

2016 DENVER GRAND CHAMPION SIMMENTAL

Love Boy
Purebred Simmental ASA # 2941516

CALVING EASE SIRE SUPREME

He is one of the easiest calving purebred Simmentals in the breed. The last 2 years we have had 60 heifers calve out of him and we have never had to pull a calf. They are stylish, correct with growth, performance and eye appeal. Our cattle have to do a lot of walking, we are fussy about good feet and legs. There is an epidemic of back curly toes and toeing out on the front legs in both Simmentals and Angus. He is the most correct bull you will find. He is a Duracell by Dream On x Built Right. His dam was the Grand Champion female at the American Royal. **You NEED to Try Him.**
