## 45th Annual Bull Sale

Saturday, March 10, 2018. 1:00 MST

# Welcome

*Dear Friends, Fellow Cattlemen, and Valued Customers:*

Greetings from all of us to all of you from the beautiful mountains, valleys, and deserts of Southern Utah.

We have something for everyone in this sale and the **QUALITY** is as good as you will find anyplace in America. Our cattle have worked for thousands of other buyers and **THEY WILL WORK FOR YOU**. Our cattle are backed by many generations of highly productive cow families **THAT HAVE STOOD THE TEST OF TIME**. Our objective is the production of cattle that have lasting economic significance and make a profit for our customers. **THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST WE HAVE THEM IN VOLUME.**

I am almost 85 years old and have spent my life breeding and selecting these cattle for **PERFORMANCE, MATERNAL TRAITS AND EYE APEALING GOOD LOOKS** that you always enjoy seeing and that will top the market. Fifty years of A.I.ing and using the best bulls we can find or raise has produced one of Americas greatest cow herds.

Our friend Charlie Redd said, "The day you buy your bulls is your best chance to make your cattle more profitable. Find the bulls that will improve your herd." The bulls you use in your herd are what your herd becomes. In 3 generations, 88% of your herd is the genetics of the bulls you bought. Add the best bulls available to your herd....it is your future in the cattle business.

Look at the **QUALITY** of the bulls in this catalog and sale. Quality is the only trait you can never have too much of. You can't measure quality with a scale, a ruler or an EPD...it can only be measured by the eyes of a true stockman. Quality is the leading factor that determines the premiums that buyers will bid. Buyers measure quality based on the amount of thickness, length, depth and eye appeal they see in a set of cattle.

If your goal is to maximize the muscle, growth and visual quality of your next calf crop...then you can choose from 200 head of bulls that will sire thicker-butted, faster growing calves with added style and eye appeal. **DON'T SETTLE FOR LESS WHEN YOU CAN HAVE MORE!**

**THIS IS A FAMILY CATTLE RANCHING OPERATION.** Family traditions are part of the way of ranch life in the West and farm life in the East, fostering the passage of knowledge, honesty, integrity and hard work between the generations of those who take part in this unique and wonderful way of life. We are very grateful for the hard work of our family and our dedicated helpers, Josue Garcia, Jose Guzman and James Jeffs, who are so willing to get every job done right. I want to thank Steven and Rodney for their footnotes, clipping and picturing the bulls, and Jeannie for the advertising and Michelle for the records and data. They have all worked unceasingly around the clock to get this catalog out.

**WE LOOK FORWARD TO HEARING FROM YOU AND SEEING YOU AT THE SALE.** Call us if you have any questions or if we can help you in any way. We appreciate your friendship and interest in our cattle. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely yours for a better cattle business.

Advertising: Jeannie Yardley Griswold  
Ranch Staff: Josue Garcia, Jose Guzman,  
Steven Yardley, Rodney Teichert, James Jeffs  
Veterinarian: Dr. Evan Yardley, Beaver, UT  
PAP Test: Dr. Rusty Truman, Price, UT  
Brand Inspector: Thane Marshall  
Pay Clerk: Michelle Smith, Lori Hoffman, Emily Maxfield  
AI Technician: Zane Yardley  
Ultrasound: Chad Gordon, Fletcher, OK  
Internet: Dan Broz, NE  
Catalog Design and Video: Chris Petersen, Cedar City, UT  
Barbecue: Daren Oberg Family, Genola, UT

**TRANSPORTATION**

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service.

**TRUCKING & DELIVERY**

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 200 miles of your home anyplace in the United States for no more than \$300/head.

**ACCOMMODATIONS:**

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.  
Days Inn .....435-438-7800  
North Interchange \$29  
Butch Cassidy Inn.....435-438-2438  
Downtown limited trailer parking \$59  
Quality Inn.....435-438-5426  
South Interchange \$55  
Comfort Inn.....435-438-6283  
South Interchange \$71

**RANCH AND SALE LOCATION**

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON LEAVING HWY 21, TRAVELING NORTH ON THE GRAVEL ROAD, EXCEPT FOR OUR HOUSE AND LOT, THE HORSES, CATTLE AND LAND DO NOT BELONG TO US UNTIL YOU CROSS THE CATTLE GUARD JUST BELOW OUR SALE BARN.

**BARBECUE AND ENTERTAINMENT**

We will have a barbecue dinner and live music in the sale barn starting at 11:00. Barbecue will be prepared by the Daren Oberg Family and Music will be provided by Country Singer/Songwriter Chris Petersen.

**STAY TILL THE END OF THE SALE**

Department stores don't put all the good stuff at the front door, do they? Great bulls will come into the ring all day long, AND IF YOU DON'T STAY UNTIL THE END YOU MIGHT MISS THE BEST DEALS OF ALL! WE WILL HAVE A DRAWING AT THE END OF THE SALE. All numbers will be put in a hat. Your must be present to win. THE WINNING NUMBERS WILL RECEIVE A CHECK FOR \$300, THE 2ND PLACE WILL RECEIVE \$200 AND 3RD PLACE WILL RECEIVE \$100.

## TERMS & CONDITIONS

**TERMS:** Terms of this sale are cash, or a good check, unless arrangements are made prior to the sale. Settlement to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared.

**BIDDING:** All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

**RISK:** All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

**HEALTH:** Every bull in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. All bulls were Dectomax treated. They have been vaccinated twice for IBR, P13, BVD, BRSV, 8-way Blackleg, One Shot Pasturella, and Enforce.

**ANNOUNCEMENTS:** Announcements from the auction block will take precedence over any printed matter, and any other announcements.

**TRUCKING:** All trucking is the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We can only get these bulls delivered to central points.

**GUARANTEE:** Every bull has been tested for Tric and semen evaluated by a licensed veterinarian. We will guarantee the bulls selling in this sale to be fertile at the time of sale. Several of the bulls in this sale are of "Herd Sire" quality. If the buyer chooses to have semen collected on a bull, Yardley Cattle Company can not guarantee that the semen will freeze. **KEEPING BULLS TILL MAY 15TH:** We can do this but encourage you to insure them as the risk is the responsibility of the buyer. \$3.00 per head per day will be charged until the bulls are picked up.

**LIABILITIES:** Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. The owners and employees of Yardley Cattle Company assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

**REGISTRATIONS:** REGISTRATION PAPERS WILL ONLY BE FURNISHED IF REQUESTED AT THE TIME OF SETTLEMENT AT THE CONCLUSION OF THE SALE OR WITHIN 3 WEEKS. If requested later, buyer must pay additional registration fees. Leave the name and address to which you would like your bulls transferred on your sale slip when you settle up. Please print so that it is legible.

**CONTRACT:** The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. necessary to mix breeding groups at that time. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30.

## ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale. Bids will be handled with the strictest of confidentiality.

### 1-Work with one of us to fill your order.

Due to the size of the offering it is impossible to picture every bull. There are many quality bulls that may not be highlighted that will fit your program. Feel free to call anytime prior to the sale. Sale days are crazy! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney 801-824-8851

### 2-Bidding via DVAuctions.

Bid via [www.DVAuction.com](http://www.DVAuction.com). For more information contact DV Auction at 402-316-5460.

### 3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....(435) 310-1725  
Rodney Teichert.....(801) 824-8851  
Jeannie Y. Griswold.....(435) 421-1200  
John Griswold.....(405) 780-3300  
Angela Y. Barton.....(435) 310-1147  
Emily Y. Maxfield.....(435)310-0038  
**PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.**

If you would like to register as an absentee bidder please call 435-421-1200. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, March 12th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

## THESE BULLS WILL SELL IN EVERYONES PRICE RANGE.

We cull bulls from branding up until the sale for structural soundness, quality, breeding soundness, and temperament. Not every bull is destined to sire calves. **AS SEEDSTOCK PRODUCERS WE TAKE THE RESPONSIBILITY TO MARKET QUALITY BULLS SERIOUS.** We realize that your success depends upon our breeding program and we strive to have quality from the first lot sold to the last bull to walk through the sale ring.

### FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3000 or more will be covered 50% by Yardley Cattle Company if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. 50% of the value of the injured bull will be given as credit in a future sale or toward a replacement bull if one is available. **ALL INJURED BULLS MUST BE DIAGNOSED BY A VETERINARIAN AND WE MUST RECEIVE THIS AND A LETTER FROM YOU IN WRITING.** Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage. If at all possible we would like the injured bull to be returned to us. **ALL CLAIMS MUST BE MADE BY OCTOBER 1st.** We will not replace a dead animal for any reason.

### RETAINING 1/3 SEMEN INTEREST ON ALL BULLS!

**SEMEN INTEREST:** We are retaining at least 1/3 semen interest in all bulls selling. The new owners of the bulls will have full possession and all salvage value. If semen is sold we would retain one-third of all revenue. There will never be more than 2 or 3 bulls a year that we will want to collect.

To whom it may concern:

Traveling the country over the past 15 years Ultra sounding Cattle I have seen many types and breeds of cattle that vary greatly in carcass traits and phenotypic quality. Gib Yardley contacted in the Fall about coming to Beaver, Utah and ultrasounding their yearling bulls. I was truly amazed with the amount of muscle and marbling the Yardley bulls possess in a very sound functional package. It has always been a pleasure to evaluate cattle of different breeds and what each of them offer to the Beef industry. On March 10, Bull buyers from across the United States will have the opportunity to purchase genetics from Yardley Cattle Co, a breeding program that has stood the test of time and continues to excel in carcass quality and maternal traits. Whether you are a Purebred Seedstock Producer or a Commercial Rancher retaining ownership of your calves through finishing Yardley Genetics will work for you. It has been proven that 1 square inch of Ribeye Area per hundred pounds of body weight on a Yearling Bull is average, as you evaluate the offering you will see that the Yardley Bulls will certainly exceed that while having high adjusted %IMF Values. A 4% IMF score is equated to a low Choice Quality Grade on fed cattle, Bulls will generally sire fed calves that are 1% higher than their own %IMF adjusted value. Translation as you see many Bulls in the sale with %IMF values of 4% or greater they will transmit these high IMF values to their offspring while increasing Ribeye size lowering numerical Yield Grades. It is always my pleasure to travel to Utah and ultra sound bulls of superior structural soundness, quiet disposition, and work with a Great Family. As you evaluate the bulls and make your purchases, buy with confidence, you are not only buying great bulls you are buying into a program and the Yardley's will stand behind what they sell.

Thanks,  
*Chad Gordon*

### PLEASE BRAND YOUR CATTLE WHEN YOU GET HOME!

Our bulls are not pampered and are not overly fat. They are developed on high roughage rations for comparison only and not for maximum gain. You will not be paying for over fleshing that will melt away as the breeding season progresses. By not force feeding these bulls, you can be assured they will be sound, athletic, and ready to service cows. They are grown in big lots where they get lots of exercise, so they can take the toughest ranges. These bulls are grown mostly on hay with a 50/50 alfalfa grass mix with less than 1% of their body weight in grain.

We have always concentrated on producing a functional, balanced, all purpose beef animal. One that is thick and moderate framed, not too big or too small, and that has a natural fleshing ability. If a cow has feed, I expect her to stay fat while raising a 700 lb. calf without creep. We believe in a balance between performance, eye appeal, and maternal traits. Above all, we have eliminated the problem cattle. To achieve balance, ranchers need cattle that are not necessarily the tops in all traits, but they can't be weak in one single trait.

## PAP TEST

Brisket Disease of cattle is the result of right congestive heart failure, but is brought on specifically by effects of the lower oxygen pressures present when cattle are kept at high altitudes above 7,000 feet in elevation. The test is a measure of the pulmonary artery pressure (PAP). It is conducted by inserting a large gauge needle into the jugular vein, passing a fluid filled catheter through the needle and allowing it to flow down

**IF YOU RUN BELOW 7,000 FEET ELEVATION, PAP SCORES SHOULD NOT BE CONSIDERED WHEN SELECTING BULLS.**

into the pulmonary artery that goes to the lungs. Dr. Tim Holt of Colorado State University is the countries greatest authority on this disease and has tested many thousands of cattle. Dr. Holt recommends that bulls selected for cow herds running above 7,000 feet have PAP Scores of less than 41 if tested as yearlings and 41 - 45 is an acceptable score for animals tested over 16 months of age.

For many years I read the Yardley Cattle Company advertisements in various cattle publications always thinking to myself, "That's a long way to drive to buy bulls." Finally in 2009 I made the trip from Lafayette, CO to Beaver, UT and was not disappointed in the bulls being offered for sale. At that sale in 2009 I intended to purchase four to six Angus bulls. I came home with six Sim/Angus bulls and two Angus bulls. Over the next three years I purchased 60 Angus, Sim/Angus and Simmental bulls from the Yardley's to be used in the Culver Cattle breeding program. The Yardley bulls worked extremely well in the Culver herd that resided year round above 8,000 feet elevation. The Simmental and Sim/Angus bulls increased our wean weights by 30 pounds and left us with an outstanding set of replacement females. The Angus bulls made great contributions to our breeding program as well adding conformation correctness, feed efficiency, and natural fleshing ability. If you live at sea level or in the mountains, need to buy one bull or a truck load I'm confident you can fill your needs at the 2018 Yardley Cattle Co. Bull Sale. I would enjoy discussing my experiences with Yardley Cattle Co. bulls.

*Jon Gabel*  
(303)594-5520

## WHY USE YARDLEY BULLS

1. THE BIG FEEDERS PAY A PREMIUM FOR CALVES SIRED BY OUR BULLS BECAUSE THEY ARE THE BEST GAINERS AND THEY HAVE THE LOOK, EYE APPEAL AND UNIFORM PHENOTYPE.
2. Their daughters will be the most productive, structurally sound cows you've owned.
3. Their calves will weigh 25 to 100 lbs more at weaning.
4. These bulls are wintered in big lots on half grass/alfalfa and only 1% grain.
5. They are born unassisted on the range and walk 25 miles to and from the summer range that goes to 10,200 ft. elevation, so they have to be structurally correct.
6. OUR CALVES ARE NEVER CREEP FED, their birth to weaning growth is based solely on their ability to perform on their mothers.
7. Our cows winter on desert winter range without hay. They have natural fleshing ability to stay fat on grass and take care of themselves.
8. All bulls are performance tested and backed by our first year breeding guarantee.
9. They have proven themselves to adapt to all environments and have sold into 30 states, Canada and Mexico.
10. Simmental and Simmental crosses are some of the most sought after cattle by order buyers, feedlots and for replacement females.
11. YARDLEY BULLS ARE BRED WITH THE COMMERCIAL CATTLEMEN IN MIND.
12. You are buying from a family that is honest, we will treat you fairly.
13. GIB YARDLEY IS A MASTER CATTLE BREEDER. He will be 85 years old on March 15th. He has Al'd for 50 years and has produced one of America's greatest cow herds. He has spent his life breeding this herd of cattle and raising a wonderful family.
14. THESE ARE NOT ORDINARY CATTLE. THEY HAVE MORE THICKNESS, DEPTH, MUSCLING, FLESHING ABILITY, PERFORMANCE, & STRUCTURAL CORRECTNESS IN A MODERATE SIZED PACKAGE.
15. Cross breeding pays. You can't afford not to.
16. You don't have to baby and pamper them.

## IN LOVING MEMORY OF J. D. OSBORN

Our wonderful friend and neighbor J. D. Osborn passed away Feb. 7, 2018, at his home in Beaver, Utah. He was 82 years old.

He is survived by his loving wife of 65 years, Glenna and children, Bonnie Williams, Beaver, Blair, St. George, Utah, Diane Moss and Dale Osborn, Beaver and many grandchildren and great grandchildren.

J.D. farmed and ran cattle most of his life in partnership with his son Blair. They bought all of their foundation cattle from us. He has attended almost every sale we have had. Quite a few years ago J.D. and his son Blair and I went on a trip buying cattle in South Dakota, Iowa and Nebraska, we had a wonderful time. He was also in the Utah National Guard for 25 years and worked for the US Forest Service for 28 years.

J.D. was a loving, kind man and very friendly with everyone. He was a true Christian and very active in the Church of Jesus Christ of Latter Day Saints. He was blessed with a beautiful singing voice and sang at over 200 weddings and 300 funerals. We are going to truly miss him but know he has gone to a better place with his deceased family, and where he will have no more pain and suffering.

**“KINDNESS IS THE LANGUAGE THE DEAF CAN HEAR AND THE  
BLIND CAN SEE.” ~ MARK TWAIN**

J.D.'s son Blair read this quote at his funeral. J.D. exemplified kindness to all he knew.

BRAD & DEENA WETOVICK

Brad was raised on a ranch in Fullerton, NE and I had sold his Dad some cows. After one year of college at the University Of Nebraska in Lincoln, he wanted to come out for the summer and do an internship. We enjoyed having him so much. He was just like a member of the family. He is a very devote young Christian man. He really enjoyed being out here and riding with us on our beautiful mountains. He graduated from the University and now is a Captain in the Air Force and really enjoys flying. Denise and I went back to his wedding and had a very great time. Congrats to Brad and his new bride, Deena. We wish you both the best.

Capacious donor dam of E324.

Yardley Clear Cut is a baldy bull that moves with confidence and style. He has a fancy front, big top, huge hip, and a deep body extending from his fore rib to his flank with a long sweeping undercarriage. His disposition is impeccable and his performance record admirable with a 776# WW and a 111 weaning ratio placing him near the top of his pen. A maternal brother was purchased by longtime friend and customer Sid Marshall of Minersville UT.

- His stellar donor dam loaded with abundant milk and an ideal udder is arguably the prettiest red head on our ranch, and the only red cow we have flushed, giving you an idea of what we think of her. Her 725# WW average and 111 weaning ratio on five calves reflect her excellent productivity.
- His sire, Clear Vision, was our '16 exciting lead off bull purchased by Bill Carsten, Hotchkiss CO.

Yardley Money Made is a powerfully complete beef bull that blends length, width and dimension into a smooth, structurally correct package. He dominates the ground he walks on with an exceptional spread of 77# at birth to an impressive 700# weaning and a 1361# YW. His full brother was a crowd favorite that highlighted our '15 sale selling for \$11,000 to great cattleman Dick Wheeler of Wyoming.

• His moderate made, easy fleshing dam has done an exceptional job putting pounds in the right kind of package with an impressive ratio of 106 on eight calves. An impressive daughter, Yardley Nutmeg was a featured show heifer in our '13 sale. His impressive granddam effectively raised ten calves, a testament to her longevity and productivity.

Soggy maternal brother to E392.

Easy-fleshing maternal sister to E392.

Set your sights on Yardley Topline; he's a first class individual! Built right from the ground up, starting at his big hoof and ideal leg set. You'll love his handsome front end, his powerful topline, his length of body with added depth and dimension. No matter where you look at him he's pretty hard to pick apart. He moves out with the prowess of a cat and possesses as much show stopping style as perhaps any purebred to sell this year. His first-class performance record speaks for itself. His abundant milking dam was our selection of the 2016 offering at "The One" sale in Denver. Top Notch is our young up and coming sire. His offspring are the most consistent quality calves from this year's crop.

Yardley Top Notch, the unique & powerful sire of E358.

Clear Decision has been a stylish standout since day one! He has a kind, calm disposition and is perhaps the classiest Simmental bull in our offering. He has as much extension and cool front end as you can put in one. His fancy front is just the beginning of an elite individual that possesses rib shape, a massive hip with a great topline and free flowing movement, soft in his hock and pastern set on a big hoof, multi-dimensional package, awesome hair and a baby doll head. His young, broody dam is a beautiful, perfect uddered Angus that is just beginning her successful career.

Yardley Clear Vision, the stylish and deep sire of E454.

Talk about a tank, Titanium Tough is one cool dude! He has all of the mass and middle to make a set of mouthwatering females that will meet the mark and accomplish the designs of even the most demanding cattleman. He's got a rear end and a topline that is equally impressive and wide, little wonder he was one of the heaviest bulls at weaning weighing in at 855#, ratioing at 122.

- His stellar, highly productive donor dam boasts the highest WW ratio of any aged female on our ranch at 113 and a 753# average on ten calves including \$11,000 Yardley Step Ahead purchased in last year's sale by Mark Beitelspacher of SD and \$10,500 Blazing gun of the '16 sale purchased by the Avilas of CA.
- His outstanding sire, Titanium was our '16, \$20,000, high seller purchased by the reputable Dunsdales of NLC cattle company in SD.

Stylish and soggy flush brother to E388.

Powerful donor dam of E388.

High-indexing dam of E374

Massive maternal brother to E374.

Upper Hand brings the tools you need to take your cowherd to the next level. You'll be amazed by the amount of depth and capacity this unique breed changer possesses. He's so smooth made and soft with great flex and free movement. His abundant depth is accented by his exceptional width and length of body. His flush mate sells as Upper Stand lot 9.

- Upper Hand's donor dam is as pretty and productive of a herd matron as we own. Upper Hand draws power from this phenomenal female, with an ideal udder and tiny teats that give ample milk. Her impressive track record of seven calves weaned 722# and ratioed at 109 is matched by their superb phenotype typified by a \$12,000 son selected by astute cattleman Dick Wheeler of Casper Wyoming.
- His sire, Sandeen Upper Class demanded \$55,000 and has sired several stylish sale toppers across the nation.

Big Britches is our heaviest gaining bull this year with an enormous 874# WW 125 WW ratio and from weaning to yearling a massive 1,535 YW and 121 YW ratio! He's got as nice of a butt end as you could put on one, he's a multi dimension bull with ample depth, width, length and mass to impress.

- His dam's calves weaned off averaging over 700#, including an \$8,500 son.
- SAV Synergy did a tremendous job for us in his short career that tragically ended after two short breeding seasons with a broken leg. His sons have been some of our best gainers and best sellers, his daughters are just calving and proving themselves easy keepers with nice udders.

Yardley High Regard has put his stamp on the Simmental breed as a true breed changer and an icon in the breed for producing sale-topping females loaded with eye appeal. His ability to produce equally impressive bulls is exemplified by Reward. Study the sheer power, performance and impressive phenotype of Reward. His personal performance record of 800# at weaning and 1,446# YW stand nearly unsurpassed in this year's offering.

- His dam is a beautiful bodied, bold ribbed Angus that exemplifies breed character. Her ten calves have averaged 725# and ratioed at 108 solidifying a nearly unprecedented performance record.

Yardley Freeway is a full brother to \$14,000 Yardley Highway, our second lead bull in last year's sale. Freeway possesses all the same parts and pieces to produce calves that will have a front pasture appearance and bring accelerated gain in the feedlot. He's a huge hipped, big-bodied brute in a moderate package.

• His elite, perfect profiled donor dam has an impressive ratio of 109 on six calves; producing our personal pick of the '15 crop, North Force and Yardley Blitz, the \$16,500 top seller from our '14 Focus on the Female sale selected by astute cattleman, Brent White of IA.

Everyone loves a good baldy and here's a great one. Upscale is the result of mating one of our finest donor dams on the ranch to \$55,000 Sandeen Upper Class. Wow, did it work! He's so nice and as fine fronted and deep sided as you can make with as much style as you can pack into a package. Two of his flush mate sisters are possibly the best females in the replacement pen.

• Upscale's Donor dam produced our lot one bull in '15 who was tragically injured and never recovered, and Yardley North Slope, a \$9,000 sale favorite selected by Steed Angus.

Feminine donor dam of E316.

2016 Tulsa State Fair Grand Champion heifer and full sister to E316.

Perfect-uddered dam of E344.

Herd matron and donor granddam of E344.

Highest Regards is a full brother to the 2016 Tulsa Grand Champion purebred Simmental heifer. Highest Regards carries on the family tradition of show stopping good looks with real world functionality; a multi-dimensional breeding piece with length, depth, and width blended together in ideal proportions and power from his extended spine and strong top. He's the type and kind to make amazing females and a blaze face to add icing to the cake! He more than doubled his weight from weaning to a year with a 1,330# YW.

• Highest Regards' dam is a beautifully uddered donor, who has an impressive WW ratio of 104 on four calves.

Stone Cold is a fancy baldy bull sired by our fancy new herd sire Stepping Stone. You'll be impressed by the amount of rib volume and capacity of this long bodied bull loaded with red meat in the right package. His maternal line traces back to herd cornerstone matrons, K114 and E119, two of our most profitable and productive donor dams to date. K114 effectively raised fourteen calves, including a \$9,500 and a \$9,750 son. E119 in turn raised twelve calves including a \$10,000 son. Several grand and great granddaughters are valued genetic assets in our herd.

If you feel redder is better, check out Yardley Red Rock! He has been a stand out from day one with his cool color and intriguing good looks. No matter how you look at him he is square and deep and fancy. His dam is a beautiful Lock N Load daughter we purchased from Griswolds. Red Rock's 735# WW is reflective of his dam's ability to milk and put pounds in the right package. North Force will continue to see extensive use in our program as a bull that sires amazingly broody, feminine daughters and masculine, magnificent sons adding pounds of profit while keeping them moderate, soft, and easy fleshing.

Check out this stylish full brother to the 2016 Tulsa Grand Champion purebred Simmental heifer and Highest Regards. Another maternal brother, Yardley Go Man Go, was our lead off red in last year's sale purchased by renowned cattleman Rick Calvo of Bassett NE.

• E347's dam is a beautifully uddered donor dam who has an impressive WW ratio of 104 on four calves.

Feminine &amp; fancy dam of E437.

Stylish flush brother to E437.

Here's a deep bodied, soft made chunk with a blaze face to boot. His sensational, smooth made, big ribbed, complete dam excels in all traits of economic importance. Her four rock solid calves have weaned off averaging over 700#. As a first calf heifer she raised a \$7,000 sale feature bull purchased by cattleman Quinton Harper of Walden, CO. E484's sire, Clear Vision was our stylish lead off bull in our '16 sale purchased by Bill Carsten of Hotchkiss CO for \$14,000.

Out of a maternal sister to E484.

Easy-fleshing and perfect-uddered granddam of E484.

Yardley Broke Right, a maternal brother to E433. The powerful grandam of E433.

"THE HEIGHTS BY GREAT MEN REACHED AND KEPT WERE NOT ATTAINED BY SUDDEN FLIGHT, BUT THEY, WHILE THEIR COMPANIONS SLEPT, WERE TOILING UPWARD IN THE NIGHT."  
~ HENRY WADSWORTH LONGFELLOW

Cupid has been an eye catcher and a favorite from day one. You can't help but fall in love with this powerful made moderator loaded with red meat and substance. If you are looking for a light birth weight bull to moderate and soften up a set of heifers and leave you with a group of mouthwatering females, this handsome stud should do the job! He's correct and ideal from every angle you look at him.

- His beautiful SimAngus dam is an own daughter of P199, a valued and a treasured gem in our donor program. Several of her daughters highlight our herd. She is one of the deepest ribbed, soggiest, and powerful feminine fronted females I have ever seen. She has a perfect udder, always weans a nice calf and stays hog fat doing it. She continues strong and sound as ever having effectively weaned 12 calves.

Wide Load is a big butted, stout hipped bull, loaded with abundant depth of body and spring of rib. He's a rugged built, bold package that combines power with softness, and style with substance.

- Wide Load's dam was a feature lot in our last female sale purchased by our good friend Justin Allen of Oregon. She is an eye catcher if ever there was one with beautiful rib shape, dimension and mass. Blessed with a nice udder that gives abundant milk, her three calves averaged 709# at weaning, ratioing at 103 including a \$6,750 standout selected by Circle Valley Ranch.

Talk about a moderate made, thick sided, deep bodied, chunk. E508 is one handsome individual who is as true and honest as they come in terms of structure and as robust and round in his rib cage as you will find. Don't let his age fool you; he's a baldy with a performance record that places him near the top with a lead weight of 826# WW and a 1,328# YW. He does have some attitude.

• His proficient dam has done a tremendous job in her young career with two calves averaging 740# at weaning. Her powerful herd matriarch has averaged 705# on nine calves ratioing at 107.

E396 has caught our eye from day one. He's sure to moderate, deepen and soften the females you place him on. The F1 SimAngus cross is hard to beat, and with a bull like this it's easy to see why. His dam is from the old school Ohlde breeding program. She possesses extreme depth of body and functionality in a very moderate, easy keeping package with an ideal udder and great fleshing ability. This bull has some attitude.

Here's a tremendous bull with near belly dragging depth, a strong top, smooth shoulder and a powerful hip. His dam had a 73# BW, his maternal grand dam has averaged 71# on six calves that matured into phenotypically stylish substantial replacements and herd sires including a \$7,500 feature purchased by George Macward of MO.

"LOVE IS THE SECURITY FOR WHICH CHILDREN WEEP, THE YEARNING OF YOUTH, THE ADHESIVE THAT BINDS MARRIAGE, AND THE LUBRICANT THAT PREVENTS DEVASTATING FRICTION IN THE HOME: IT IS THE PEACE OF OLD AGE, THE SUNLIGHT OF HOPE SINGING THROUGH DEATH. HOW RICH ARE THOSE WHO ENJOY IT IN THEIR ASSOCIATIONS WITH FAMILY, FRIENDS, AND NEIGHBORS!"

~ GORDON B. HINCKLEY

E387 is a shapely, smooth made bull that tracks wide and fills in his step. He really moves nice out of the front shoulder and has an ideal leg set with plenty of flex in his hocks and pasterns. His dam is a beautiful eye-catching Steel Force daughter that we purchased in the Classic sale two years ago.

E274 is a mild mannered bull with an impressive growth of 769# WW and a 1,334# YW and great eye appeal. His sire, the supreme champion Simmental bull of the '16 show season has proved his ability to produce quality calving ease cattle that exhibit pounds in the right package with several standouts in this year's offering. • E274's maternal great grand dam is a beautiful bodied, bold ribbed Angus that exemplifies true breed character. Her ten heavy weight calves have averaged 725# and ratioed at 108 solidifying a nearly unprecedented performance record, she is the dam of lot 8, Yardley Highest Regards.

This bull is loaded with volume, capacity, length and depth, coupled with finesse! There is so much to love and appreciate about this docile powerhouse! Admire his massive hind quarter, to his smooth shoulder lay with depth of body and rib extending from his heart girth, to his flank. Power, style and softness are blended together in this wonderful masterpiece.

• His powerfully complete dam was a favorite we bought from Trenepohls. She has done a tremendous job raising four calves that have averaged 704#. A maternal brother to E331, Yardley New Attraction was an \$18,000 sale favorite purchased by great repeat customer and astute cattleman Greg Shawcroft of Lajara CO.

Scale-crushing maternal brother to E331.

Long-bodied dam of E331.

Picture-perfect maternal sister to E375.

Deep-sided maternal brother to E375.

What a stud! E315 has all of the parts, pieces and qualifications to be a front pasture bull that will produce front pasture calves; eye appeal to excel as front lot females and the production to compete and perform in the feedlot. He's a huge hiped, big-bodied brute, and a real stand out. His maternal granddam effectively weaned ten calves. His sire Wah Wah comes from the heart of our program tracing his maternal lines back to donors K114 and E119.

E263 has all of the tools in the toolbox to go home and work. He is long, deep, stylish and square. Out of a first calf heifer who did a tremendous job with this her first calf weaning him at 757#.

• His sire Pays to Believe was named Grand Champion Simmental Bull at the 2013 NAILE, and Supreme Grand Champion at Denver in 2015. P2B is gaining the respect from cattlemen all across the country for his overall balance of power, structure, belly, and just "make you look" eye appeal. He stands perfectly on a huge foot and his feet and leg structure is IMPECCABLE. His full brother Pays the Price won Denver last year and is the reigning Champion this year as well.

Check out this cool fronted, stylish made, square hipped stud loaded with performance. Out of a first calf heifer he weaned off at an impressive 754#. A full sister to his perfect uddered dam, Yardley Eye Candy, highlighted this year's sale at \$6,200 purchased by our good friend Cody Lucey of Glen Easton, WV. His first rate, beautifully uddered, powerfully made maternal grand dam is packed with performance. As a first calf heifer she weaned a 707# heifer calf. She was Jose Garcia's pick of the entire heifer herd.

Maternal sister to the dam of E365.

Performance driven dam of E304.

Check out this impressive powerhouse who has nearly doubled in weight from weaning to one year with a 1,327# YW. His broody made capacious dam is the calmest cow on our ranch, you can walk up and scratch her anywhere. She has a perfect udder and always raises a nice. Her last calf, Yardley Delano, was a \$7,250 lead off in last year's sale, purchased by good friend Justin Allen of North Powder OR.

Masculine maternal brother to E313.

Phenotypically flawless dam of E313.

Maternal brother to E489.

Look at the expressive muscle of this big boned, strong topped, stout hipped bull. He's an own son of the ever increasingly popular, Yardley Utah. His maternal grand dam is a maternal power plant with as much shear rib shape and power as you could put into a feminine package. She has had 10 calves that have averaged over 700# at weaning; always stays fat and brings home a good one in the fall.

E479 is a maternal brother to Yardley Man of War, our '15 high seller at \$25,000 for half interest to our good friend Ruel Barker with Barker Cattle Co of Elba Idaho. Their feminine dam is as picturesque and perfect as you could design one. Her beautifully smooth, sweeping design extends from her keen head, tight neck and smooth shoulder, back through an abundantly deep fore rib, expansive middle and deep flank. She has a powerful hip and ideal leg set. Her maternal line traces back to Whirlway's dam.

Deep-bodied dam of E479.

Yardley Man O' War, a maternal brother to E479.

This bull's performance packed, stellar dam has produced seven calves that have averaged 730# WW's. Including our '14 \$20,000 sale topper, Yardley Overhaul, purchased by Wheatland Cattle Company of SK Canada. She has had a total sales of \$48,250 on five calves. Her dam in turn recorded an admirable WW ratio of 108 on eleven calves.

Yardley Overhaul, a maternal brother to E418.

**"WE HAVE STAKED THE WHOLE FUTURE OF AMERICAN CIVILIZATION NOT ON THE POWER OF GOVERNMENT, FAR FROM IT. WE HAVE STAKED THE FUTURE OF ALL OF OUR POLITICAL INSTITUTIONS UPON THE CAPACITY OF EACH AND ALL OF US TO GOVERN OURSELVES ACCORDING TO THE TEN COMMANDMENTS OF GOD."**  
~ JAMES MADISON

Hard working husband, father, and friend, Jose Guzman, and his daughter Mitzy.

Bumper Crop will give you a plentiful harvest every fall. He is an extremely deep bodied, strong topped bull loaded with extra pounds of red meat, depth and width. He's calm, sound as a cat, tracks wide and fills in his step. With a scale crushing 800# WW ratioing at 114 and an equally hefty 1,350# YW he's sure to add pounds of profit to the equation.

• Bumper Crop's dam epitomizes the ideal Angus brood cow. She is deep bodied, smooth shouldered, feminine fronted and powerful hiped with an ideal leg set, exceptional udder placement, small teats and correct structure throughout. Her six calves have averaged an impressive 720#. Her high quality donor dam is also the maternal grand dam of Equinox, the second lead off Angus in this year's offering.

Powerful and complete maternal brother to E373.

Productive grandam of lots 74 and 75.

Capacious donor dam of E372.

Yardley Rock Solid C451, a maternal brother to E372.

You'll search long and hard to find a PB Angus bull with this much style and substance. Equinox's clean front ties nicely into a smooth shoulder, which transitions flawlessly into a deep fore rib and barrel with abundant rib shape and dimension. He is perfectly sound and smooth through his hooks, pins, and tail head, with ample width across the top and a good long hip with a deep flank and ideal leg set. From behind he is wide based, filled in across the tail and has massive width that extends all the way down his lower quarter. A powerful maternal brother, Yardley Rock Solid, sold for \$10,500 to great friend Justin Allen of Oregon.

- His elite donor dam and maternal grand dam pack as much middle and volume as any cows on our ranch; consistently producing big butted, deep sided, high performing offspring that possess the eye appeal and structural design to catch eyes and win purple ribbons.

- Equinox's sire, Sky High was the lead-off and high selling \$136,000 bull at the 2016 Musgrave Angus Bull Sale. He earned weaning and yearling ratios of 114 in a contemporary group of 91 head. His remarkable dam has earned a WR of 3@109.

Stylish maternal brother to E308.

Winchester is a sale stopping good bull. He is so big bodied, deep ribbed, stylish and complete with good bone, fluid motion, and extremely sound and complete. His maternal lines trace back through several broody made, heavy producing Angus females that always stay fat and wean a superior calf; they have added to and accented our herd starting with cornerstone Angus matron C72 who has played as pivotal of role in our program as an Angus matriarch.

• An impressive maternal brother was selected by Russ Jordan in our '15 sale.

I wish I could make a mold out of Accolade and have a hundred more bulls that look just like him. He is perhaps the most complete and balanced bull of the entire offering. His depth of rib, length of body and massive hip blend together in a uniform and complete package. He has a huge top, exceptional feet, legs and fluid movement.

• His extraordinary dam has a proven production track record that boasts quality, power and performance with an average of 713# on three calves, including a fancy maternal brother to Accolade purchased by astute cattleman Michael Stafford of Oregon.

2017 sale feature and maternal brother to E305 selected by Michael Stafford.

Yardley Aristocrat moves out with the confidence of a king. He's got a huge top, nice hip, cool front end and a baby doll head and disposition. His birth to weaning performance is exceptional being a true curve bender with a mere 75# BW and an impressive 774# WW. Aristocrat may well be Royal Jet's best son to date. Royal Jet's daughters are proving to be a wise investment to the herd as moderate easy keeping females with nice udders, great feet and leg structure, and adequate milk. • E408's exceptionally built, profitable dam, has averaged 695# on her six stellar calves. Her past two bulls to sell both sold for \$5,750 selected by our good friends Mark Stevenson of Holden and the Howletts of Delta UT.

We place the highest confidence in this stellar, big volume bull loaded with sweeping depth in a long undercarriage. His donor dam of perfect proportions is the mother of two of our herd sires, Yardley Aspen and Yardley High Roller. She has averaged 687# on nine calves including a \$5,600 feature in our '16 sale purchased by Mike Sinon of NY.

• \$175,000 SAV Renown is the result of the same proven and predictable mating that created Resource; he is backed by the Blackcap May cow family that leads the breed in producing A.I. sires. His progeny combine modest birth weights with phenomenal phenotypic quality, breed-leading performance, superior structure, great disposition, front extension and body length.

SAV Sensation 5615, the 2016 SAV High-seller and sire to E271.

Feminine maternal sister to E338.

2016 sale feature and maternal sister to E346 selected by Mike Sinon of New York.

Yardley High Roller, a ranch herdsire and maternal brother to E346.

SAV Synergy has produced some of our best Angus calves. We are just starting to calve out his daughters; they are ideal built gems with perfect udders, tiny teats and abundant milk. We only got two calf crops out of him and have about 30 straws left in the tank. Take advantage of purchasing this handsome, performance packed son.

• E486's perfect uddered dam is dedicated and devoted to her calves, having raised four that weaned off averaging an impressive 706# including a \$5,200 feature purchased by our good friend across the mountain Todd Smith.

E335 is a full brother to last year's \$17,000 high seller purchased by Jackson Branch Cattle Co. of Fredricksburg TX. He exhibits the same depth, dimension and shapely appearance in a lighter birth weight, more moderate package.

• Their dam is a top of the line producer and a beautiful, broody female who produced our herd sire, Yardley Beaver Canyon, and another \$9,000 son purchased by good customer Mike Stafford of OR.

E390 is a scale mashing performance bull fully loaded with depth, dimension and performance to excel in all traits of economic importance. He had the best performance record of nearly any of our Angus bulls on with a 841# WW and a 1,412# YW; real world numbers that astound with a 120 WW ratio and a 112 YW ratio. He is also one of our longest bodied bulls with one of the best sets of carcass data.

• Check out the picture of his perfect dam, she symbolizes the idealistic Duff New Edition daughter with femininity through the front end, a long sweeping undercarriage, loaded with depth and capacity, a great udder with superior attachment, and sound as a cat. A maternal sister to E390, Yardley Lucchese was a \$7,000 favorite feature purchased by great friend Craig Pollington of MI.

Deep-bodied and feminine dam of E486.

Fast-gaining maternal brother to E335

Yardley Worldwide C302, full brother to E335 and 2017 high seller!

Perfect uddered dam of E390.

Yardley Clementine C134,  
flashy maternal sister to E347.

Maternal brother to E283.

Phenotypic standout and maternal  
sister to E283.

Deep-bodied maternal brother to E312.

Here's a bulky bull with added length, width, and capacity capable of crushing the scales. His big ribbed, deep bodied herd matriarch dam has a huge middle. She has proven herself in all aspects of economic importance. Longevity, performance, eye appeal, and structural soundness with thirteen calves averaging 663#, including Yardley Check Mate a \$10,500 son purchased by Fawley Ranch. Her past four calves to sell have averaged \$6,750.

The math has been done and the arithmetic is in order. This lead-weight bull records the heaviest weaning weight of our Angus 842#. His impressive growth and development continue with a lofty 1,406# YW.

• E312 is out of one of our favorite Angus cows, S100. She is as pretty, feminine, angular, and broody as any cow we own. It is always fun to search her out in the pasture or on the range because she always looks so good and has a fancy, big calf on her side; eleven calves averaged a substantial 694#. Her previous calves include a solid built son purchased by renowned seed-stock producer Doug Jauer, and \$7,500, Yardley Foundation, purchased by good friend Lynn Swenson.

Maternal brother to E300.

Popular sire of E300.

Maternal brother to E417.

Yardley Mountaineer D332, out of a maternal sister to E417.

Maternal brother to E402 selected by Johnson Mountain Ranch.

E300 is built like a tanker and one of our heftiest bulls. With the fourth heaviest WW in the Angus pen at 832#. His elite dam is a moderate made gem with perfect neck extension a long, large sweeping rib and an ideal hind quarter. Her past two sons to sell were received well at \$10,000 and \$9,500 selling to Kunzler Ranch and 3D Cattle Co. A maternal sister was second in our on sight judging contest and is one of our broodiest heifers.

• Tour of Duty is the number one sire of progeny registered by the American Angus Association during its 2017 fiscal year and 2nd in 2016, Tour of Duty continues as the only bull in the breed with his combination of Birth Weight EPD to Yearling Weight EPD spread.

The RB Tour of Duty sons are some of the most consistent, growthy, Angus bulls. His impressive 713# WW and a noteworthy 1,354# YW, E326 is no exception. His performance isn't a one sided ordeal though. His massive bodied, exceptional milking dam has averaged a remarkable 713# on ten head. A deep-bodied brother sold for \$7,250 to Korey Walker of Heber UT, another sold for \$5,500 to an exceptionally nice lady, Kerry Tienharra of Joseph Oregon.

Masculine maternal brother of E478.

Here's a smooth shouldered, soft made individual loaded with style and substance to burn. With a meager 72# BW, a powerful 712# WW, a dam with a 74# average on two calves, and a broody grand dam that averaged 78# on 12 calves. E357's sire Sky High has thrown one of the most consistent quality sire groups in our offering. He was the lead-off \$136,000 high selling bull at the 2016 Musgrave Angus Bull Sale and is one of the most impressive bulls in the Nation and a true outlier within the Angus breed. This powerful sire is extremely heavy muscled, good footed, clean made and sound; not to mention his unmatched phenotype and eye-appeal.

E404 presents tremendous thickness and muscle shape that carries down from his broad back to his impressive lower quarter. He is a true curve bender with an impressively light 71# BW with explosive birth to weaning growth that earned him a significant 745# WW.

• His broody, cool fronted, profitable dam has produced five calves that have averaged a meager 74# at birth and impressive 688# at weaning. Three outstanding maternal brothers have averaged over \$6,000.

We don't guarantee any bulls to be 100% calving ease, but if I were to place money, this would be a sure fire bet. With a small head, a smooth shoulder and a minute 70# BW and a dam whose minuscule BW was only 68#. Her dam has averaged 74# on three calves and herself had a feather light 70# BW. You'll sleep a little better next spring with E287 breeding your heifers this summer. However... ALWAYS check your heifers every 2 hours!

E385 combines two of the top programs in the Angus breed together in a unique package. SAV Synergy did a tremendous job for us in his short career; he really clicked crossed on a broody made Duff cow that we purchased in Griswold's classic sale. She produced a fancy show heifer, Yardley Destiny, and was a \$6,800 standout again in our sale purchased by our good friends the Trennepohls of IN.

E435 has a mere 70# BW, an impressive dam that is loaded with depth, big ribbed as you can make them, excellent udder, exceptional fleshing ability in a perfectly sound package. She's produced six calves that have averaged a 75# and averaged over 700# at weaning including two daughters that we've retained in our breeding program and a \$6,500 bull purchased by Greg Nate of Cokeville WY. You'll love this power packed bull with the credentials to get the job done right and a stellar pedigree to back him.

Proven calving-ease sire of E287.

Deep-bodied grandam of E385.

Maternal sister to E385 selected by Eric Miles.

Big-ribbed maternal brother to E435.

Maternal masterpiece and dam to E435.

E421 is the handsome, big-bodied result of mating two elite individuals. S192 is a deep bodied, easy keeping, ground sow. This beautifully uddered, productive female produced a \$6,500 full brother in blood to E421 purchased by Hayworth Cattle Co of Granbury TX, a \$6,500 bull calf in '13 purchased by good friend Dennis Stephanof of Delta UT, and a \$7,000 bull in '12. Three of her attractive daughters are retained in our herd. Renown is taking center-stage, along with his full brother Resource as some of the most popular, powerful, proven sires of all time.

This stout calf more than doubled his weight from weaning to yearling with an outstanding 1332# YW and a 4.42# WDA. His young dam is a first calf heifer. Her dam, U92 is a moderate made, easy keeping, beautifully uddered, perfectly composed cow and is a vital and a key role in our embryo program as a potent donor. Her eight calves have averaged 693# at weaning and went on to be powerful, profitable, players in our program. His maternal sister was the leadoff Angus Bred heifer in our '15 sale purchased by Ronnie Smith of Texas. Her last bull calf was a \$9,000 crowd favorite selected by Mac Tooke of Montana. In '12 she produced a feature show heifer, Summer Love, purchased by our good friend Rusty Aiken of Cedar City UT.

Full brother in blood to E421.

Maternal brother to E462 selected by Brian Nichol.

Phenotypic standout and grandam to E462.

Maternal sister to the dam of E265.

Maternal grandam of E265.

Massive sire of E302.

Beautiful dam of E439.

**SPECIAL THANKS TO JOSE GUZMAN AND JOSUE GARCIA FOR THIER LONG HOURS OF QUALITY WORK AND SUPERIOR DEDICATION. WE COULDN'T DO IT WITHOUT THEM.**

## THE KEY TO THE PUZZLE = BALANCE

IT'S THE HARDEST THING TO KEEP IN THE FRONT OF OUR MINDS. WE ALWAYS WANT TO THINK THAT BIGGER IS BETTER, OR WE BUY BULLS BASED ON SPREAD EPD'S OR WE CHOOSE A BULL BECAUSE HE HAS ONE TRAIT THAT REALLY STANDS OUT. WE'VE ALL BEEN GUILTY OF IT, BUT THE REAL KEY IS "BALANCE," THE ONES THAT DO ALL THINGS WELL. I REALLY BELIEVE THAT THIS IS ONE OF THE HARDEST, IF NOT THE HARDEST, HURDLE IN BREEDING CATTLE. IF WE CAN STAY FOCUSED ON THIS, IT WILL MAKE US MORE PROFITABLE AND BETTER CATTLE BREEDERS.

E462 is out of a extra productive Duff New Edition daughter. Her four calves have averaged a feather-light 73# at birth. She herself had a 75# BW. His 73# make him an enticing addition as a heifer bull. A maternal brother sold for \$7,000 to Mike Robertson of Santaquin UT, another sold for \$6,500. His efficient maternal grand dam raised eleven calves averaging over 700#, a true testament of longevity and productivity.

Picture perfect maternal brother to E466.

Feminine and functional dam of E466.

E436 is out of one of our prettiest cows. She is a full sister to the dam of Bumper Crop, our lead off Angus, and a maternal sister to the dam of our lead off Angus bull, Equinox. Their dam is one of the most capacious, powerful Angus Donors you'll encounter.

Maternal brother to E436 selected by Daniel Carter.

Grandam to E436.

SAV Emblynette 7566, phenotypic standout and donor dam of Patron.

This great bull is bred to make a lasting contribution in all traits of magnitude! Patron is backed by one of the strongest and most proven maternal generations of elite pathfinders. His track record is second to none. His dam has 13 daughters featured in the SAV herd and 39 progeny featured in past SAV sales. She is a favorite cow of Bob Watkins, Kelly Schaff's right hand man. Her progeny include some of the heaviest 205 day weights in several of their sales. PATRON HAS HELD HIS FLESH AND STAYED FATTER THAN ABOUT ANY YEARLING BULL WE HAVE USED. There isn't one thing you won't like about this bull. His prolific Pathfinder grandam is still going strong and raising calves at 18 years of age. Several of his offspring have highlighted our sales.

Long & stylish dam of Profit.

Profit was our pick of the Angus from our 2016 calf crop. He is a true outlier with a low birth weight and a heavy weaning and yearling weight. His phenotype describes calving ease with his keen head, long extended front end, smooth shoulder, and extra long body. All that coupled with his personal performance and a strong maternal line makes Profit a recipe for success.

• His feminine dam, Miss Yardley Z67, is as long as a freight train, deep, perfect uddered, and good footed. She has always been a top-notch producer of quality and low birth weights. Crossed on SAV Patron gives us great confidence in Profit's ability to consistently sire low birth calves that perform well.

"WE CANNOT BE LESS THAN HONEST, WE CANNOT BE LESS THAN TRUE, WE CANNOT BE LESS THAN VIRTUOUS IF WE ARE TO KEEP SACRED THE TRUST GIVEN US BY THOSE WHO HAVE GONE BEFORE US, OR IF WE ARE TO MERIT THE TRUST AND CONFIDENCE OF THOSE WITH WHOM WE LIVE, WORK, AND ASSOCIATE."

Bushes of South Dakota had the Grand Champion pen of three Angus in Denver in 2014 and the Reserve Champion pen in Denver in 2013 before. We were very impressed with their cattle I sent Steven up to buy one. He got this son of Vin-Mar O'Reilly Factor and out of a two year old daughter of Kessler's Frontman. He had a 73# BW, an 894# WW, and a 1553# YW. O'Reilly Factor is by the immortal SAV Final Answer that has sold over 500,000 straws of semen and we really like his calves. He is a proven calving-ease bull with 36 progeny averaging 77# with a +.3 BW EPD and weaned off averaging nearly 690#!

Yardley Summit is the result of a lifetime of breeding the best to the best. The University of Wyoming judging team visited our ranch at Christmas time, they were amazed by the amount of width, depth, bone and style of this purebred wonder. Caleb Boardman, their coach, commented he was one of the best Angus bulls he had encountered. His dam is one of the prettiest made, stylish females—the kind you could build a whole herd around. She produced \$5,750 feature Cashmere that sold to Rick Dunson of Ohio, and is a maternal sister to Yardley Cover Girl, selected by our good friend Kasey Rowser of Wellsville Utah for \$4,500. I've seen as many bulls as anyone in the country; I like Summit as good as any of them. He is perfect every place you look at him and has the performance to go with it. Let Yardley Summit take your herd quality to new heights.

Massive but feminine dam of Summit.

When I had the opportunity to walk through the '15 Werning offering, Fully Loaded 654B was the stand out higher percentage bull to sell. He is bold in his design, loaded with meat and muscle, and sound as a cat on his feet and legs. He is a highly productive son of the curb bending \$47,000 Lock N Load. He had an 87# BW, 850# WW, 1426# YW, 38 Scrotal. His carcass data was equally impressive. The combination of phenotype, performance and carcass combine to make Fully Loaded a must have package.

D389 is a stout built, baldy son of Nickels N Dimes. The cow family backing him is one of the best. His cool fronted, nice uddered dam is out of S25, one of our most phenotypically flawless females. She is long bodied with extra extension through the shoulder and neck, extremely feminine, angular, and deep chested with added look. Her donor dam, P153 in turn has produced many stylish show heifers.

• A maternal brother highlighted last year's sale as Yardley Four Corners, selling for \$11,000 to great customer Greg Shawcroft of Lahara CO.

E298 is a real curve bender from his surprisingly light 76# BW to his impressive 715# WW. He is a soft made, smooth shouldered baldy with a calm disposition. He has exceptional flex and movement loaded with style to burn, a strong top, and extended length of body. His dam had a 78# BW and his maternal grand dam recorded a 79# BW and produced three offspring that averaged 78# at birth. High Roller was our heifer bull pick of our 2015 calf crop, an own son of High Regard and has an ultralight 76# BW and an impressive phenotype.

E273 records the highest gain on feed of our entire offering at an off the chart rate of 5.27 lbs/day, more than doubling his WW by nearly 200#. His explosive growth rate is only one side of this multifaceted phenotypically and structurally ideal rock star. He oozes perfection from every pore with his fancy front, long spine, deep sided massive hipped bull that so perfectly blends performance and eye appeal. His young dam is a flawlessly designed, perfect uddered female and an own daughter of High Regard. Stepping Stone, his sire, is proving his ability to produce excellent uddered females with tiny teats and abundant milk as his first heifers are just now being calved out.

Schooley Canyon has proven his ability to transmit a fancy front end, a strong top, big hip and added depth and dimension with great feet and leg structure. This would make Roman Schooley proud. All of these characteristics and more are exemplified by this stylish, square made son.

• E355's dam is the daughter of a fancy Simmental female we purchased from Tim Burke several years ago that has done an exceptional job in our program; still going strong in our program she has produced eleven calves thus far that have averaged a scale mashing 712# at weaning rationing in at an impressive 108.

Check out this stylish, stout made maternal brother to the legendary, \$30,000 Yardley High Regard. This young stud has the same look of greatness with a light 76# BW and a slightly more moderate, thicker frame. Their stellar high profit dam has produced ten calves that have averaged over 700# at weaning. Another standout maternal brother, Yardley Red Hawk, sold for \$14,000 to our good friend Ronnie Smith of Texas.

E456 is a maternal brother to the Tulsa State Fair Grand Champion Simmental heifer from '16. Several brothers to this stud highlight our sale as some of the lead offs. His standout donor dam is a feminine fronted lady with an ideal udder of perfect proportions, loaded with abundant depth and ample thickness. Another of her sons was our high selling red head purchased by renowned cattleman Rick Calvo of Bassett, NE.

E352 comes from a top-notch cow family loaded with moderate, easy fleshing, low maintenance females. His grandam produced \$7,500 sale feature Black Licorice, that found her new home in Traymahn Ranches in Oregon. Her last son sold for \$8,500 to our good friend and past UCA president, Joe Furhman. Her long-lived productive dam in turn produced an incredible sixteen calves and her dam was a grand old cow that in turn produced fourteen calves living to be sixteen years old.

Real Steel, the % Champion Bull at nearly every show he competed in including Denver, Louisville, and Kansas City. He has done a tremendous job, siring show stopping quality in his calves with a soft, deep ribbed, big hiped feel to them. He really moves out nice on a good set of feet and legs with just the right amount of flex in their rear wheels.

• E327's dam has an impressive track record with a fancy \$6,500 son purchased by Jim Frost of Moses Lake WA and a powerful \$7,750 son purchased by John Young of WY. She has averaged a notable 689# on six calves.

"If you want a bull that will produce great daughters then find a bull with a great dam and a great cow family backing her." True wisdom from a wise cattleman, Mr. Gib Yardley! E470 is out of one of the most profitable and prolific quality cow families on our ranch. His awesome, dam has averaged nearly \$6,000 on her past four calves to sell. Her eight calves have earned an average of 709#. Her elite donor dam K114 produced an impressive \$9,750 bull calf in '15 selected by Dan Lunsford and a \$9,500 stand out purchased by Jon Gabel of Culver Cattle Co in '12.

Broody grandam of E517.

Maternal brother to the dam of E470.

# Yardley Top Gun

Yardley Highlight, a ranch herdsire and maternal brother to the dam of E337.

Topgun is the cattleman's kind of bull. He has the necessary power, impressive depth, added dimension, rugged bone and muscle mass to make impressive feeders and awesome replacements. His young dam is out of a maternal power house and the mother to our new up and coming herd sire Highlight. Another awesome herd sire prospect was purchased by Rick Olsen for \$7,500. TWIN.

Schooley Canyon has infused style and substance into his offspring making some of the prettiest fronted, cool designed cattle in the breed. His sire, Pays to Believe, was named Supreme Champion Simmental bull in Denver. A full brother, Pays the Price, reigns Supreme Champion this year and last year. E503 draws great strength from his maternal line as well. His maternal grand dam is an embryo mating out of legendary Steel Force and our cornerstone herd matron and donor M100 who has played a pivotal role in our Simmental program.

Heavy-milking dam of E503.

Maternal brother to E503's dam.

We absolutely love this bull with his powerful shape and design. He's got it all... great length, a huge hip, ample depth, testicular development. Yardley Top Notch has produced our most consistent quality calf crop. Nick Bradshaw of La Sal, UT, selected a maternal brother to his dam.

Maternal brother to the dam of E434.

Stylish & feminine maternal sister to E499.

Maternal brother to E469 selected by Kaisler Cattle.

Maternal brother to D275 selected by the Allen Brothers.

Maternal brother of E356 sold to Canada.

A stylish and square made maternal sister to E356

First Mate is one of the fanciest high percentage Maine Anjou bulls you will encounter this year! His style and show coupled with the needed and necessary structure and soundness so vitally important for profitability and yet so lacking in much of the breed. He moves out with style and confidence, tracking wide and nailing his step with plenty of flex in his hock and pastern. He carries himself correct with a massive hip, strong top, and abundant depth.

• His profitable dam has been a real asset to our program producing our \$12,000 lead off Maine in our '15 sale, Yardley Big Step. He earned the second heaviest YW of any bull on the ranch that year at 1,517#. A maternal sister, Y1 Dixie Gal was a standout show heifer featured in our '13 sale by Adam Dryer of Carlock IL. Make a lasting impression on your herd by having First Mate on board.

Breed icon, Yardley High Regard, does a tremendous job with a proven track record of performance coupled with quality. High Roller was our favorite High Regard son. Several of his daughters and sons have sold for over \$20,000 including a \$100,000 heifer sold by Jones Show Cattle of Ohio.

E275's dam is a beautiful Steel Force half blood out of donor dam extraordinaire P199, from the heart of the Ohlde Cattle Co. P199 always stays fat, weans a big fancy calf, has a perfect udder, a calm quiet disposition, and conformation second to none with structural correctness throughout. She produced feature heifer, Yardley Just a Dream in our '08 female sale.

Wise cattlemen know the value and reap the reward of functional females backing their bulls which increases uniformity and quality in their offspring. E438's dam is a functional female who has produced two quality calves averaging 693# including a \$6,000 son. Her maternal sister, Yardley Eye Candy, was the kind you could use 100 more of in the pasture. She was a \$6,200 bargain acquired by our good friend Cody Lucey of WV.

E445's maternal sister, feature Yardley Corabell was chosen by our good friend, neighbor and customer Rodney Carter.

"REMEMBER! --- IT IS CHRISTIANITY TO DO GOOD ALWAYS --- EVEN TO THOSE WHO DO EVIL TO US. IT IS CHRISTIANITY TO LOVE OUR NEIGHBOR AS YOURSELF, AND TO DO TO ALL ME AS WE WOULD HAVE THEM DO TO US. IT IS CHRISTIANITY TO BE GENTLE, MERCIFUL, AND FORGIVING, AND TO KEEP THOSE QUALITIES QUIET IN OUR OWN HEARTS, AND NEVER MAKE A BOAST OF THEM, OR OF OUR PRAYERS OR OF OUR LOVE OF GOD, BUT ALWAYS TO SHOW THAT WE LOVE HIM BY HUMBLY TRYING TO DO RIGHT IN EVERYTHING. IF WE DO THIS, AND REMEMBER THE LIFE AND LESSONS OF OUR LORD JESUS CHRIST, AND TRY TO ACT UP TO THEM, WE MAY CONFIDENTLY LOPE THAT GOD WILL FORGIVE US OUR SINS AND MISTAKES, AND ENABLE US TO LIVE AND DIE IN PEACE." ~ CHARLES DICKENS

E325's dam is a maternal sister to High Regard, a landmark in the breed. E325 had a mere 62# BW, his profitable dam had a 75# BW and has averaged 73# on three head. A handsome maternal brother was selected by repeat customer Joe Seys of IL.TWIN.

Maternal brother to E325.

Capacious donor dam of E325.

LET THE TRUTH BE TAUGHT BY EXAMPLE AND PRECEPT—THAT TO STEAL IS EVIL, THAT TO CHEAT IS WRONG, THAT TO LIE IS A REPROACH TO ANYONE WHO INDULGES IN IT. IF WE ARE TO PUT CIVILITY BACK INTO CIVILIZATION, THE PROCESS MUST BEGIN IN THE HOME WITH PARENTS, WHILE CHILDREN ARE VERY YOUNG. IT WILL NOT HAPPEN OTHERWISE.  
—GORDON B. HINCKLEY

# YARDLEY Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

## YARDLEY TOP NOTCH C371

Top Notch is the exciting result of the \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$500,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Sandeen Upper Class was valued at \$55,000 for half interest, and comes from a cow family that is second to none. His dam, breed legacy, Donna 7386 commanded an impressive \$140,000 selling to astute cattleman Nick Sloup of Nebraska. His powerhouse maternal grand dam brought an astounding \$100,000. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer.

## YARDLEY NORTH FORCE C302

North Force is the pinnacle of perfection in terms of power, performance and phenotype. His width, depth, and overall mass is unsurpassed by any bull on the ranch which is reflected in his real world numbers. He is the result of a mating of two of the elite individuals in the Simmental breed. His donor dam is a beautiful long-bodied, deep-sided female with a perfect udder and flawless structure who has proven to be our most productive purchase from Griswolds in terms of dollars and pounds. As a first calf heifer she weaned a 737#. Her first heifer to sell, Yardley Blitz was a crowd favorite selected by Brent White of Iowa for \$16,500. C302's \$25,000 sire, Northern Octane, is out of Kappes's leading donor female, Kappes Sadie T635. We Al'd several of our elite females to Northern Octane in hopes of getting a herd sire. We were not disappointed at weaning when his eleven calves averaged 733#. North Force led the pack at 828#. Here is a bull that has all the right parts in all the right places, and one that is certain to increase weaning weight and improve quality!

W/C Banchor 46D has been fun to see in our pastures all summer. He is loaded with depth of body, thickness and muscle, excellent feet quality, good haired, and a blazed face to top it all off. He stayed sound and fat all summer while doing a great job of getting the cows bred. He has a nice slope to his shoulder and a disposition that can't be beat. He is sired by CCR Anchor 9071B, whose progeny have highlighted many sales over the last year. They have proven themselves as sound, functional, real world cattle that just work. His dam Miss Werning 46B is a daughter of the great 715T donor cow and has had multiple full sisters sell for over \$10,000. The maternal backing behind Banker gives us great confidence in the future of him and his offspring. He is a proven heifer bull. We have had sixteen calves out of him this year and haven't had to touch one. He throws a lot of baldy calves. Owned with Chad Ruda of Nebraska.

CALVING EASE EXTRAORDINAIRE. BANCHOR IS A PROVEN HEIFER BULL. WE HAVE HAD SIXTEEN CALVES OUT OF HIM THIS YEAR AND HAVEN'T HAD TO TOUCH ONE.

## YARDLEY HIGH REGARD W242

**POLLED PB SM**      **BD3/20/2009**      **ASA 2522822**

**SIRE:Yardley Impressive T371**

**DAM:Miss Yardley T68 by Pinion**

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning Families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$100,000. Another daughter was just crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring and we know will work in the pasture. As a complete outcross to Dream On he is the go to sire for functional, consistent quality.

**DAM:Built Right X 3C Macho by Meyer 734**

Denver Champion phenotype in a calving ease package. We went to the National Western Stock Show in Denver and wanted to buy the high % Simmental we liked the best. We looked at all of them there. There are so many bulls of all breeds that have bad feet and a lot of people aren't paying attention to it. Their hooves are either too small or many of them have outside back toes that curl under or else they toe out on front. We have tried to watch this very closely because our cows have to walk and trail the year around as many of yours do. We finally found one at the last minute. He looked good every place you looked at him with no holes in him and the best feet we had seen on any bull in the show. We had to catch a plane to go home and I gave them a check for \$25,000 for him about 3 or 4 minutes before he was to show and left for the airport. HE WAS PICKED GRAND CHAMPION SIMMENTAL OF THE SHOW. Jeannie and John were there to see him and get in the picture. You can't help but love him because he has perfect confirmation and is just the right size.

This is one of the best purebred Simmental bulls I have ever seen. I am 82 years old and have seen as many bulls as anyone in the country. I am one of the fussiest bull buyers in America and a bull has to be about perfect for me to buy him. This fancy bull is so deep ribbed, square hipped, full of muscle and red meat. He is big topped, wide based, clean fronted, and clean sheathed. He is very sound on his feet and legs and carries himself well. He has a topnotch set of EPD's and is a HERD BULL SUPREME. Out of a 1st calf heifer, pictured above as a two year old, and the great WS Step Up X27. We paid \$52,000, he's one bull that was worth it! Owned with Walsh Simmental. Mike McDonald, Canadian Semen rights

We consider this bull one of the very best we have ever raised. I am as critical a bull buyer as there is in the country and there isn't a single thing I don't like about Utah. He has perfect phenotype every place you look at him. We consider his dam to be the perfect built, moderate sized cow and as pretty and good as any cow we own. His beautifully designed maternal grand dam was a stellar \$7,700 feature in our sale that sold to Greg Kroupa of White Lake SD. Utah has experienced great success in our program and at Wernings in Emery SD with several calves selling for over \$30,000. Utah recently sired Werning's high selling bull bringing an impressive \$87,500. Owned with Griswold Cattle Company and Trennepohls of Indiana.

Schooley Canyon caught our eye when we saw him in Roman Schooley's pen in Denver. With show stopping good looks, ideal structure, in a stylish square made package we were highly impressed. His beautifully balanced half-blood dam is a beautifully balanced herd matron who is playing a pivotal role in Roman's donor program. She's out of the immortal Meyer 734 and a cornerstone OCC Emblazon daughter. Schooley's premier daughters exhibit the look of greatness and are sure to find their way to the top of shows across the nation. Three of his stunning daughters are features in this year's sale. A man from Texas who purchased some semen from us reported that his Schooley daughter is the best heifer he has ever had on his ranch.

**“GOD GRANTS LIBERTY ONLY TO THOSE WHO LIVE IT AND ARE ALWAYS READY TO GUARD AND DEFEND IT. LET OUR OBJECT BE OUR COUNTRY. AND, BY THE BLESSING OF GOD, MAY THAT COUNTRY BECOME A VAST AND SPLENDID MONUMENT, NOT OF OPPRESSION AND TERROR, BUT OF WISDOM, OF PEACE, AND OF LIBERTY, UPON WHICH THE WORLD MAY GAZE WITH ADMIRATION FOREVER.” -DANIEL WEBSTER**

## THE RANCHER'S CREED

I BELIEVE A MAN'S GREATEST POSSESSION IS HIS DIGNITY AND THAT NO CALLING BESTOWS THIS MORE ABUNDANTLY THAN CATTLE RANCHING.

I BELIEVE THAT RANCHING IS THE MOST HONEST AND HONORABLE WAY A MAN CAN SPEND HIS DAYS ON THIS EARTH.

I BELIEVE RANCHING NURTURES THE CLOSE FAMILY TIES THAT MAKE LIFE RICH IN WAYS MONEY CAN'T BUY.

I BELIEVE RANCHING PROVIDES EDUCATION FOR LIFE AND THAT NO OTHER OCCUPATION TEACHES SO MUCH IN SUCH A VARIETY OF WAYS.

I BELIEVE THAT BY MY TOIL I AM GIVING MORE TO THE WORLD THAN I AM TAKING FROM IT, AN HONOR THAT DOES NOT COME TO ALL MEN.

I BELIEVE WHEN A MAN GROWS OLD AND SUMS UP HIS DAYS, HE SHOULD BE ABLE TO STAND TALL AND FEEL PRIDE IN THE LIFE HE'S LIVED.

I BELIEVE IN CATTLE RANCHING BECAUSE IT MAKES ALL THIS POSSIBLE.

## NOTES

---

## SOME MEMORIES AND PHILOSOPHY'S OF MY LIFE

I will soon be 85 years old. My family asked me to write some of my history so I thought I would share it with you in the catalog. I was truly born to wonderful parents March 15, 1933. I have 5 wonderful sisters. My parents were exemplary, loving, kind, honest, hard working members of the Church of Jesus Christ of Latter-day Saints.

I have seen more changes in transportation, electronic communications, scientific inventions and the highest standard of living than in all the history of the world combined. We are so blessed to have founding fathers that valued Freedom more than life itself. They were inspired to write the Declaration Of Independence and The Constitution, which have made all of this possible. Through the free enterprise system, which gives us the great opportunity to start a business, own property and make a profit. Being able to make a profit for oneself gives us the motivation and drive to make the world better for our families, friends and our society.

I was born during the great depression when many of the banks went broke and nobody had any money and beside that there was the worst drought in history and few crops raised. Many people could not raise any feed for their livestock, so the government would buy their cattle for \$4.00 per head and sheep for \$2.00. They would shoot them and then give the meat to anyone that wanted it. There were very few cars or pickups and none of them had 4-wheel drive. Most people traveled with team and wagon or buggies or rode horseback. If you were going a long distance this would take many days or sometimes weeks.

My Granddads youngest brother, Uncle Al, would take a herd of cattle and some packhorses and drive them 125 or 175 miles to winter range and live in a tent all winter, living on salt bacon, potatoes, and coffee. He was returning to Beaver in the spring of 1908, when he

took a wrong road and this put him at the head of Asay Creek, which is 75 miles southeast of Beaver. He said it was the most beautiful place he had ever seen. He saw a man that owned it and he told him it was for sale for \$5,000. Uncle Al rode as fast as he could home to tell my Granddad about it and they went back and bought it. This is such a wonderful summer country and has forever changed our lives.

All the time when I was growing up everyone was pretty well self-sustaining. Everyone raised a big garden and the women would bottle vegetables and fruit for the winter and make their own soap. Everyone also had milk cows, pigs and chickens. There were no freezers for keeping meat, so in the summer they would kill a sheep to eat and wrap the meat in blankets to keep it cool.

I grew up loving animals, especially horses. Our favorite horses were just like part of the family. When one of them would die we shed a lot of tears. I got my first black and white paint mare when I was 12 or 13 and have that same family of paints all these years. I also have some fancy quarter horses and some brood mares that are as good as any in the country.

When I was going to school my Dad was in partnership with his brothers Ike and Roy. We would start haying the middle of June and cut, rake and haul hay 6 days a week till the middle of September. We would work 7 to 10 teams every day and I grew to love draft horses. I had a small flock of sheep for a while and raised fancy chickens. I had about every kind of chicken there was. For a while when I was in school I also raised singing canaries. My mother was a great gardener and loved flowers and trees and I inherited this from her.

My parents Wallace, and Melba, Yardley with my five sisters Jolene, Nina Rue, Silvia, Blanche, and Jeannie.

Grand Champion Steer at the 1951 Southwest Livestock Show. These little Herefords at that time had no performance. Cattle have come a long ways since then.

I have always liked showing cattle. I used to show feeder calves more than breeding stock and I showed for many years at the Cow Palace in San Francisco, The American Royal in Kansas City, Louisville and for 40 years at the greatest of all Stock Shows, the National Western in Denver, Colorado. When I was young I made a goal to raise the best cattle and horses as any in the country. I feel that I have achieved this goal.

I have always liked handy corrals and fences, good barns and sheds. My daughter, Jeannie, lives in Oklahoma and has been on ranches all over the country. She says that she has never seen a set of corrals as handy as ours for saving time and efficiently handling cattle.

When I was 19 years old I was drafted in the Army. I spent several months in Basic training in Fort Ord, California. There were a lot of tears shed when I left for the Army. My Dads oldest brother, Uncle Gib, whom I was named after was idolized by my Dad. He died in the 1st World War in France. I was shipped to Korea on a troop ship and spent 17 days on the ocean. I got so sea sick I wanted to die and couldn't. I have hated the ocean ever since. When I was in the army I hitchhiked on weekends all over California. Three months after I was drafted my grandmother died. I had been very close to her and they let me come home. I hitchhiked and could make better time than I could riding the bus. If you were in uniform, people would always pick you up. I wouldn't dare do that today. After being discharged from the Army I was only home for 30 days when I was called on a 2-year mission for our church, going to the six New England states and Eastern Canada. My church mission was a great experience and I gained knowledge of the true teachings of Jesus Christ and that has given me a firm and lasting foundation for my life. The Lord blessed many people through me and they in turn greatly blessed my life. I spent 10 months in Canada and got so cold I've never got thawed out since. I've hated winter ever since.

We have always been very patriotic and strong defenders of Freedom and America. I have always been a strong conservative

and interested in politics. I have always believed that the least government we have the better for everyone. I am proud of President Trump and the job he is doing to turn this country around. We had the biggest tax cut in history, the highest stock market in history and he is doing away with a lot of Obama's anti American executive orders. He has eliminated many regulations for everyone that the bureaucrats try to pass that stifles business, and appointed a new conservative Supreme Court Judge who will affect our country for 50 years. I really feel sorry for President Trump for all the lies and meanness that the news media and the liberals keep throwing at him.

America is a Christian Nation. This is one of the biggest reasons that this country is so successful and prosperous. God wants us to be happy in life. The only way you can find true happiness is by living the gospel of Jesus Christ and keeping His commandments. The 10 Commandments are found in the Bible, in the 20th chapter of Exodus. The gospel of Jesus Christ is catered around "LOVE". He tells us to love God and love our neighbors as ourselves. The golden rule is to do unto others, as we would want them to do to us. He also taught us that our bodies are temples of our spirits and that we should not defile them. Good health is one of our greatest blessings for happiness. What we take into our bodies deeply affects us. We don't believe in using any kind of alcoholic beverages, or tobacco. We don't believe in using any drugs except for medical purposes or as prescribed by a doctor.

Whenever we talk to our kids and our grandkids we always tell them we love them and they always tell us the same. We believe the family is the most important unit of any society. It is our family that brings us our greatest joy and happiness. From the time my kids were big enough to go with me I always took them with me and they grew to love and appreciate our cattle and horses and the land on our beautiful ranches. We believe in eternal marriage and that if we live righteously on earth we will be able to live with God in Heaven in a state of never ending happiness.
