; he still weaned off at an outstanding 767#, with only a 75# birth weight. If you like easy keeping cattle that are deep, thick, and low to the ground then Husky is a bull to circle and put a star around. Baldrige Download is a popular, surefire calving ease bull with Genex. Download's unique combination of CED, MARB, and \$B is unmatched in the Angus database.

Popular sire of Lot 70, Baldrige Download Z13.

Yardley Intern's pedigree is stacked with maternally based powerhouses who have had dominating influences and played pivotal roles in forwarding our genetics. They are loaded with depth, as big ribbed as you can make them, have excellent udders and exceptional fleshing ability in perfectly sound packages.

- His maternal line traces back to C72, probably the most influential Angus herd matron on the ranch. You'll love this power packed bull with all the credentials to get the job done right and a stellar pedigree to back him.
- His Dam is one of the deepest bodied cows on the ranch. We are currently flushing her maternal sister.

Yardley Cover Girl, a 2015 eye-catching show heifer and maternal sister to Lot 72.

D367 is a big growth high indexing bull sired by Angus icon, SAV Harvester. D367 has many of the same traits and characteristics that have made his stellar sire so popular; he's stamped with breed character and built right from the ground up-ideal in his structure, with length, depth, width and dimension in a muscle packed package. His notable dam is a Duff Basic Instinct daughter; she's feminine, broody, and angular.

Maternal brother to Lot 79.

Here's one of the most stylish standout studs in the pen. He's loaded with real world thickness, an extra long body, smooth shoulder, stout hip, level tail head, exceptional lower quarter, and perfect legs with smooth joints and an ideal leg set. He has tremendous growth potential skyrocketing from a 79# BW to a 1,342 YW with an impressive test gain of 4.11.

• A powerful maternal brother was a \$6,500 crowd pleaser selected by longtime customers and friends Dale and Boyd Snow from out in the Uinta Basin.

Maternal brother to Lot 80.

Download is a fancy fronted, cool sided, soft made bull. He's out of one of my favorite first calf heifers on the ranch. She's a doll with extreme depth and spring of Rib, a beautiful, well designed udder with teeny teats. She did an exceptional job with Download, her first calf, bringing him home with a 761# WW.

• Download's maternal grand dam was one of my favorite females on the ranch, an ideally designed OCC Doctor daughter that always stayed fat.

• Baldrige Download was the lead-off and top carcass Waylon son in the 2013 Baldrige Bros. Bull Sale in NE. He's a soggy, high performance, functional, sound, easy-fleshing stud in a gentle package.

Maternal brother to the dam of Lot 81.

If you are looking for a bull to moderate some harder doing, bigger framed cows with bloodlines heavily influenced by OCC genetics D330 should do the trick. He has intense depth to make the easy keeping kind of offspring and replacement heifer.

- His dam records a WW ratio of 106 on five calves.
- His sire, \$325,000 Duff New Edition has produced some of our finest, mouth-watering females. They are moderate made, easy keeping, beautiful uddered brood cows with extra style and shape.

Here's a real nice heifer type bull. He's got a smooth shoulder and a light weight 70# BW. His dam only had a 70# BW herself. Bush's Unbelievable is an incredibly designed calving ease prospect that owns unique neck extension, unquestioned structural soundness, extra special belly depth, and super muscle shape for an Angus bull. Unbelievable is sired by the wildly popular Bismarck, yet offers extra depth and hair, no doubt due to his maternally stacked pedigree which consists of a double shot of legendary Flashback laced with VRD and TC Dividend. He was the '13 high seller in Bush's sale and sold for \$62,500.

D461 is a light birth weight bull that comes from a cow family known for making light birth weight animals. His young dam records a 73# average on two head. As a first calf heifer she raised a \$7,750 stylish bull calf purchased by Reyes Carballo of Parowan. His long-lived maternal grand dam records a 79# average on eleven calves; a testament to her longevity, productivity, and calving ease status.
• SAV Synergy is a stylish, powerhouse and our \$30,000 pick of the '15 SAV sale.

Keep Dreamin' is a real standout in the pen. He's a big, stout beef bull; wide and deep with fluid movement and a big track that he nails every time. His admirable 1340# YW earned him a 113 YW ratio.

• His productive grand dam has four daughters retained in production.

To The Point is an all business bull that will add pounds, performance, and profit to your cow herd. His personal traits coupled with his outstanding credentialed pedigree make him a bull worth seeking out. He over doubled in weight from his 679# WW to his 1382# YW with a test gain of 4.41, the second highest in the pen.

• His performance packed, stellar dam has produced six calves that have averaged 730# WWs including '14, \$20,000 sale topper, Yardley Overhaul, purchased by Wheatland Cattle Company of SK Canada. She has had a total sales of \$43,250 on four calves.

• His maternal grand dam records an admirable WW ratio of 109 on eleven calves

\$20,000 Maternal brother to Lot 121.

Dollars n Dimes makes a lot of sense when it comes to economics and profitability. He started light with a 79# BW and accelerated to an inspiring 684# WW and kept right on track with a 1300# YW.

• His dam is a broody made idealistic cow that excels in real world depth and capacity. Her maternal brother was the number two bull in last year's offering, selling for \$12,500.

"I'D RATHER BE DEAD THAN TO LOSE MY LIBERTY. I HAVE NO FEAR WE'LL EVER LOSE IT BECAUSE OF INVASION FROM THE OUTSIDE. BUT I DO HAVE FEAR THAT IT MAY SLIP AWAY FROM US BECAUSE OF OUR OWN INDIFFERENCE, OUR OWN NEGLIGENCE, AS CITIZENS OF THIS LAND."

D282 is a blaze faced brawny bull bustling in muscle with ideal shape and dimension that exemplifies the squareness of hip that have made Real Steel such an asset. His dam was one of my favorite first calf heifers last year, and one of the most voluminous, big-bellied easy keeping females on the ranch.

D341's maternal grand dam is one of the most dominant, powerful cows on the ranch. She has effectively raised twelve elite individuals that have averaged 683#. Several of these have been sale highlights and crowd favorites including an \$8,250 herd sire extraordinaire selected by Jim Frost of Moses Lake Washington and a \$6,000 son selected by Fred Thurston Morgan UT. A handsome maternal brother to D341 sold for \$7,000 to Lance Moore of Ely NV.

Game Plan was our '15 lead off lot one bull that tragically injured his shoulder and we were unable to sell. We did feel fortunate that we had him collected, he has not disappointed. His calves are long bodied, big topped, wide butted and wide based. D411 really went full throttle on feed, surpassing his weaning weight by almost double for one of the best TGs in the pen of 4.06#.

D396 is one of the gentlest, puppy dog disposition bulls in the offering. He really put the peddle to the metal from birth to weaning with a modest birth weight of 75# to a bold 696# WW, which is reflective of his power driven dam's 723# average on five calves including a \$7,500 eye catcher, purchased by Lanny Putnam of Woodruff. His long-lived grand dam efficiently raised fourteen calves!

D334's maternal grand is one of the prettiest blaze faced donor matrons I have encountered. She is the mother of herd sire Ensign. We have retained every daughter she has had in production, and they are some of our favorites.

MAINE ANJOU HERD SIRE

Big Step brings the necessary characteristics to not only change your herd but to change the entire Maine Anjou breed. He has a massive hip, huge top, exceptional bone and foot structure, and exceptional depth and spring of rib. He is flat-jointed and moves out with the prowess of a cat, has a giant set of testicles and an exceptionally quiet personality. Big Step's power and performance are equally impressive. 777#WW to 1,507#YW, the second highest yearling weight on our ranch in 2015. The first four Maine Anjou bulls to sell in this year's sale are sired by Big Step. They are all big bodied, performance packed bulls with real world growth. Big Step is owned with Doug Roxburgh of Dun-Rite Stock and Stables from Alberta Canada. They report exceptional growth, dimension, and eye appeal in their first calf crop.

Specialty is the bull to change a breed. It's rare to find a purebred Maine Anjou with this much to him. He's got the look so sought after: a big hip, massive top, extraordinary depth, a super cool front, and killer hair coupled with perfect leg and hoof structure and top of the line performance. He is the top Maine bull in our sale both in terms of phenotype and performance.

- His dam was my dad's pick of her calf crop; her dam and maternal grand dam have both played integral parts in our donor program in striving to move our Maine Anjou genetics to the next level. He's out cross genetics and the cumulative result of a lifetime spent striving to raise the best Maine Anjous in America.

- His dam's maternal brother was our '16 high selling Maine, \$16,000 Yardley Captain, selected by good friend Steve Welling of Fielding, UT.

\$16,000 high-selling maternal brother to the dam of Lot 174.

Maternal brother to the dam of Specialty

Magic Money has a balanced look of softness, style, and masculinity. He combines the best of three breeds with the look, style, and hair of a fancy Maine, the powerful hip, bone and structure of a nice Simmy and the bold rib and profile of a nice angus cow. I 80 has thrown some stylish offspring for us and I've seen others across the country too. Here's what Bullbarn.com has to say about I-80 "You could search the country over and over and still never find a high percentage Maine bull with as much hair and power as I-80. Derived from show ring dominating Maine genetics, I-80 will sire cattle that will thrive in a wide variety of situations. Whether you are breeding for Maine show heifers or competitive steeds, I-80 is the bull for the job." -Bullbarn.com

Dam of Lot 179

Daddy's Money- Grand Champion Maine Bull at the 2013 American Royal and 2013 NAILE and sire of Lots 178-179, and 181.

We saw Slugger in Denver a couple of year's ago being exhibited by the Benes brothers at Gateway Genetics and were really impressed by him. He has a lot more rib shape and substance than most Maines you'll encounter and sired some of our best Maines this year.

Maternal sister to lot 180.

Donor Dam of lot 182

D511 is a real growth bull. He started out light and really hit the ground running. Check out his accelerated growth from of mere 75# BW to an impressive 755# WW and 1,309# YW. His maternal line traces back to P128, a Draft Pick daughter and one of my very favorite Maines of all time out of a great, belly dragging donor cow by Krugerand 490.

You'll love the show-stopping look of this young blaze faced bell ringer. He's got the look of a true champion and is sure to infuse this into his stylish, purple ribbon type calves, all of this with a 75# BW! His phenotypically flawless dam was a featured donor selling for \$8,600 to Griswold Cattle Company. Her depth of body and sheer volume stands unmatched with exceptional width and a powerful hind quarter all built on a solid set of wheels with fluid motion. D516's maternal sister highlighted our '15 sale at \$8,000. His dam's maternal brother, Blazing Gun, was a \$10,500 sale leader in last year's sale. Her maternal brother is featured in this years lead off group as Yardley Step Ahead.

Dam of Lot 189.

Grandam of Lot 189

Yardley Blazing Gun, maternal brother to the dam of Lot 189.

YARDLEY Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

YARDLEY HIGH REGARD W242

POLLED PB SM BD3/20/2009 ASA 2522822

SIRE: Yardley Impressive T371

DAM: Miss Yardley T68 by Pinion

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning Families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$100,000. Another daughter was just crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring and we know will work in the pasture. As a complete outcross to Dream On he is the go to sire for functional, consistent quality.

POLLEDPB SM BD10/16/2014 2983443

SIRE: HTP/SVF Duracell T52 by Dream On

DAM: Built Right X 3C Macho by Meyer 734

We went to the National Western Stock Show in Denver and wanted to buy the high % Simmental we liked the best. We looked at all of them there. There are so many bulls of all breeds that have bad feet and a lot of people aren't paying attention to it. Their hooves are either too small or many of them have outside back toes that curl under or else they toe out on front. We have tried to watch this very closely because our cows have to walk and trail the year around as many of yours do. We finally found one at the last minute. He looked good every place you looked at him with no holes in him and the best feet we had seen on any bull in the show. We had to catch a plane to go home and I gave them a check for \$25,000 for him about 3 or 4 minutes before he was to show and left for the airport. HE WAS PICKED GRAND CHAMPION SIMMENTAL OF THE SHOW. Jeannie and John were there to see him and get in the picture. Jeannie called us and I was the most excited I had been for 10 years. You can't help but love him because he has perfect confirmation and is just the right size.

YARDLEY TOP NOTCH C371

POLLEDPB SM BD3/8/2015 3080653

SIRE:Sandeen Upper Class 2386

DAM:HSF Victoria P30 by Nichols Blk Destiny

Top Notch is the exciting result of the \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$350,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Sandeen Upper Class was valued at \$55,000 for half interest, and comes from a cow family that is second to none. His dam, breed legacy, Donna 7386 commanded an impressive \$140,000 selling to astute cattleman Nick Sloup of Nebraska. His powerhouse maternal grand dam brought an astounding \$100,000. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer.

YARDLEY NORTH FORCE C302

POLLED3/4 SM 3/16 AN BD2/23/2015 3074934

SIRE:Kappes Northern Octane

DAM:GCC Steel Force 199X

North Force is the pinnacle of perfection in terms of power, performance and phenotype. His width, depth, and overall mass is unsurpassed by any bull on the ranch which is reflected in his real world numbers. He is the result of a mating of two of the elite individuals in the Simmental breed. His donor dam is a beautiful long-bodied, deep-sided female with a perfect udder and flawless structure who has proven to be our most productive purchase from Griswolds in terms of dollars and pounds. As a first calf heifer she weaned a 737# bull calf that went on to sell for \$6,500. Her first heifer to sell, Yardley Blitz was a crowd favorite selected by Brent White of Iowa for \$16,500. C302's \$25,000 sire, Northern Octane, is out of Kappes's leading donor female, Kappes Sadie T635. We Al'd several of our elite females to Northern Octane in hopes of getting a herd sire. We were not disappointed at weaning when his eleven calves averaged 733#. Northern Light led the pack at 828#. Here is a bull that has all the right parts in all the right places, and one that is certain to increase weaning weight and improve quality!

YARDLEY SUMMIT C351

NAANGUS

BD03/07/15

18372546

SIRE:Sinclair Mountain Pass

DAM:Miss Yardley Y179 by TC Freedom 104

Yardley Summit is the result of a life time of breeding the best to the best. The University of Wyoming judging team just visited our ranch at Christmas time. They were amazed by the amount of width, depth, bone and style of this purebred wonder. Caleb Boardman, their coach, commented he was one of the best Angus bulls he had encountered. His dam is one of the prettiest made, stylish females—the kind you could build a whole herd around. She produced \$5,750 feature Cashmere that sold to Rick Dunson of Ohio, and is a maternal sister to Yardley Cover Girl, selected by our good friend Kasey Rowser of Wellsville Utah for \$4,500. I've seen as many bulls as anyone in the country including all those high priced ones at Schaffs in North Dakota that last year averaged \$18,000 on 500 head. The top seller sold for \$750,000. I like Summit as good as any of them or any other Angus bull I have ever seen. He is perfect every place you look at him and has the performance to go with it. Let Yardley Summit help take your herd quality to new heights.

Royal Jet is the type of bull that defines where we are taking our program. Soft made cattle that carry performance, thickness, fleshing ability and style. OCC Jet Stream is now deceased, he stands as one of Ohlde's greatest herd sires. Look at the performance this bull carries coupled with a perfect phenotype. This is as good as Angus bull as you will find anywhere. We have used him to clean up our Angus heifers, cows, and crossed him up on Simmentals and Maines. The results are the same: sound made, functional cattle with eye appeal and performance. He sired the \$18,000 Yardley Cornerstone from last year's sale and a full brother selling this year. Royal Jet is the type of bull that will add belly, rib, and do-ability without taking pounds away from your bottom line.

PEARL IS A BEAUTIFUL, PERFECT BUILT BUCKSKIN FILLY WITH STRAIGHT PITZER BREEDING. I THINK PITZERS HAVE THE BEST HERD OF QUARTER HORSES IN AMERICA. THEY HAVE COW-SENSE, GENTLE DISPOSITIONS, GOOD HEADS, AND BIG HIPs. HER MOTHER IS AS PRETTY AS YOU WILL FIND AND SHE IS A GRAND DAUGHTER OF THE \$195,000 ROOSTER, (GALLO DEL CIELO), ONE OF THE GREAT USING HORSES OF AMERICA. THIS MARE IS GOING TO MAKE SOME ONE A GREAT USING HORSE!

BEAUTY IS A BEAUTIFUL BUILT, POWERFUL HIPPED, KEEN HEADED MARE WITH A QUICK, SMOOTH TROT AND A CUTE SET OF HIND SOCKS. SHE STANDS ABOUT 14H 2". SHE CAUGHT MY EYE IN ZIMMERMAN'S DISPERSAL SALE IN 2015. SHE HAD BEEN RODE SOME WHEN SHE WAS YOUNGER AND WE'VE BEEN RIDING HER SINCE THAT TIME. SHE HAS A SWEET DISPOSITION, REALLY WATCHES A COW GOOD, NECK REINS, AND WORKS THE GATES NICELY. WE HAVE USED HER AROUND THE FEEDLOT AND ON THE MOUNTAIN TOO AND GOTTEN ALONG WELL WITH HER. SHE'S A NICE, WELL BALANCED ALL AROUND RANCH HORSE WITH A NICE PEDIGREE, CONFORMATION AND CHROME.
