Lot 162 is a beautifully built, deep bodied package with a zipper tight front end, a great amount of capacity carrying from her fore rib to her flank, loaded with volume, width and capacity built right from the ground up with a great set of wide based wheels. She has an amazing udder and has averaged an impressive 682# WW average on six calves including an \$8,500 son purchased by our good friend Lanny Putnam. Her youngest daughter, a first calf heifer, just weaned a 711# adj. WW calf. Another daughter produced our featured, Yardley Charmed. Her dam is a full sister to our stunning donor W172, and her sire was a tremendous Steel Force son. This is one of the best cows in the sale bar none!

Lot 168 is one of the best females in the offering and has been a standout on our ranch since she was a calf. There's not a female around with much more spring of rib and depth. She has an amazing hind quarter, level topline, and smooth shoulder with awesome hair. Her feminine, prolific and profitable dam, S504 has been one of the most prominent donors on the ranch producing two tremendous herd sires; Yardley Zion and Yardley Embark. She also produced a \$14,500 feature of our '14 sale purchased by cattleman Corey Rains of NE. Her \$275,000 Sire, SAV Harvester, needs no introduction as one of the most popular sires in the breed.

This well balanced, broody female exhibits true Angus breed character with a look of femininity and ideal phenotype. Her \$750,000 sire, SAV Sensation, was the high selling bull of the '16 SAV sale. His mother, SAV Blackcap May 4136, is the No.1 income producing cow in SAV history. She has generated over \$4,000,000 in progeny sales to date.

This nice fronted, square made female's maternal line is one of the best on the ranch, loaded with tremendous cows that flat out work, maintaining a tremendous amount of fleshing ability while weaning near phenotypically flawless offspring. Her stellar dam is a flush daughter of the immortal Steel Force and standout donor P199. This flush mating produced two sisters that were some of the favorite heifers in their calf crop. Steel Force will go down in history as one of the most influential bulls in the Simmental breed with numerous champions, sale toppers, stud sire sons, and donor daughters that will leave an indelible mark on the breed for years to come.

This big topped maiden strikes an impressive pose as she moves out with a look of confidence and sophistication; she is a maternal sister to Yardley Gib a tremendous AI sire and one of the best calves of our entire crop. Their heavy milking dam has a 104 weaning weight ratio and has done an awesome job with several high dollar sons that have bolstered the sale day averages and outperformed many of their contemporaries. Her sire, Uprising, is a popular AI stud that has produced many top end show heifers and impressive sons that have sold as high as \$105,000 with several that have sold for well over \$20,000!

Our cattle do a lot of walking. We are very fussy about good feet and legs. Lot 173's sire Loverboy, is the former Denver supreme champion Simmental bull. He is the most correct legged bull we saw in Denver. His dam was the Grand Champion Simmental female at 2009 American Royal Show in Kansas City.

E233's sire, North Force is the pinnacle of perfection in terms of power, performance and phenotype. His width, depth, and overall mass is unsurpassed by any bull on the ranch which is reflected in his real world numbers. He is the result of a mating of two of the elite individuals in the Simmental breed. His donor dam is a beautiful long-bodied, deep-sided female with a perfect udder and flawless structure who has proven to be our most productive purchase from Griswolds in terms of dollars and pounds. Her first heifer to sell, Yardley Blitz, was a crowd favorite, selected by Brent White of Iowa for \$16,500.

I went to Canada over 50 years ago to look at the Simmental bulls that had just been imported from Europe. The Alberta government had them tied in a barn and at one end was a soled red bull that they said was a Maine Anjou imported from France. I had never heard of these cattle before, and I thought Cunia was one of the best bulls I had ever seen; I bought some semen out of him and have these Maines ever since. This is a productive cow. She has had six calves that has averaged 685#.

**LOTS 102 & 136 ARE OUT OF THE SALE

*FALL BREEDING...Fall Bred cows were put with the bull listed. However, being on the mountain at time of breeding, they possibly could have been bred by another Yardley herd sire.

Thank you for coming! God Bless You and God Bless America! We look forward to seeing you at our Bull Sale Saturday, March 9, 2019! –Gib Yardley Family
