Focus on the Female

SATURDAY, NOV 18TH 2023
BEAVER, UT 1PM MST

WELCOME

Dear Friends, Fellow Cattlemen, and Valued Customers:

Welcome to our 46th annual, “Focus on the Female Sale.” This is an exciting time to be involved in the cattle industry. The cattle industry has seen and is poised to see explosive growth and profit margins of historical proportions with cattle numbers being lower than they have been in years and with an ever increasing demand for quality beef world-wide being produced by the US.

The cattle in this offering represent a lifetime of work and dedication of breeding the best to the best in a holistic, balanced approach to producing easy keeping, structurally sound cattle loaded with eye appeal, muscle, and performance. Stacking these pedigrees increases the quality and consistency of the offering and the offspring they will produce in your herd for years to come. They are the right kind of cattle for the right time that will excel on the range, in the pasture, in the feedlot, and in the show ring; cattle that you can build a program around.

Never in my life have I seen two years that were so polar opposite in terms of weather and market prices. Last year at this time we were still in the heart of one of the worst two-year drought cycles we had ever encountered. This last winter was one of the longest hardest winters we have yet faced along with all of you, with unheard of hay and commodity prices, a shortage of feed on the ranges and exceptional cold weather, and later historic snow packs and blizzards. But God had not forsaken us and with the increased snow pack came an abundance of water in the ditches, green grass in the pastures, beautiful feed on the ranges and bumper crops in the fields. How grateful we are and how truly we have been blessed by the hand of Providence.

We are so very grateful for the tremendous labor and efforts of everyone who helps make our operation a success. It takes a team effort to keep this ranch going and to put on these sales. We would like to send a special shout out to them individually: Jose Guzman for 18 years of dedicated service and hard work; he knows how to do anything and does every task to the best of his ability. Talon Linton, who has learned to work cattle, horses, and the art of ranching faster than anyone I have ever met. His easy going, fun-loving demeanor, willingness to work and learn make him a pleasure to be around. Cletus Guzman, Jose’s son

who has labored alongside his father and aided him in every task. I’d also like to thank my sons James and Kade who have really stepped up and helped out around the ranch and at home. It’s crazy how fast they’ve grown up and matured. I would be especially ungrateful if I did not recognize the efforts of my sweet wife Leslie who has worked tirelessly to clean up and bring our cattle records up to date, take care of the paperwork, and help and assist around the ranch. Thanks sweetheart!

We have missed and will continue to feel the absence of Josue Garcia who faithfully fed and worked with us for 22 years. His handywork and fencing abilities can be seen throughout the ranch. We are thankful for his friendship and wish him well.

You will notice that there are fewer comments in this catalog than there have been in years past. This does not take away from the quality of the offering, the valuable role many of these elite individuals have played in our operation, or their future potential. There simply was not enough time to accomplish all there was to do in order to get the catalog to print in time. With a limited number of hours in the day we simply had to prioritize and we felt that having more pictures was more important than having more commentary.

We feel so very blessed to live in this great land of America and for the freedoms we enjoy here. We are so grateful for the sacrifices of the brave men and women who have and continue to give their lives in defense of liberty. Though we all face adversity and obstacles in our own lives I am comforted by the hope and faith in God expressed by our great leader Abraham Lincoln when faced with such challenges: “Without the assistance of that divine being, I cannot succeed. With that assistance I cannot fail. Trusting in Him, who can go with me, remain with you and be everywhere for good let us confidently hope that all will yet be well.” We are confident in the future and look forward to seeing you at our Focus on the Female Sale November 18, 2023.

Sincerely yours for a better cattle industry,

- Steven Yardley

There will be a buyers appreciation BBQ lunch on sale day 12:00 pm at our sale barn. Thanks to the Daren Oberg Family of Genola, UT for putting the BBQ together.

TERMS & CONDITIONS

TERMS: No cattle will leave sale yards until full settlement has been made. Payment terms for this sale are cash, or a good check, or ACH. All returned or non sufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed. Settlement is to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared. Any other arrangements are made prior to the sale.

BIDDING: All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final. All potential buyers must have a buyers number provided by Yardley Cattle Co. Yardley Cattle Co reserves the right to not issue a buyer number to potential buyers.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer, at which time the buyer assumes all risk.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter, and any other announcements.

HEALTH: Every animal in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way, Lepto. The heifer calves have been fully vaccinated and received their boosters. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots three weeks apart before they calve. All cattle have had Dectomax, and given OneShot Ultra 8. Calves have had two shots Bova Shield Gold OneShot, Ultra Choice 8.

BREEDING GUARANTEE: All females sold under the conditions "safe with calf" have been ultrasound pregnancy checked by a competent veterinarian. They sell with no further guarantee. No guarantee is given that bred females will deliver a live calf, or calf on or near the listed expected calving date. All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if: 1- A female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred. 2- If she is flushed at any time in the first year after the date of sale. 3- If she is in poor body condition. These three exemptions do not apply if the female is examined by our vet to have an underdeveloped reproductive tract that would have been present at the time she was sold. Infections

or other enlargements do not constitute "undeveloped." 100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses incurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at the time of the sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value.

AI CERTIFICATE: The purchase of A.I. certificates are the responsibility of the buyer, as well as, the registration of all calves born after sale day.

REGISTRATION CERTIFICATES: Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. If registration is requested later, the buyer must pay additional registration fees. Leave the name and address to which you would like the purchase transferred to with the pay clerks.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. Late in the summer it is necessary to mix breeding groups. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is run. IGENITY labs runs this procedure for around \$30.

TRUCKING: All trucking, prices, and trucking fees are the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We will guarantee sold cattle to be delivered to central points.

LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. Yardley Cattle Co, its owners and employees assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on rare occasions, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

STAY UNTIL THE END OF THE SALE!

ABSENTEE BIDDING

If you are unable to attend the sale but would like to bid on the lots offered we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale.

1- Bidding via DVAuctions: View the auction live, bid online, from the comfort of your own home. Bid via www.DVAuction.com. For more information contact DVAuction at 402-316-5460.

2- Work with one of us to fill your order:

Feel free to call anytime prior to the sale. We are happy to discuss lots with you, and assist you in any way we can (Please reach out prior to sale day, if other arrangements need to be made).

3- Pre-sale Registration for bidders and absentee bidders:

If you would like to register as an absentee bidder please call Leslie at 435-310-1723. You may be required to list your bank telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via ACH on or before Monday, November 20, 2023, prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

THE OFFERING

DO NOT HESITATE ON ANY OF THE UNPICTURED LOTS. THE CATTLE NOT PICTURED IN THIS OFFERING ARE BEAUTIFUL, PRODUCTIVE CATTLE, WE SIMPLY RAN OUT OF TIME.

We take great pride in our “clean up” bulls, we call them our herd sires. Many of them come from top herds across the Nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we strive to use only the best. Our bulls in the pasture are of equal or higher quality as those in the tank and we take pride in their genetic merit. Do not hesitate to buy a female that is pasture bred.

THE **YARDLEY FAMILY**

Gib and Denise Yardley

Love is the very essence of life. It is the pot of gold at the end of the rainbow. Yet it is not found only at the end of the rainbow. Love is at the beginning also, and from it springs the beauty that arched across the sky on a stormy day. Love is the security for which children weep, the yearning of youth, the adhesive that binds marriage, and the lubricant that prevents devastating friction in the home; it is the peace of old age, the sunlight of hope shining through death. How rich are those who enjoy it in their associations with family, friends, and neighbors! Love, like faith, is a gift of God. It is also the most enduring and most powerful virtue. —Gordon B Hinckley

THE FAMILY

A PROCLAMATION TO THE WORLD

THE FIRST PRESIDENCY AND COUNCIL OF THE TWELVE APOSTLES OF THE CHURCH OF JESUS CHRIST OF LATTER-DAY SAINTS

WE, THE FIRST PRESIDENCY and the Council of the Twelve Apostles of The Church of Jesus Christ of Latter-day Saints, solemnly proclaim that marriage between a man and a woman is ordained of God and that the family is central to the Creator's plan for the eternal destiny of His children.

ALL HUMAN BEINGS—male and female—are created in the image of God. Each is a beloved spirit son or daughter of heavenly parents, and, as such, each has a divine nature and destiny. Gender is an essential characteristic of individual premortal, mortal, and eternal identity and purpose.

IN THE PREMORTAL REALM, spirit sons and daughters knew and worshipped God as their Eternal Father and accepted His plan by which His children could obtain a physical body and gain earthly experience to progress toward perfection and ultimately realize their divine destiny as heirs of eternal life. The divine plan of happiness enables family relationships to be perpetuated beyond the grave. Sacred ordinances and covenants available in holy temples make it possible for individuals to return to the presence of God and for families to be united eternally.

THE FIRST COMMANDMENT that God gave to Adam and Eve pertained to their potential for parenthood as husband and wife. We declare that God's commandment for His children to multiply and replenish the earth remains in force. We further declare that God has commanded that the sacred powers of procreation are to be employed only between man and woman, lawfully wedded as husband and wife.

WE DECLARE the means by which mortal life is created to be divinely appointed. We affirm the sanctity of life and of its importance in God's eternal plan.

HUSBAND AND WIFE have a solemn responsibility to love and care for each other and for their children. "Children are an heritage of the Lord" (Psalm 127:3). Parents have a sacred duty to rear their children in love and righteousness,

to provide for their physical and spiritual needs, and to teach them to love and serve one another, observe the commandments of God, and be law-abiding citizens wherever they live. Husbands and wives—mothers and fathers—will be held accountable before God for the discharge of these obligations.

THE FAMILY is ordained of God. Marriage between man and woman is essential to His eternal plan. Children are entitled to birth within the bonds of matrimony, and to be reared by a father and a mother who honor marital vows with complete fidelity. Happiness in family life is most likely to be achieved when founded upon the teachings of the Lord Jesus Christ. Successful marriages and families are established and maintained on principles of faith, prayer, repentance, forgiveness, respect, love, compassion, work, and wholesome recreational activities. By divine design, fathers are to preside over their families in love and righteousness and are responsible to provide the necessities of life and protection for their families. Mothers are primarily responsible for the nurture of their children. In these sacred responsibilities, fathers and mothers are obligated to help one another as equal partners. Disability, death, or other circumstances may necessitate individual adaptation. Extended families should lend support when needed.

WE WARN that individuals who violate covenants of chastity, who abuse spouse or offspring, or who fail to fulfill family responsibilities will one day stand accountable before God. Further, we warn that the disintegration of the family will bring upon individuals, communities, and nations the calamities foretold by ancient and modern prophets.

WE CALL UPON responsible citizens and officers of government everywhere to promote those measures designed to maintain and strengthen the family as the fundamental unit of society.

This proclamation was read by President Gordon B. Hinckley as part of his message at the General Relief Society Meeting held September 23, 1995, in Salt Lake City, Utah.

Remedy 1054J extraordinary sire of lots 1-3

Three exceptional daughters of our exciting new herd sire, Remedy 1054J, lead off this stellar offering Lucy, Lady Luck, and Lady Love. It's pretty remarkable to sort through nearly 200 head of heifers from an elite program and hand select the top phenotypic standouts only to discover that three of the very finest of them are sired by the same bull; Remedy 1054J. With docile dispositions, tons of middle, rib shape and dimension, they have style to burn, combining stellar looks with exceptional performance and personality. Perhaps their greatest attribute is the massive amount of hip and width they possess. I have never seen a set of heifers have such big butt ends as these three girls. On the move they are equally impressive with grace and fluidity, tracking wide and nailing their step on a big hoof. Here's your chance at greatness!

You'll love the looks Lena possesses in a stylish, solid package. Her beautiful, smooth, sweeping design extends from her keen head, kind eye and smooth shoulder, back through her deep body and strong top and into her powerful hip and ideal leg set. Her dam is a maternal sister to our herd sire, Yardley Standout, whose offspring have topped multiple sales. Their donor dam is probably the best Yardley High Regard daughter we have. We first saw Lena's sire, Exclusive in '18 where he was the powerful lead bull in the Grand Champion Pen for Kearns Cattle Co. He then traveled to the Fort Worth Stock show and sale, and I called to bid on him, but was out of our price range, as he sold for \$120,000 for half interest.

If you're looking for a mouthwatering, young black baldy female, be sure to look at K181. Miss Yardley K181 possesses great natural depth, a powerful hip, and an extended front, all while maintaining smooth made and functional. Her beautifully designed nice uddered dam produced Yardley Love Struck, as a first calf heifer, he packed an impressive 762# adj WW and was a leadoff bull in our '21 sale catalog.

Choice is the most powerful tool we have. Everything boils down to choice. We exist in a field of infinite possibilities. Every choice we make shuts an infinite number of doors and opens an infinite number of doors. At any point we can change the direction of our lives by a simple choice. It is all in our hands, our hearts, and our minds. - Unknown

THE KEY TO THE PUZZLE = BALANCE

IT'S THE HARDEST THING TO KEEP IN THE FRONT OF OUR MINDS. WE ALWAYS WANT TO THINK THAT BIGGER IS BETTER, OR WE BUY BULLS BASED ON SPREAD EPD'S OR WE CHOOSE A BULL BECAUSE HE HAS ONE TRAIT THAT REALLY STANDS OUT. WE'VE ALL BEEN GUILTY OF IT, BUT THE REAL KEY IS "BALANCE," THE ONES THAT DO ALL THINGS WELL. I REALLY BELIEVE THAT THIS IS ONE OF THE HARDEST, IF NOT THE HARDEST, HURDLE IN BREEDING CATTLE. IF WE CAN STAY FOCUSED ON THIS, IT WILL MAKE US MORE PROFITABLE AND BETTER CATTLE BREEDERS.

With her imposing structure and fancy front, F67 should have an awesome club calf sired by the exciting clubby bull Chosen 1. Chosen 1 is positioning himself as one of Here I Am's sons; boxy built, great body shape, incredible structure, and immense quality throughout all coupled with the trademark stoutness of the Here I Am offspring. His dam, 963, has been one of the most consistent females there is and full sibs to him have dominated the show ring winning the elite of all steer shows. *F67 has bigger teats.*

J30 hails from a long line of feminine fronted, front pasture females that flat out produce. Her maternal brother was a sale day favorite selected by Clarke Cattle of Delta Utah. J30's flawless maternal grandam and donor produced \$10,000, Yardley Comeback, selected by Avila Ranch of CA. J30's sire, Coleman Ace 989 is a powerful individual with performance, massive volume, dimension, and eye appeal. He consistently stamps his progeny with herd-improving attributes proving to be a influential sire. His offspring are built with tremendous front-end extension, added volume, and come at you in an exquisite package. His Pathfinder dam, Coleman Donna 439, is a herd leader with front pasture phenotype and top production. She has a progeny production record of BR 4@91, WR 4@108, YR 4@108.

YARDLEY CATTLE CO.

SIRE LINEUP

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on most sires.

Remedy 7F is the record setting Simmental bull that sold for \$530,000 in the '21. Remedy was then selected as the 2021 Cattlemen's Congress Grand Champion Simmental Bull. We were very impressed with his offspring on display at the Denver Stock show. When we took a trip through South Dakota and visited Chris Effling the Remedy calves again stood out. At the top of our list was his leadoff Remedy son, 1054J. He's got a soft look, cool and completely loaded with a ton of rib shape and dimension in a purebred, Homo Black, Homo Polled package. He is sure to improve phenotype while adding power and performance without increasing mature size. He moves out on a sound foot with style and tremendous quality that is even more impressive on the move.

SFI Conviction caught my eye at the 2023 NWSS pen show where he stood in Schaake's Reserve Champion pen of three. He had the best feet and legs of any bull in the yards; tracking wide and nailing every step as he goes. He has a massive hip with plenty of extra "junk in the trunk" and a huge, strong, level top. He has a smooth shoulder and is loaded with real world depth and dimension. He ranked in the top of his contemporary group for weaning weight, back fat, and REA and #2 for YW. He has an extremely easy going, docile disposition. This summer he held his flesh as good as any bull we've owned and did a tremendous job covering the cows. PB ANGUS **BD 12/26/2019** **AAA 19851723**

SIRE: SAV PRESIDENT 6847

DAM: SAV MADAME PRIDE 5809

Patriot is an ultra-thick, super stout, heavy-quartered, stock bull with incredible muscle, shape, and fault-free design. He's unique in the fact that he has such a small head and attractive front end with such a massive body. His extraordinary dam is a maternal sister to SAV America, that sold for \$1.51 million, and she serves as a sixth generation SAV headliner donor. She presents a stellar phenotype with ultra-femininity and impeccable udder and feet quality – one of the very best to ever walk SAV pastures. Owned with Allen Brothers Cattle of North Powder, OR and Schaff Angus Valley of St. Anthony, ND.

POLLED PB AN **BD 1/22/2019** **AAA 19551396**

SIRE: COLEMAN BRAVO 6313

DAM: MISS YARDLEY E66

Acclaimed was our lead off, and high selling Angus in our '20 Bull Sale selected by Ken Stewart of Southern Cattle Company in Florida. He is a phenotypically complete standout that is built right from the ground up. Awesome feet and legs, smooth joints, a beautiful front end, powerful hip, a large capacious body and an extremely soft made functional look throughout. He's sure to throw an impressive set of heavy weaning calves and mouthwatering females! His maternal pedigree is stacked with impressive females that have consistently produced amazing calves that have stood out in a pen and pushed down the scales in the Fall. He's sire by the record selling \$450,000, Coleman Bravo.

SIRE: SAV RESOURCE 1441

DAM: SAV EMBLYNETTE 0491

SAV Catalyst 6704 is the result of combining the ever popular SAV Resource 1441 and the dam of SAV West River 2066, SAV Emblynette 0491. Catalyst is phenotypically outstanding and complete as you can build one: masculine, loaded with thickness, volume and expressive muscle shape in a perfect-structured package. His gentle disposition, superior feet quality and large scrotal are added features. He earned a 205-day weight of 905 lbs. for a weaning ratio of 105 in a very competitive herd. His dam, SAV Emblynette 0491, is an elite low-birth producer by Final Answer. Owned with Genex Cooperative Inc & Schaff Angus Valley.

SIRE: SAV CATALYST 6704 X SAV RESOURCE 1441

DAM: MISS YARDLEY D88 X YARDLEY ROYAL JET

If you like depth, thickness, and style, you'll love Challenger. As his dam's first calf he has set the bar extremely high for those that follow. He has a keen head, clean front, with plenty of extension, a very strong topline, with a stout hind leg and rump. Challenger is a very balanced bull standing on excellent feet and a disposition that can't be beat. His young dam has a perfect udder with small teats and plenty of milk.

PB ANGUS BD 2/23/2017 AAA 18911172

SIRE: COLEMAN CHARLO 0256 X OCC PAXTON

DAM: SAV BLACK CAP MAY 5853 X SAV INTERNATIONAL

Rainmaker is the complete package: calving-ease, performance, eye appeal, and structurally correct. I was looking for a heifer bull at Schaff's and when I saw him I could see he did a lot of things right. He had a strong top, deep body, square rump with a level tail head, impeccable hoof structure, and an attractive front third. We've been very pleased with his first set of calves and are keeping a son and many daughters for future breeding pieces. He PAPed and impressive 36 as a two-year old, which is important for high altitudes. If you want calving-ease without sacrificing performance, Rainmaker is your guy! Owned with Schaff Angus Valley, St. Anthony, ND.

YARDLEY CHARBROIL F260

PB ANGUS BD 1/14/18 AAA 19335781

SIRE: COLEMAN CHARLO

DAM: MISS YARDLEY D56 X SAV INTERNATIONAL

Check out Charbroil. He's one beefy dude loaded with power and performance. Charbroil has it all; a clean front and smooth shoulder, with abundant rib shape and dimension. He is perfectly sound and smooth through his hooks, pins, and tail head. From behind he is wide based, filled in across the tail and has massive width extending all the way down through his lower quarter. His elite first calf heifer dam did an exceptional job. His phenomenal feminine maternal granddam is the picture of perfection with true Angus breed character. Charbroil's sire, Charlo has produced more high dollar offspring in the past couple of years than about any bull in the breed including \$750,000 SAV President and \$450,000 Coleman Bravo.
