EPDS: CE: 6 BW: 3.0 WW: 51 YW: 77 MK: 23

PE: 5/29 Patron- due 6/22

I absolutely love this female. She is the epitome of what an Angus female should be; deep bodied and broody with a nice udder that gives abundant milk and stays fat doing it. She had one of the nicest calves on the ranch this fall that weaned off at 766# and ratioed at 109. She will be an excellent addition to any program.

PE: 9/1 Loverboy- due 7/25

This moderate made, easy fleshing female seems to always stay fat and do well. We love Billy the Kid daughters for this reason. Her calf by Loverboy should be a standout.

PE: 5/15 Catalyst- due 6/22

D52 is out of one of my favorite Rising Sun daughters on the ranch. She is extremely bold ribbed and deep chested. Two of her stand out bull calves have sold for \$4,500 and \$5,500 to two of our long time customers and friends Gerald Smithson of IA and the Snow brothers of Jensen UT. SAV International is the \$400,000 record setting bull of Schaff's 2013 sale.

The OCC Jet Fleck daughters have made a lasting, positive contribution to our herd as they are loaded with ample capacity, great milk, tight udders, ideal leg and foot structure exceptional hip, bone and muscling. A64's impressive Meyer 734 dam is an own daughter of Cornerstone herd matriarch and donor, H27. A64's three calves have ratioed 107. A64 is also the maternal grand dam of Lot 7, Yardley Elegance.
