

# YARDLEY *Cattle Company*

*48th Annual*

# Bull Sale

FRIDAY, March 12, 2021 1:00 MST

# Welcome

*D*ear Friends, Fellow Cattlemen, and Valued Customers:

We are super excited for this year's offering. We want you to know how much we value your business and friendship. We have been selling bulls in this sale for 48 years and some of you have been with us since the beginning. You great cattlemen and women have made it possible for us to stay in the bull business.

The bulls in this sale represent a lifetime of breeding quality genetics; deep, thick, moderate made, easy fleshing, low maintenance cattle with quiet dispositions, excellent udders and ideal feet and legs. We have been Aling to the best bulls we can find or raise for 53 years. Our cattle are bred with the commercial cattleman in mind to thrive on rangelands, excel in the feedlot, and perform in the pasture; that being said, we have always bred for eye appeal and quality phenotype.

Recently a Lover Boy daughter, JSUL Crystal Lover, was crowned the Supreme Champion Junior Heifer of the most prestigious show in the nation, the 2021 Cattlemen's Congress in Oklahoma City. Congratulations to Sara Sullivan of Dunlap, Iowa, who bred and showed her. She was the fanciest heifer we've ever seen.

In our last sale we sent cattle to 26 different states; spanning the nation from West Virginia to California, down into Florida, Alabama, Texas and up into Wisconsin and Michigan. We appreciate you, our valued customers from near and far, who support our program and make possible this lifestyle we feel so blessed to live.

Our philosophy is simple: Raise the Best cattle possible, take good care of our customers and friends, and most importantly put God first in our lives. This simple ideal has driven our successes and motivated us forward in our journey.

So much of what is happening in the world is frustrating to say the least with the elections, COVID, the Constitution, Christian values, and Christianity under attack as never before in our country. The path forward can seem daunting. We find much solace in this scripture; Be nor weary in well-doing, for ye are laying the foundation of a great work. And out of small things

proceedeth that which is great. Behold, the Lord requireth the heart and a willing mind... (D&C 64:33-34). The small and simple things that we do in our day-to-day activities; raising our children and grandchildren in righteousness, helping our friends and neighbors, standing up for freedom, and this great country, The United States of America, helping in our communities, rising quality animals, being kind to others, smiling and saying hi to a stranger on the street and a myriad of other good works and deeds define us and who we are.

As we travel the nation, we are amazed and inspired by the amount of goodness and quality of people we are blessed and privileged to rub shoulders with. Regardless of our creed or religion the same Christian core values seem to bond us all together as cattle producers. Thank you all for your lives and examples.

You are making a difference in the world and laying the foundation of a great work. So, keep trying, keep trusting, keep praying, keep believing, keep growing. God is cheering you on this day and always! He is at the helm and keenly aware of the details of your life.

We look forward to seeing you at the bull sale FRIDAY March 12th. God Bless you and God Bless America. We look forward to seeing you at the sale.

Sincerely yours for a better cattle business.

### SALE AND RANCH STAFF

Herd Records: Michelle Smith, Minersville, UT  
Sales Clerk: Steve Barton  
Advertising: Chris Petersen  
Ranch Staff: Josue Garcia, Jose Guzman,  
Steven Yardley, Rodney Teichert, Matthew Finlinson  
Veterinarian: Dr. Evan Yardley, Beaver, UT  
PAP Test: Dr. Monty Myers, Nephi, UT  
Brand Inspector: Thane Marshall  
Pay Clerk: Michelle Smith, Lori Hoffman, Emily Maxfield  
AI Technician: Zane Yardley  
Ultrasound: Chad Gordon, Fletcher, OK  
Internet: Dan Broz, NE  
Catalog Design and Video: Chris Petersen, Cedar City, UT  
Barbecue: Daren Oberg Family, Genola, UT

### TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, Sky West Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles south of Beaver. Beaver has many excellent motels and restaurants, and an airstrip for private planes. You must call us to meet your plane as there is no taxi service. St. George, UT is 100 miles South of Beaver on I 15. It is served by United, Delta, and American Airlines.

### TRUCKING & DELIVERY

Please leave detailed information with the sales clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 300 miles of your home anyplace in the United States for no more than \$300/head. This guaranteed delivery price does not apply to cattle that have not been fully paid for within ten days of the sale date. NO CATTLE WILL LEAVE THE RANCH UNTIL PAID FOR IN FULL.

### ACCOMMODATIONS:

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

Days Inn .....435-438-7800  
North Interchange  
Butch Cassidy Inn.....435-438-2438  
Downtown limited trailer parking  
Quality Inn.....435-438-5426  
South Interchange  
Comfort Inn.....435-438-6283  
South Interchange

### RANCH AND SALE LOCATION

Once you arrive in Beaver, go to the only traffic light in town on the corner of Main and Center Streets. Take Milford Highway 21, go West on Center 1 1/2 miles to the Yardley Black Cow/Calf sign, turn right and proceed north and west across the field to our sale barn. You will pass our house 1/4 mile north of the highway, but continue one more mile to the barn.

UPON LEAVING HWY 21, TRAVELING NORTH ON THE GRAVEL ROAD, EXCEPT FOR OUR HOUSE AND LOT, THE HORSES, CATTLE AND LAND DO NOT BELONG TO US UNTIL YOU CROSS THE CATTLE GUARD JUST BELOW OUR SALE BARN.

### BARBECUE

We will have a barbecue dinner in the sale barn starting at 11:00. Barbecue will be prepared by the Daren Oberg Family.

### STAY TILL THE END OF THE SALE

Department stores don't put all the good stuff at the front door, do they? Great bulls will come into the ring all day long, AND IF YOU DON'T STAY UNTIL THE END YOU MIGHT MISS THE BEST DEALS OF ALL! WE WILL HAVE A DRAWING AT THE END OF THE SALE. All lot numbers will be put in a hat. You must be present to win. THE WINNING NUMBERS WILL RECEIVE A CHECK FOR \$200, THE 2ND PLACE WILL RECEIVE \$100

## TERMS & CONDITIONS

**TERMS:** Terms of this sale are cash, or a good check, unless arrangements are made prior to the sale. Settlement to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared.

**BIDDING:** All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final.

**RISK:** All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer at which time the buyer assumes all risk.

**HEALTH:** Every bull in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. Bulls were Dectomax treated. They have been vaccinated twice for IBR, P13, BVD, BRSV, 8-way Blackleg, One Shot Pasturella, Somnus, and Enforce.

**ANNOUNCEMENTS:** Announcements from the auction block will take precedence over any printed matter, and any other announcements.

**TRUCKING:** All trucking is the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We can only get these bulls delivered to central points. All cattle must be paid for in full before leaving the ranch.

**GUARANTEE:** Every bull has been tested for Tric and semen evaluated by a licensed veterinarian. We will guarantee the bulls selling in this sale to be fertile at the time of sale. Several of the bulls in this sale are of "Herd Sire" quality. If the buyer chooses to have semen collected on a bull, Yardley Cattle Company can not guarantee that the semen will freeze. **KEEPING BULLS TILL MAY 15TH:** We can do this but encourage you to insure them as the risk is the responsibility of the buyer. \$3.00 per head per day will be charged until the bulls are picked up.

**LIABILITIES:** Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. The owners and employees of Yardley Cattle Company assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on a rare occasion, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

**REGISTRATIONS:** REGISTRATION PAPERS WILL ONLY BE FURNISHED IF REQUESTED AT THE TIME OF SETTLEMENT AT THE CONCLUSION OF THE SALE OR WITHIN 3 WEEKS. If requested later, buyer must pay additional registration fees. Leave the name and address to which you would like your bulls transferred on your sale slip when you settle up. Please print so that it is legible.

**CONTRACT:** The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. Late in the summer it is necessary to mix breeding groups. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is ran. IGENITY labs runs this procedure for around \$30. When you get your bulls home put them with another bull or cow and don't leave them alone in a corral. This makes them wild.

## ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale. Bids will be handled with the strictest of confidentiality.

### 1-Work with one of us to fill your order.

Due to the size of the offering it is impossible to picture every bull. There are many quality bulls that may not be highlighted that will fit your program. Feel free to call anytime prior to the sale. Sale days are crazy! It is much easier for yourselves and for us if you are able to visit with us prior to the sale about certain lots. Gib: 435-310-0041, Steven: 435-310-1725, Rodney 801-824-8851

### 2-Bidding via DVAuctions.

Bid via [www.DVAuction.com](http://www.DVAuction.com). For more information contact DV Auction at 402-316-5460.

### 3-Sale Day Phones.

These phones are only for bidding and we HIGHLY RECOMMEND PRIOR ARRANGEMENTS AS THE LINES MAY BE BUSY AND YOU MAY NOT BE ABLE TO GET THROUGH. If prior arrangements have been made we will accommodate you to the best of our ability.

Steven Yardley.....(435) 310-1725  
Rodney Teichert.....(801) 824-8851  
Jeannie Y. Griswold.....(435) 421-1200  
John Griswold.....(405) 780-3300  
Angela Y. Barton.....(435) 310-1147  
Emily Y. Maxfield.....(435)310-0038  
**PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS.**

If you would like to register as an absentee bidder please call 435-691-4854. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via wire-transfer on Monday, March 16th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

## VIEW THE AUCTION LIVE

# DVAuction

Visit our website...  
[www.DVAuction.com](http://www.DVAuction.com)

For more information contact DV Auction at 402-316-5460.  
Before you can be approved you will need to provide a letter of reference from your lending institute. It must include the lenders letterhead, phone, address, contact person at the institution and a monetary range that can be used for purchases.

## THESE BULLS WILL SELL IN EVERYONES PRICE RANGE.

We cull bulls from branding up until the sale for structural soundness, quality, breeding soundness, and temperament. Not every bull is destined to sire calves. **AS SEEDSTOCK PRODUCERS WE TAKE THE RESPONSIBILITY TO MARKET QUALITY BULLS SERIOUS.** We realize that your success depends upon our breeding program and we strive to have quality from the first lot sold to the last bull to walk through the sale ring.

### FIRST YEAR BREEDING GUARANTEE

All bulls selling for \$3000 or more will be covered 50% by Yardley Cattle Company if they are injured during their first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. 50% of the value of the injured bull will be given as credit in a future sale or toward a replacement bull if one is available. **ALL INJURED BULLS MUST BE DIAGNOSED BY A VETERINARIAN AND WE MUST RECEIVE THIS AND A LETTER FROM YOU IN WRITING.** Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage. If at all possible we would like the injured bull to be returned to us. **ALL CLAIMS MUST BE MADE BY OCTOBER 1st.** We will not replace a dead animal for any reason.

### RETAINING 1/3 SEMEN INTEREST ON ALL BULLS!

**SEMEN INTEREST:** We are retaining at least 1/3 semen interest in all bulls selling. The new owners of the bulls will have full possession and all salvage value. If semen is sold we retain one-third of all revenue. There will never be more than 2 or 3 bulls a year that we will want to collect.

To whom it may concern:

Traveling the country over the past 15 years Ultra sounding Cattle I have seen many types and breeds of cattle that vary greatly in carcass traits and phenotypic quality. Gib Yardley contacted in the Fall about coming to Beaver, Utah and ultrasounding their yearling bulls. I was truly amazed with the amount of muscle and marbling the Yardley bulls possess in a very sound functional package. It has always been a pleasure to evaluate cattle of different breeds and what each of them offer to the Beef industry. On March 12, Bull buyers from across the United States will have the opportunity to purchase genetics from Yardley Cattle Co, a breeding program that has stood the test of time and continues to excel in carcass quality and maternal traits. Whether you are a Purebred Seedstock Producer or a Commercial Rancher retaining ownership of your calves through finishing Yardley Genetics will work for you. It has been proven that 1 square inch of Ribeye Area per hundred pounds of body weight on a Yearling Bull is average, as you evaluate the offering you will see that the Yardley Bulls will certainly exceed that while having high adjusted %IMF Values. A 4% IMF score is equated to a low Choice Quality Grade on fed cattle, Bulls will generally sire fed calves that are 1% higher than their own %IMF adjusted value. Translation as you see many Bulls in the sale with %IMF values of 4% or greater they will transmit these high IMF values to their offspring while increasing Ribeye size lowering numerical Yield Grades. It is always my pleasure to travel to Utah and ultra sound bulls of superior structural soundness, quiet disposition, and work with a Great Family. As you evaluate the bulls and make your purchases, buy with confidence, you are not only buying great bulls you are buying into a program and the Yardley's will stand behind what they sell.

Thanks,  
*Ghad Gordon*

### PLEASE BRAND YOUR CATTLE WHEN YOU GET HOME!

Our bulls are not pampered and are not overly fat. They are developed on high roughage rations for comparison only and not for maximum gain. You will not be paying for over fleshing that will melt away as the breeding season progresses. By not force feeding these bulls, you can be assured they will be sound, athletic, and ready to service cows. They are grown in big lots where they get lots of exercise, so they can take the toughest ranges. These bulls are grown mostly on hay with a 50/50 alfalfa grass mix with less than 1% of their body weight in grain.

We have always concentrated on producing a functional, balanced, all purpose beef animal. One that is thick and moderate framed, not too big or too small, and that has a natural fleshing ability. If a cow has feed, We expect her to stay fat while raising a 700 lb. calf without creep. We believe in a balance between performance, eye appeal, and maternal traits. Above all, we have eliminated the problem cattle. To achieve balance, ranchers need cattle that are not necessarily the tops in all traits, but they can't be weak in one single trait.

## THE FACTS ABOUT PAP TEST

Brisket Disease of cattle is the result of right congestive heart failure, but is brought on specifically by effects of the lower oxygen pressures present when cattle are kept at high altitudes above 7,000 feet in elevation. The test is a measure of the pulmonary artery pressure (PAP). We have been testing our bulls for quite a few years. Most of our Simmentals summer from 9,000 - 10,000 feet elevation and we have very very few of them ever affected by brisket disease since they originated in the alps

**IF YOU RUN BELOW 7,000 FEET ELEVATION, PAP SCORES SHOULD NOT BE CONSIDERED WHEN SELECTING BULLS.**

of Switzerland and were bred for higher elevation. Dr. Tim Holt of Colorado State University is the countries greatest authority on this disease and has tested many thousands of cattle. Our bulls are tested in Beaver at 6,000ft. elevation. A pap score under 44 is low risk, 45-49 is moderate risk, and above 50 is high risk for cattle running above 7,000 feet of elevation. If you run under 7,000 feet elevation, PAP tests do not generally need to be taken into consideration.

WE APPRECIATE THE DEDICATION, LONG HOURS, TALENTED WORK, AND ATTENTION TO DETAIL, AS WELL AS THE FRIENDSHIP OF JOSE GUZMAN AND JOSUE GARCIA. THEY ARE TWO OF THE FINEST MEN YOU WILL EVER MEET.

## WHY USE YARDLEY BULLS

1. THE BIG FEEDERS PAY A PREMIUM FOR CALVES SIRED BY OUR BULLS BECAUSE THEY ARE THE BEST GAINERS AND THEY HAVE THE LOOK, EYE APPEAL AND UNIFORM PHENOTYPE.
2. Their daughters will be the most productive, structurally sound cows you've owned.
3. Their calves will weigh 25 to 100 lbs more at weaning.
4. These bulls are wintered in big lots on half grass/alfalfa and only 1% grain.
5. They are born unassisted on the range and walk 25 miles to and from the summer range that goes to 10,200 ft. elevation, so they have to be structurally correct.
6. OUR CALVES ARE NEVER CREEP FED, their birth to weaning growth is based solely on their ability to perform on their mothers.
7. Our cows winter on desert winter range without hay. They have natural fleshing ability to stay fat on grass and take care of themselves.
8. All bulls are performance tested and backed by our first year breeding guarantee.
9. They have proven themselves to adapt to all environments and have sold into 30 states, Canada and Mexico.
10. Simmental and Simmental crosses are some of the most sought after cattle by order buyers, feedlots and for replacement females.
11. YARDLEY BULLS ARE BRED WITH THE COMMERCIAL CATTLEMEN IN MIND.
12. You are buying from a family that is honest, we will treat you fairly.
13. GIB YARDLEY IS A MASTER CATTLE BREEDER. He will be 87 years old on March 15th. He has Al'd for 52 years and has produced one of America's greatest cow herds. He has spent his life breeding this herd of cattle and raising a wonderful family.
14. THESE ARE NOT ORDINARY CATTLE. THEY HAVE MORE THICKNESS, DEPTH, MUSCLING, FLESHING ABILITY, PERFORMANCE, & STRUCTURAL CORRECTNESS IN A MODERATE SIZED PACKAGE.
15. Cross breeding pays. You can't afford not to.
16. You don't have to baby and pamper them.

# UNDERSTANDING THE DATA

**EXPECTED PROGENY DIFFERENCE (EPD)**, is the prediction of how future progeny of each animal are expected to perform relative to the progeny of other animals listed in the database. EPDs are expressed in units of measure for the trait, plus or minus. Interim EPDs may appear on young animals when their performance has yet to be incorporated into the American Angus Association National Cattle Evaluation (NCE) procedures. This EPD will be preceded by an "I", and may or may not include the animal's own performance record for a particular trait, depending on its availability, appropriate contemporary grouping, or data edits needed for NCE.

**Calving Ease Direct (CE)**, is expressed as a difference in percentage of unassisted births, with a higher value indicating greater calving ease in first-calf heifers. It predicts the average difference in ease with which a sire's calves will be born when he is bred to first-calf heifers.

**Birth Weight EPD (BW)**, expressed in pounds, is a predictor of a sire's ability to transmit birth weight to his progeny compared to that of other sires.

**Weaning Weight EPD (WW)**, expressed in pounds, is a predictor of a sire's ability to transmit weaning growth to his progeny compared to that of other sires.

**Yearling Weight EPD (YW)**, expressed in pounds, is a predictor of a sire's ability to transmit yearling growth to his progeny compared to that of other sires.

**Maternal Milk EPD (MK)**, is a predictor of a sire's genetic merit for milk and mothering ability as expressed in his daughters compared to daughters of other sires. In other words, it is that part of a calf's weaning weight attributed to milk and mothering ability.

**H/P/S:** Horned (H), Polled (P), Scurred (S)

**WDA:** Weight per Day of Age= ((Weight-Birth Weight)/Age in Days)

**TG:** Test Gain=((Weight-Weaning Weight)/Days on Feed)

**Rib Fat:** inches of fat over the Rib Eye muscle

**REA:** Rib Eye Area measured in inches and adjusted to Yearling Age.

**%IMF:** % Intermuscular Fat in the rib eye muscle

**DWR:** Dam's Weaning Ratio on her number of calves and how those calves weaned compared to the average during those years.

-Example: 5@110; bull's dam has had five calves that have weaned at 110% of the average.

## THE KEY TO THE PUZZLE = BALANCE

IT'S THE HARDEST THING TO KEEP IN THE FRONT OF OUR MINDS. WE ALWAYS WANT TO THINK THAT BIGGER IS BETTER, OR WE BUY BULLS BASED ON SPREAD EPD'S OR WE CHOOSE A BULL BECAUSE HE HAS ONE TRAIT THAT REALLY STANDS OUT. WE'VE ALL BEEN GUILTY OF IT, BUT THE REAL KEY IS "BALANCE," THE ONES THAT DO ALL THINGS WELL. I REALLY BELIEVE THAT THIS IS ONE OF THE HARDEST, IF NOT THE HARDEST, HURDLE IN BREEDING CATTLE. IF WE CAN STAY FOCUSED ON THIS, IT WILL MAKE US MORE PROFITABLE AND BETTER CATTLE BREEDERS.

## SUPERIOR LIVESTOCK AUCTION

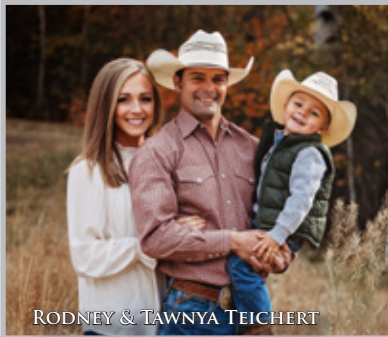

Many of our customers like to sell their calves in Superior Sales. We have a "logo" that Superior puts on when the calves being sold are out of our bulls. The feeders pay a premium for calves out of our bulls because they know of the superior performance, eye appeal, structural correctness and exceptional carcass traits coupled with docility and hybrid vigor. We have spent our lives breeding these cattle to perform and bring this premium. We pay Superior \$25/load to put our logo on the screen when our loyal customers' cattle come in. We are happy to do this to assist

you in getting top dollar for your calves and by helping the people who buy your calves get a top return on their investment through our top quality genetics and be 100% satisfied with their purchase. In order to ensure this, we request that a minimum of 60% OF YOUR CALVES ARE OUT OF OUR BULLS/LOAD ADVERTIZED. This protects our quality reputation and ensures that whoever buys the calves are getting the advertised genetics. Please note that Superior will call us prior to placing our logo on any load selling to confirm that this is the case.

Yardley Lovestruck defines the kind of cattle we are trying to produce: big hiped, fancy fronted, deep bodied, smooth made with exceptional performance, carcass data, and show stopping eye appeal. He strides out in a gentle manner with confidence and finesse on an excellent set of feet and legs.

-His young dam records an impressive weaning ratio of 113!

"ARE THESE PERILOUS TIMES? THEY ARE.  
BUT THERE IS NO NEED TO FEAR. WE CAN  
HAVE PEACE IN OUR HEARTS AND PEACE IN  
OUR HOME. WE CAN BE AN INFLUENCE FOR  
GOOD IN THIS WORLD, EVERY ONE OF US."  
-GORDON B. HINKLEY

THSF Lover Boy B33, the calving-ease sensation and sire of Lot 2.

Phenotypic standout and maternal brother to the grandam of Lot 2.

JSUL Crystal Lover 9848G, 2021 Cattleman's Congress in Oklahoma City Supreme Champion over all breeds. (Owned and shown by Sara Sullivan of Dunlap, IA) and paternal sister to Lot 2.

What a tremendous way to start the sale with an incredible impressive pair of flush brothers sired by our most proven and profitable donor dam, 199X! Her resume includes some of the best genetics Yardley Cattle Company has produced, including herd sire Yardley North Force, and impeccable sale feature and show heifer \$16,500 Yardley Blitz, selected by Brent White of IA. Other high selling offspring include our '17 high seller, \$14,000, Yardley Highway selected by Pete Mori of NV, '19 \$12,500 Yardley Top Mark, selected by world renowned Wheatland Cattle Company of Saskatchewan Canada, and his flush mate, \$10,000 Yardley Top Cut to our good friend and longtime customer Dick Wheeler of Casper, WY. These guys have it all; performance, power, pedigree and potential!

-Their sire, W/C Bankroll was Werning's \$205,000 record high seller. His donor dam 8543U stands as the all-time most profitable cow in the Simmental Breed with well over \$1 million in progeny sales.

Yardley Blitz B83, a \$16,500 maternal sister to Lot 3 and Lot 4.

Yardley Top Cut F359, a maternal brother to Lot 3 and Lot 4, and a '19 sale highlight.

Hedge Fund is an investment worth making! You'll love the length, width, and depth of this brute that is sure to add pounds of profit to his offspring come weaning. His daughters will be some of your favorite replacements. Hedge Fund's dam is our favorite and most productive SAV Pioneer daughter. She is a deep bodied, easy keeping, heavy milking, moderate made female that makes you wish you had a hundred more just like her. Her 108 weaning ratio tells only half of the story; quality is there in everyone as well. Two of her tremendous bull calves have sold for \$10,000 and \$9,500.

Miss Yardley A185, a feminine maternal sister to the dam of Lot 8.

Yardley Lad F480, a soggy full brother to Lot 8.

Miss Yardley G57, the '20 high-selling Angus bred heifer and maternal sister to Lot 7.

A huge-bodied maternal brother to Lot 7.

Rapid River is a maternal brother to four of our top 20 bulls in our sale this year: Top Shot, Top Lot, Price Paid, and Bargain. He is also a maternal brother to our up-and-coming herd sire Top Gun, who has sired many elite individuals in this offering. They are loaded with extreme depth of body, thickness, and muscle, and are backed by one of the best donor cows on the ranch, Miss Yardley Y134. She has a perfect phenotype with an ideal udder, abundant milk, fleshing ability, great feet, and a very attractive front. Y134 has a weaning weight ratio of 115 on her 6 calves with only an 84 pound birth weight average. She is the dam of \$25,500 Yardley Man O War, selected by Ruel Barker of Elba, ID. Rapid River boasts the THIRD LARGEST REA of any bull in our offering.

## RAPID RIVER

435-310-0041

Yardley Investor F294, the massive-hipped sire of Lot 11.

Yardley Lad F463, a stylish maternal brother to Lot 12.

Yardley Standout E270, the phenomenal sire of Lot 13.

We have absolutely loved our Highlight calves, little wonder when you consider what a tremendous herd sire he is. Study the massive hip, big top, impressive amount of depth and shear dimension this incredible bull possesses. He recorded one of our heaviest weaning weights, 780#! His performance packed grandam recorded a 113 weaning ratio on six calves; performance packed generations deep!

Miss Yardley F53, a huge-bodied maternal sister to Lot 19.

A soggy maternal brother to the two-year old dam of Lot 20.

Here's a bull with ample depth of body, abundant muscle and thickness in a stylish and impressive red package. His dam is one of our prettiest Jet Fleck daughters. She always stays fat and weans a big calf doing it. A maternal sister to E382, Yardley Dutchess was a fancy \$5,000 feature show heifer in our '16 female sale purchased by Greg Buchanan of Stanton, IA. Another stylish sister was the \$8,500 lead off bred in our '16 sale purchased by Steve Hudson of Trenton, MO.

Yardley Lad E382, a masculine maternal brother to Lot 36.

Yardley Duchess D149, an appealing maternal sister to Lot 36.

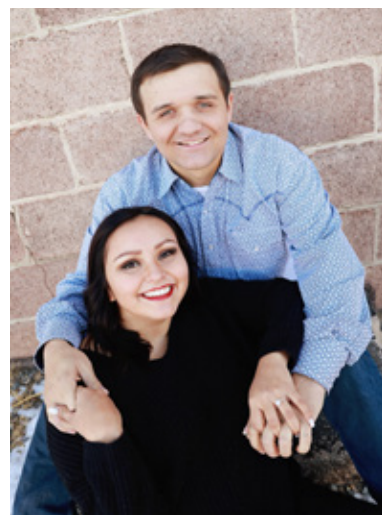

Maggie Griswold and family with Supreme Grand Champion Heifer at the AGR Winter Bonanza 2021 in Oklahoma.

Our granddaughter Nicole Finlinson just received her mission call to serve for 18 months as a missionary for The Church of Jesus Christ of Latter Day Saints in Anchorage Alaska!

Congratulations to Sam and MahLee! Engaged to be married 4/3/21

You've seen this fancy red bull in our ads. He's a big topped, massive hipped, strong boned breed piece with a big hoof and excellent structural soundness. He's out of our prettiest red cow and the only red cow we have ever flushed, giving you an idea of what we think of her. She is a beautiful herd matron, with a perfect udder and teat attachment. She always stays fat and weans a big calf, averaging a whopping 712# average with a 108 weaning ratio on eight head, including our leadoff lot one bull in '18, \$9,500 Clear Cut, purchased by our good friends the Kunzlers of Park Valley, UT. Her daughters are beautiful made matrons.

**WEANING WEIGHTS ARE ADJUSTED TO 205 DAYS OF AGE, YEARLING WEIGHTS AND SCAN DATA ARE ALL ADJUSTED TO 365 DAYS OF AGE UNLESS\*.

Maternal brother to Lot 38.

A stylish full brother to Lot 38.

A huge-middled maternal brother to Lot 38.

Top of the Mornin is a soggy, deep bodied, smooth shouldered, stylish individual with an ideal phenotype. His maternal grandam was a stalwart herd matron and donor. She had a beautiful udder and teats that stayed tiny until the day she died at fourteen. Four of her beautiful daughters are retained for in herd production including his dam, Y170. They have made lasting impressions in our Yardley herd and are valuable genetic masterpieces. COW FAMILIES REIGN SUPREME AT YARDLEY CATTLE COMPANY. Top of the Mornin hails from one of best! Three of his maternal brothers have averaged nearly \$7,000.

**TEACHING CHILDREN THE JOY OF HONEST LABOR IS ONE OF THE GREATEST OF ALL GIFTS YOU CAN BESTOW UPON THEM. LET US ALSO TEACH OUR CHILDREN TO SEE THAT THE WORK ASSIGNED IS CARRIED TO ITS COMPLETION AND TO TAKE PRIDE IN WHAT THEY ACCOMPLISH.**

Everyone gets excited when the County Fair comes to town, and you will too. He's all chromed up and super soft made with exceptional depth and width throughout. You'll love how free and confident he strides out. His dam is a noteworthy heavy milking High Regard daughter that produced a tremendous \$10,000 son as a first calf heifer selected by Stan Smith of Lehi. Her dam was our prettiest replacement heifer, an own daughter of our fancy donor, Y25 who produced Yardley North Slope, a \$9,000 sale day sensation and many other fine individuals. Several of her daughters have been retained in our herd.

H360 is a tremendous specimen with extensive depth, and impressive dimension. He strides out with confidence on an excellent set of feet and legs powered by a massive hip. He's sure to add fleshing ability and great maternal backing to a set of females. His maternal sister was an \$8,000 featured bred heifer in last year's sale selected by Andy Meyer of Everson, WA.

F338 is a well-balanced, moderate made bull that carries an impressive amount of muscle and meat in a practical, no nonsense body. His feminine fronted dam, blends functionality, eye catching phenotype, performance and profitability into a well-balanced package. She produced Y1 Beauty Queen, who was our \$16,000 feature lot, selected by Traymahn Ranches. She then went on to be named the Oregon State Fair Supreme Champion Heifer of all breeds. Her maternal sister produced our herd sire, Yardley Gib, who sold for \$20,000 for half interest to Otis Rincker. This is cow power at its finest! FLIGHTY.

H328 is a smooth, soft made, stylish bull out of one of the prettiest, deepest bodied, massive ribbed donors to grace Yardley Cattle Company, P199. She comes straight from the heart of the OCC herd in Kansas. We nearly lost her in a bog on the mountain, miraculously there happened to be an excavator near there that day that got her out. We sure were thankful. H328 ought to make some awesome replacements!

Miss Yardley G32, a '20 Female Sale highlight and maternal sister to Lot 53.

Yardley Beauty Queen B96, a stunning maternal sister to Lot 54.

Miss Yardley P199, the beautiful dam of Lot 55.

Yardley Bright Light B379, produced by the great grandam of Lot 56.

We preach cow families at Yardley Cattle Company and rightfully so. They are the foundation genetics that increase productivity, consistency, doability, functionality and maternal traits. They are the engine behind your bull's ability to propel your herds genetic progression. H450 hails from one of our best, most consistent quality cow families in power, profitability, and performance. His impressive uddered dam and grandam record elite 108 weaning ratios on ten stout built calves including \$20,000 Yardley Overhaul, the high selling bull of our '14 sale selected by the renowned Wheatland Cattle Company. Both dam and grandam have had several other sons sell for over \$8,000!

Yardley Overhaul A440, a soggy maternal brother to Lot 58 selected by Wheatland Cattle of Canada.

H363 is a maternal brother to \$30,000 breed legend, Yardley High Regard. High Regard's daughters have proven their ability in the showing and in the pasture as beautiful uddered, consistent producers of quality. The incredible amount of style and substance backing these cattle shines through the numbers game and leaves you with a set of mouth-watering females. Here is your rare opportunity to own a maternal brother to this legendary sire.

-His perfect uddered donor dam has proven herself time and again with an impressive weaning ratio of 105 on 10 natural calves including several high-quality sons bringing \$30,000, \$14,000 and \$7,000.

NOTHING HAPPENS IN THIS WORLD UNTIL THERE IS WORK. YOU NEVER PLOW A FIELD BY TURNING IT OVER IN YOUR MIND. YOU HAVE TO PUT YOUR HANDS TO THE HANDLES OF THE PLOW AND WALK FORWARD.  
-GORDON B. HINKLEY

Compliment is sure to improve any herd. We did not keep any Angus this year, but if we would have he would have been the one. His curve bending performance, from a mere 73# BW to a hefty 1,376# YW were made possible in part by his top-of-pen test gain at 4.19#. He combines show stopping good looks with sensible leg and foot structure soundness.

-His broody young dam is an own daughter of impeccable donor S504 who produced two herd sires for us: Zion and Embark. She also is the dam of \$14,500 fancy donor prospect selected by Cory Reins of NE, and an impressive \$8,500 stand out son purchased by Eagle Rock Ranch of CO.

SAV Catalyst, impressive sire of Lot 63.

S504, impeccable donor grandam of Lot 63.

Yardley Embark, herd sire and impressive maternal brother to Lot 63's dam.

The maternal backing of Yardley Commitment and his flawless phenotype and structural soundness make him an enticing genetic and phenotypic gem. With his extreme rib shape and dimension he's designed for fleshing ability and capacity. He couples this with bone and a wide butt end so hard to find in many Angus. He boasts the heaviest yearling weight of any Angus in the offering at 1,435# and the best test gain at 4.22#/day! HIGHEST WW AND YW EPD.

-His powerfully designed, perfect uddered donor grandam has as much middle and shear volume as any cow on our ranch. She consistently produced big butted, deep sided high performing offspring that possess the eye appeal and structural design to win purple ribbons, included in this was our '09, \$9,100 sale topper. Her calves have averaged 697# such as our top-weaning heifer in '06 at 784# who also plays a vital role in our donor program and recently sold a \$10,500 son to good friend Justin Allen of North Powder, OR.

Miss Yardley F200, a classy maternal sister to Lot 65.

YI Mountaineer D332, a muscled-up maternal brother to Lot 65.

Miss Yardley S19, a YI herd matron and grandam of Lot 64.

Miss Yardley Y64, a capacious maternal sister to the dam of Lot 64.

The Duke is a combination of two elite individuals. His sire Cowboy Up was the sensation of the spring 2016 bull sale season when two-thirds interest of him sold for \$350,000. He was the number 1 sire of progeny registered by the American Angus Association in 2019. Produced by a \$100,000 Hinman Angus Pathfinder Dam whose five natural progeny have an average weaning ratio of 114 and an average yearling ratio of 109. His sons display the power, volume and extra muscle expression to be favorites of both purebred and commercial cattlemen.

-The Duke's productive dam produced our herd sire Yardley Mountaineer, a \$14,000 donor prospect in our '20 sale, selected by Gary Sumpter of CA. She is a beautiful Sinclair Mountain Pass daughter. This profitable female has produced seven calves that have averaged an impressive 715#!

Champ has the look of a leader with a massive hip, powerful hind leg, impressive performance, an amazing amount of muscle and spring of rib. He nails his square step on a big hoof every time.

-His dam has produced several powerful performing lead-off sons including Yardley Acreage selected by our longtime friend Rodney Carter of Minersville, UT and '18 Yardley Sensation. His feminine fronted, broody grandam was as pretty as a picture and a valued asset in our donor program. HIGHEST CED ANGUS.

Conversion will make a believer out of you. He's loaded with cow power from some of our best Angus herd matrons. His dam was one of my favorite Angus heifers, broody as the day is long, and continues to be one of my favorite Angus cows. His tremendous maternal grandam X14 is our favorite easy-fleshing SAV Pioneer daughter. She is loaded with true Angus breed character; her nine outstanding calves have averaged a powerful 708# and ratioed at 108! An outstanding son sold for \$10,000 to Kunzler Ranch of Park Valley, UT and another tremendous bull sold for \$9,500 to 3D Cattle Company of Anderson, CA. THIRD HIGHEST YW EPD ANGUS.

We only had one straw of SAV Harvester semen left in the tank, so you can bet we were very selective of the cow we put it in. We chose an extremely deep bodied, feminine fronted, broody made herd matron and SAV Final Answer daughter. We couldn't have been happier with the resulting cross (Except we wish this would have been a heifer)! Yardley Ironman is a beefy made, long bodied, massive hipped rip that packs a powerful performance punch with an impressive 679# WW and a 1,335# YW!

H305's dam was one of my favorite females as a heifer calf. She tragically died part way through the summer and H305 was dogged. He still did remarkably well, but his performance potential is much greater than reflected in his weaning weight. Look for him to do great things.

-His donor grandam, Z69 is a consistent producer of some of our top end Angus, as are her daughters. She has the defining characteristic of a great breed piece – she consistently out produces herself! Her 5 calves have ratioed at 104 at weaning including her impressive \$9,500 Yardley Revenue, a sale day favorite selected by Jim Schipper of Martin, MI. Several of her daughters are retained in our herd and continue their dam's lasting legacy of being top-of-the-line producers.

This long bodied bull's sire, Cowboy Up, was the sensation of the spring 2016 bull sale season when two-thirds interest of him sold for \$350,000. He was the number 1 sire of progeny registered by the American Angus Association in FY 2019. Produced by a \$100,000 Hinman Angus Pathfinder Dam whose five natural progeny have an average weaning ratio of 114 and an average yearling average ratio of 109. His sons display the power, volume and extra muscle expression to be favorites of both purebred and commercial cattlemen.

H288 is the cattleman's kind of bull, he balances superior growth with great fleshing ability. We preach cow families because we know they are the key to consistent quality in the offspring of your purchase; H288's dam is a great one. She exhibits depth, width, and hip coupled with easy fleshing ability making her a true outlier. You'll appreciate the spring of rib and capacity she passes onto her offspring along with stout bone and a sound hoof. Her first fancy calf, sold for \$8,000 to Josh Curtis of Jensen, UT. SECOND LOWEST ANGUS BW EPD.

HA Cowboy Up, the popular sire of Lot 88.

Yardley Lad F276, a stylish maternal brother to Lot 89.

Miss Yardley A46, the easy-fleshing dam of Lot 90.

Cow families reign supreme at Yardley Cattle Company! Simply put, if you get a bull whose dam you like you will probably like the females out of that bull. Stack those females over multiple generations and the consistency of quality increases exponentially. TIED FOR SECOND HIGHEST ANGUS WW AND YW EPD.

-H290 hails from such a cow family; his maternal line traces back to Z69, a cornerstone donor and herd matriarch who is a consistent producer of some of our top end Angus, as are her daughters. She has the defining characteristic of a great breed piece -she consistently out produces herself! Her 5 calves have ratioed at 104 at weaning including her impressive \$9,500 Yardley Revenue, a sale day favorite selected by Jim Schipper of Martin, MI. Several of her daughters are retained in our herd and continue their dam's lasting legacy of being top-of-the-line producers.

You could write a book about all of the great females backing this smooth made, stylish bull. He's loaded with depth and dimensions. His dam was a beautiful High Regard daughter that typified all the characteristics that have made his daughters such sought after items: style blended with length of body, tremendous width and dimension, a perfect udder, and flawless structure. In '18 she produced Yardley Top Deck for \$8,750, selected by our good friends the Kunzlers of Park Valley, UT. -His phenomenal donor grandam has been one of our prettiest and profitable breeding pieces! Producing \$20,000 and \$16,500 sale highlights in our '15 Focus on the Female sale. A full sister to H454's dam produced Yardley Doll Face our '15 \$24,000 female sale topper selected by Greg Kroupa of SD.

Miss Yardley B235, dam of Lot 109. Yardley Top Deck E344, maternal brother to Lot 109.

A powerful maternal brother to Lot 110.

H393 hails from a cow family loaded with longevity, performance, fleshing ability, structural soundness and eye appeal. His dam is an own daughter of the impeccable donor, M100 who weaned 15@104 ratio. Several of her daughters are retained in our herd. A flush brother to H393's dam highlighted our sale selling for \$6,000.

Yardley Lad G306, a standout maternal brother to Lot 123.

Bulls like this make you appreciate SimAngus genetics all the more. He has a fancy front, long sweeping undercarriage, full rib shape, powerful hindquarter, and a good set of wheels under him. As a calf on the mountain he got a bad cut on his foot, he's sound as a cat now, but it slowed up his performance significantly. His big ribbed dam has an impressive 7@104 weaning ratio.

Miss Yardley Z12, the easy-fleshing dam of Lot 124.

Yardley Felicia F187, the second lead-off female of the 2018 sale and maternal sister to Lot 125.

Ferris Wheel's sire, BK Ferris 35F is one of the most unique high percentage herd sires to come along in some time. The combination of look, body, power and flawless structure takes him to the next level. He was the Grand Champion Maine-Anjou Bull at the 2019 National Western Stock Show. His sire, BOE Epic, was the Grand Champion Maine-Anjou bull at the 2018 National Western Stock Show and the 2018 Fort Worth Stock Show. In his first year of production he produced three individuals selling for more than \$100,000 per head.

- The dam of BK Ferris 35F is BK Comfort Zone 5135, which is sired by the proven producer of champions and great maternal sire BK Unlimited Power. Her dam, RSCC Roxbury 707L, has been a dominant producer in the Buck program for years. She produced herd sires BK Top Secret, BK Ambush, BK Remedy, and multiple daughters which have been national champions and have produced national champions.

BK Ferris 35F, the phenomenal sire of Lot 138.

Yardley Commissioner F287, out of a maternal sister to the dam of Lot 138.

Made for Maternal's exceptional donor dam W172 was our favorite cornerstone daughter of Duff New Edition and a sure-fire home run hitter. She was a flawlessly designed feminine fronted, angular female that produced a \$20,000 sale favorite and another \$16,500 highlight in '14. As a first calf heifer she weaned a \$6,000 standout and later a \$7,500 standout bred, selected by our good friend Ronnie Smith of Denton, TX. She is also the maternal grandam to '16 Focus On The Female Sale topper, \$24,000 Yardley Bring It, selected by longtime customer Greg Kroupa of SD.

- Maternal Made is the exciting sire that commanded \$300,000 at the "Embryos On Snow" sale! His daughters are winning in the show ring and we are even more excited as to what they are going to accomplish as cows.

Show-stopping sire of Lot 139.

Maternal brother to Lot 139.

H364's dam was my dad's pick of her calf crop; her donor dam and maternal grandam have both played integral parts in our donor program. His out cross genetics are the cumulative result of a lifetime spent striving to raise the best Maine Anjous in America. In '17 she produced our \$7,500 high selling Maine Bull, Yardley Specialty, selected by Scott Fulmer of Mansfield, OH. His dam's maternal brother was our '16 high selling Maine, \$16,000 Yardley Captain, selected by good friend Steve Welling of Fielding, UT.

Y1, Dam of Lot 140.

Y1's Maternal brother.

Maternal brother to Lot 140.

H307 combines genetics from two of the most popular sires in the Maine Anjou Breed: Ferris and Hard Whiskey. BK Ferris 35F is one of the most unique high percentage herd sires to come along in some time. The combination of look, body, power, with flawless structure takes him to the next level. He was the Grand Champion Maine-Anjou Bull at the 2019 National Western Stock Show. Hard Whiskey is one of the most unique, up and coming Maine bulls in the industry. He was a standout crowd favorite in Denver setting himself apart with a flawless structure, muscle shape, and massive bone. THIS BULL HAS SOME ATTITUDE

BK Ferris 35F, the popular sire of Lot 141.

Yardley Accomplishment is one of my very favorite bulls in the entire offering and could have easily been used to start off the sale. He's got an incredible amount of depth and dimension coupled with a tremendous amount of thickness, a powerful hindquarter, great flex in his hocks and pasterns with all of his running gear straight and in line. His dam has done an exceptional job with a weaning ratio of 2@108; his maternal grandam equally so with 7@103. Her past three bulls to sell have averaged \$5,750!

SFI Achievement F10B, the tremendous sire of Lot 142.

Yardley Royal Type D301, maternal brother to the dam of Lot 142.

THE FATHER NEVER SLEEPS NOR SLUMBERS, I LOVE THE IDEA THAT HE NEVER SLEEPS NOR SLUMBER. HE'S ON THE JOB 24/7 IN AN EFFORT TO BLESS US. WE'VE GOT HELP, PEOPLE AROUND US, PEOPLE ON THIS SIDE OF THE VEIL AND THE OTHER SIDE OF THE VEIL. AND DON'T UNDERESTIMATE ALL YOUR FAMILY ON THE OTHER SIDE OF THE VEIL. ALL THOSE GRANDPARENTS AND GREAT-GRANDPARENTS THAT YOU DON'T EVEN KNOW AND YOU'VE NEVER EVEN MET-THEY'RE OVER THERE WORKING FOR YOU AND CHEERING FOR YOU AND HELPING YOU. WE'VE GOT HELP! -JEFFREY R. HOLLAND

Long-bodied sire of Lot 143.

Maternal brother to Lot 143.

Big Shot is an impressive maternal brother to our proven herd sire Standout. Don't let his age fool you, Yardley Big Shot has performance comparable with and excels against many of his older counterparts. Since he was a calf Big Shot has always had a stylish look about him with a powerful hip, fancy front end, and a very balanced phenotype. He strides out with the confidence of a king, tracking wide and nailing every step.

-His dam is very feminine fronted, deep bodied, easy fleshing and ideal uddered. She is the best High Regard daughter we have had to date. She entered the donor pen at an early age join her beautifully designed, broody dam, Y22 who has been super productive. Consistency is coming from both sides of the pedigree here. \*RWCC Adj.

You'll like the looks of this deep bodied, soft made, correct chunk. His maternal bother sold in last year's sale for \$7,000.

DON'T FEEL SORRY FOR OR FEAR FOR YOUR KIDS BECAUSE THE WORLD THEY ARE GOING TO GROW UP IN IS NOT WHAT IT USED TO BE. GOD CREATED THEM AND CALLED THEM FOR THE EXACT MOMENT IN TIME THAT THEY'RE IN. THEIR LIFE WASN'T A COINCIDENCE OR AN ACCIDENT. RAISE THEM UP TO KNOW THE POWER THEY WALK IN AS CHILDREN OF GOD. TRAIN THEM UP IN THE AUTHORITY OF HIS WORD. TEACH THEM TO WALK IN FAITH KNOWING THAT GOD IS IN CONTROL. EMPOWER THEM TO NOW THEY CAN CHANGE THE WORLD. DON'T TEACH THEM TO BE FEARFUL AND DISHEARTENED BY THE STATE OF THE WORLD BUT HOPEFUL THAT THEY CAN DO SOMETHING ABOUT IT. EVERY PERSON IN ALL OF HISTORY HAS BEEN PLACED IN THE TIME THAT THEY WERE IN BECAUSE OF GOD'S SOVEREIGN PLAN. HE KNEW DANIEL COULD HANDLE THE LIONS DEN. HE KNEW DAVID COULD HANDLE GOLIATH. HE KNEW ESTHER COULD HANDLE HAMAN. HE KNEW PETER COULD HANDLE PERSECUTION. HE KNOWS THAT YOUR CHILD CAN HANDLE WHATEVER CHALLENGE THEY FACE IN THEIR LIFE. HE CRATED THEM SPECIFICALLY FOR IT! DON'T BE SCARED FOR YOUR CHILDREN, BUT BE HONORED THAT GOD CHOSE YOU TO PARENT THE GENERATION THAT IS FACING THE BIGGEST CHALLENGES OF OUR LIFETIME. RISE UP TO THE CHALLENGE. RAISE DANIELS, DAVIDS, ESTHERS AND PETERS! GOD ISN'T SCRATCHING HIS HEAD WONDERING WHAT HE'S GOING TO DO WITH THIS MESS OF A WORLD. HE HAS AN ARMY HE'S RAISING UP TO DRIVE BACK THE DARKNESS AND MAKE HIM KNOWN ALL OVER THE EARTH. DON'T LET YOUR FEAR STEAL THE GREATNESS GOD PLACED ON THEM. I KNOW IT'S HARD TO IMAGINE THEM AS ANYTHING BESIDES OUR SWEET LITTLE BABIES, AND WE JUST WANT TO PROTECT THEM FROM ANYTHING THAT COULD EVER BE HARD ON THEM, BUT THEY WERE BORN FOR SUCH A TIME AS THIS.

Miss Yardley F136, the beautiful two-year old dam of Lot 149.

You'll love how wide topped and big butted H462 is and how nice he travels out; filling in his step and tracking wide. He has the confirmation and design to moderate and soften up a larger set of rangy cows without compromising quality. His elite dam produced Yardley Cookies N Cream, a fancy feature lot of our '15 sale selected by Corey & Aubrey Wride of Spanish Fork, UT.

This classy baldy is out of a tremendous cow family. His heavy milking donor dam is the maternal grandam of this year's lot one bull, Game Changer. She also produced Yardley Game Plan who was to be our lead off bull of our '15 sale before a tragic injury took him. Yardley North Slope was her \$9,000 sale day favorite the following year. TWIN THIS BULL HAS SOME ATTITUDE.

Yardley Game Plan B441, a maternal brother to Lot 157.

# YARDLEY

## Cattle Company Sire Lineup

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on all sires.

### THSF LOVER BOY B33

POLLED PB SM BD 10/16/2014 ASA 2983443

SIRE: HTP/SVF Duracell T52 by Dream On

DAM: Built Right X 3C Macho by Meyer 734

**CALVING EASE SIRE SUPREME.** He is one of the easiest calving purebred Simmentals in the breed. The last three years we have had over 100 heifers and cows calve out of him, and we have never had to pull a calf. They are very stylish and correct and have good growth, performance, and eye appeal. Our cattle have to do a lot of walking so we are very fussy about good feet and legs. There is an epidemic of back curly toes and toeing out on the front legs in both Simmental and Angus. He is the most correct legged bull we saw in Denver. His dam was the Grand Champion Simmental female at the 2009 American Royal Show in Kansas City. Many of the bred cows and heifers in this sale carry his service. You Need To Try Him. Hetero Black Homo Polled.

### YARDLEY STANDOUT E270

3/4 SM 1/4 AN BD 2/8/2017 ASA 3308871

SIRE: THSF LOVER BOY B33 BY HTP/SVF DURACELL

DAM: MISS YARDLEY C136 by Yardley High Regard

Standout's name says it all. Since he was a calf he always had a stylish look about him and leading performance. His two-year-old dam is very feminine fronted, deep bodied, easy fleshing and ideal uddered. Standout was her first calf with a birth weight of 72 pounds, weaning weight of 773 pounds without creep, and a yearling weight of 1338. His extended front end and smooth shoulder give him added eye appeal and increase calving ease. His beautiful dam, C136, has entered the donor pen at an early age join his grandam, Y22 who has been super productive. Consistency is coming from both sides of the pedigree here. Hetero Black, Homo Polled.

### W/C BANCHOR 46D

POLLED 3/4 SM 1/4 AN BD 2/12/2016 ASA 3182241

SIRE: CCR Anchor 9071B

DAM: W/C Miss Werning 46B

W/C Banchor 46D has been fun to see in our pastures all summer. He is loaded with depth of body, thickness and muscle, excellent feet quality, good haired, and a blazed face to top it all off. He stayed sound and fat all summer while doing a great job of getting the cows bred. He has a nice slope to his shoulder and a disposition that can't be beat. He is sired by CCR Anchor 9071B, whose progeny have highlighted many sales over the last year. They have proven themselves as sound, functional, real world cattle that just work. His dam Miss Werning 46B is a daughter of the great 715T donor cow and has had multiple full sisters sell for over \$10,000. The maternal backing behind Banchor gives us great confidence in the future of him and his offspring. He is a proven heifer bull. We have had 16 calves out of him this year and haven't had to touch one. He throws a lot of stylish calves. Owned with Chad Ruda of Nebraska. Homozygous black, hetero polled.

CALVING EASE EXTRAORDINAIRE!

## YARDLEY ABUNDANCE G280

HOMO POLLED 31/2 SM 1/2 AN BD 2/1/19 ASA 3621542

**SIRE:** W/C Banchor

**DAM:** Miss Yardley E232 x Bushwacker

Abundance was the pick of our '19 calf crop to keep as an impressive herdsire. He is a soft made, stylish fronted, bull with ideal leg and foot structure. He has a very balanced EPD profile with many traits ranking in the top 15% of the breed. His excellent disposition has landed him a docility EPD in the top 1% of the breed. His deep-bodied dam has an impeccable udder with plenty of milk and the ability to breed back while working hard. Abundance's sire, Banchor, is making a huge impact on our herd with daughters that are moderate, deep-bodied, easy-fleshing, heavy milking, and extremely feminine. Abundance was used heavily in our herd this spring and we are anxiously awaiting his first calf crop, due spring of 2021.

## SFI ACHIEVEMENT F10B

PB SIMMENTAL BD 2/10/2018 ASA 3442359

**SIRE:** LLSF pays to believe by cns pays to dream

**DAM:** sfi miss lacey by hooks shear force 38k

A new and exciting addition to our bull battery, SFI Achievement F10B, the anchor bull in Schaake Farms pen of Five NWSS Pen of Five Champion Simmental Bulls! He's awesome footed, deep bellied, big topped, smooth jointed and nice fronted; one of the best, complete packages in the show with awesome performance and an intriguing set of numbers which is just icing on the cake! He had a large breeding group of cows and stayed fat while doing it. Achieve is an attractive, soft-made, purebred that will do great things.

## YARDLEY TOP NOTCH C371

POLLED PB SM BD3/8/2015 ASA 3080653

**SIRE:** Sandeen Upper Class 2386

**DAM:** HSF Victoria P30 by Nichols Blk Destiny

Top Notch is the exciting result of the \$55,000 Sandeen Upper Class crossed on HSF Victoria P30, who has had over \$500,000 in offspring sales and reigns as the leading donor for Hecksels of Minnesota, and the producer of another successful donor phenomena, HSF Baby Doll W959. Top Notch is loaded with exceptional mass and performance in a moderate made easy-keeping package. His width and massive rib shape afford him the ability to moderate cattle without moderating weaning weight. Top Notch is a breed changer. His first calf crop topped our 2018 bull sale averaging nearly \$7,200 including high-selling bull, going for \$15,000 Yardley Topline.

## YI TOP GUN F379

POLLED 3/4 SM 1/4 ANGUS BD 3/3/2018 ASA 3526357

**SIRE:** Yardley top notch by sandeen upper class

**DAM:** miss yardley y134 by occ missing link

Top Gun was in our sights as a future herd sire prospect when only a couple months old and only got better from there. He shot out with extreme depth of body, thickness, and muscle, and is backed by one of the best cows on the ranch, Miss Yardley Y134. She has an ideal udder, abundant milk, is easy-fleshing, has great feet, and a very attractive front. Y134 has a weaning weight ratio of 115 on her 5 calves with only a 84 pound birth weight average. She is also the dam of Yardley Man O' War proving that she can do it time and again. There is cow power in this pedigree!

## YARDLEY NORTH FORCE C302

**POLLED 3/4 SM 3/16 AN BD2/23/2015 ASA 3074934**

**SIRE: Kappes Northern Octane**

**DAM: GCC Steel Force 199X**

North Force is the pinnacle of perfection in terms of power, performance and phenotype. His width, depth, and overall mass is unsurpassed by any bull on the ranch which is reflected in his real world numbers. His donor dam is a beautiful long-bodied, deep-sided female with a perfect udder and flawless structure who has proven to be our most productive purchase from Griswolds. As a first calf heifer she weaned a 737# calf. Her first heifer to sell, commanded \$16,500. North Force's \$25,000 sire, Northern Octane, is out of Kappes's leading donor female, Kappes Sadie T635. Here is a bull that has all the right parts in all the right places, and one that is certain to increase weaning weight and improve quality!

## DUXS EXALT 49E

**3/4 SM BD 3/20/2017 ASA 3277174**

**SIRE: CCR COWBOY CUT 5048Z by Triple C Singletary**

**DAM: BRITT**

Right before we left Denver last year we ran across Exalt, a  $\frac{3}{4}$  Simmental that really caught our eye. He is as fancy as anything we have encountered. He is built on a solid foundation with good feet and legs. He has a tremendous amount of mass and dimension from his big top to his massive hip and incredible depth and volume. He was the % Spring Simmental Bull Calf Champion on the Hill, Reserve Champion % People's Choice bull, and the anchor bull in Duxbury's class-winning Pen of Three. His consistent quality donor dam also produced Duxbury's high-seller in their sale this year. He's sired by the go-to-sire, CCR Cowboy Cut. We are excited for Exalt's first calves. He should make some great ones with his standout phenotype and sterling performance profile. Homo Black, Homo Polled.

## YARDLEY HIGH REGARD W242

**POLLED PB SM**    **BD 3/20/2009**    **ASA 2522822**

**SIRE: Yardley Impressive T371**

**DAM: Miss Yardley T68 by Pinion**

Y1 High Regard was the \$30,000 high selling bull in our 2010 sale to John Goken and Dale Werning families of SD. Sired by Yardley Impressive x Y1 Pinion. The calves sired by High Regard are stout, cool made, and consistent. He is siring sale toppers across the country demanding as much as \$100,000. Another daughter was crowned Grand Champion at the prestigious and tough Simmental Junior Nationals, the American Royal and Denver. High Regard hails from generations of good uddered, broody made females. They are real world cattle that will work in the show ring. As a complete outcross to Dream On he is the go to sire for functional, consistent quality. Hetero Black, Hetero Polled.

## YARDLEY LAWMAN G282

**POLLED 3/4 SM 1/4 AN**    **BD 2/1/19**    **ASA 3621544**

**SIRE: SFG The Judge**

**DAM: Miss Yardley E10 X Sav Patron**

Lawman is a masculine stud that exemplifies the traits we are trying to infuse in our cattle. His shear length, width, and depth coupled with his impressive muscle and bone, led to an incredible performance record with scale mashing performance reflected in his 761# adj WW and an equally impressive 1,378# adj WW out of an impressive, heavy milking first calf heifer! He ranks in the top 10% of the breed for WW, YW, and CW. His maternal line traces back to T68, the profitable dam of \$30,000 Yardley High Regard. Lawman's maternal gran dam, Yardley Step Ahead was our '17 leadoff, \$14,000 bull selected by Griswold Cattle Company of Stillwater, OK.

## SAV CATALYST 6704

**ANGUS** **BD 2/3/2016** **AAA 18579117**

**SIRE: SAV Resource 1441**

**DAM: SAV Emblynette 0491**

SAV Catalyst 6704 is the result of combining the ever popular SAV Resource 1441 and the dam of SAV West River 2066, SAV Emblynette 0491. Catalyst is phenotypically outstanding and complete as you can build one: masculine, loaded with thickness, volume and expressive muscle shape in a perfect-structured package. His gentle disposition, superior feet quality and large scrotal are added features. He earned a 205-day weight of 905 lbs. for a weaning ratio of 105 in a very competitive herd. His dam, SAV Emblynette 0491, is an elite low-birth producer by Final Answer. She balances a birth ratio of 95 with a weaning ratio of 104 on three calves and served in the SAV embryo program along with her dam and 20-year-old Pathfinder grandam. Owned with Genex Cooperative Inc & Schaffs Angus Valley

## SAV 654X RAINMAKER 7133

**PB ANGUS** **BD 2/23/2017** **AAA 18911172**

**SIRE: Coleman Charlo 0256 by OCC Paxton**

**DAM: SAV Black Cap May 5853 by SAV International**

Rainmaker is the complete package: calving-ease, performance, eye appeal, and structurally correct. I was looking for a heifer bull at Schaff's and when I saw him I could see he did a lot of things right. He had a strong top, deep body, square rump with a level tail head, impeccable hoof structure, and an attractive front third. We've been very pleased with his first set of calves and are keeping a son and many daughters for future breeding pieces. He PAPed and impressive 36 as a two-year old, which is important for high altitudes. If you want calving-ease without sacrificing performance, Rainmaker is your guy!

## YARDLEY ROUNDUP E311

ANGUS BD 2/24/2017 AAA 19020421

**SIRE: SAV RENOWN 3439 by Rito 707 of Ideal**

**DAM: MISS YARDLEY B42 by Yardley Black Mustang**

Roundup was the pick of our 2017 Angus calf crop for good reasons. His 3-year-old dam is a deep, thick, and feminine female with an ideal udder and teats. Roundup was 69# at birth, hit the ground running and weaned off at 744# without creep, and then crushed the scales with a yearling weight of 1465#, all that in a moderate made easy-fleshing package. He is structurally correct on his feet with excellent hoof size and shape. The cow family behind Roundup is very productive, consistent, and functional, which gives us confidence and high expectations for this young herd sire.

## YARDLEY CHARBROIL F260

PB ANGUS BD 1/14/18 AAA 19335781

**SIRE: Coleman Charlo**

**DAM: Miss yardley D56 X SAV international**

Check out Charbroil. He's one beefy dude loaded with power and performance. Charbroil has it all; a clean front and smooth shoulder, with abundant rib shape and dimension. He is perfectly sound and smooth through his hooks, pins, and tail head. From behind he is wide based, filled in across the tail and has massive width extending all the way down through his lower quarter.

His elite first calf heifer dam did an exceptional job. His phenomenal feminine maternal grandam is the picture of perfection with true Angus breed character. Charbroil's sire, Charlo has produced more high dollar offspring in the past couple of years than about any bull in the breed including \$750,000 SAV President and \$450,000 Coleman Bravo.
