*Cattle Company*

*47th Annual*  
**Bull Sale**

Saturday, March 14, 2020 1:00 MST

# Welcome

*Dear Friends, Fellow Cattlemen, and Valued Customers:*

Greetings from all of us to all of you from the beautiful Deserts, Valleys and Mountains of Southern Utah. Welcome to our 47th Annual Bull Sale. We are privileged and honored to be your seed stock producer and a part of this great cattle industry. It is awesome to work day in and day out with such an outstanding group of individuals comprising this industry. My great Grandfather was one of the first original settlers of Beaver and came here in 1856 and my family has been raising cattle ever since. We feel very blessed to live in the greatest Nation on earth that has been so blessed with FREEDOM and prospered by the hand of GOD.

We have something for everyone in this sale and the QUALITY is as good as you will find any place in America. Our cattle have worked for thousands of other buyers and THEY WILL WORK FOR YOU. Our cattle are backed by many generations of highly productive cow families THAT HAVE STOOD THE TEST OF TIME. Our objective is the production of cattle that have lasting economic significance and make a profit for our customers.

I am 87 years old and have spent my life breeding, culling and selecting these cattle. We have been AI'ing for 52 years plus breeding to the best bulls we could raise or buy. This has given us a cow herd that is as good as any in the America. THESE ARE NOT ORDINARY CATTLE. IF YOU WANT THE BEST BULLS WE HAVE THEM IN VOLUME.

We have 190 Bulls that you can choose from the highest performing bulls in the industry. They will sire heavier muscled, fast gaining calves with more style and eye appealing good looks that you always enjoy looking at, and that will top the market. DON'T SETTLE FOR LESS WHEN YOU CAN HAVE MORE

It is the mother cow that is the most important part of any operation. NO MACHINE CAN BEGIN TO COMPETE IN EFFICIENCY OR THE COST OF OPERATION OF A GRAZING COW. Our cows are run on a grass, forage based range year round. They calve unassisted on desert winter range at 5200 feet elevation and summer in the high mountains from 7,000 to 10,000 ft. Fleshing ability is a function of body type and not an EPD or any other number.

These two maternal traits can best be analyzed by visual appraisal from the eyes of a cattleman and assessed along with performance data. We analyzed EPD'S but the main selection tool we have always used is individual performance, birth weights, weaning weights, yearling weights, plus eye appealing good looks and structurally correct conformation.

THIS IS A FAMILY CATTLE RANCHING OPERATION. Family traditions are part of the way of ranch life in the West and farm life in the East fostering the passage of knowledge, honesty, integrity and hard work between the generations of those who take part in this unique and wonderful way of life. We are very grateful for the hard work of our

family and our dedicated ranch hands to get every job done right. I want to thank Steven and Rodney for their footnotes, clipping and picturing the bulls, and Jeannie for the advertising and Michelle for the records and data. They have all worked unceasingly around the clock to get this catalog out.

We are also very grateful for Josue Garcia who has worked here 20 years and Jose Guzman who has been here almost as long. They are the most dependable, hard working men you'll ever see and know how to do everything.

We take the seed stock business very seriously. Our disciplined breeding program does not follow fads, but rather has a charted specific course to breed real world cattle for real world cattlemen who sell pounds for a living, with the necessity to do it as efficiently and profitable as possible. Our unwavering focus remains on performance and maternal traits with specific emphasis on the cowherd and the basic profit-driving traits of fertility, longevity, fleshing ability, to stay fat on grass. They have the maternal value and the ability to raise heavy, eye appealing calves that will top the market and produce a quality end product.

We'd like to extend our gratitude to all our customers and friends. We really appreciate your friendship and business. We are grateful for your confidence in our cattle, our program and family.

We look forward to seeing you at the sale and talking with you on the phone. GOD BLESS YOU AND GOD BLESS AMERICA.

Sincerely yours for a better cattle business.

Steven Yardley.....435-310-1725  
Rodney Teichert.....801-824-8851  
Jeannie Yardley Griswold..... 435-421-1200  
Ranch Email.....yardley1@gmail.com

### SALE AND RANCH STAFF

Herd Records: Michelle Smith, Minersville, UT  
Sales Clerk: Tawnya Yardley Teichert  
Advertising: Jeannie Yardley Griswold  
Ranch Staff: Josue Garcia, Jose Guzman,  
Steven Yardley, Rodney Teichert  
Veterinarian: Dr. Evan Yardley, Beaver, UT  
PAP Test: Dr. Monty Myers, Nephi, UT  
Brand Inspector: Thane Marshall  
Pay Clerk: Michelle Smith, Lori Hoffman, Emily Maxfield  
AI Technician: Zane Yardley  
Ultrasound: Chad Gordon, Fletcher, OK  
Internet: Dan Broz, NE  
Catalog Design and Video: Chris Petersen, Cedar City, UT  
Barbecue: Daren Oberg Family, Genola, UT

### TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service. St. George, UT is 100 miles South of Beaver on I 15. It is served by United, Delta, and American Airlines.

### TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 300 miles of your home anyplace in the United States for no more than \$300/head. This guaranteed delivery price does not apply to cattle that have not been fully paid for within ten days of the sale date. NO CATTLE WILL LEAVE THE RANCH UNTIL PAID FOR IN FULL.

### ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.  
Days Inn .....435-438-7800  
North Interchange \$29  
Butch Cassidy Inn.....435-438-2438  
Downtown limited trailer parking \$65  
Quality Inn.....435-438-5426  
South Interchange \$60  
Comfort Inn.....435-438-6283  
South Interchange \$79

### RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go west on Center 1 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON LEAVING HWY 21, TRAVELING NORTH ON THE GRAVEL ROAD, EXCEPT FOR OUR HOUSE AND LOT, THE HORSES, CATTLE AND LAND DO NOT BELONG TO US UNTIL YOU CROSS THE CATTLE GUARD JUST BELOW OUR SALE BARN.

### BARBECUE

We will have a barbecue dinner in the sale barn starting at 11:00. Barbecue will be prepared by the Daren Oberg Family.

### STAY TILL THE END OF THE SALE

Department stores don't put all the good stuff at the front door, do they? Great bulls will come into the ring all day long, AND IF YOU DON'T STAY UNTIL THE END YOU MIGHT MISS THE BEST DEALS OF ALL! WE WILL HAVE A DRAWING AT THE END OF THE SALE. All lot numbers will be put in a hat. You must be present to win. THE WINNING NUMBERS WILL RECEIVE A CHECK FOR \$300, THE 2ND PLACE WILL RECEIVE \$200 AND 3RD PLACE WILL RECEIVE \$100.

## TERMS & CONDITIONS

**TERMS:** Terms of this sale are cash, or a good check, unless arrangements are made prior to the sale. Settlement to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared.

**BIDDING:** All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

**RISK:** All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

**HEALTH:** Every bull in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. Bulls were Dectomax treated. They have been vaccinated twice for IBR, P13, BVD, BRSV, 8-way Blackleg, One Shot Pasturella, Somnus, and Enforce.

**ANNOUNCEMENTS:** Announcements from the auction block will take precedence over any printed matter, and any other announcements.

**TRUCKING:** All trucking is the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We can only get these bulls delivered to central points. All cattle must be paid for in full before leaving the ranch.

**GUARANTEE:** Every bull has been tested for Tric and semen evaluated by a licensed veterinarian. We will guarantee the bulls selling in this sale to be fertile at the time of sale. Several of the bulls in this sale are of "Herd Sire" quality. If the buyer chooses to have semen collected on a bull, Yardley Cattle Company can not guarantee that the semen will freeze. **KEEPING BULLS TILL MAY 15TH:** We can do this but encourage you to insure them as the risk is the responsibility of the buyer. \$3.00 per head per day will be charged until the bulls are picked up.

**LIABILITIES:** Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. The owners and employees of Yardley Cattle Company assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

**REGISTRATIONS:** REGISTRATION PAPERS WILL ONLY BE FURNISHED IF REQUESTED AT THE TIME OF SETTLEMENT AT THE CONCLUSION OF THE SALE OR WITHIN 3 WEEKS. If requested later, buyer must pay additional registration fees. Leave the name and address to which you would like your bulls transferred on your sale slip when you settle up. Please print so that it is legible.

**CONTRACT:** The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. Late in the summer it is necessary to mix breeding groups. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30. When you get your bulls home put them with another bull or cow and don't leave them alone in a corral. This makes them wild.

## ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale. Bids will be handled with the strictest of confidentiality.

### 1-Work with one of us to fill your order.

Due to the size of the offering it is impossible to picture every bull. There are many quality bulls that may not be highlighted that will fit your program. Feel free to call anytime prior to the sale. Sale days are crazy! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney 801-824-8851

### 2-Bidding via DVAuctions.

Bid via [www.DVAuction.com](http://www.DVAuction.com). For more information contact DV Auction at 402-316-5460.

### 3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....(435) 310-1725  
Rodney Teichert.....(801) 824-8851  
Jeannie Y. Griswold.....(435) 421-1200  
John Griswold.....(405) 780-3300  
Angela Y. Barton.....(435) 310-1147  
Emily Y. Maxfield.....(435)310-0038  
**PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.**

If you would like to register as an absentee bidder please call 435-691-4854. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, March 16th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

## VIEW THE AUCTION LIVE

# DVAuction

Visit our website...  
[www.DVAuction.com](http://www.DVAuction.com)

For more information contact DV Auction at 402-316-5460.  
Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

## THESE BULLS WILL SELL IN EVERYONES PRICE RANGE.

We cull bulls from branding up until the sale for structural soundness, quality, breeding soundness, and temperament. Not every bull is destined to sire calves. **AS SEEDSTOCK PRODUCERS WE TAKE THE RESPONSIBILITY TO MARKET QUALITY BULLS SERIOUS.** We realize that your success depends upon our breeding program and we strive to have quality from the first lot sold to the last bull to walk through the sale ring.

### FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3000 or more will be covered 50% by Yardley Cattle Company if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. 50% of the value of the injured bull will be given as credit in a future sale or toward a replacement bull if one is available. **ALL INJURED BULLS MUST BE DIAGNOSED BY A VETERINARIAN AND WE MUST RECEIVE THIS AND A LETTER FROM YOU IN WRITING.** Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage. If at all possible we would like the injured bull to be returned to us. **ALL CLAIMS MUST BE MADE BY OCTOBER 1st.** We will not replace a dead animal for any reason.

### RETAINING 1/3 SEMEN INTEREST ON ALL BULLS!

**SEMEN INTEREST:** We are retaining at least 1/3 semen interest in all bulls selling. The new owners of the bulls will have full possession and all salvage value. If semen is sold we retain one-third of all revenue. There will never be more than 2 or 3 bulls a year that we will want to collect.

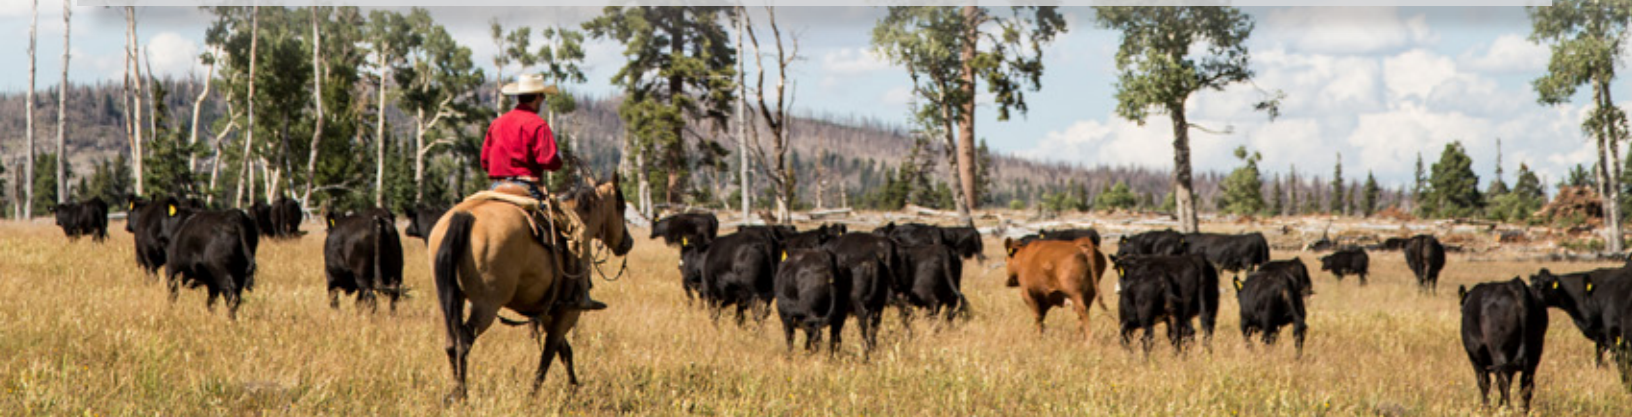

To whom it may concern:

Traveling the country over the past 15 years Ultra sounding Cattle I have seen many types and breeds of cattle that vary greatly in carcass traits and phenotypic quality. Gib Yardley contacted in the Fall about coming to Beaver, Utah and ultrasounding their yearling bulls. I was truly amazed with the amount of muscle and marbling the Yardley bulls possess in a very sound functional package. It has always been a pleasure to evaluate cattle of different breeds and what each of them offer to the Beef industry. On March 14, Bull buyers from across the United States will have the opportunity to purchase genetics from Yardley Cattle Co, a breeding program that has stood the test of time and continues to excel in carcass quality and maternal traits. Whether you are a Purebred Seedstock Producer or a Commercial Rancher retaining ownership of your calves through finishing Yardley Genetics will work for you. It has been proven that 1 square inch of Ribeye Area per hundred pounds of body weight on a Yearling Bull is average, as you evaluate the offering you will see that the Yardley Bulls will certainly exceed that while having high adjusted %IMF Values. A 4% IMF score is equated to a low Choice Quality Grade on fed cattle, Bulls will generally sire fed calves that are 1% higher than their own %IMF adjusted value. Translation as you see many Bulls in the sale with %IMF values of 4% or greater they will transmit these high IMF values to their offspring while increasing Ribeye size lowering numerical Yield Grades. It is always my pleasure to travel to Utah and ultra sound bulls of superior structural soundness, quiet disposition, and work with a Great Family. As you evaluate the bulls and make your purchases, buy with confidence, you are not only buying great bulls you are buying into a program and the Yardley's will stand behind what they sell.

Thanks,  
*Ghad Gordon*

### PLEASE BRAND YOUR CATTLE WHEN YOU GET HOME!

Our bulls are not pampered and are not overly fat. They are developed on high roughage rations for comparison only and not for maximum gain. You will not be paying for over fleshing that will melt away as the breeding season progresses. By not force feeding these bulls, you can be assured they will be sound, athletic, and ready to service cows. They are grown in big lots where they get lots of exercise, so they can take the toughest ranges. These bulls are grown mostly on hay with a 50/50 alfalfa grass mix with less than 1% of their body weight in grain.

We have always concentrated on producing a functional, balanced, all purpose beef animal. One that is thick and moderate framed, not too big or too small, and that has a natural fleshing ability. If a cow has feed, We expect her to stay fat while raising a 700 lb. calf without creep. We believe in a balance between performance, eye appeal, and maternal traits. Above all, we have eliminated the problem cattle. To achieve balance, ranchers need cattle that are not necessarily the tops in all traits, but they can't be weak in one single trait.

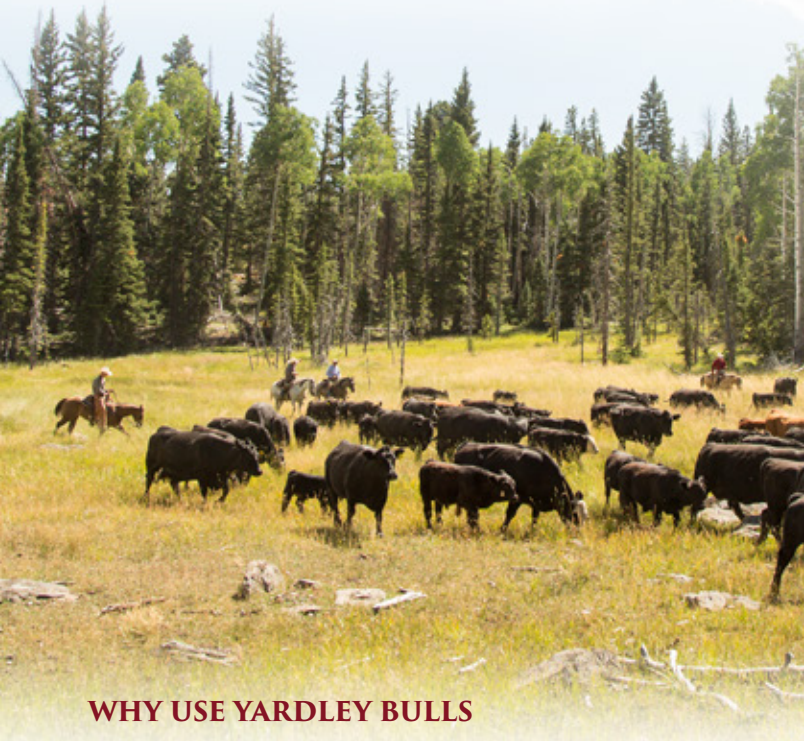

## THE FACTS ABOUT PAP TEST

Brisket Disease of cattle is the result of right congestive heart failure, but is brought on specifically by effects of the lower oxygen pressures present when cattle are kept at high altitudes above 7,000 feet in elevation. The test is a measure of the pulmonary artery pressure (PAP). We have been testing our bulls for quite a few years. Most of our Simmentals summer from 9,000 - 10,000 feet elevation and we have very very few of them ever affected by brisket disease since they originated in the alps

**IF YOU RUN BELOW 7,000 FEET ELEVATION, PAP SCORES SHOULD NOT BE CONSIDERED WHEN SELECTING BULLS.**

of Switzerland and were bred for higher elevation. Dr. Tim Holt of Colorado State University is the countries greatest authority on this disease and has tested many thousands of cattle. Our bulls are tested in Beaver at 6,000ft. elevation. A pap score under 44 is low risk, 45-49 is moderate risk, and above 50 is high risk for cattle running above 7,000 feet of elevation. If you run under 7,000 feet elevation, PAP tests do not generally need to be taken into consideration.

We've purchased bulls and females from Yardley Cattle Co for years, but tonight, as we flip through the 2019 Focus on the Female catalog, we feel the need to express what an impact this family has made in the U.S. cattle industry. Each page is filled with INCREDIBLE cattle. They are sound structured, heavy muscled, balanced, and soooo deep! Bar-none, **THE BEST CATTLE** we've ever seen. Ever. We are so proud to know these people and have the chance to bring home some of their genetics. Incredible cattle, incredible people.

Sincerely,

*Kacie and Reyes Carballo and family*

Kacie is a former member of the Casper College Livestock Judging Team and Currently lives in Parowan UT with her husband Reyes. They have a nice ranch and Kacie is the FFA teacher and advisor there.

## WHY USE YARDLEY BULLS

1. THE BIG FEEDERS PAY A PREMIUM FOR CALVES SIRED BY OUR BULLS BECAUSE THEY ARE THE BEST GAINERS AND THEY HAVE THE LOOK, EYE APPEAL AND UNIFORM PHENOTYPE.
2. Their daughters will be the most productive, structurally sound cows you've owned.
3. Their calves will weigh 25 to 100 lbs more at weaning.
4. These bulls are wintered in big lots on half grass/alfalfa and only 1% grain.
5. They are born unassisted on the range and walk 25 miles to and from the summer range that goes to 10,200 ft. elevation, so they have to be structurally correct.
6. OUR CALVES ARE NEVER CREEP FED, their birth to weaning growth is based solely on their ability to perform on their mothers.
7. Our cows winter on desert winter range without hay. They have natural fleshing ability to stay fat on grass and take care of themselves.
8. All bulls are performance tested and backed by our first year breeding guarantee.
9. They have proven themselves to adapt to all environments and have sold into 30 states, Canada and Mexico.
10. Simmental and Simmental crosses are some of the most sought after cattle by order buyers, feedlots and for replacement females.
11. YARDLEY BULLS ARE BRED WITH THE COMMERCIAL CATTLEMEN IN MIND.
12. You are buying from a family that is honest, we will treat you fairly.
13. GIB YARDLEY IS A MASTER CATTLE BREEDER. He will be 87 years old on March 15th. He has Al'd for 52 years and has produced one of America's greatest cow herds. He has spent his life breeding this herd of cattle and raising a wonderful family.
14. THESE ARE NOT ORDINARY CATTLE. THEY HAVE MORE THICKNESS, DEPTH, MUSCLING, FLESHING ABILITY, PERFORMANCE, & STRUCTURAL CORRECTNESS IN A MODERATE SIZED PACKAGE.
15. Cross breeding pays. You can't afford not to.
16. You don't have to baby and pamper them.

# UNDERSTANDING THE DATA

**EXPECTED PROGENY DIFFERENCE (EPD)**, is the prediction of how future progeny of each animal are expected to perform relative to the progeny of other animals listed in the database. EPDs are expressed in units of measure for the trait, plus or minus. Interim EPDs may appear on young animals when their performance has yet to be incorporated into the American Angus Association National Cattle Evaluation (NCE) procedures. This EPD will be preceded by an "I", and may or may not include the animal's own performance record for a particular trait, depending on its availability, appropriate contemporary grouping, or data edits needed for NCE.

**Calving Ease Direct (CE)**, is expressed as a difference in percentage of unassisted births, with a higher value indicating greater calving ease in first-calf heifers. It predicts the average difference in ease with which a sire's calves will be born when he is bred to first-calf heifers.

**Birth Weight EPD (BW)**, expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

**Weaning Weight EPD (WW)**, expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires.

**Yearling Weight EPD (YW)**, expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

**Maternal Milk EPD (MK)**, is a predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters compared to daughters of other sires. In other words, it is that part of a calf's weaning weight attributed to milk and mothering ability.

**H/P/S:** Horned (H), Polled (P), Scurred (S)

**WDA:** Weight per Day of Age= ((Weight-Birth Weight)/Age in Days)

**TG:** Test Gain=((Weight-Weaning Weight)/Days on Feed)

**Rib Fat:** inches of fat over the Rib Eye muscle

**REA:** Rib Eye Area measured in inches and adjusted to Yearling Age.

**%IMF:** % Intermuscular Fat in the rib eye muscle

**DWR:** Dam's Weaning Ratio on her number of calves and how those calves weaned compared to the average during those years.

-Example: 5/110; bull's dam has had five calves that have weaned at 110% of the average.

## THE KEY TO THE PUZZLE = BALANCE

IT'S THE HARDEST THING TO KEEP IN THE FRONT OF OUR MINDS. WE ALWAYS WANT TO THINK THAT BIGGER IS BETTER, OR WE BUY BULLS BASED ON SPREAD EPD'S OR WE CHOOSE A BULL BECAUSE HE HAS ONE TRAIT THAT REALLY STANDS OUT. WE'VE ALL BEEN GUILTY OF IT, BUT THE REAL KEY IS "BALANCE," THE ONES THAT DO ALL THINGS WELL. I REALLY BELIEVE THAT THIS IS ONE OF THE HARDEST, IF NOT THE HARDEST, HURDLE IN BREEDING CATTLE. IF WE CAN STAY FOCUSED ON THIS, IT WILL MAKE US MORE PROFITABLE AND BETTER CATTLE BREEDERS.

## SUPERIOR LIVESTOCK AUCTION

Many of our customers like to sell their calves in Superior Sales. We have a "logo" that Superior puts on when the calves being sold are out of our bulls. The feeders pay a premium for calves out of our bulls because they know of the superior performance, eye appeal, structural correctness and exceptional carcass traits coupled with docility and hybrid vigor. We have spent our lives breeding these cattle to perform and bring this premium. We pay Superior \$25/load to put our logo on the screen when our loyal customers' cattle come in. We are happy to do this to assist

you in getting top dollar for your calves and by helping the people who buy your calves get a top return on their investment through our top quality genetics and be 100% satisfied with their purchase. In order to ensure this, we request that a minimum of 60% OF YOUR CALVES ARE OUT OF OUR BULLS/LOAD ADVERTIZED. This protects our quality reputation and ensures that whoever buys the calves are getting the advertised genetics. Please note that Superior will call us prior to placing our logo on any load selling to confirm that this is the case.

Class Act is a full brother to Sandeen Upper Class who sold for \$55,000 for half interest.

Whether it is his ideal dimension, softness of body, correctness of skeleton, flex in joints, looseness of structure or proven cow family behind him, Class Act will impress. He gained top accolades with a massive 817# adj WW and an explosive 1,442# adj YW.

- His famous dam, Donna 7386T sold for \$140,000 in '14 to Sloup Simmentals.

- His equally recognized maternal grandam, Donna 386, sold for \$100,000 for one-half interest and is one of the most impressive females in the Angus breed. Longevity, predictability, and potency are bred into this young stud.

We are super excited with our first set of Yardley Standout sons! They are cookie cutter molds of one another and have a tremendous amount of red meat packed into a long spined, smooth shouldered package, with adequate depth and spring of rib. Yardley Standout was our pick of our Loverboy offspring and out of our prettiest half blood Yardley High Regard daughters. They are born feather-light and hit the ground running. From a little 71# BW to an impressive 714# adj WW. Yardley Standard is sure to throw calves that will start light and end heavy.

-Standard's maternal line traces back to pathfinder Angus dam X138 whose weaning ratio has been 106 on 7 tremendous calves!

BELIEVE IN YOURSELF. BELIEVE IN YOUR  
 CAPACITY TO DO GREAT THINGS. BELIEVE  
 THAT NO MOUNTAIN IS SO HIGH THAT YOU  
 CANNOT CLIMB IT. YOU ARE A CHILD OF  
 GOD OF INFINITE CAPACITY.  
 -GORDON B. HINCKLEY

A powerful maternal brother to the dam of Standard.

Yardley Top Weight hails from one of our top cow families in terms of phenotype, performance and profitability. His highly productive dam records a notable 110 weaning ratio on 2 calves; his maternal grandam a 108 ratio on 5 calves. As a first calf heifer his dam raised a standout bull, Yardley Investor. His grandam, in turn produced our lead off lot 1 bull as a first calf heifer, Yardley Clear Vision, who sold for ½ interest to Bill Carsten of Hotchkiss CO for \$14,000. Simply put...you are investing in some of the best maternal bloodlines we have to offer.

JURY DUTY

Yardley Doll Face D112, maternal sister to the dam of Jury Duty.

Exceptional great grandam of Jury Duty.

The Judge, the stylish sire of Jury Duty.

G511's dam is very feminine fronted, deep bodied, easy fleshing and ideal uddered. She has entered the donor pen at an early age to join his grandam, Y22 who has been super productive. Our herd sire Standout was her first calf with a birth weight of 72 pounds, weaning weight of 773 pounds without creep, and a yearling weight of 1338. His extended front end and smooth shoulder give him added eye appeal and increase calving ease. Consistency is coming from both sides of the pedigree here.

Miss Yardley W151, the high-capacity grandam of G319.

YI Ensign Z394, a maternal brother to the dam of G319.

Big-hipped maternal brother to On The Money.

The productive grandam of G511.

YI Standout E270, a stellar maternal brother to G511.

Wheatland Affiliate, the massive sire of G404. Yardley High Regard, a maternal brother to G404.

The Judge, the stylish sire of G268. Maternal sister to the grandam of G268.

Thick-made maternal brother to the dam of G273. Powerful maternal brother to the dam of G273.

G404 is a maternal brother to \$30,000 breed legend, Yardley High Regard. High Regard's daughters have proven their ability in the showring and in the pasture as beautiful uddered, consistent producers of quality. The incredible amount of style and substance backing these cattle shines through the numbers game and leaves you with a set of mouth-watering females. Here is your rare opportunity to own a maternal brother to this legendary sire.

-His perfect uddered donor dam has proven herself time and again with an impressive weaning ratio of 105 on 10 natural calves including several high-quality sons bringing \$30,000, \$14,000 and \$7,000.

You'll love this massive made, moderate tank! He's the kind to soften up and add thickness; eliminating extra frame without compromising performance. His 692# WW and 1,355# YW tell you you'll be getting top gains whether you sell in the fall or keep them for feeders.

-His first calf dam did a tremendous job raising him up right. Her dam has been an awesome producer with a weaning ratio of 101 on 4 calves including a '19 lead off bull that sold to Kaiser Cattle of Savory, WY and a '17 \$5,000 fancy bull that sold to Steptoe Ranch of McGill, NV.

Yardley Lad D338, a masculine maternal brother to the dam of G267.

Maternal sister to G430.

JASS On The Mark, the sensational sire of G430 and G351.

G267 is a great combination of mass and substance in a rock-solid structure. You'll appreciate his big top, added width, and depth throughout.

-His maternal grandam ratioed 106 on 5 calves including two \$6,500 sons. Her heavy milking dam in turn ratioed 108 on 10 powerful calves and continues strong in production. Maternal families like these eliminate the guess work!

-His sire, SFG The Judge is a powerful, impressive AI stud and our favorite son of CCR Cowboy Cut and is sure to see more use within our herd. He ranks in the top 1% of the breed for WW, YW, and CW!

You'll love the amount of style and substance G430 carries coupled with a smooth shoulder, powerful hip, excellent flex, and exceptional hip!

-His picturesque sister was selected by longtime repeat customer Lou Seever of Pleasanton CA!

-You can't help but like the shape, power, thickness, and style of his sire, On the Mark. He will improve the breed as far as flexibility, depth of heel and foot shape. He comes with a unique double bred Macho pedigree and out of the great Loaded Up who is proving himself to be one of the hottest bulls in the breed. His dam was fourth overall at Junior Nationals and his grandam was reserve at the Beef Expo, he comes from great cattle generations deep.

You'll absolutely fall in love with the stylish and handsome Handyman. He has all the tools in the toolbox to do the job and get it done right. He has an awesome front end with superior extension which ties into a nice, smooth shoulder, a massive middle, strong top, impressive hip and lower quarter. He moves out with excellent flex in his hocks and pasterns on a big hoof pointing in the right direction. With a meager 75# BW he should work awesome on heifers and cows alike and leave you with a set of mouthwatering, front pasture females!

W/C Banchor 46D, the stylish sire of Handyman.

"OUR NATION WAS FOUNDED ON PRAYER, IT WAS PRESERVED BY PRAYER, AND WE NEED PRAYER AGAIN. I PLEAD WITH YOU THIS EVENING TO PRAY FOR THIS COUNTRY, FOR OUR LEADERS, FOR OUR PEOPLE, AND FOR THE FAMILIES THAT LIVE IN THIS GREAT NATION FOUNDED BY GOD. REMEMBER THIS COUNTRY WAS ESTABLISHED AND PRESERVED BY OUR FOUNDING FATHERS AND MOTHERS WHO REPEATEDLY ACKNOWLEDGED THE HAND OF GOD THROUGH PRAYER." -M. RUSSELL BALLARD

We could write a book and not cover all the credentials and maternal backing of this stud, Top Hat! His donor dam is a maternal powerhouse; she stands as the most profitable and productive female at Yardley Cattle Company in terms of dollars and pounds. She produced our herd sire Yardley North Force. Two flush mates to G407 were sale standouts, \$12,500 Yardley Top Mark selected by the renowned Wheatland Cattle Company of Saskatchewan Canada and \$10,000, Yardley Top Cut, selected by our friend Dick Wheeler of Casper WY. Another sale stopping, maternal sister, feature show heifer, \$16,500, Y1 Blitz purchased by Brent White of IA and a \$14,000 maternal brother was purchased by Peter Mori of NV.

Here's a handsome recruit in a purebred package. He is loaded with rock solid performance; a 762# adj WW and a 1,428# adj YW!

-His big bodied, stellar, long lived donor dam has been one of our best producers with an unparalleled track record; averaging 750# on 12 calves for a weaning ratio of 112; a true test of longevity, profitability and performance!

- Past sons include Yardley Step Ahead, an \$11,000 leadoff, '17 sale day favorite selected by Mark Beitelspacher of Boweolle SD.

You'll love the added amount of volume and rib shape coupled with the tremendous hip and width of this powerful herd sire prospect.

-G410's dam is a massive made feminine powerhouse with a proven track record; 10 superior calves have a stellar ratio of 109 and her sons have averaged 1,406# yearling weights. Included in this is Yardley Black Gold who sold for a total valuation of \$16,000 by longtime customer and friend Alan Kunzler of Grouse Creek UT.

-Our OCC Jet Fleck daughters have left a lasting positive imprint on our herd. They continue to write their own history with several quality daughters and granddaughter's in production.

G473 is a result of the magical SimAngus cross of Gib on a stylish productive Yardley Bold Brave daughter. This mating brings together the best of both worlds where both breeds complement each other. The Simmental breed brings increased length of body, muscle definition, bone, milk, and performance. While the Angus breed brings added depth of body, softness, leg set and maternal traits. Blended together they result in an animal that has added longevity, performance, hardiness, and hybrid vigor –all traits of significant economic importance.

You'll love the strong top, powerful hip, and exceptional design of this son of Loverboy along with his impressive spread from 73# at birth to 723# at weaning. -G360's dam has done a tremendous job with a weaning ratio of 103 on 6 calves including a sale day delight in '15 of \$8,500 to Kay Baumgardner of CO.

IF WE EVER FORGET THAT WE ARE  
ONE NATION UNDER GOD, THEN WE  
WILL BE A NATION GONE UNDER.  
- RONALD REAGAN

A feminine maternal sister to the dam of G360. A maternal brother to G360.

Yardley Accolade is everything his name implies and more. He has been a standout bull since day one with a nice 75# BW he hit the ground running and had notable 749# adj WW and slingshoted forward to a hefty 1,344 # adj YW. He is stylish and square with an added dose of power, lower quarter, and width over the top.

-His dam was Jose Guzman's pick of the heifer calf crop. She is a remarkable individual with the front pasture look whose maternal line traces back to N181, the dam of our incomparable herd sire Skipper and a \$16,000 show heifer. N181 sold for \$20,000 to our good friends Wayne and Barb Olrichs of Norfolk NE.

YI Cashier F444, a stellar maternal brother to Accolade.

"WHEN MAKING DECISIONS, GOD EXPECTS US TO: PRAY, TRUST, AND BE BELIEVING AND THEN NOT GIVE UP, PANIC, OR "JUMP SHIP" WHEN SOMETHING DOESN'T SEEM TO BE GOING RIGHT." -JEFFREY R. HOLLAND

We are really pleased and excited by our SAV 654X Rainmaker offspring, as you study Rainstorm you'll understand why. He's a powerful hiped, strong topped, smooth shouldered, stylish brute that combines functional mobility with impressive eye appeal. If you are wanting to moderate and add style to the equation in a calving ease package Rainstorm will quench your thirst.

-An impressive, \$8,250 maternal brother to his dam was selected by our longtime repeat customer and friend Mike Larson of Ephraim UT.

SAV 654X Rainmaker 7133, the exceptional sire of Rainstorm.

Heavy-muscled maternal brother to the dam of Rainstorm.

FORECASTER

Yardley Lad F467, a soggy built maternal brother to the dam of Forecaster.

“AMERICA  
IS TOO GREAT

You'll be seeing a lot more use from SAV Catalyst. His calves are deep bodied, bold ribbed, powerful hipped and fancy fronted with great feet and legs. He brings added length of body and thickness to the equation while maintaining a smooth shoulder and better calving ease than his EPDs reflect. Accelerator is the only son in this year's offering, but what we lack in quantity we make up for in quality. Accelerator is sure to impress and with a mere 67# BW he should work great on heifers.

SAV Catalyst 6704, the powerhouse sire of Accelerator.

The stylish grandam of Accelerator.

Supporter is a bold sprung rip with impressive length of body and dimension.

-His "no miss" dam is as pretty and feminine as you could paint one. Her past offspring include an elite \$10,000 feature show heifer selected by Ronnie Smith of Denton Texas and a \$6,200 standout in last year's sale selected by David Larson of Ephraim UT. A maternal brother, to Supporter's dam, Yardley High Roller, was our pick of his crop and kept by us as a herd sire.

Broody maternal sister to Reputation.

Miss Yardley U92, the dam of Reputation.

Freys Believer, the attractive sire of Devoted.

A stunning maternal brother to Devoted.

Miss Yardley B12, a \$10,000 maternal sister to Supporter.

The perfect-uddered dam of Supporter.

SAV President, Sire of lots 80-83.

### **MISS YARDLEY Z69, THE EXCEPTIONAL DONOR DAM OF LOTS 80-83**

You'll love the amount of depth and real world dimension these flush mate brothers bring together in a long bodied, powerful hipped package with exceptional flex in movement and extension through their front end. He is sure to make a lasting impression for years to come by the lucky owner of his offspring.

-These President sons have tremendous maternal backing. Their donor dam, Z69 is a consistent producer of some of our top end Angus, as are her daughters. She has the defining characteristic of a great breed piece –she consistently out produces herself! Her 5 calves have ratioed at 104 at weaning including her impressive \$9,500 Yardley Revenue, a sale day favorite selected by Jim Schipper of Martin MI.

- Several of her daughters are retained in our herd and continue their dam's lasting legacy of being top-of-the-line producers! We preach cow families because we know they are the key to consistent quality in the offspring of your purchases, these bulls come from a great one!

A handsome maternal brother to lots 80-83.

YI Challenger F286, produced by a maternal sister to the dam of lots 80-83.

YI Revenue F360, an incredible 3/4 brother in blood to lots 80-83.

Alliance is the cattleman's kind of bull, this balanced bull will infuse in his offspring to make cows that will work in the hardest conditions.

-Alliance's dam exhibits depth, width, and hip coupled with easy fleshing ability making her a true outlier. You'll appreciate the spring of rib and capacity she passes onto her offspring along with stout bone and a sound hoof. Her first calf, C466 caught many eyes and brought \$8,000 selling to Josh Curtis of Jensen, UT.

Stalone packs a powerful performance punch; don't let his age fool you –he competed impressively well against his older contemporaries.

-His easy fleshing donor consistently produces pounds of profit while staying hog fat. She passes down a tremendous amount of thickness and ideal phenotype averaging an impressive 690# WW and a WR of 103 on seven natural calves, including a \$10,500 bull calf selected by Allen Brothers Cattle. As a calf she weaned at 864# act, 784# adj WW; the heaviest weaning heifer of her crop!

- His outstanding donor dam has several beautiful daughters in production in our herd. One daughter weaned our highest weaning calf last year at 840# and produced another \$8,500 son. Another had the lead off bull in last year's sale and brags a 108 weaning ratio on 7 calves with a scale crunching 724# average.

G510 is out of a flush sister to SAV Resource, SAV Renown, and SAV Recharge just to name a few. Multiple full and maternal sisters are in production at SAV and they are all out of the breed's highest income producing matron SAV Blackcap May 4136. Her progeny sales have astoundingly topped out at over \$10 million!

Miss Yardley C189, the easy-fleshing dam of Faithful.

A heavy-muscled maternal brother to the dam of Ole'.

Stylish maternal brother to G355.

SAV Cutting Edge 4857, the \$260,000 sire of G510.

### MISS YARDLEY W172, THE PROLIFIC DAM OF LOTS 91-95

Five Maternal Brothers representing three phenomenal sires are represented out of our exceptional donor dam W172; our favorite cornerstone daughter of Duff New Edition and a sure-fire home run hitter. She was a flawlessly designed feminine fronted, angular female that produced a \$20,000 sale favorite and another \$16,500 highlight in '14. As a first calf heifer she weaned a \$6,000 standout and a \$7,500 standout bred, selected by our good friend Ronnie Smith of Denton TX. She is also the maternal grandam to '16 Focus On The Female Sale topper, \$24,000 Yardley Bring It, selected by longtime customer Greg Kroupa of SD.

- Renowned seedstock producer Larry Coleman reported on \$450,000 Bravo, "...He is a rare individual, I feel he's the best bull we've ever made. Bravo is a result of years of our breeding philosophies, and he is a combination of my two favorite animals we've bred here."

-SAV President is the \$750,000 lead-off record selling bull of the 2017 Angus season. He had the heaviest adj WW of any bull in his crop at SAV at 1,077#. He is out of legendary breed icon, SAV Black Cap May 4136 who has generated an astounding \$10 million in progeny sales.

-Primo is the awesome product of one of Style's most decorated daughters and the amazing Dameron First Class! His maternal granddam is Silveiras famous donor, Saras Dream! Primo's full sisters are some of the most dominating show heifers on the circuit!

G341 ranks in the top 3% of the breed for WW and YW. His elite donor dam is one of our easiest fleshing females with a perfect udder that consistently produces pounds of profit in the right package, with a weaning ratio of 103 on 7 natural calves. Included in this set of powerful progeny was a \$10,500 standout son selected by our good friends Justin and Logan Allen of North Powder OR. He hurt his leg at weaning which knocked him back for awhile; he's sure to be a genetic treasure.

-His maternal grandam is an equally impressive donor dam and cornerstone herd matron who has several highly productive daughters retained in our herd that have weaned our heaviest Angus calves and produced several high sellers including \$10,500, \$9,500, and \$8,500 sons.

-His sire, SAV President 6847 was the world record and top-selling bull of the 2017 SAV sale at \$750,000!

You can't help but appreciate the length of body, added depth and structural correctness of this masculine model. His maternal pedigree is loaded with females known for their good looks and ability to produce. His maternal grandam weaned at 718# and produced a \$7,000 sale highlight in our last year's Focus On The Female Sale. Her dam in turn produced Y1 Jada Sue and Y1 Sugar Plumb Fairy, both feature show heifer lots. Her dam, G339's maternal fourth dam P50, was one of our longest-lived females and stellar producer that sent fancy calves across the nation into some of the most influential herds in the industry; including a \$20,000 feature purchased by Jones Show Cattle and a \$14,000 feature purchased by Griswold Cattle Company.

This performance packed baldy bull's dam is a noteworthy heavy milking High Regard daughter. As a first calf heifer she produced Yardley Impression a \$10,000 sale day standout selected by Stan Smith of Lehi UT. Her superior calves have averaged 736# at weaning for a 107 ratio and an average yearling weight of 1,384#! If pounds are how you sell, you need G408.

-His maternal grandam in turn was our prettiest replacement heifer and was an own daughter of our fancy donor Y25 who produced Yardley North Slope, a \$9,000 sale day sensation and many other fine individuals. Several of her daughters have been retained in our herd.

G326 brings all the tools you need to take your cowherd to the next level. You'll be amazed by the amount of depth and capacity this unique breed changer possesses in a well-balanced package. He's so smooth made and soft with great flex and free movement. His abundant depth is accented by his exceptional width, length of body, and baldy face. He's sure to make some fancy replacements. He's a little flighty.

-His stylish \$6,500 maternal brother was selected by our good friend David Brown of Central UT.

G416 is a big boned, strong topped, stout hipped bull backed by one of the best cow families on the ranch. His dam is an embryo daughter of donor dam, M100, who is out of another quality donor H27. M100 lived to be 18 years old effectively raising sixteen natural calves. Included in these quality offspring was an \$8,000 full brother to G416's dam and another handsome \$6,000 maternal brother to her. The mark of a great cow is her ability to consistently out produce herself. We preach cow families because we know they are the key to consistent quality in the offspring of your purchases; G416 comes from a great one!

A long-bodied maternal brother to G416.

Cow families are the cash crop of a productive seed stock operation and essential in creating consistency and quality. G421 comes from one of our best cow families. Both his dam and grandam have been sterling breed pieces in our donor program, producing functional deep sided, easy keeping offspring with the ideal look and design.

-His maternal brother, Yardley Two Step sold in '18 to Davis Ranch in Downey ID. Another maternal brother got separated from their dam as a calf on the mountain and miraculously made it through the winter, he went on to sell for \$8,000 the following year!

A rugged maternal brother to the dam of Cloudburst.

Miss Yardley A175, a stylish maternal sister to the dam of Cloudburst.

SAV 654X Rainmaker 7133, the attractive sire of Cloudburst.

G422

"IF YOU CAN'T BE A PINE ON THE TOP OF THE HILL, BE A SCUB IN THE VALLEY- BUT BE THE BEST LITTLE SCRUB BY THE SIDE OF THE RILL; BE A BUSH; IF YOU CAN'T BE A TREE.

IF YOU CAN'T BE A BUSH, BE A BIT OF THE GRASS, AND SOME HIGHWAY HAPPIER MAKE; IF YOU CAN'T BE A MUSKIE THEN JUST BE A BASS—BUT THE LIVELIEST BASS IN THE LAKE!

WE CAN'T ALL BE CAPTAINS, WE'VE GOT TO BE CREW, THERE'S SOMETHING FOR ALL OF US HERE. THERE'S BIG WORK TO DO AND THERE'S LESSER TO DO, AND THE TASK WE MUST DO IS THE NEAR.

IF YOU CANT BE A HIGHWAY THEN JUST BE A TRAIL, IF YOU CAN'T BE THE SUN BE A STAR; IT ISN'T BY SIZE THAT YOU WIN OR YOU FAIL—BE THE BEST OF WHATEVER YOU ARE!"  
-DOUGLAS MALLOCH

G422 has the look so sought after: a big hip, massive top, extraordinary length, a super cool front, and killer hair coupled with perfect leg and hoof structure and top of the line performance; with a powerful 763# WW and an impressive 1,263# YW. He's a little flighty.

-His heavy milking dam records a 108 weaning ratio on 4 calves.

-His sire Garth, was one of the best Maine bulls we saw in Denver in '16 where he was subsequently bought by Griswolds. His semen sells for \$50/unit and he has sired some tremendous high dollar calves with one fancy daughter selling for \$68,000 in Griswolds and a fancy son for \$49,000 sold this year at the Bright Lights Sale in Denver. Several other fancy daughters have sold for over \$20,000.

G481 hails from our best Maine Anjou cow family. His dam was my Dad's pick of her calf crop; her dam and maternal grandam have both played integral parts in our donor program in striving to move our Maine Anjou genetics to the next level. His dam's maternal brother was our '16 high selling Maine, \$16,000 Yardley Captain, selected by good friend Steve Welling of Fielding, UT.

If you are looking for a bull with Maine Genetics and are simultaneously wanting to increase your performance and add pounds of profit to the equation G307 will do just that.

-Sired by breed legend Irish Whiskey G307 has scale mashing performance with a notable 760# WW and a substantial 1,455 adj. YW.

-His outstanding donor dam has several beautiful daughters in production in our herd. One first class daughter weaned our highest weaning calf this year at 840# and produced another \$8,500 son. Another had the lead off bull in last year's sale and brags a 108 weaning ratio on 7 calves with a scale crunching 724# average. Another daughter had a \$10,500 bull, a \$9,500 bull, and a weaning ratio of 106 on four head with a hefty 732# average. SIMPLY PUT G307 COMES BY IMPRESSIVE PERFORMANCE HONESTLY!

G453 is out of my favorite Maine cow on the ranch. Her bull calves have been the heaviest weaning Maines and biggest rib eyed bulls on the ranch three times. Two have sold for over \$5,000. She's a massive made, huge hiped, nice uddered easy keeper. She records an awe inspiring 709# average on twelve calves which speaks volumes about her powerful performance, tremendous longevity and reliable functionality.

Blank Check is a deep bodied tank and a favorite of many who come look through his pen. He's been a standout since day one with his blaze face, big top, deep body and cool design. You'll love how wide topped and big butted he is and how nice he travels out; filling in his step and tracking wide. He has the power and performance to moderate and soften up a larger set of rangy cows without compromising quality or performance.

-His elite dam produced Yardley Cookies N Cream, a fancy feature lot of our '15 sale selected by Aubrey Wride of Spanish Fork UT.

Yardley Cookies n Cream C36, a tremendous maternal sister to Blank Check.

YI Lad B287, a stellar son out of a maternal sister to the dam of Blank Check.

## BLANK CHECK

G443 is packed by maternal powerhouses that always stay fat and wean big calves doing it. His prolific dam has produced impressive calves that grow like weeds. His maternal grandam was one of my favorite grand old matrons, she always stayed fat and brought home a big calf in the fall. Her nine calves averaged nearly 700# WW, a testimonial of functionality, performance and longevity.

A stylish maternal brother to G443.

Miss Yardley E76, the attractive dam of G394.

A maternal brother sold for \$6,500.

The Yardley family enjoying the Denver Stock Show in 2020.

"OUR PIONEER FOREBEARS COULD NEVER PLOW A FIELD BY TURNING IT OVER IN THEIR MINDS. THEY HAD TO PUT THEIR HANDS TO THE PLOW AND WALK FORWARD. THE WORK IS, BY AND LARGE EASIER NOW THAN IN EARLIER TIMES, BUT THE PRINCIPLE IS THE SAME. THERE MUST BE WORK, AND WHAT A GREAT AND WONDERFUL PRIVILEGE IT IS." - GORDON B. HINCKLEY

# YARDLEY Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

## YARDLEY TOP NOTCH C371

POLLED PB SM BD3/8/2015 ASA 3080653

**SIRE:** Sandeen Upper Class 2386

**DAM:** HSF Victoria P30 by Nichols Blk Destiny

Top Notch is the exciting result of the \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$500,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer. His first calf crop topped our 2018 bull sale averaging nearly \$7,200 including high-selling bull, going for \$15,000 Yardley Topline.

POLLED 3/4 SM 1/4 AN BD 2/12/2016 ASA 3182241

**SIRE:** CCR Anchor 9071B

**DAM:** W/C Miss Werning 46B

W/C Banchor 46D has been fun to see in our pastures all summer. He is loaded with depth of body, thickness and muscle, excellent feet quality, good haired, and a blazed face to top it all off. He stayed sound and fat all summer while doing a great job of getting the cows bred. He has a nice slope to his shoulder and a disposition that can't be beat. He is sired by CCR Anchor 9071B, whose progeny have highlighted many sales over the last year. They have proven themselves as sound, functional, real world cattle that just work. His dam Miss Werning 46B is a daughter of the great 715T donor cow and has had multiple full sisters sell for over \$10,000. The maternal backing behind Banchor gives us great confidence in the future of him and his offspring. He is a proven heifer bull. We have had 16 calves out of him this year and haven't had to touch one. He throws a lot of stylish calves. Owned with Chad Ruda of Nebraska. Homozygous black, hetero polled.

**THSF LOVER BOY B33****POLLED PB SM BD 10/16/2014 ASA 2983443****SIRE: HTP/SVF Duracell T52 by Dream On****DAM: Built Right X 3C Macho by Meyer 734**

**CALVING EASE SIRE SUPREME.** He is one of the easiest calving purebred Simmentals in the breed. The last three years we have had over 100 heifers and cows calve out of him, and we have never had to pull a calf. They are very stylish and correct and have good growth, performance, and eye appeal. Our cattle have to do a lot of walking so we are very fussy about good feet and legs. There is an epidemic of back curly toes and toeing out on the front legs in both Simmental and Angus. He is the most correct legged bull we saw in Denver. His dam was the Grand Champion Simmental female at the 2009 American Royal Show in Kansas City. Many of the bred cows and heifers in this sale carry his service. You Need To Try Him. Hetero Black Homo Polled.

**SIRE: w/c bullseye 3046a by remington lock n load**

**DAM: miss werning 394A by barstow cash**

A thick, heavy muscled W/C Bullseye 3046A son who has a balanced EPD profile. Even though he reads with quite a bit of calving ease and low birthweight, he will add some muscle and shape. He would work great in a scenario that needed to tone down birthweight but didn't want to take away much power in their calves.

## SFI ACHIEVE F10B

PB SIMMENTAL BD 2/10/2018 ASA3442359

**SIRE: LLSF pays to believe by cns pays to dream**

**DAM: sfi miss lacey by hooks shear force 38k**

A new and exciting addition to our bull battery, SFI Achievement F10B, the anchor bull in Schaafe Farms pen of Five NWSS Pen of Five Champion Simmental Bulls! He's awesome footed, deep bellied, big topped, smooth jointed and nice fronted; one of the best, complete packages in the show with awesome performance and an intriguing set of numbers which is just icing on the cake! He had a large breeding group of cows and stayed fat while doing it. Achieve is an attractive, soft-made, purebred that will do great things.

## ZEIS REAL STEEL A23

POLLED 1/2 SM 1/2 AN BD 2/2/2013 ASA 2770310

**SIRE: SVF Steel Force S701**

**DAM: BF GCC 5918 by OCC Legend**

This Fancy 1/2 blood was Grand Champion Simmental Percentage Bull wherever he was shown; Nebraska State Fair, Iowa State Fair, The American Royal, Kansas City, North American in Louisville, and the greatest of all stock shows the National Western in Denver. He's about perfect in his phenotype. My good friend Stan Sears from California and I were watching them judge the show and when he won we decided to buy him. He is by Steel Force out of an OCC Legend daughter. He had a 64# birth weight so we bred him to quite a few heifers. He really held his flesh well after we turned him out to breed. Owned with Stan Sears. Homo Black Homo Polled.

## FREYS BELIEVER

ANGUS BD 2/2/2017 AAA 18976235

**SIRE: YOUNG DALE BELIEVE by Young Dale Xcaliber**

**DAM: FAR PRINCESS 250A by Barstow Cash**

This powerful and proportioned stud caught my eye in the Yards in Denver. Frey's had the Grand Champion Pen of Three bulls two years ago. We have been impressed with their cattle ever since. Believer combines exceptional phenotype, powerful real world performance, and an exciting carcass and EPD profile into a well-balanced structurally correct package. He has tremendous muscle dimension, extreme length, depth, width and a powerful hip with added lower quarter. He boasts a scale mashing 857# WW, 1,566# YW and an impressive 16.8" rib eye. He is in the top 3% of the breed for WW, YW, top 15% of the breed for milk, and top 10% of the breed for \$Beef. He moves with flex and ease, tracks wide and fills in his step nicely. His performance packed sire, Young Dale Believe 46B, was a record selling \$146,000 bull of the season in Canada.

## GCC STRONG HOLD ET

**ANGUS** **BD 3/20/2017** **AAA 18989406**

**SIRE: Dameron First Class by Exg rs first rate**

**DAM: Duff NE 9375 Georgina by Duff New Edition 6108**

Strong Hold was in Griswold's Denver pen and was said by some to be one of the best bulls in 2018 in Denver. Dameron First Class X Duff NL 8009 Rita 835 is a mating that works. A full sib brought \$15,500 in 2015 and a hammer price of \$96,000 in the 2018 Classic to Barry Nowatzke and Kyle Boss. If you like stoutness, power and Angus that have bone and mass, you won't be disappointed. Griswold Cattle selected their very best Angus females that were proven producers to flush to First Class. 835 fits that category, and by how she produced, it's easy to see why. Owned with Kasey Rowser of Wellsville, UT.

**SIRE: SAV Catalyst 6704 by SAV Resource 1441**

**DAM: Miss Yardley D88 by yardley Royal Jet W251**

If you like depth, thickness, and style, you'll love Challenger. As his dam's first calf he has set the bar extremely high for those that follow. He has a keen head, clean front, with plenty of extension, a very strong topline, with a stout hind leg and rump. Challenger is a very balanced bull standing on excellent feet and a disposition that can't be beat. His young dam has a perfect udder with small teats and plenty of milk. A maternal sister to his dam, Miss Yardley Z69, has entered our donor program and will have several offspring in future sales. We look forward to the impact this young Catalyst son.

## LAH SIXTEEN STEP 628D

**PB SM** **BD 2/5/2016** **ASA 3123088**

**SIRE: RGRS SRG TWO STEP by Step Up**

**DAM: WLE MISSY U409 by CNS Dream On**

Sixteen Step was the popular herd sire display bull and Purebred Winter Calf Champion of the '17 Denver Stock Show. We were impressed with how smooth made, deep bodied, big topped and structurally sound he is along with his stellar pedigree, smooth joints and big foot. He is backed by one of the best cow families in the industry. His \$42,000 proven donor dam, WLE Missy U409 is a full sister to the popular stud sire, Uno Mas. She also raised fancy maternal sister to Sixteen Step who was crowned Supreme % Simmental Champion at the NAILE. Her donor dam, Shawnee Miss 770P, is an own daughter of the immortal Gold Mine. She sold ½ interest for \$80,000 and produced such popular AI sires as Twang, Big Deal, Swagger and Revolution. His sire, These are the kind of real world cattle to win in the show ring and produce in the pasture. Hetero Black, Hetero Polled.

## SAV CATALYST 6704

ANGUS

BD 2/3/2016

AAA 18579117

SIRE: SAV Resource 1441

DAM: SAV Emblynette 0491

SAV Catalyst 6704 is the result of combining the ever popular SAV Resource 1441 and the dam of SAV West River 2066, SAV Emblynette 0491. Catalyst is phenotypically outstanding and complete as you can build one: masculine, loaded with thickness, volume and expressive muscle shape in a perfect-structured package. His gentle disposition, superior feet quality and large scrotal are added features. He earned a 205-day weight of 905 lbs. for a weaning ratio of 105 in a very competitive herd. His dam, SAV Emblynette 0491, is an elite low-birth producer by Final Answer. She balances a birth ratio of 95 with a weaning ratio of 104 on three calves and served in the SAV embryo program along with her dam and 20-year-old Pathfinder grandam. ## SCHOOLEY CANYON 62C

POLLED 3/4 SM 1/4 AN

BD 3/5/2015

ASA 2988115

SIRE: LLSF Pays To Believe

DAM: Schooley Miss by Meyer 734

Schooley Canyon caught our eye when we saw him in Roman Schooley's pen in Denver. With show stopping good looks, ideal structure, in a stylish square made package we were highly impressed. His beautifully balanced half-blood dam is a beautifully balanced herd matron who is playing a pivotal role in Roman's donor program. She's out of the immortal Meyer 734 and a cornerstone OCC Emblazon daughter. Schooley's premier daughters exhibit the look of greatness and are sure to find their way to the top of shows across the nation. Three of his stunning daughters are features in this year's sale. A man from Texas who purchased some semen from us reported that his Schooley daughter is the best heifer he has ever had on his ranch.

## YARDLEY WIND RIVER D266

1/2 SM 1/2 ANGUS

BD 1/29/2016

ASA 3219151

SIRE: SAV West River 2066 by SAV Bismark

DAM: Miss Yardley B114 by Y1 Whirl of a Dream

Wind River was the pick of our 2016 calf crop to keep as a herd sire. He was a standout as a young calf and stayed ahead of the curve all the way through weaning to a yearling. He is an extremely masculine bull loaded with muscle, length of body, a big top, a thick hindquarter, and a fancy front end. He is extremely sound on his feet and legs and moves out with ease. His phenomenal dam, B114, adds a lot of style and look to her calves while maintaining soundness, fleshing-ability, and functionality. His first crop of calves didn't disappoint and we're looking forward to seeing his offspring in the future.

## AMERICA THE BEAUTIFUL: LAND OF THE FREE, HOME OF THE BRAVE!

I hope all of you appreciate what a great blessing we have to be born and raised in America. We strongly believe that this is a land, choice able all other lands. We also believe that God inspired Columbus, the pilgrims and other early settlers to come here for religious liberty. These courageous people wanted to be free and not have to live under a king that wouldn't let them make their own decisions.

They were very brave courageous people who wanted to live in a free country. God inspired them to write the Declaration of Independence and the Constitution. Those delegates could not agree on what to write until they prayed about it and God inspired them to write these sacred documents, which are the greatest documents on government ever written by the hand of man to grant **FREEDOM** to the citizens of this great land. These brave men pledged "**THEIR LIVES, THEIR FORTUNES, AND THEIR SACRED HONOR**" to establish this great country.

The king of Great Britain did not want to give them their independence. They had to go to war to get their **FREEDOM**. The British army and navy were the strongest in the world and it was an absolute miracle that George Washington with his little army of half-dressed and often-hungry soldiers were able to defeat the British Army. God was with them or they never could have won.

From then on this Nation has grown and prospered because men were **FREE** to make their own choices and decisions. They could own their own property, which is the most basic right of a free people. They established the free market enterprise system. This encourages people to start their own business with the **INCENTIVE TO MAKE A PROFIT AND GET AHEAD IN LIFE WHILE MAKING A LIVING FOR THEIR FAMILIES**.

This has given us the highest standard of living the world has ever known. We have all the modern conveniences to make life easier and more enjoyable. With **FREEDOM**, people have made all these wonderful inventions of every kind that we have and enjoy.

Our founding Fathers were devoted religious men who believed in the Bible and lived the Ten Commandments and the Golden Rule. America has always been a Christian nation and the majority live the teachings of Jesus and that is why God has blessed us so abundantly. There are now many people who are breaking God's Commandments and having lives full of sorrow. They could change this by living the teachings of Jesus, for "...wickedness never was happiness."

**OUR RIGHTS ARE INALIABLE BECAUSE THEY COME FROM GOD.** We will never compromise on this truth. We can't let left wing college professors, liberal politicians and bureaucracies, uninformed celebrities and environmentalist pass their hatred for America and poison the minds of our young people. We must stand strong, and make sure our students understand and appreciate the freedom, opportunity and prosperity that our nation represents, and has so blessed us with.

Some liberal athiests want to redistribute all the wealth. This is Communism and it has failed miserably wherever tried. Without freedom and the incentive to get ahead, there is not enough food raised so the people starve and become slaves to the government. The people that work should not have to take care of those that are too lazy to work.

We are enthusiastic boosters of America. We are super patriotic and feel great pride when "old Glory" is raised. We

strongly believe in those principles upon which this great nation was founded; Christian religious principles, hard work, freedom to excel, honesty, integrity, decency and high morals, private property rights, free enterprise, traditional marriage and family values.

America was built by the selfless sacrifices of our founders.... men and women with great American stories of heroism, sacrifice, and dreams of freedom. **THEIR SACRIFICES WERE NOT IN VAIN.** They bequeathed to you and me -- and to generations of Americans -- the greatest country in the history of the world. America has flourished because of the men and women who followed, who fought to keep America true to her founding principles. The Constitution created a government of enumerated powers, specifically blocking it from infringing on the rights of the people. The framers intended for people to live their lives and be left alone.

**WE MUST NEVER ALLOW SOCIALISM IN AMERICA.** History has witnessed countless failed Marxist inspired regimes. Socialism inevitably leads to social rot, resulting in devastation, economic poverty, destruction, misery and suffering. Socialism poses a significant threat to freedom, liberty, and economic prosperity of all countries and people around the world.

Free-market capitalism is the greatest engine for human advancement in the history of the world. It has brought more people out of poverty and into prosperity than any economic model in the history of mankind. The United States has long demonstrated that freedom is the surest foundation of government.

One of our early Church leaders President John Taylor advised our members that they should "...understand that we have something to do with the world politically as well as religiously, that it is as much our duty to study correct political principles as well as religious."

Besides the preaching of the gospel, we have another mission, namely, the perpetuation of the free agency of man and the maintenance of liberty, freedom, and the rights of man.

I was named after my Uncle Gib, James Gilbert Yardley, who died in the last world war in France. My Dad idolized uncle Gib who was 14 years older and he thought he was the greatest man he ever knew. **THIS IS THE PRICE MY FAMILY HAS PAID FOR FREEDOM.**

**THE IMMORTAL ABRAHAM LINCOLN SAID, "LET THE CONSTITUTION BE TAUGHT IN SCHOOLS, IN SEMINARIES, IN COLLEGES, LET IT BE WRITTEN IN THE PRIMERS IN SPELLING BOOKS, AND IN ALL ALMANACS, LET IT BE PREACHED FROM THE PULPIT, PROCLAIMED IN LEGISLATIVE HALLS, AND ENFORCED IN THE COURTS OF JUSTICE."**

Let us all strive and do all we can to preserve this great country, as we have known it. I pray that our children and grandchildren can enjoy the happiness and ways of life we have been blessed with. **GOD BLESS YOU AND GOD BLESS AMERICA.**

Sincerely,

*Gib Yardley*
