YARDLEY
CATTLE CO.

Focus on the Female

FRIDAY, 4TH OF DECEMBER 2026

1:00 (MST) at the ranch in beautiful Beaver, Utah

WELCOME

Dear Friends, Fellow Cattlemen, and Valued Customers:

What a tremendous fall this has been! I have never seen a summer start so badly and end so well! During the fall gather, we had one of the hardest times we've ever encountered getting our cows off the mountain. They were set and determined to stay put with the abundant green grass that remained on our permits. We literally left our permits with more feed than when we arrived. What a huge blessing this was and a direct answer to the fasting and prayers on our behalf. Despite some downturns in the market, cattle prices remain strong. With a record-low number of cattle nationwide and a lot of optimism for the future, it is an excellent time to invest in quality cattle.

We are excited this year to welcome Colonel Charly Cummings as our auctioneer, along with ring men Dakota Ferguson and Jared Patterson. We are certain they will be a welcome and refreshing addition to our sale event. Colonel Cummings is a renowned world champion auctioneer who has helped market cattle for Superior Livestock Auction for several years.

This year, we are also excited to market our cattle by video instead of through the ring. The sale cattle will be available for viewing in the pens on sale day. Instead of running the cows through the ring, we will show videos of them on large-screen TV monitors as they sell across the auction block. We are confident this will streamline our sale and allow us to run it with a much smaller army of volunteers. This will also make it easier for you, our loyal customers, to view the cattle and load out during the sale, while reducing stress and the risk of injury to the animals and sale staff.

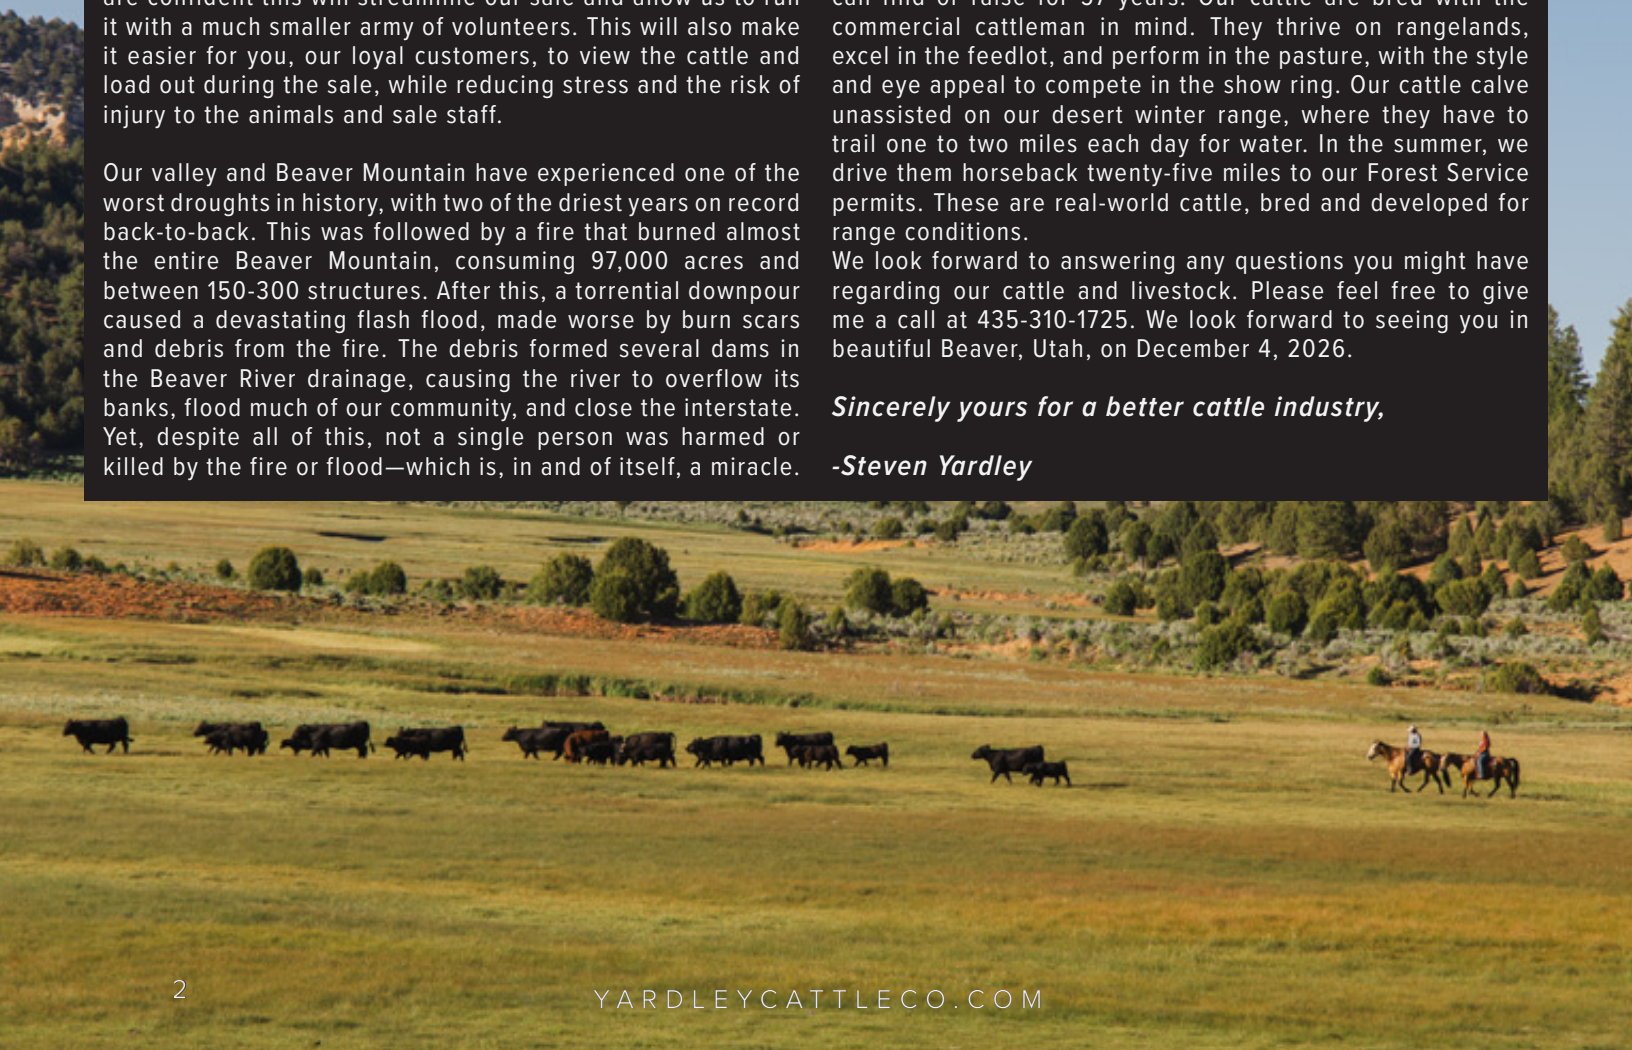

Our valley and Beaver Mountain have experienced one of the worst droughts in history, with two of the driest years on record back-to-back. This was followed by a fire that burned almost the entire Beaver Mountain, consuming 97,000 acres and between 150-300 structures. After this, a torrential downpour caused a devastating flash flood, made worse by burn scars and debris from the fire. The debris formed several dams in the Beaver River drainage, causing the river to overflow its banks, flood much of our community, and close the interstate. Yet, despite all of this, not a single person was harmed or killed by the fire or flood—which is, in and of itself, a miracle. Another miracle was the outpouring of service, love, and support from so many people and organizations that helped with the cleanup and repairs after these tragic events. Our community of Beaver has been droughted out, burned out, and flooded out, but we're still here. That's life in a nutshell. Whatever life hits you with, you have to keep pressing forward in faith that things will get better. I've included several quotes throughout this catalog that have helped me through a lot of my hard times and trials with the hope that they will help and comfort you through yours.

This year has been filled with milestones and achievements. Jeni accomplished a major feat by graduating from BYU with her MBA. Kade graduated in the top ten of his high school class, received his mission call, and left to serve in the Guatemala Quetzaltenango Mission for The Church of Jesus Christ of Latter-day Saints. James is nearing the end of his mission in the Missoula Montana Mission and will be home before our next bull sale. Exciting times!

The females in this sale represent a lifetime of breeding quality genetics—deep, thick, moderate-made, easy-fleshing, low-maintenance cattle with quiet dispositions, excellent udders, ideal feet and legs, and the performance to weigh up well at weaning. We have been Aling to the best bulls we can find or raise for 57 years. Our cattle are bred with the commercial cattleman in mind. They thrive on rangelands, excel in the feedlot, and perform in the pasture, with the style and eye appeal to compete in the show ring. Our cattle calve unassisted on our desert winter range, where they have to trail one to two miles each day for water. In the summer, we drive them horseback twenty-five miles to our Forest Service permits. These are real-world cattle, bred and developed for range conditions.
We look forward to answering any questions you might have regarding our cattle and livestock. Please feel free to give me a call at 435-310-1725. We look forward to seeing you in beautiful Beaver, Utah, on December 4, 2026.

Sincerely yours for a better cattle industry,

-Steven Yardley

TRANSPORTATION

Beaver is 200 miles away from Salt Lake City or Las Vegas, NV, on I-15. From Salt Lake, SkyWest Airline commuter (The Delta Connection) serves Cedar City, which is 50 miles South of Beaver. St. George, UT is 100 miles South of Beaver on I-15. It is served by United, Delta, and American Airlines.

TRUCKING & DELIVERY

Please leave detailed information with the pay clerk about your trucking needs and arrangements. We will work with you to help find the best and most efficient means for hauling. We will guarantee to have your animals delivered to a central location within 300 miles of your home anyplace in the United States for no more than $500/head. ***This guaranteed delivery of $500 only applies to cattle that have been fully paid for within seven days of the sale date. No cattle will leave the ranch until paid for in full.***

ACCOMMODATIONS

Request the Yardley Cattle Company special room rate. Please try to reserve rooms as far in advance as possible to guarantee room rate.

Days Inn, North Interchange	435-438-7800
Butch Cassidy Inn, Downtown	435-438-2438
Quality Inn, South Interchange	435-438-5426
Comfort Inn, South Interchange	435-438-6283
Country Inn, North Interchange	435-438-2484

RANCH & SALE LOCATION

Once you arrive in Beaver, continue into town. At the corners of Center and Main Street, continue West on Center Street (Hwy 21). Continue 1.5 miles to the Yardley Black Cow/Calf sign, turn right and proceed 2 miles North and West across the field to our sale barn.

Upon leaving Hwy 21, traveling North on the gravel road, the horses & cattle do not belong to us until you cross the cattle guard just below our sale barn.

SALE DAY MEALS

A customer appreciation dinner at 6pm the night of the sale at the Timberline Restaurant located at 620 W. 1800 S. near the South I-15 Interchange.

Sale day lunch will be served at 12pm in our sale barn.

TERMS & CONDITIONS

TERMS: No cattle will leave sale yards until full settlement has been made. Payment terms for this sale are cash, or a good check, or ACH. All returned or non sufficient checks will be immediately turned over to the District Attorney for immediate prosecution. This is a felony and charges will be filed. Settlement is to be made immediately at the conclusion of the sale before animals are loaded. The right of property title shall not pass until checks have cleared. Any other arrangements are made prior to the sale.

BIDDING: All animals will sell as single lots to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer whose decision will be final. All potential buyers must have a buyers number provided by Yardley Cattle Co. Yardley Cattle Co reserves the right to not issue a buyer number to potential buyers.

RISK: All animals are at the owner's risk prior to their sale and become the property of the buyer as soon as the animal is declared sold by the auctioneer, at which time the buyer assumes all risk.

ANNOUNCEMENTS: Announcements from the auction block will take precedence over any printed matter, and any other announcements.

HEALTH: Every animal in this sale, to the best of our knowledge, is free of any disease and will be eligible for interstate transport. Cows were vaccinated last spring for IBR, P13, BVD, BRSV, Vibrio, 5-way, Lepto. All cows that have had calves are vaccinated in January with Scour Guard 4 and 8 Way. They just need a booster and the bred heifers should get two shots three weeks apart before they calve. All cattle have had Dectomax, and been given OneShot Ultra 8.

BREEDING GUARANTEE: All females sold under the conditions "safe with calf" have been ultrasound pregnancy checked by a competent veterinarian. They sell with no further guarantee. No guarantee is given that bred females will deliver a live calf, or calf on or near the listed expected calving date. All heifer calves are guaranteed breeders. If the heifer failed to breed, we require a statement from the veterinarian who checked her, stating the problem and that the problem was not due to negligence or improper management, which will void the guarantee. This guarantee may be void if: 1- A female is highly obese, has been shown extensively past July 1st and has not steadily been attempted to be bred. 2- If she is flushed at any time in the first year after the date of sale. 3- If she is in poor body condition. These three exemptions do not apply if the female is examined by our vet to have an underdeveloped reproductive tract that would have been present at the time she was sold. Infections or other enlargements do not constitute "undeveloped." 100% of the purchase price less salvage value on heifer calves will be credited to the next sale. No other expenses incurred in the female will be reimbursed to the buyer. In cases where the animal is subject to hormonal or surgical reproduction techniques or damage caused by foreign bodies after the sale, this contract is null and void. The seller is not responsible for sickness not apparent at the time of the sale. It is useless to breed more than two heat cycles, artificially. If they haven't settled artificially then, they must be put with a fertile bull for the summer. In no event will the seller be responsible for more than the purchase price, less salvage value.

AI CERTIFICATE: The purchase of A.I. certificates are the responsibility of the buyer, as well as the registration of all calves born after sale day.

REGISTRATION CERTIFICATES: Supplied on eligible animals upon request on the sales slip at time of settlement or within 20 days. If registration is requested later, the buyer must pay additional registration fees. Leave the name and address to which you would like the purchase transferred to with the pay clerks.

CONTRACT: The above Terms and Conditions of this sale shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following the sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions. Late in the summer it is necessary to mix breeding groups. Only our own personal herd sires are taken on the mountain. Select groups of cattle will stay with one sire all summer long, but on the majority of late calving cows we cannot guarantee sire parentage unless a parentage identification test is run. IGENITY labs runs this procedure for around $30.

TRUCKING: All trucking, prices, and trucking fees are the responsibility of the buyer, but we will help make arrangements. Every effort will be made to minimize costs to the buyer. We will guarantee sold cattle to be delivered to central points.

LIABILITIES: Although accidents at livestock sales seldom occur, everyone attending this sale does so at their own risk. Yardley Cattle Co, its owners and employees assume no liability, legal or otherwise, in the event of an accident, bodily injury, theft, act of God, errors in catalogs or omissions, or percentage verification. We try to keep the most accurate records possible and have bull tight fences, but on rare occasions, accidents of breeding occur that we are not aware of or cannot control. We will do everything we can to determine the correct parentage, but cannot guarantee it.

STAY UNTIL THE END OF THE SALE!

ABSENTEE BIDDING
If you are unable to attend the sale but would like to bid on the lots offered, we encourage you to call prior to sale day. There are two ways to participate in the bidding if you are unable to attend the sale in person. You can bid online with DVAuction.com or by phone.

1- BIDDING VIA DVAUCTION.COM
Bidding online via DVAuction is fast and easy. If you do not have an account, please visit DVAuction.com. You can create an account, log on to watch and bid on sale day. (We encourage you to set up your account before sale day and log on with plenty of time before the actual sale begins). For more info, contact DVAuction at 402-316-5460.

2- WORK WITH ONE OF US TO FILL YOUR ORDER
If you are unable to attend the sale in person, or via DVAuction, please contact us, as we would be happy to accommodate you to the best of our ability. All bids are handled with strict confidentiality.

PRE-SALE REGISTRATION FOR ATTENDING BIDDERS AND ABSENTEE BIDDERS
If you would like to register as an absentee bidder, please call 406-550-1866. You may be required to list your bank's telephone number and your drivers license number. All absentee buyers must be pre-registered. Any lots purchased by absentee bidders must be paid for in full via invoiced ACH, check, cash, or wire transfered on Monday, Dec 7th prior to load-out or delivery unless prior arrangements have been made. We appreciate your cooperation.

THE OFFERING

DO NOT HESITATE TO BID ON ANY OF THE UNPICTURED LOTS. THE CATTLE NOT PICTURED IN THIS OFFERING ARE BEAUTIFUL, PRODUCTIVE CATTLE; WE SIMPLY CAN'T PICTURE THEM ALL.

We take great pride in our "clean up" bulls, we call them our herd sires. Many of them come from top herds across the nation or are hand selected from our bull calves each year. We know their lineage for generations, we know how their mothers milk, what their body condition score is, what type of feet and udder quality they have, and we strive to use only the best. Our bulls in the pasture are equal or higher quality as those in the tank and we take pride in their genetic merit. Do not hesitate to buy a female that is pasture bred.

VIEW CATTLE VIDEO

Videos will be available on all lots. Visit our website, yardleycattleco.com or www.dvauction.com to view this great offering in motion.

Love is the very essence of life. It is the pot of gold at the end of the rainbow. Yet it is not found only at the end of the rainbow. Love is at the beginning also, and from it springs the beauty that arched across the sky on a stormy day. Love is the security for which children weep, the yearning of youth, the adhesive that binds marriage, and the lubricant that prevents devastating friction in the home. – Gordon B. Hinckley

BLUETON

Concho is a big, stout horse that has been there and done that. He has been used to move and doctor cows on the mountain, move bulls around the feedlot, and gather cattle on the desert. He's been through bogs, deadfall timber, and deep water, and up and down steep, rocky ground. He's been packed, dragged calves, pulled colts, and packed kids behind the saddle. He opens and closes gates and tracks cows. There's plenty of horsepower in this guy, who stands 16 hands, weighs around 1,350 pounds, and wears a number 2 shoe. His cow-bred pedigree includes such greats as High Brow Cat, Dual Pep, and Royal Blue Boon on the top side. His dam was as pretty a mare as we have ever raised and hails from some of the legendary foundation Quarter Horses, including King Fritz, Leo, Mr Gunsmoke, and Hancock. ***We recommend him for intermediate to experienced riders.***

LOT 2 *ROYAL SENSATION CASH "BUCK"*

QUARTER HORSE | **BD 4/1/2018** | **AQHA 6314710**

PEPTOBOONSMAL

NUSENSATION TWOWATCH

PEPPY SAN BADJER
ROYAL BLUE BOON
DOC QUIXOTE
SUAR BAR MARIE

TWO EYED RED BUCK
LITTLE ORPHAN JACKIE
SENSATION CASH
IMA TWO WATCH

Buck has a fast, smooth walk and a rocking-chair lope, making him a pleasure to ride. He has a good amount of gas in the tank to cover the trail on long days and can settle down and get work done on shorter ones. He's been used everywhere on the ranch and is as comfortable in a corral as he is in the mountains. He works cows, neck reins well, and will plant his hind end in the dirt when you ask him to. You'll appreciate his friendliness and his willingness to come to grain, making him an easy horse to catch. His sire, Royal Blue Quixote, is an own son of the renowned Peptoboonsmal. His dam was one of our favorite horses to ride on the ranch—a beautiful buckskin out of an own daughter of Sensation Cash. ***Buck gets a little cold-backed in the mornings, so we recommend him for intermediate to experienced riders.***

This high-performing son of the ABS Global sire, LAR Man in Black, was the third-heaviest 365-day-weight bull in Janssen's 2025 offering. This stout-hipped, big-bodied bull balances an individual birth ratio of 96 with an impressive weaning ratio of 125. His highly-productive, broody-made, feminine-fronted dam produced the $18,000 third high seller of Janssen's 2024 bull sale. Bold in his step, he moves like a cat on the prowl with the confidence of a king.

Sumo is a breeding masterpiece that defines the type of cattle we are striving to create at Yardley Cattle Company. He defines the depth, width, dimension and balance of the type and kind we want to make. He strides out with the confidence of a king, epitomizing the potential of the Simmental breed. His sire is the renowned TJ War Paint, and his dam is a beautiful daughter of donor 199X who has produced countless high sellers including $25,500 Yardley Bank Vault and $16,500 Yardley Blitz. A high-performance bull, Sumo weaned at 725 pounds and recorded a 1,250-pound yearling weight, but his true greatness lies in his ability to produce mouthwatering daughters. We have a large volume of semen and he will continue to see heavy use within our program. *Use on soft pastures as he hurt his hind foot when he was younger.*

Here's a 19-month-old purebred Simmental bull that brings together shape, style, and a maternal pedigree that's proven its worth! His dam, Miss Yardley H129, is an impressive County O daughter that has established herself as a consistent producer of high-quality cattle. She's the dam of Yardley Karisma, a standout feature of our 2022 female sale. His maternal grandam, E178, is the kind of cow cattlemen strive for; structurally correct, balanced, and productive, without sacrificing style. Nez Perce is a purebred backed by generations of proven producers!

This soft-made, stout-built, versatile, Remedy daughter has DONOR written all over her. M168 combines a powerful hip with exceptional depth and dimension. Built and designed to be an easy keeper, she ranks in the top 20% of the breed for DMI and the top 25% for CER.

Proven sire of M168

Christ did not just speak about love; He showed it each day of His life. He did not remove Himself from the crowd. Being amidst the people, Jesus reached out to the one. He rescued the lost. He didn't just teach a class about reaching out in love and then delegate the actual work to others. He not only taught but also showed us how to "succor the weak, lift up the hands which hang down, and strengthen the feeble knees." Love is what inspired our Heavenly Father to create our spirits; it is what led our Savior to the Garden of Gethsemane to make Himself a ransom for our sins. Love is the grand motive of the plan of salvation; it is the source of happiness, the ever-renewing spring of healing, the precious fountain of hope." –Dieter F. Uchtdorf

AI LOVERBOY, EXP CALVING: 1/23/27

We begin this offering with a tremendous female whose maternal line is loaded with fancy females that flat-out perform. As a first-calf heifer, N176's dam produced Yardley Lovely, a featured show heifer in our 2023 sale, selected by our good friend and neighbor Jed Albrecht. Her dam boasts an impressive 4@103 nursing ratio and a notable 643-pound average weaning weight across her heifer calves. Her maternal brother, Yardley Absolute, was a crowd favorite in this year's Bull Sale, selected by Tanners of Grouse Creek, UT. N176 sells with an early pregnancy to Lover Boy.

...One day, when all the suffering and loneliness have ended and our pain is gone, we will be able to step back and look into the mirror of our own soul. Then we will "stand all amazed" and feel to fall at the Savior's feet and thank Him. We will thank Him for all of it—the molding, the shaping, the pain, and the adversity that have helped us become more like Him.–Tami Runia

AI Y1 ABUNDANCE, EXP CALVING: 1/23/27

You'll love the look, style and design of this bold-ribbed, long-bodied, fancy-fronted female. Her maternal line is backed by phenotypically flawless females. She's a real breed piece with an exciting early pregnancy to the popular AI sire, Woodford.

The spirit of the gospel is optimistic; it trusts in God and looks on the bright side of things. The opposite or pessimistic spirit drags men down and away from God, looks on the dark side, murmurs, complains, and is slow to yield obedience. We should honor the Savior's declaration to "be of good cheer."-Orson F. Whitney

AI BRIDLE BIT RECHARGE, EXP CALVING: 1/26/27

She sells bred to $100,000 Bridle Bit Recharge.

We have long been known for raising quality Simmental cattle as some of the earliest breeders in the association with registration number 1090. I have always said one of our biggest, best-kept secrets is the tremendous Angus genetics that grace our herd and complement our Simmental cows. They are at the heart and carry the maternal load of some of our best SimAngus genetics. The Angus females in this offering are comparable and often superior to those of the best breeders in America. They have been bred for success and will stand the test of time. We like Angus with big butt ends, wide tops, gentle dispositions, and of course the ever-present depth and fleshing ability so critical for cattle on these western ranges.

Feminine-fronted and maternal, N055 has the striking pose of a top-notch show heifer. Her productive dam raised five calves before selling as a $9,500 feature to Steve Smith of Lehi, Utah. N55 is an own daughter of $150,000 SAV Courage.

$9,500 dam of N55

SAV Courage $150,000 sire of N55

To hell there is an exit as well as an entrance. Hell is no place to which a vindictive judge sends prisoners to suffer and to be punished principally for his glory; but it is a place prepared for the teaching, the disciplining of those who failed to learn here upon the earth what they should have learned... No man will be kept in hell longer than is necessary to bring him to a fitness for something better. When he reaches that stage the prison doors will open and there will be rejoicing among the hosts who welcome him into a better state. -James E Talmage

Bred to be a steer, this girl didn't get the memo. She has stylish good looks, a powerful hip, and great flex and movement and exceptional hair. N119 is a composite female with a 76-pound birth weight. If you are hoping to raise show calves, check her out. *This heifer is a little flighty.*

Flashy dam of N119

The answers to the questions "Am I good enough?" and "Will I make it?" are "Yes! You are going to be good enough" and "Yes, you are going to make it as long as you keep repenting and do not rationalize or rebel." The God of heaven is not a heartless referee looking for any excuse to throw us out of the game. He is our perfectly loving Father, who yearns more than anything else to have all of His children come back home and live with Him as families forever. He truly gave His Only Begotten Son that we might not perish but have everlasting life! Please believe, and please take hope and comfort from, this eternal truth. Our Heavenly Father intends for us to make it! That is His work and His glory. -J.Devn Cornish

What we lack in quantity, we make up for in quality in the Maine Anjou department. M160 has a beautifully chiseled front, an attractive sweeping rib design, a powerful hip and excellent hair. If you are looking to raise show calves this distinctive Maine-Anjou female is sure to be a factory. Her sleek-fronted dam, an own daughter of Minn Hard Whiskey, has raised nine calves that ratioed 105.

Hard Whiskey, stylish maternal grandsire of M160

You parents of the willful and the wayward! Don't give them up. Don't cast them off. They are not utterly lost. The Shepherd will find his sheep. They were his before they were yours—long before he entrusted them to your care; and you cannot begin to love them as he loves them. They have but strayed in ignorance from the Path of Right, but God is merciful to ignorance. Only the fulness of knowledge brings the fulness of accountability. Our Heavenly Father is far more merciful, infinitely more charitable, than even the best of his servants, and the Everlasting Gospel is mightier in power to save than our narrow finite minds can comprehend. - Orson F. Whitney

PE Y1 SUMO, EXP CALVING: 3/14/2027

J54 is a big-bodied black baldy with a powerful 719-pound weaning weight she exhibits extreme depth of body, thickness, and muscle, and is backed by one of the best cows on the ranch, Miss Yardley Y134. She has an ideal udder, abundant milk, is easy-fleshing, has great feet, and a very attractive front. She is also the dam of $25,500 Yardley Man O' War proving that she can do it time and again. There is cow power in this pedigree!

Stylish maternal sister of L163

ET U152 X STEPPING STONE B44, EXP CALVING: 2/27/2027

K78 is a 4 year old purebred Simmental ASA 4168221. She should have a featured embryo calf by elite donor U152 with Stepping Stone; bred to two of the most impressive individuals to grace the ground at Yardley Cattle Company Miss Yardley U152 and W/S Stepping Stone.

Miss Yardley U152 is as pretty and productive herd matron as we have owned. Her impressive track record of eight calves that weaned at 735 pounds and ratioed 106 is matched by their superb phenotype, typified by a $12,000 son selected by astute cattleman Dick Wheeler of Casper, Wyoming. Mated with $52,000 W/S Stepping Stone. This fancy bull was ahead of his time, loaded with depth, a square hipped, full of muscle and red meat. He was big topped, wide based, clean fronted, and clean sheathed. *If after birth the calf does not DNA test to U152 x Stepping Stone we will refund any money above $5,000 spent on this purchase.*

Stepping Stone, sire of embryo

Circle and put a star next to this Donor prospect. She's the kind to get excited about! I It's hard to imagine a purebred Angus with a better look. Moderate in design, balanced in structure, soft through her middle and wide from behind, she's as pretty as a picture. She's feminine-fronted, exceptionally deep, strong-topped, calm and sound. She tracks wide and fills her step.

Ellingson Badlands, massive sire of M47

If we give our heart to God, if we love the Lord Jesus Christ, if we do the best we can to live the gospel, then tomorrow—and every other day—is ultimately going to be magnificent, even if we don't always recognize it as such. Why? Because our Heavenly Father wants it to be! He wants to bless us. A rewarding, abundant, and eternal life is the very object of His merciful plan for His children! It is a plan predicated on the truth "that all things work together for good to them that love God." So keep loving. Keep trying. Keep trusting. Keep believing. Keep growing. Heaven is cheering you on today, tomorrow, and forever. -Jeffery R. Holland

AI SAV BENEFICIAL, EXP CALVING: 3/3/2027

With a nursing ratio of 4@101 and the number one sire of progeny registered by the American Angus Association in 2019, HA Cowboy Up. Cowboy Up was the sensation of the spring 2016 bull sale season when two-thirds interest of him sold for $350,000. J71's easy-fleshing dam brings all the parts and pieces of true Angus breed character to the table in a sleek, stylish, powerful package. It's easy to see why you're interested in this female who sells with an early pregnancy to the impressive, SAV Beneficial.

PE DAWSON 353N, EXP CALVING: 4/28/27

M80 hails from not one but two tremendous cornerstone donors and Angus herd matrons. Her dam X164 and her maternal grandam S19. Both are easy-fleshing, performance-packed powerhouses that consistently produce pounds of profit in the right package while staying hog fat. X164 produced our '18 lead-off Angus, Yardley Bumper Crop, selected by our good friends the Snow brothers of Jensen, Utah. She maintained an impeccable nursing ratio of 13@100.

This young pair will work excellenty in your fall breeding program as a two-for -one package. This cute heifer calf was born in early September. REA 1.06 ranks top 20%. *We believe this calf is sired by WAGR Remedy 1054J.*

Conviction, strong-topped sire of M97

God is in relentless pursuit of you. He wants all of His children to choose to return to Him, and He employs every possible measure to bring you back... Everything about the Father's plan for His beloved children is designed to bring everyone home...The intent of the Father's great plan of happiness is your happiness, right here, right now, and in the eternities. -Patrick Keron

These young, easy-fleshing, moderate-made, commercial Angus females were purchased from the renowned Redland Angus of Worland, WY. We calved them out and bred them back to Simmental bulls to produce some true F1 SimAngus genetics.

Sells with an early pregnancy to Yardley Limitless, sire of this year's lead-off heifer and the $39,000 high-selling bull in our 2026 Bull Sale.

M607 is bred to Yardley Limitless

I hope the quotes throughout this catalog will give you faith, strength, and courage to face whatever challenges lie before you. As a grand finale, I have included a few more quotes that go hand in hand:

"I ask everyone within the sound of my voice to take heart, be filled with faith, and remember the Lord has said He 'would fight our battles, our children's battles, and the battles of our children's children.' And what do we do to merit such a defense? We are to 'search diligently, pray always, and be believing, and then all things shall work together for our good, if we walk uprightly and remember the covenant wherewith we have covenanted.' The latter days are not a time to fear and tremble. They are a time to be believing and remember our covenants."—Jeffery R. Holland

"We must not let fear rob us of the ordinary and beautiful things that make us human. We must continue to pray, to work, to love, to raise children, to build friendships, and to pursue truth. If the worst should come, let it find us doing what is good, rather than huddled together in fear. For we were never meant to find our ultimate security in the world. We are strangers here, made for something beyond nature and beyond death, and if we remember that, we can face even the greatest uncertainties of our age with courage. Our task is not merely to survive whatever comes next, but to remain faithful, to preserve what is good, and to live as people whose hope rests in eternity."—Attributed to C. S. Lewis

"This is a wonderful time to be living here on earth. Our opportunities are limitless. While there are some things wrong in the world today, there are many things right, such as teachers who teach, ministers who minister, marriages that make it, parents who sacrifice, and friends who help. We can lift ourselves, and others as well, when we refuse to remain in the realm of negative thought and cultivate within our hearts an attitude of gratitude."—Thomas S. Monson

And moreover, I would desire that ye should consider on the blessed and happy state of those that keep the commandments of God. For behold, they are blessed in all things, both temporal and spiritual; and if they hold out faithful to the end they are received into heaven, that thereby they may dwell with God in a state of never-ending happiness. Mosiah 2:41

"So keep loving. Keep trying. Keep trusting. Keep believing. Keep growing. Heaven is cheering you on today, tomorrow, and forever."—Jeffery R. Holland

Enjoy the sale and God bless!

Steven Yardley

SIRE LINEUP

Three separate breeds, three individual herds of cattle, one common goal. Our focus in all three breeds is to produce cattle with rib shape, dimension, solid tops, easy fleshing, and be structurally sound and functional. We will continue to focus on solid cow families combined with powerful herd sires. Semen Available on most sires.

YARDLEY RENEWAL N256

PB SM **BD 1/24/2025** **ASA 4624570**

SIRE: BRIDLE BIT RECHARGE

DAM: MISS YARDLEY L174 BY RELENTLESS

Yardley Renewal is perhaps the best bull we have ever raised in terms of phenotype, genotype, and EPD profile. He is a beautiful black baldy with a keen head, smooth shoulder, tons of middle, powerful hip, big top, an excellent leg set, and exceptional disposition. He excels in every trait, ranking in the top 10% of the breed or better for CE, BW, YW, ADG, $GN, MCE, MW, CW, API, & TI. We bred him to a large herd of heifers and a significant number of cows and will continue to use his semen and genetics in the future. He is sired by the $100,000 breed legend Bridle Bit Recharge. Tragically, Renewal died unexpectedly this year, so there is a very limited amount of semen on him.

ROLR MR NEXT LEVEL 220N

3/4 SM 1/4 AN **BD 2/17/2025** **ASA 4539497**

SIRE: KRJ DAKOTA OUTLAW G974

DAM: KRDL CAEDENCE C37

When I walked through Roller's herd in Minnesota, I was immediately drawn to this intriguing baldy. Next Level is the 2026 $24,000 high-seller of Roller's sale. His shape, structure, and design are balanced and smooth from every angle. There is nothing extreme or out of place about him except his exceptional quality and disposition. His extended neck sits high from the front of his ultra-smooth blade with flawless transitions from his ideal forerib to his level pin set and deep-tying quarter. He blends extreme depth and dimension with length and look. His dam is a beautiful female that has an exceptional udder and great feet and legs under her. Next Level's maternal ledger reads with some of the very best female makers with known calving merit in Mr CCF 20-20 and WAGR Driver 706T. We AI'd and bred several of our heifers to him and are excited for his first crop.

DAM: MISS YARDLEY E10 BY SAV PATRON 4888

Lawman is a masculine stud that exemplifies the traits we are trying to infuse in our cattle. His shear length, width, and depth coupled with his impressive muscle and bone, led to an incredible performance record with scale mashing performance reflected in his 761# adj WW and an equally impressive 1,378# adj WW out of an impressive, heavy milking first calf heifer! He ranks in the top 10% of the breed for WW, YW, and CW. His maternal line traces back to T68, the profitable dam of $30,000 Yardley High Regard. Lawman's maternal grandam, Yardley Step Ahead was our 2017 leadoff, $14,000 bull selected by Griswold Cattle Company of Stillwater, OK. He is homo black homo polled.

WAGR REMEDY 1054J

POLLED PB SM BD 3/13/2021 ASA 3961824

SIRE: : SO REMEDY 7F

DAM: WAGR MS LIGHTNING 8157F

Remedy 7F is the record setting Simmental bull that sold for $530,000 in 2021. Remedy was then selected as the 2021 Cattlemen's Congress Grand Champion Simmental Bull. We were very impressed with his offspring on display at the Denver Stock show. When we took a trip through South Dakota and visited Chris Effling the Remedy calves again stood out. At the top of our list was his leadoff Remedy son, 1054J. He's got a soft look, cool and completely loaded with a ton of rib shape and dimension in a purebred, homo black, homo polled package. He is sure to improve phenotype while adding power and performance without increasing mature size. He moves out on a sound foot with style and quality that is even more impressive on the move.

POLLED PB SM BD 10/16/2014 ASA 2983443

SIRE: HTP/SVF DURACELL T52 BY DREAM ON

DAM: BUILT RIGHT X 3C MACHO BY MEYER 734

CALVING EASE SIRE SUPREME. 2016 NWSS Supreme Champion Simmental Bull. He was the number one Simmental bull in semen sales for Cattle Visions in 2021. His calves are very stylish and correct and have good growth, performance, and eye appeal. Our cattle have to do a lot of walking so we are very fussy about good feet and legs. He is the most correct legged bull we saw in Denver. His dam was the Grand Champion Simmental female at the 2009 American Royal Show in Kansas City. Many of the bred cows and heifers in this sale carry his service. He is hetero black homo polled. Owned by Gib and Denise Yardley and Griswold Cattle CO. You need to try him!

3/4 SM 1/4 AN BD 2/8/2017 ASA 3308871

SIRE: THSF LOVER BOY B33 BY HTP/SVF DURACELL

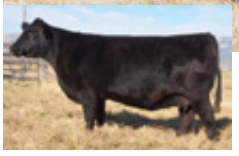

DAM: MISS YARDLEY C136 BY YARDLEY HIGH REGARD

Standout's name says it all. Since he was a calf he always had a stylish look about him and leading performance. His two-year-old dam is very feminine fronted, deep bodied, easy fleshing and ideal uddered. Standout was her first calf with a birth weight of 72#, weaning weight of 773# without creep, and a yearling weight of 1338#. His extended front end and smooth shoulder give him added eye appeal and increase calving ease. His beautiful dam, C136, has entered the donor pen at an early age joining his grandam, Y22 who has been super productive. Consistency is coming from both sides of the pedigree here. He is hetero black, homo polled.

W/C BANCHOR 46D

POLLED 3/4 SM 1/4 AN BD 2/12/2016 ASA 3182241

SIRE: CCR ANCHOR 9071B

DAM: W/C MISS WERNING 46B BY LOCK N LOAD

W/C Banchor 46D has been fun to see in our pastures. He is loaded with depth of body, thickness and muscle, excellent feet quality, good haired, and a blazed face to top it all off. He stayed sound and fat all summer while doing a great job of getting the cows bred. He has a nice slope to his shoulder and a disposition that can't be beat. He is sired by CCR Anchor 9071B, whose progeny have highlighted many sales over the last year. They have proven themselves as sound, functional, real world cattle that just work. His dam Miss Werning 46B is a daughter of the great 715T donor cow and has had multiple full sisters sell for over $10,000. The maternal backing behind Banchor gives us great confidence in the future of him and his offspring. He is a proven heifer bull. We have had many calves out of him and havent had to touch one. He throws a lot of stylish calves. Owned with Chad Ruda of Nebraska. Homo black, Hetero polled.

YARDLEY LIMITLESS L349

PB SM **BD 2/26/2023** **ASA 4242904**

SIRE: RUBYS OUTER LIMITS 935G

DAM: MISS YARDLEY F113 BY Y1 TOP NOTCH C371

Limitless was an easy choice to keep as a herd sire. He has a tremendous phenotype with abundant length, width, and depth throughout. His performance was at the top of our crop with a massive 805# WW, and an equally impressive 1,409# YW. He also ranks in the top 2% for WW, YW, ADG, MWW, CW and REA. His gorgeous dam combines a feminine package with exceptional foot and udder quality. She is the daughter of legendary donor X126 who produced $14,000 Yardley Excellence and $9,500 Lot 1 bull of '18. His sire, Outer Limits, was the top-selling bull in Ruby's 2020 sale. He ranks in the top 1% of breed in six traits.

SFI CONVICTION

PB SM **BD 1/28/2022** **ASA 4098058**

SIRE: LLSF PAYS TO BELIEVE ZU194

DAM: ES D52 BY ES LOADED BU56-1

SFI Conviction caught my eye at the 2023 NWSS pen show where he stood in Schaake's Reserve Champion pen of three. He had the best feet and legs of any bull in the yards; tracking wide and nailing every step as he goes. He has a massive hip with plenty of extra "junk in the trunk" and a huge, strong, level top. He has a smooth shoulder and is loaded with real world depth and dimension. He ranked in the top of his contemporary group for weaning weight, back fat, and REA and #2 for YW. He has an extremely easy going, docile disposition.

HOMO POLLED 1/2 SM 1/2 AN **BD 2/1/19** **ASA 3621542**

SIRE: W/C BANCHOR

DAM: MISS YARDLEY E232 X BUSHWACKER

Abundance was the pick of our '19 calf crop to keep as an impressive herdsire. He is a soft made, stylish fronted, bull with ideal leg and foot structure. He has a very balanced EPD profile with many traits ranking in the top 15% of the breed. His excellent disposition has landed him a docility EPD in the top 1% of the breed. His deep-bodied dam has an impeccable udder with plenty of milk and the ability to breed back while working hard. Abundance's sire, Banchor, is making a huge impact on our herd with daughters that are moderate, deep-bodied, easy-fleshing, heavy milking, and extremely feminine. Homo black Homo polled.

ANGUS **BD 2/17/2025** **AAA 21478298**

SIRE: MUSGRAVE AMBITION

DAM: MISS YARDLEY C27 BY O' REILLY FACTOR

Aspire is a phenotypically complete standout that is built right from the ground up. Awesome legs, smooth joints, a beautiful front end, powerful hip, a large capacious body and an extremely soft-made, smooth functional look throughout. His gorgeous, front-pasture dam was Jose Guzman's pick of the heifer calf crop. She records an impeccable 11@100 nursing ratio and produced our 2020, $12,000 high seller, Yardley Accolade selected by Darrell Shawcroft of LaJara, CO. She is a remarkable individual with a front-pasture look whose maternal line traces back to N181, the dam of our incomparable herd sire Skipper and a $16,000 show heifer. N181 sold for $20,000 to our good friends Wayne and Barb Olrichs of Norfolk, NE. Aspire's sire, Musgrave Ambition, was the $57,500 second-highest selling bull of the 2023 Musgrave Angus production sale.

SAV JAYBIRD 3004

ANGUS **BD 1/25/2023** **AAA 20771112**

SIRE: SAV JESSE JAMES

DAM: SAV MADAME PRIDE 3145 BY SAV PRIORITY

We were excited to purchase SAV Jaybird from Kelly Schaff when the opportunity showed itself. He combines phenotype, performance, and maternal excellence. His dam, SAV Madame Pride 3145, is the high-income producing cow at SAV and is in a league of her own for body type, femininity, fertility, feet and udder quality. She has produced Lot 1 bulls of SAV's 2021 and 2022 sales—$225,000 SAV Anthem and $82,500 Glory Days, along with $200,000 Circuit Breaker, and $150,000 SAV American Flag. We believe that the cow is what makes the bulls, and what sets apart the bulls that have excellent daughters and those with just mediocre daughters. SAV Jaybird comes from one of the best.
