

# YARDLEY *Cattle Company*

*Focus* ON THE  
FEMALE

Saturday, 18th of November 2017

1:00 PM (MST) at the ranch in beautiful Beaver, Utah

# Welcome

Dear Friends, Fellow Cattlemen, and Valued Customers:

**Welcome** to our 40th annual bred cow and heifer Sale. From the beautiful mountains of Southern Utah our family sends greetings to all of you. These years go by so fast that it is hard to believe that it is once again sale time.

We have something for everyone in this sale and the quality is as good as you will find any place in America. Our cattle have worked for thousands of other buyers and **THEY WILL WORK FOR YOU!** Last year we had cattle go to 21 states from Pennsylvania to California, Texas to North Dakota. Our cattle are backed by many generations of highly productive cow families **THAT HAVE STOOD THE TEST OF TIME.** Our objective is the production of cattle that have a lasting economic significance and make a profit for our customers. **THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST WE HAVE THEM IN VOLUME.**

I am 84 years old and have spent my life raising a wonderful and loving family and breeding and selecting cattle for **PERFORMANCE, MATERNAL TRAITS AND EYE APPEALING GOOD LOOKS** that you always enjoy seeing and will top the market. Fifty years of **AI'ing** and using the best bulls we can find or raise has produced one of America's greatest cow herds.

It is the mother cow that is the most important part of any operation. **NO MACHINE CAN BEGIN TO COMPETE IN EFFICIENCY OR THE COST OF OPERATION WITH A GRAZING COW.** Our cows are run on a grass and forage based range the year around. They calve unassisted on desert winter range and summer in the high mountains. **Fleshing ability is a function of body type and not an EPD or any other number.** Our cows are deep bodied, thick, square butted, big

topped, heavy muscled, gentle, fertile and structurally correct. These traits can best be analyzed by visual appraisal from the eyes of a stockman and assessed along with performance data. We analyze EPD's but the main selection tool we have always used is individual performance, birth weights, weaning weights, yearling weights plus eye appealing good looks and structurally correct conformation.

**THIS IS A FAMILY OPERATION.** I am very grateful for the love, hard work, help and interest of my wonderful wife and family.

We are also very grateful for the hard work and dedication of our wonderful workers, Josue Garcia, Jose Guzman, and James Jeffs. They have been with us for many years, know how to do things right, and put in many long hours.

We'd like to extend our gratitude to all our customers and friends. We really appreciate your friendship and business. We are grateful for your confidence in our cattle, our program and family.

We look forward to seeing you at the sale and talking with you on the phone. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely,

Yours for a better cattle business,

*The Gib Yardley Family*

### TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

### TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head. Last year we sent a semi load to Zanesville, OH for \$150 a head. **This guaranteed delivery price does not apply to cattle that have not been paid for within two weeks of the sale date.**

### ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

Days Inn .....435-438-7800

North Interchange \$29

Butch Cassidy Inn.....435-438-2438

Downtown limited trailer parking \$65

Quality Inn.....435-438-5426

South Interchange \$55

Comfort Inn.....435-438-6283

South Interchange \$79

### RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go West on Center 1 & 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed North and West across the field to our sale barn. You will pass our house 1/4 mile North of the highway, but continue one more mile to the barn.

**UPON Leaving Hwy 21, traveling North on the gravel road, except for our house and lot, the horses, cattle and land do not belong to us until you cross the cattle guard just below our sale barn.**

## TERMS & CONDITIONS

**TERMS:** No cattle will leave sale yards until full settlement has been made immediately after the sale. Payment terms are cash or a good check. All "returned" or insufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed.

**BIDDING:** All animals will sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

**RISK:** All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

**ANNOUNCEMENTS:** Announcements from the auction block will take precedence over any printed matter.

**BREEDING DATES:** Heifers will start calving February 1st and cows February 20th. Most of the cows will calve in March with some April and a few into May. This year Dr. Ira Mickelson ultrasounded all cattle to determine estimated calving date. This will improve the accuracy of the calving date, however, **we cannot guarantee they will calve on this date.**

**HEALTH:** Every animal in this sale, to the best of our knowledge, is healthy and eligible for interstate shipment. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way leptospirosis and trichomoniasis. The heifer calves have been fully vaccinated and boosted. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots, three weeks apart before they calve. All Cattle have had Dectomax, and given OneShot Ultra 8. Calves have had two shots Bova Shield Gold and OneShot Ultra 8

**BREEDING GUARANTEE:** All females sold under the conditions "safe in calf" have been pregnancy checked, via ultrasound, by a licensed veterinarian and sell with no further guarantee. No guarantee is given that bred females will deliver a live calf.

All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if 1) a female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred and 2) if she is flushed at any time in the first year after the date of the sale 3) or if she is in poor body condition. These three exemptions do not apply if the female is examined by our vet to have an underdeveloped reproductive tract that would have

been present at the time she was sold. Infections or other enlargement do not constitute "undeveloped."

100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses occurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at time of sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value.

**AI CERTIFICATE:** The purchase of A.I. certificates is the responsibility of the buyer, as well as, the registration of all calves born after sale day.

**REGISTRATION CERTIFICATES:** Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. Leave the name and address to which you would like purchases transferred on your sales slip.

**CONTRACT:** The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by these Terms and Conditions.

**TRUCKING:** All trucking, pricing and trucking fees are the responsibility of the buyer, but we will help you all we can with coordinating loads.

**LIABILITIES:** Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. We try to keep the most accurate records possible and have bull tight fences, but once on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it. The owners and employees of Yardley Cattle Co. assume no liability, legal or otherwise in the event of an accident, bodily injury, theft, error or omissions in catalogs or parentage verification.

Cattle are kept in their own individual breeding groups until the first to mid July. Due to size and layout of the Forest permit it is necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

## VIEW THE AUCTION LIVE

Bid online...you're ringside right at your own desk!

# DVAuction

Visit our website...

[www.DVAuction.com](http://www.DVAuction.com)

For more information contact DV Auction at **402-316-5460**.

Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

## ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale.

### 1-Work with one of us to fill your order...

Due to the size of the offering it is impossible to picture every cow. There are many quality females that may not be highlighted that will fit your program. Feel free to call anytime PRIOR to the sale. Sale days are crazy!! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney: 801-824-8851.

### 2-Bidding via DVAuctions....

Bid via [www.DVAuction.com](http://www.DVAuction.com). For more information contact DV Auction at 402-316-5460.

### 3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....	(435) 310-1725
Rodney Teichert.....	(801)-824-8851
Jeannie.....	(435) 421-1200
Emily.....	(435) 310-0038
Angela.....	(435) 310-1147
John Griswold.....	(405) 780-3300

### PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, November, 21st prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation

## PICTURED COWS!

**There are a lot of cows that are not pictured that are just as beautiful and productive as those pictured. We simply ran out of time!**

We take great pride in our "clean up" bulls, we call them our herd bulls. Many of them come from top herds across the Nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we only use the best. OUR BULLS IN THE PASTURE ARE OF EQUAL OR HIGHER QUALITY AS THOSE IN THE TANK and we take pride in their genetic merit. Don't hesitate to buy a female that is pasture bred!

### CUSTOMER APPRECIATION

ANY BUYER WHO SPENDS OVER \$2500 WILL BE GIVEN FIVE UNITS OF TOP NOTCH SEMEN AT THEIR SHIPPING EXPENSE.

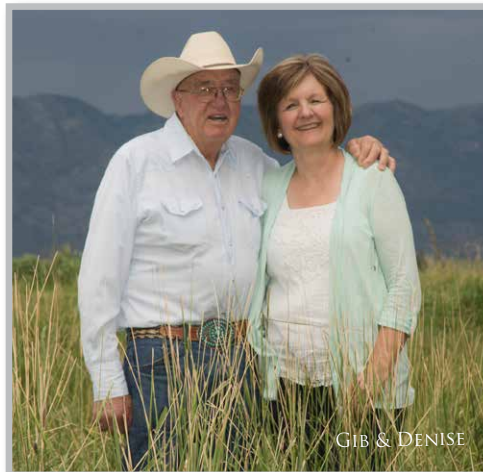

### STAY UNTIL THE END OF THE SALE!

ALL BUYERS WILL BE ENTERED INTO A DRAWING FOR CASH PRIZES. MUST BE PRESENT TO WIN! \$250 FIRST \$150 SECOND.

Enchantress's dominating look of excellence is magical. Her shear power, volume, length, depth and dimension extend from her excellent front, to her powerful hip and lower quarter. Her added rib and capacity will be appreciated by even the most novel showman. She'll catch your eye and win the judges heart. She comes by standout good looks honestly. Her functional, profitable, excellent uddered dam raised an \$8,750 powerhouse son and had a maternal brother sell for \$7,000. Let Enchantress cast a spell on you!

Complete in her function and form, sound as a cat, and pretty as a picture. Emerald is a treasure worthy of nobility. With her eye catching good looks, this blaze faced female will gain respect and adoration of astute cattlemen and showmen nationwide. She is so broody, feminine, functional and soft made that after a long and successful show career she will be a treasured donor in any program. Her perfect personality will make her a gem to show. Her sterling maternal pedigree traces its look of perfection back to elite donor female P153, who has sired show heifers, favorite replacements, and a \$16,000 sale highlight purchased by Bill Carsten of CO.

Don't let this fancy female slip by you sale day. Elusive has all of the defining characteristics of a Grand Champion show heifer. From her stout hip, to her extended front with depth sweeping from her fore rib to her flank and added capacity in the middle. Her perfection is built upon the shoulders of greatness. Her performance packed maternal grand dam, a cherished asset of our donor program, boasts the heaviest WW ratio of any aged matron on our ranch at 113 on ten calves that have averaged over 750#! Included in these highly coveted calves is an \$11,000 bull in '16 and a \$10,500 sale favorite in '15. Elusive is sure to carry on the family tradition in grand fashion. Recommended for an experienced showman.

Eclipse is something of a natural phenomenon. She has the look and design that won't leave you in the dark for long. You'll appreciate her amount of capacity, added length, huge hip, powerful lower quarter and exceptional bone in a surprisingly feminine package. You'll love her rich, true black color, perfect hair, fancy features and amazing eye appeal. Her rock solid, extremely complete dam caught our attention in Griswold's sale and Lori and Toby's since then. Her dam's maternal sister sold for \$10,000. Yardley Showdown, her sire, was our \$18,500 '12 high seller purchased by Griswolds.

Excitement is all her name implies and more, This stylish show heifer is as broody and bold as they come. Her beautifully smooth, sweeping design extends from her keen head, kind eye, and zipper tight neck, through her smooth shoulder, back to her incredibly deep broody belly and strong top through to her nice hip and ideal leg set. Her stellar first calf dam is the favorite daughter of her gorgeous and profitable maternal grand dam, a cornerstone and key asset of our donor program who has produced a \$20,000 and a \$16,000 feature bred heifers. We turned down \$16,000 for another daughter who went on to produce \$24,000 feature Doll Face, in last year's sale purchased by renowned showman Greg Kroupa of SD. Excitement is more than just a pretty package, she's a female to build a herd around.

B235 blends style, length of body, tremendous width and dimension with a pedigree stamped for performance, quality and profitability. She comes by her perfect udder, exceptional structure, and flawless design honestly. Her phenomenal donor dam, W172 has been one of the prettiest and profitable herd matrons in the Yardley herd producing \$20,000 and \$16,500 sale highlights in our '15 Focus On The Female Sale. Another full sister to A235 produced Yardley Doll Face, our '16 high selling feature show heifer purchased by Greg Kroupa of SD for \$24,000. A235's calf adjusted to 781# this year for an in herd WW ratio of 110 and is one of the best bull calves on our ranch. Productivity, performance, pedigree, phenotype, and profitability, she's got them all and she could be yours.

Beautiful donor dam of B235.

\$16,500 maternal sister to B235.

\$24,000 Yardley Doll face.

EXPECTED CALVING DATE 5/11/2018

When I think of outstanding Angus females A46 is one of the first to cross my mind. The depth, width, and hip this female displays coupled with her easy fleshing ability make her a true outlier. You'll appreciate the spring of rib and capacity she passes onto her offspring along with stout bone and a sound hoof. Her first calf, C466 caught many eyes and brought \$8,000 selling to Josh Curtis of Jensen, UT. This year she raised an exceptional heifer calf by SAV Renown that we added to the replacement pen. She is consistently producing low-birth weight calves that hit the ground running. Crossed on the up-and-coming, Yardley Top Notch, she ought to produce a home run kind of calf.

In her short career this performance packed, dominant individual has done a tremendous job. She hit the ground running weaning at a notable 782#. As a first calf heifer she weaned an impressive 708# that caught the attention of many a customer at our annual bull sale chosen by Cris Davis of Downey, ID. Her heavy milking dam averaged over 750# on her calves.

D12's maternal grand dam, N81, was one of our best donor Maines we have ever owned. She produced donor dam W42 that is the mother of \$14,000 Yardley Captain. D12's sire, Daddy's Money, is our favorite son of I-80. Griswolds sold a \$50,000 Daddy's Money daughter in their sale. Jones sold a \$68,000 heifer. She went on to stand as Reserve Champion in Denver. Plus there was one heifer for \$12,000 and two heifers at \$5,000. He's the money-making kind in a calving ease package! Daddy's Money knows what it feels like to feel the slap of the judge, as he was Champion in Kansas City and Louisville. He's stout, moderate, low birth weight, 3/4 Maine and even better, he's clean.

Trendsetting style and a winning pedigree, define D21. Her powerful bone and ideal leg set carry her forward with the distinction of a diva. She was selected as the leadoff Maine sale attraction for a reason, she knows it and when you study her, you will too. Her sire I-80, is the go to bull in the Maine world. Several of his offspring have sold for well over \$40,000. He sired the Reserve Champion Breeding Heifer, 2012 Missouri AGR, Champion Breeding Heifer, 2011 Heart of It All. Whether you are breeding for Maine show heifers or competitive steers, A21 will work exceptionally.

DON'T YOU QUIT. YOU  
KEEP WALKING. YOU KEEP  
TRYING. THERE IS HELP AND  
HAPPINESS AHEAD.

Yardley Catalina C241, a stylish heifer by Z150.

One of our families memory building experiences and enjoyment is moving our cattle from Asay Creek, 25 miles to high country where they summer at 9 to 10,000 feet elevation. There is no more beautiful country on earth. The grass is strong and it is a summer haven for our cattle and us. Our cattle graze year round on grass and browse ranges. We live in an area where we still embrace the heritage of the Old West. Our livestock culture still survives where the valley and sagebrush lie in the shadows of majestic mountains under endless sky....where the solitude is not loneliness but a refreshing peace from the modern world. Our natural beauty is preserved and enhanced by the practical stewardship of reputation cowboys and cowmen....whose lives are shaped by the dominant environment.

IN ALL OF LIVING, HAVE MUCH FUN AND  
 LAUGHTER. LIFE IS TO BE ENJOYED, NOT JUST  
 ENDURED.  
 -GORDON B. HINKLEY

*The eye of the master...*

*The hand of the breeder*

The offering we have in our sale represents a family involved effort. We aren't an operation financially backed by corporate money or wealth. We, like you, make our living off of our land and our cattle. We know what it is like to experience drought. We've all taken turns at two in the morning checking calving heifers. We personally know the joys and discomforts that come from this way of life. With the knowledge comes a love for our land, our cattle and you our customers. Our greatest joy comes from your success not only in the cattle industry but in your personal and public lives. For this year and every year to come Dad, we love you. All the work, all the miles, all the cattle, it has been and will always be for you. We are proud of our cattle, they represent a lifelong accomplishment to the greatest cattleman we know! -Jeannie Yardley Griswold

Our Dad has left a great legacy for all of his children to follow. He has made friends and is known in the cattle industry Nationwide for his honesty, integrity, and good cattle. He has always tried to treat our customers fair, breed top quality animals, and do the best he can at all of his work. We also have our pioneer heritage of faith and determination as fourth-generation ranchers. We want to do everything we can to help carry forward our Dad's great legacy and our exemplary pioneer heritage in the cattle we raise and in the lives we live. -Steven Yardley

X125 is loaded with performance. Her calves have weaned off averaging over 700# on five calves including an \$8,500 bull calf purchased by repeat customer Greg Shawcroft of Lahara, CO. Her powerful dam is one of my favorite old girls on the ranch and hails from a cow family of cornerstone herd matrons. She has averaged over 700# and ratioed at 109 on eleven calves. Her maternal grand dam was a grand old cow that was as massive muscled and powerful as any cow on the ranch that lived to be fourteen and always brought home a nice calf in the fall and stayed fat doing it.

\$11,000 maternal sister to lot 155

Sire: Y1 Impressive by Dinero x Power Surge

Dam: Miss Yardley T68 by Pinion

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning Families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$100,000. Another daughter was just crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring and we know will work in the pasture. As a complete outcross to Dream On he is the go to sire for functional, consistent quality.

## LOVERBOY

POLLED PB SIMMENTAL REG #2983443  
Sire: HTP/SVF Duracell by Dream On  
Dam: Built Right X 3C Macho by Meyer 734

We went to the National Western Stock Show in Denver and wanted to buy the high % Simmental we liked the best. We looked at all of them there. There are so many bulls of all breeds that have bad feet and a lot of people aren't paying attention to it. Their hooves are either too small or many of them have outside back toes that curl under or else they toe out on front. We have tried to watch this very closely because our cows have to walk and trail the year around as many of yours do. We finally found one at the last minute. He looked good every place you looked at him with no holes in him and the best feet we had seen on any bull in the show. We had to catch a plane to go home and I gave them a check for \$25,000 for him about 3 or 4 minutes before he was to show and left for the airport. HE WAS PICKED GRAND CHAMPION SIMMENTAL OF THE SHOW. Jeannie and John were there to see him and get in the picture. Jeannie called us and I was the most excited I had been for 10 years. You can't help but love him because he has perfect confirmation and is just the right size. HEIFER BULL SUPREME.

3/4 SIMMENTAL ASA # 2937803  
Sire: WC Lock Down 206Z  
Dam: WS Ms Upgrade Z15

This is one of the best purebred Simmental bulls I have ever seen. I am 82 years old and have seen as many bulls as anyone in the country. I am one of the fussiest bull buyers in America and a bull has to be about perfect for me to buy him. This fancy bull is so deep ribbed, square hiped, full of muscle and red meat. He is big topped, wide based, clean fronted, and clean sheathed. He is very sound on his feet and legs and carries himself well. He has a topnotch set of EPD's and is a HERD BULL SUPREME. Out of a 1st calf heifer, pictured above as a two year old, and the great WS Step Up X27. We paid \$52,000, he's one bull that was worth it! Owned with Walsh Simmental.

Mike McDonald, Canadian Semen rights

Mark Sneed

# YARDLEY Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

Top Notch is the exciting result of the \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$500,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Sandeen Upper Class was valued at \$55,000 for half interest, and comes from a cow family that is second to none. His dam, breed legacy, Donna 7386 commanded an impressive \$140,000 selling to astute cattleman Nick Sloup of Nebraska. His powerhouse maternal grand dam brought an astounding \$100,000. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer.

North Force is the pinnacle of perfection in terms of power, performance and phenotype. His width, depth, and overall mass is unsurpassed by any bull on the ranch which is reflected in his real world numbers. He is the result of a mating of two of the elite individuals in the Simmental breed. His donor dam is a beautiful long-bodied, deep-sided female with a perfect udder and flawless structure who has proven to be our most productive purchase from Griswolds in terms of dollars and pounds. As a first calf heifer she weaned a 737#. Her first heifer to sell, Yardley Blitz was a crowd favorite selected by Brent White of Iowa for \$16,500. C302's \$25,000 sire, Northern Octane, is out of Kappes's leading donor female, Kappes Sadie T635. We Al'd several of our elite females to Northern Octane in hopes of getting a herd sire. We were not disappointed at weaning when his eleven calves averaged 733#. North Force led the pack at 828#. Here is a bull that has all the right parts in all the right places, and one that is certain to increase weaning weight and improve quality!

W/C Banchor 46D has been fun to see in our pastures all summer. He is loaded with depth of body, thickness and muscle, excellent feet quality, good haired, and a blazed face to top it all off. He stayed sound and fat all summer while doing a great job of getting the cows bred. He has a nice slope to his shoulder and a disposition that can't be beat. He is sired by CCR Anchor 9071B, whose progeny have highlighted many sales over the last year. They have proven themselves as sound, functional, real world cattle that just work. His dam Miss Werning 46B is a daughter of the great 715T donor cow and has had multiple full sisters sell for over \$10,000. The maternal backing behind Banker gives us great confidence in the future of him and his offspring. Owned with Chad Ruda of Nebraska.

## YARDLEY PROFIT D283

ANGUS BD 2/11/2016 18679058

**SIRE: SAV Patron 4888**

**DAM: Miss Yardley Z67 by Yardley Doc Skipper**

Profit was our pick of the Angus from the 2016 calf crop. He is a true outlier with a low birth weight and a heavy weaning and yearling weight. His phenotype describes calving ease with his keen head, long extended front end, smooth shoulder, and extra long body. All that coupled with his personal performance and a strong maternal line makes Profit a recipe for success. His feminine dam, Miss Yardley Z67, is as long as a freight train, deep, perfect uddered, and good footed. She has always been a top-notch producer of quality and low birth weights. Crossed on SAV Patron gives us great confidence in Profit's ability to consistently sire low birth calves that perform well.

## YARDLEY ROYAL JET W251

ANGUS

BD02/16/09

AAA 16704437

**SIRE: OCC Jet Stream by Emblazon**

**DAM: Miss Yardley R192 by SC Stockman**

Royal Jet is the type of bull that defines where we are taking our program. Soft made cattle that carry performance, thickness, fleshing ability and style. OCC Jet Stream is now deceased, he stands as one of Ohlde's greatest herd sires. Look at the performance this bull carries coupled with a perfect phenotype. This is as good as Angus bull as you will find anyplace. We have used him to clean up our Angus heifers, cows, and crossed him up on Simmentals and Maines. The results are the same: sound made, functional cattle with eye appeal and performance. He sired the \$18,000 Yardley Cornerstone from last year's sale. Royal Jet is the type of bull that will add belly, rib, and do-ability without taking pounds away from your bottom line.

## SCHOOLEY CANYON 62C

POLLED 3/4 SM 1/4 AN

BD 3/5/2015

ASA 2988115

**SIRE: LLSF Pays To Believe**

**DAM: Schooley Miss by Meyer 734**

Schooley Canyon caught our eye when we saw him in Roman Schooley's pen in Denver. With show stopping good looks, ideal structure, in a stylish square made package we were highly impressed. His beautifully balanced half-blood dam is a beautifully balanced herd matron who is playing a pivotal role in Roman's donor program. She's out of the immortal Meyer 734 and a cornerstone OCC Emblazon daughter. Schooley's premier daughters exhibit the look of greatness and are sure to find their way to the top of shows across the nation. Three of his stunning daughters are features in this year's sale. A man from Texas who purchased some semen from us reported that his Schooley daughter is the best heifer he has ever had on his ranch.
